## The Dry Side Of The Door

By Wayne T. Mitchell  
Waynedale Lodge No. 739

Noah was a great man in the sight of God. All his life he righteously obeyed the commandments of God. One day the Lord came to Noah and said "Noah, I want you to build an Ark. I will give you complete instructions on how to build it. Then I will send a great flood and if you will follow my instructions you and your family will be saved."

Now Noah and his family lived in the middle of a desert where rainfall was very minimal each year so it was understandable why Noah was surprised by this commandment. But, being used to following the Lord's commandments all of his life, he obeyed. He gathered his family together (a wife, three sons and three daughters-in-law — eight in all) and started to build the ARK. Many of his neighbors gathered around to jeer and you can imagine the derision that took place, building an Ark in the middle of a desert. But that did not deter Noah or his family. They labored diligently until the Ark was completed and then loaded the Ark with many animals and provisions.

Soon the rains came and for forty days and forty nights it continued. Civilization was wiped out except Noah and his family. The Ark was tossed about and was soaked on the outside but Noah and his family were

safe and dry on the inside. Finally the rains stopped and for many days the Ark floated upon the waters. Twice he sent forth doves (an emblem of peace) to locate land and the second time the dove returned with a twig in its bill and Noah knew they were saved. This was because Noah obeyed God. And although the Ark was soaked on the outside, yet Noah and his family were saved because they were "on the dry side of the door."

We, as Masons, also have our own Arks to build to protect us in times of adversity. Like Noah, we also have the tools, the materials and the knowhow to build OUR Ark. We have the three great Lights of Masonry to use in building the foundation of our lives. The materials are the countless ways we have throughout our lives to serve others. The knowhow and instructions are found in the three degrees of Masonry. It is not enough to know how to build our Ark but, like Noah, we must see it to completion. Then, when the rains of adversity come upon us, we will have our Ark to protect us.

Then will our doves return to us with that "peace of mind" that passes all understanding with the knowledge that we have spent our lives "on the dry side of the door."

It's strange that you're so indispensable when you ask for a day off and so expendable when you ask for a raise.

## The Silent Mason

The silent Mason is one who lives and acts out his principles in all his contacts with his fellow man. We believe in a Masonry that acts silently. We want no loud cry in the marketplace or vain show and pomp.

The Mason who tries to live our principles without any ostentation will be a pillar of strength to the noble old institutions. The humblest craftsman who has been made a Mason in his heart is worth more than any number of distinguished members to whom its teachings are mere verbiage. We care nothing about title nor rank unless under it there is love for adherence to its vital principles.

Brotherly love and truth; carry out these and all else will follow; for as sure as God reigns an institution founded upon Him will endure.

Ohio Mason

## Importance Of Right Attitude

There is nothing so important to the welfare of Masonry as is our own attitude of understanding and love toward our brothers. The world wants to see the effects of Masonic training, and it looks where it naturally should be found - in the brother-to-brother relationship of Masons.

There is the essential requirement, not that we all think alike, but that we respect the opinions of our brothers and that we stand in complete agreement on those things which stamp us as Master Masons.

We should constantly bear in mind the profound and unalterable obligations which unite us.

The progress of Masonry, its welfare and growth, all are interwoven with the way we feel and act toward brothers.

Masonry of yesterday is no different from Masonry of today. If there is a difference in us, we should examine our own attitude and feeling toward our brothers.

Attendance at our meeting will increase with the greater consciousness of our duties and obligations toward others.

In this spirit of love and understanding, we will see Masonry grow and prosper, and we will find undreamed of happiness by communicating happiness to others.

## SENIOR MASONS

Our monthly dinner meeting will be held at the Heritage House on Lima Road on Monday, January 3, 1983. As always, we will meet at 12:00 o'clock noon for lunch, with the meeting following.

At our December meeting, we had 67 present, including 10 first timers. At the last couple of meetings, we have had several Brothers from Hicksville, Ohio with us. We enjoy having them. Many of our local Brothers seem to forget when our meetings are. Just mark it on your calendar, the first Monday of every month (except September, when it is the second Monday). One of the first timers at the December meeting called me at home in the afternoon, thanking me for the invitation. He saw many Brothers that he hadn't seen for quite some time, renewing old friendships. It could happen to you. Why not give it a try.

At our annual meeting in December, the election of officers was held. First V. Pres. Herman Graber was elevated to President, and Second V. Pres. Vince Westfall was promoted to First V. Pres. To work along with them, we named Nelson Beaverson as Second V. Pres. and Schuble Boggs as Third V. Pres. You are still stuck with yours truly as your Secretary-Treasurer. Sorry 'bout that.

At the writing of this article, we have many Brothers on the sick list. For fear of missing someone, I will not try to name them. Let us remember all of the Brothers in our prayers, and we hope to see them back in good health shortly.

At the writing of this article, we do not have a speaker lined up for the January 3rd meeting. But we feel sure that we will have one.

If you are retired, or available at noon on the first Monday of the month, we invite you to attend our meetings. We try to have interesting meetings, and everyone enjoys the fellowship. We shall be looking for you on January 3rd. You will be glad that you attended. And bring along a brother. He will be glad that you did. See you on January 3rd.

Franklin I. Bryan, Secretary

"Craftsman why this confusion in the Temple? Why are you not at your labors?"

"Our Grand Master, Hiram Abif is missing, and there are no designs upon the trestle-board."

But Hiram has been found and there is work to be done at the Temple. I end all the other officers for 1983 need you to come to Home Lodge to share in the work. It takes a minimum of 30 persons to confer the Master Mason Degree for a candidate. With over 500 members in Home Lodge No. 342, we sometimes have only the minimum amount to confer the sublime degree. We are going to activate the Fellow Craft Club this year and will have an election of officers for Fellow Craft Club for 1983 on Feb. 8. We will have a dinner served at 7:00 p.m. and meeting to follow.

Come and show your support for your Home Lodge. Come and show us that we have a brother that will give of his time and efforts to help build a better Temple.

The officers for Home Lodge that were elected and appointed for 1983 were installed on Dec. 21 at 7:30 p.m.

Your officers are Worshipful Master Jon P. Vonderau, Senior Warden Jerry Young, Junior Warden Herman F. Grabler, Treasurer Arthur H. Vonderau PM, Secretary (vacant), Sr. Deacon John C. Kreider, Jr. deacon Gerald Doran, Sr. Steward Lawrence Grabler, Jr. Steward Larry Weddertz, Chaplain John Zakhi, Organist Elmer Barcus, and Tyler Dean McCord. Our newest Master Mason's are Larry Weddertz and Dean McCord. James T. Peters PM is serving as 1-year Trustee, Dave Ball PM as 2-year Trustee and newly elected outgoing Past Master Leonard Woods as 3-year Trustee.

Home Lodge is again going to work towards receiving the Grand Masters Award. This Award is given by the Grand Master at the end of the Grand Lodge year in Grand Lodge session on the third Wednesday of each May. Each award takes the cooperation of two succeeding Masters and the support of the Lodge for two long years.

Hollis Brece PM, has been appointed Acting Secretary for Home Lodge to fill the vacancy because of

the illness of John B. Weyer who has been a faithful secretary for Home in 1982. Speedy recovery to you John, and thanks for all your efforts and time to help keep the books for Home.

Every organization needs a strong foundation. Your Masonic life, whether you are an Entered Apprentice or a 33 degree Mason, begins in your Blue Lodge. The Blue Lodge like the foundation on your home, needs to be a strong and healthy foundation.

Home Lodge No. 342 is my foundation and is your foundation. Each of us are striving to be the perfect Ashlar. As all foundations need care and protection to remain strong, so does our foundation.

Home Lodge No. 342 needs all of us to care and to protect the principles of the Order.

For anyone needing transportation or assistance to the meeting, call Jon P. Vonderau at 456-4548.

Remember Home Lodge needs to strengthen our foundation. We need you.

Brethren:

My first letter is a recap of anticipated events:

Officers for 1983 were installed December 18 in a ceremony open to the public, with Past Masters Wayne T. Mitchell, John C. Conahan, and John E. LoVerde officiating: Shockley Lockridge, Worshipful Master; Edwin L. Teerers, Jr., Senior Warden; Frank Morton, Junior Warden; James E. Mitchell, Treasurer; Raymond A. Sipe, Secretary; Robert E. Leech, Senior Deacon; Richard T. Moore, Junior Deacon; Howard N. Betz, Chaplain; Edwin H. White, Jr., Senior Steward; James D. Weaver, Junior Steward; Clay Landrum, Tyler. Ernest L. Walker, P.M., was elected trustee for three years. Hold-over trustees are John E. LoVerde and Glen F. Hedges (through 1984) and Richard T. Moore and Roger W. Sipe (through 1983). We appreciate H. Stuart Trainer's faithful service as trustee for many years.

On December 27, the Lodge celebrated the Feast of St. John the Evangelist with the traditional dinner. Roger Sipe, P.M., spoke on Masonic principles.

Our calendar for January 1983: Wednesday, Jan. 5 - Stated Meeting, 7:30 p.m.  
Wednesday, Jan. 19 - F.C. degree, 7 p.m. (expected).  
Wednesday, Jan. 26 - M.M. degree: open 5:30 p.m., dine 6:30 p.m., resume 7:30 (expected).  
Let me pay tribute to my predecessor in the East, Mark Sherwin, for amply continuing the record of

excellent leadership which our Lodge has enjoyed. I only hope that I can maintain this tradition, and I ask for the assistance of all the brethren.

Do you remember when you first knelt at the altar and kissed the Book? You then began your Masonic life, which is enhanced by faith and fellowship. In this troubled age of electronic miracles - PacMan, cable TV, upmanship and "me-now" philosophy stained by the new morality, your attendance at Lodge can give you confidence, a sense of peace, and serenity. See you at Lodge!

Greetings Brethren:

As your new Master for the year 1983, I would first like to congratulate our Junior Past Master, Don Scheimann, and to thank him for the support he has given me. I would also like to thank all the Past Masters, officers and members for their support and will need more in the coming year.

I would ask of you Brothers who have not attended lodge in the past to set aside four or five dates and plan to attend this year. The officers and I need your support.

The election of officers was held December 13, 1982. The officer line for 1983 will be: W.M. John Ferneau; S.D. Roger Blackley; J.W. Howard Mendoza; Treasurer Robert Roddy Sr.; Secretary Franklin I. Bryan; S.D. John Lefel; J.D. Paul Hildebrandt; Chaplain Hubert Steinbacher Sr.; S.S. Brig Burgess; Tyler Emanuel Caywood.

The installation of officers will be Friday, January 7, 1983, 6:30 p.m. officers, 7:30 guests. Remember Brothers, installation is open to your family and friends. There will be a reception in the ballroom after installation.

In the December issue of the Square & Compass, it was mistakenly reported that Brother Jack Hobbs had been called to the Celestial Lodge above. We are sorry for any worry or concern this may have caused. It was Jack's son that was killed in a Gyrocopter crash. Since that tragedy to the Hobbs family, the father of Mrs. Hobbs was also called to be with his Lord. Please remember the Hobbs family in your prayers.

In closing, I hope you all had a joyful Christmas and will have a most prosperous New Year.

Greetings Brethren:

How time flies! It seems like such a short time ago that I got into the officer's line, and now here I am Master Elect and writing my first article for the Square and Compass. It I survive this article, the Past Master's Degree, and Installation, I think I will have it made for 1983.

Being Master with such a great line of officers helping me, and following the fine Past Masters, is a very great honor for me.

Maumee is very pleased to hear that two of its Brethren have been nominated for the 33rd Degree in Scottish Rite. Congratulations Brothers Bob Anderson and Chet Marchant. You make your Blue Lodge very proud of you.

The Maumee Officers for 1983 are: Walt Stout, Senior Warden; John Howard, Junior Warden; Les McQueen, Senior Deacon; Jim Allen, Junior Deacon; Jack Suter, Senior Steward; Bob Anderson, Junior Steward; Wally Sterling, Chaplain; Grover Scott, Tyler; Charles Taylor, Secretary; Jack Porter, Treasurer; Bob Nickerson, Trustee; Jim Farrar, Trustee; and Bob Norton, Trustee.

I am pleased to announce that Bob Anderson and Wally Sterling have accepted positions in the Officers Line.

Our Chaplain in 1982, Norm Anders, has dropped out of line to join his wife in work with the Eastern Star. We will all miss Norm as his work was excellent. Thanks, Norm, and come back to Lodge often.

On November 26, we raised two Brothers to the Sublime Degree of Master Mason; Ralph Stritmatter and Larry McChesney. Congratulations Brothers! Share that light you have found at all times, and come back to Lodge often for the fine fellowship enjoyed there.

We have started degree work in December. We also have petitions out for investigation for January degree work. So be sure and come to Lodge to enjoy the work and to share the fellowship and meals.

Our most heartfelt sympathy goes out to the family and friends of Brother Joseph V. Jinks who was summoned to the Celestial Lodge above on December 8, 1982.

Charlie Taylor: Please send your 1983 dues in as soon as possible.

Better yet, bring your dues down to Charlie on a meeting night, ride with a brother, and save gas and a stamp.

See you at Lodge.

warmth as well as our families. This seems to be the only time of year that hustle and bustle are met with a smile or kind word.

Our Ladies Night dinner had this warmth. The atmosphere was set for a great evening; and great it was! We had the makings for such a time; good food prepared by Willie and her help, two great speakers and several fine ladies.

Mrs. Tapper was our first speaker. She gave us an insight into what it is like to be the wife of the Grand Master of Indiana. It was very enlightening and yet in depth. You would not believe some of the misques they had that were bad at the time and so sunny to be heard now.

Grand Master Tapper spoke about the word Square. Part of the lecture was on the meaning of the word Square outside of the lodge. Another facet of it was from within the lodge and finally how both combine or intertwine. If you were to set back and think about what he said, you would wonder if the word Square was still in the language of our country.

Past Grand Master Bob Miller, Brothers Lee Harter and Al White were the guests of honor. All three brothers were presented with an honorary membership. I might add they were quite surprised and appreciative.

At our last stated meeting we voted on and accepted a candidate. He received the Entered Apprentice Degree with the help of Maumee Lodge 72S. We appreciate what Maumee Lodge has done for us and we thank them.

With raising a candidate and end of the year wrap-up, life is busy for outgoing officers and Master. I know how busy our officers are; they must be very heavy loads on larger lodges. A lot of members do not realize this. Their love and sharing of themselves show their brotherly love and help each other during this laboring time of year.

As an outgoing Master, I thank everyone who has helped our lodge. The experience has been one I will never forget. It has helped me to learn what Masonry is really about. I thank you for that chance in life.

Yours in the faith.

December was another active and joy-filled month for our Chapter.

We honored our Star Pals at our December 3rd meeting and were pleased to greet Mable Watson who affiliated with Trinity through dual membership with Illinois. Mable is the Sister of Grace Truby and a real delight to know. At the December 17th meeting, the Worthy Matron welcomed Sister Alice Van Allen and her brother Ron Stabler to the Trinity family. They have also affiliated with our Chapter and we are looking forward to working with these fine people.

The Peanut Brittle Bunch, under the chairmanship of Bud Anders, achieved a grand total of 1,124 pounds!!! We thank Brother Bud for his excellent leadership which assured this great success and we are equally grateful to all those hearty souls who took part in this meaningful project. Without their help, we could not have experienced this great accomplishment.

Since December was the Worthy Matrons last month in the East before her marriage and moving to Arizona, she presented to Lillian Anders, Associate Matron, a small gift and wished her the very best for the coming year. Sister Sue assured the members that Trinity Chapter will remain strong because of the promise of excellent leadership in the future. The Worthy Matron thanked all members for their support during her year and stated that it was because of their presence that she had looked forward to each and every meeting.

She further expressed her sincere appreciation to the officers for their loyalty and cooperation, stating that it had been a real pleasure working with them and thanked them for their eagerness and willingness to assist her in every way. She gave special appreciation to her Worthy Patron, Don Ford, who had served faithfully by her side, thanking him for his encouragement, advice, and

understanding which will never be forgotten. The Worthy Matron then expressed her wish for good health, much joy and happiness always for all the members of Trinity.

## The time to consider the Guardian Assurance Plan is when you need it the least.

There never seems to be a right time to talk about our own funeral. Then, when the time comes, our family is faced with the task of making arrangements when their emotions are already strained.

D.O. McComb and Sons created the Guardian Assurance Plan to help the family through this time. With the Guardian Assurance Plan, the funeral is pre-planned and pre-paid, years ahead of need. By pre-planning your funeral the way you want it, the family is spared the most difficult decisions.

You owe it to yourself and your family to call D.O. McComb and Sons Funeral Homes to ask a counselor for information on this unique plan.

My term is at the end, and I just want to tell you how much of an honor it was to be your Honored Queen. Jobs Daughters in itself is a rewarding and fulfilling experience. I wish every girl had the chance that I had to be Honored Queen. My corp of officers were the best any Queen could have! The one question I get asked the most is "What do you get out of Jobs Daughters?" And I tell, a lot of love, friends, being proud of the work you do, and all in all it's like one big family.

Linda Lentz will be your next Honored Queen and I know she will do a fine job. A Bethel needs leadership and Ms. Lentz will show it. Thanks to the Council and to everyone.

I love you all!

### It's Lodge Night Tonight!

By Louis C. King, P.M.

275 Highland Avenue, Arlington, MA  
Reprinted from Oregon Freemason  
"It's Lodge night tonight!" The word went out across the land. "It's Lodge night!" Make no mistake about it. Father is upstairs, shaved and clean, putting on that suit reserved for church, funerals and Lodge. Junior knows better than to ask to borrow the buggy on that night. Friends and neighbors would not dream of calling on him that particular evening. Nothing interfered with Lodge night! Neither winter's blasts nor summer's blazing heat stopped him. It was Lodge night!

Well, that was the way it was a hundred years ago. Folks expected it to be that way on Lodge night. They respected him for that. He was a Mason and was bound to go. They knew nothing of what went on in the Lodge. He never told anyone anything. But it, whatever it was, must have been good. He was a regular attendee at church, a good citizen, a good neighbor, a good friend. He was honest, reliable, dependable. His greatest recommendation was that he was a Mason. He was trustworthy.

But that was many long years ago. All those good men and true have gone to their just rewards. Father's, Lodge night is no more; a dimly remembered thing of the past.

That particular day of the month is still observed — by a faithful few. But where are the others? Why — didn't you know, the lights are on that night? Or the roller derby or the soccer game or the bowling team or — oh, that list could go on and on. All so important and not-to-be-missed. Didn't you know that?

What about the Lodge meeting that night? Well, you know, it's just the same old thing in the same old way. Sure it is. Just the same old

thing Father heard, month in and month out, year in and year out. It never changes. He heard it, over and over again. He knew the words by heart and never tired of them.

By heart! Maybe that's the reason! He had them in his heart! They became a part of his life. He lived by them, he regulated his words and actions by them. And his friends, his neighbors, his business associates, his customers all knew that once he gave his word, it would be done!

Now, how about you, my sideline brother? Have those old rituals become a part of your life? "Oh, no!" you say. They have become tiresome. How about those old songs you love to hear? You even sing along with them. Don't you ever tire of them? How about that football game? So — that's different. You know all the rules, all the plays. How did you get to know all that — by just watching the game? NO! You studied the rules and plays. Evidently you were more interested in football than you were in Masonry. Why did you become a Mason in the first place? You were not told that it was all fun and games. It was not made easy for you. You knew that men were investigating you and you worried that you might not pass the test. You have since seen applicants rejected for some reason or other. Did you ever have to undergo such scrutiny before you were admitted to a football game? And yet you bought rule books and others so you could be knowledgeable about the game. How many books have you bought or borrowed or studied on the subject of Masonry? None? Did you know that there are thousands of books published on Masonry to one on football? And they are easily available to you! Why not give Masonry the same chance you gave to your pet games? Father went to church on Sunday,

too. Just as faithfully as he went to Lodge. He sang the same old hymns. He knew them by heart; the same as he recognized many a sermon, too. After all, there is not much room for change, in church or in the Lodge. He never complained. He had long ago learned that in either of the two places that he knew and loved so much, there was always something he had never noticed before and he went away feeling spiritually uplifted by it.

Oh yes, my discontented brother, ever take the time to really listen to the words of the ritual, the lessons of the lecture? To try and find what they had for you, to apply those lessons to yourself, to your own life? Did you ever try to memorize them? Probably not. After the novelty had worn off you probably closed your ears, the doors to your mind, and sat there wishing someone would come up with something new for a change. You began to feel that you had been cheated. You expected so much and nobody ever came to you with something new, exciting, different. You never took the time to see what kept those other brothers so busy and so happy. Nor did you consider that the same thing that they enjoyed made you miserable. Maybe you were out of step to their music. Have you ever offered yourself to them? If you have something to offer, even if it's only a pair of hands, believe me, they won't reject you. And once you do something, however little, you will begin to realize that the Lodge belongs to you, that you are a part of it!

Once you do that, your outlook will have changed. The work of the Lodge will begin to have meaning for you and you will learn what Father meant when he said...

"IT'S LODGE NIGHT TONIGHT!"

### Impatience

Impatience is a common trait. We want to get places in the quickest way. One of the major causes of traffic accidents is a driver's crowding too close to the car ahead. The only reason for crowding is that the rear driver "can't wait." It is the impatient driver who endangers not only his own life but that of others. "Rome was not built in a day." Most of us take too little time to think things through for ourselves. Our impatience often affects us physically. Many nervous breakdowns and cases of high blood pressure are the result of not applying the good old medicine of "patience."

Youth is looking for the quick success, and is usually impatient with normal progress. "There are no short cuts, no tree rides, and the hard way is usually the best way," says a famous football coach. There is nothing more important for youth to start out with in life than a generous amount of patience.

One of the greatest lessons all of us must learn is that we must be patient as we go through life, patient with people who sometimes misunderstand us, and patient with our progress for success.

### STANDING ROCKS: Ancient Erosion Remnants

Standing rocks are pillarlike masses of rock that stand alone, detached from the main body of bedrock in an adjacent cliff or hillside. The several standing rocks in Indiana include Jug Rock and Pedestal Rock near Shoals in Martin County, Salt Shake Rock near Sulfur in Crawford County, and Pompey's Pillar near Napoleon in Ripley County. The Seven Pillars of the Mississinewa near Peru in Miami County are similar in structure but are

still attached to the parent rock and therefore are almost, but not quite, standing rocks.

As standing rocks are merely erosion remnants shaped by frost, plant roots, and running water acting on joints in the rock, continued weathering and erosion will ultimately destroy them. Pedestal Rock in Shades State Park collapsed a few years ago after a severe storm. Only a pile of shattered sandstone slabs was left.

## Companions & Sir Knights,

We are beginning a new year for York Rite. The dais officers of the bodies are enlisting your help to increase our membership. In the past few years we have become complacent in our attitude toward membership. It is this writer's opinion that the solution to our problems lies in a constant increase in members. At the last group 3 meeting, Companion Paul Friend from Angola gave a presentation and statistical analysis on membership. The Grand Bodies of York Rite are giving this area one of the highest priorities. Each of us can think of several Blue Lodge friends that have expressed an interest in York Rite. Petitions are available at the front desk or from our Recorder.

## Be Glad You're An American

As a citizen of the United States, you probably take religious freedom as much for granted as you do the air you breathe.

That's understandable: the churches have always been open to you - as a child you learned that this nation was founded by men and women seeking religious freedom - that the Constitution gives every man the right to worship as he chooses - that Washington prayed at Valley Forge - that Lincoln said, "I ask the prayers of God's people - and that even the coins you jingle in your pocket proclaim for this nation "In God We Trust."

Be glad you live in the United States, rather than in some other lands whose leaders attempt to lock religion out - lands whose people have been persecuted, tortured, even murdered for their religious beliefs.

Napoleon said: "...religion must be under the control of the government."

Mussolini said: "Religion is a species of mental disease."

Hitler said: "The State can only wish to extend its protection to such religious organizations as can in turn be of use to it."

Stalin said: "We guarantee the right of every citizen to combat by argument, propaganda."

These men forgot that this is the Creator's world. They ignored the question put to Job: "Where wast thou when I laid the foundation of the earth?"

Be glad you're an American. Be glad our leaders are humble and devout in their knowledge that this is God's world, and that we are His people. Be glad you live where you are free to worship Him as your heart desires.

## WHEN DID YOU BECOME A MASON?

It has been said that the pleasure of Masonry is in the conferring of the degrees upon candidates, and that the work of Masonry is to put into practice those lessons which we attempt to teach those candidates.

There is an old question which I have heard many times — "When did you join the Masons?" and there comes the follow-up question — "when did you become a Mason?" The question needs no further explanation.

The making of Masons, or the becoming a Mason, should be a power for good in the community. Upon Masons fall the obligation of leading the entire community into a type of thinking that will benefit the community. We are well aware that a few dedicated people can do much.

In the conferring of Masonic Degrees we teach lessons. The lessons of Freemasonry are like some of our education and not similar to other features. Much of our learning may never be put into practice but most of the lessons of our degrees are immediately found to be ready to fit into our daily lives.

In spite of the vow of secrecy which you took to not impart the secrets of Masonry it can be told to the world that no atheist can become a Freemason. When we give lip-service to a Trust in God we need to be able to demonstrate our faith other than just to talk about it. The fact that we pledge to keep a tongue of good report; to practice charity; to be diligent and discreet; to befriend and relieve; and to do good unto all — again needs more than just lip-service.

I find in most of my visits that there is a solid nucleus of the "elder statesmen" who prove that Masonry is a way of life, and exemplify the ideal of Brotherhood of man and Fatherhood of God.

The life span of man is slowly lengthening. Scientists can make our lives longer, but we are the ones who have to make the extra years worthwhile.

## Take It Easy

Serious though this world may be, a man should take time to relax. When he relaxes, he thinks. When he thinks, he has a clear perspective.

His clear perspective gives him more opportunity to be objective. Then and then only does he become himself.

The late Noble Edgar A. Guest, famous newspaper writer, wrote that there is "the other I" - the inner self - present within the body of every man. A distinguished member of the Craft, Ill. Brother Guest, 33 degree, believed that this inner self is divine. He wrote that the true "other I" can and does make the man, it given half a chance.

Man does not live by bread alone. He has available a spiritual food - good reflection upon the good things of life. But his diet is useless to him if he goes to one extreme or the other. It is natural for a man to kick over the traces occasionally. Too much of a serious diet ruins anyone's digestion. Not enough of it causes spiritual anemia. Where does a truth-hungry fellow find the balanced diet he needs?

As Guest suggested, we can find it within ourselves. When a seeker after Truth finds it or, perhaps we might better say, gets a glimpse of it, the revelation is too rich for the most objective individual. It is like anything else in life. One becomes accustomed to a great new experience by degrees. This is Masonry, from the Blue Lodge to the Supreme Council. By degrees we master ourselves.

Ohio Mason

## GOD AND FREEMASONRY

Everything in Freemasonry has reference to God, implies God, speaks of God, and points and leads to God.

Not a degree, not a symbol, not an obligation, not a lecture, nor a charge, but finds its meaning and derives its beauty from God, the Great Architect and Master Builder of the Universe, God the Father of Humanity, its solidarity and salvation, God the Maker of heaven and earth and all that in them is, before Whom silence is eloquent and wonder is worship.

Every lodge is erected to God and dedicated to holy Saints and labors in God's name, seeking to make His will the design upon its trestleboard. No initiate enters a lodge without first kneeling and confessing his faith and trust in God, whose love is the foundation of fraternity.

To these new officers we wish the very best.

I would like to close my year with a poem by Jaseah Holand.

But we build the ladder by which we rise.

## WHAT IS MASONRY DOING

There is the urge on the part of a few to remake Masonry so that its pattern will be "up to date."

There is often the cry that we should "modernize" Masonry, but in just what manner the critic is strangely vague.

How well Masonry and the Mason have met the problems of a respective time and age is a matter of history. Masonry with its strong foundation — A Belief in Deity — has no reason to join the idle philosophies of the day. Masonry has that eternal strength which is applicable to every condition and every age.

Also one may occasionally hear the question: "What is Masonry Doing?" Actually the implication is

that Masonry is not doing anything to make the headline; it is not doing anything that is sensational, anything that is accompanied by loud talking.

The development of character is not a process that is heralded by the blowing of trumpets. The growth of man into a Nobler being is not something that is accomplished in a few minutes. In the midst of struggle, and, when after a long journey we finally rest as weary Craftsmen, we become conscious of a strength that has long been in the making.

If you really want to see what Masonry is doing, look about the lodge room, and consider the moral strength of the individual Mason, and when you read the story of what the individual Mason has contributed to the ideal of human freedom and the dignity of the individual, you will know the answer.

Masonry is doing something far more important for the welfare of mankind than standing around waiting for the plaudits of a busy world.

## SELF EXPRESSION

The freedom of self-expression had long been sought and fought for. In 1734, John Peter Zenger, a New York printer, took exception to Governor Cosby's tyrannical acts and was jailed for his pains. He continued to fight from jail and was finally vindicated in 1735. From that time on, freedom of speech, press and assembly became a burning issue until the Bill of Rights, including the First Amendment, was ratified.

This amendment, within the bounds of public safety and personal privacy, gives you the freedom to say, write or print anything you like. Oliver Wendell Holmes insisted that it did not give you the right to cry "Fire" in a crowded theatre. Thus under the Constitution, we get protection against federal interference with these three fundamental human rights and the opportunity to govern ourselves accordingly.

## LIFE

How are you spending your life? Toiling, working, pursuing happiness, undergoing sorrow, trouble and worry? Yes, naturally, for that is of what life consists. We must take one with the other. All are inevitable and cannot be avoided. But how are you living your life? All in all, do you meet each day's joys or sorrows as they befall you, enjoying to the full the happiness that day brings forth, and fight manfully the sorrows that becloud your path? Or do you treat the joys lightly as a matter of course, and laid despondent before the sorrows? Are you getting out of life that you should; treating your neighbor as yourself, sharing your joys and helping to lighten the burdens of others? Are you helping to make life for your fellow man thereby increasing your own happiness? Time is fleeting and life too short to spend even a small part of it in idleness, bickering or strife. Live your life; make it real, make it earnest. Let it matter not how long we live, but how well.

## One Night I Had A Dream

I dreamt I was walking along a beach with God and across the sky flashed scenes from my life.

For each scene I noticed two sets of footprints in the sand. One belonged to me and the other to God.

When the last scene of my life flashed before me I looked back and noticed that many times along the path of my life there was only one set of footprints.

I also noticed that it happened at the lowest and saddest times in my

life.

This really bothered me and I questioned God about it. "Lord, you said that once I decided to follow you, you would walk with me all the way, but I have noticed that during the most troublesome times in my life there was only one set of footprints. I don't understand why, in times when I needed you most, you would leave me."

And God replied "My precious, precious child. I love you and would never, ever leave you. During your times of trials and suffering when you see only one set of footprints it is then that I carried you."

Saturday, March 5, Fort Wayne Chapter of DeMolay will be having a fish fry at the Scottish Rite; it will begin at 5:30 in the afternoon. The menu will consist of fish, cream potatoes, cole slaw, and cakes and pies will be donated by the DeMolay parents club; all you can eat. ## Scottish Rite Planning Special Events

Two special activities are planned at Scottish Rite for members, families and their invited guests.

On Saturday, February 5 at 7:40 p.m. it's Hoedown time! Carl Geels will call the dances, supported by a musical group, and featuring the Promenaders who will also dance with Scottish Rite guests to get everyone on the dance floor for an old fashioned Hoosier Hoedown.

Wednesday evening, March 30 at 7:30 p.m. Emanuel Chapter of Rose Croix under the direction of Emory W. Bryan, Jr., Past Most Wise Master, will present the "Observance of the Feast of the Paschal Lamb and Relighting of the Lights", a memorial service honoring our departed Brethren. This program is also for members, families, and their invited guests, and especially the families of our departed Brethren. The ritual, published by the Supreme Council, 33d degree NMJ, will have its first public use in Fort Wayne on this occasion. Members are requested to attend.

TRAVELOGS are scheduled February 13 and March 13 at 2:30 p.m. for members, families and invited guests.

"The Church and the Craft" will be the topic presented by Dr. Virgil Bjork, 33d degree, Pastor of First Wayne Street United Methodist Church at the stated meeting February 6, 1983. This informative study of a complex relationship will be open to Scottish Rite members only.

## SENIOR MASONS

Our monthly dinner meeting will be held at the Heritage House on the Lime Road on Monday, February 7, 1983. As always we will meet at 12:00 o'clock noon for lunch, with the meeting following lunch.

Our speaker for this meeting will be Berlen Oiehm who is the Curator of the Jack D. Oiehm Museum of Natural History. He will have a short presentation at our meeting, and then for those that want to, will be conducted on a tour of the Museum in Franke Park. This program was offered by Brother Diehm and we accepted.

We were sorry that we did not have a program lined up for the January meeting until after the deadline for the article for the Square and Compass. Our speaker was our Jr. ex-sheriff, Brother Bud Meeks who is now serving as Deputy Sheriff. He gave a summation of his years of service with the Sheriff's Department. Everyone present enjoyed the program. We are sorry there were not more present.

We still have some Brothers on the "Not quite up to power" list. Why not remember them in your prayers, and we hope they will all be back with us in the very near future.

We had a total of 62 present at the January meeting. Once again, there were some new faces. We do hope that they enjoyed the fellowship and will come back again. We always have a good lunch, and we try to have interesting programs. Why not try to make the February 7 meeting? You will enjoy the fellowship. Also, bring along a friend. They will be glad that you did. Come, eat, and enjoy.

See you all on Monday, February 7.

Greetings Brethren:

Can you believe this weather? Mother Nature has sure been smiling on us in this part of the country this winter. Our prayers go out to all those people in the West and South who have had the terrible blizzards and floods. Everyone in this area knows what that kind of weather is like.

The last few weeks have gone by very fast with the holidays, Degree work, the Past Master's Degree, and installation of officers. The installation of officers was a great success and very well attended. Past Master Al Edwards, Installing Officer; Past Master Dan Morgan, Marshal; and Past Master Bill Swartz, Chaplain, made this a highlight of my life.

Maumee would like to congratulate our newest Master Mason David A. Bartle III who was raised to the Sublime Degree of Master Mason on December 22, 1982.

At our January stated meeting, three petitioners were elected to receive the degrees. Also, eight petitions were read and put out for investigation. As you can well see, Maumee is going to be very busy for a couple months with degree work. We urge all of the Brethren to come to Lodge to welcome these candidates into Maumee Lodge. You will not only reward the candidates but yourselves as well.

Our most heartfelt sympathy goes out to the family and friends of Brother James Price, who was called to the Celestial Lodge above on January 7, 1983.

At the February stated meeting, there will be a report made about Founders Day. In previous years, the event has been very informative, and will have been attended on January 15 by your Master and Wardens.

A couple of dates to mark on your 1983 calendar are March 16 which will be our third annual Ham and Bean dinner. If you have missed this event, it is a Fellow Craft Degree dinner. The officers will cook the meal, and the Past Masters will put on the degree. The other date is March 23, which will be Maumee's Past Masters Charter Member night and ladies are invited this year. We are planning entertainment that couples are sure to enjoy. Plan to attend both of these events.

Anyone wishing to participate on the Fellowcraft team should contact

Howard High at 484-5632. Anyone wishing to rehearse Work Lectures should contact Fred Cullers at 444-5368. These two Brothers are a great help to the Lodge. Give either, or both, Brothers a call. They will appreciate your help.

Our Secretary, Charles Taylor, has not said anything about dues, so I will not mention dues this month. See everyone Wednesday evening.

Brethren:

I would like to take this opportunity to thank the members of DeMolay Lodge for their confidence in my ability to be their Master for 1983. With the help and support of a great line of officers and Past Masters, I'm sure we will have a good year.

The new line of officers would like to thank Brother Robert L. Hollenberg for the great job he has done as Secretary of our new lodge and congratulate him on the position of Treasurer. Also a special thanks to our Junior Past Master, Richard Welch, for assuming the position of Secretary. As these two stations are extremely important to all lodges, we as a new and rapidly growing lodge will rely on them even more.

The installation of officers was Dec. 30, 1982 with Clayton Herrick as installing officer and Past Masters Ronald Meeks and Glen Hauser as installing Marshal and Chaplain. The new officers are: Worshipful Master, Chet Simon; Senior Warden, Robert Lahrman; Junior Warden, Larry Davis; Secretary, Dick Welch; Treasurer, Robert Hollenberg; Senior Deacon, Joe Simon; Junior Deacon, Roger Cole; Senior Steward, John Tuttle; Junior Steward, Charles Taner; Chaplain, Norm Shane; Tyler, Phillip Holycross; Trustees, Mel Kuhn, Ronald Meeks, Marvin Berger. Greetings Brethren:

Here it is the second month of the year and what an interesting January we had. Who was it that said stated meetings were boring? January's meeting was certainly exciting and definitely not boring and from all appearances, February will be equally so.

Although we had no degree work our lodge is truly active. Your Wardens and Secretary along with myself attended Founder's Day at Grand Lodge which was indeed informative and educational as it always has been in the past. The bus trip, which we had the pleasure of hosting this year, was filled to capacity and good fellowship was enjoyed by all. A special thanks to Jim Johnson who handled the refreshments on this trip.

Our annual DeMolay dinner was held January 24 and was enjoyed by all who attended.

At our stated meeting in February, we will be voting on an amendment to the by-laws and also, don't forget Family Night which is February 19.

I am happy to tell you that our two brothers, Larry Schubert and Lynn LaRue, are out of the hospital and are feeling much better.

Three of our brothers were called to that celestial lodge above: Kenneth Hegel, Cyril McCarthy and Arthur Bowers. Our sympathy is extended to their families and friends.

One last reminder, dues were payable January 1. If you have not as yet mailed in your check, please take care of this matter as quickly as possible.

See you in lodge.

years to the extent that Home Lodge attendance has been nearly equal to all the other Lodge attendance combined for Allen County. I thank the past committee and the support that has been shown to this group of Masons.

Milt Liechty has been chairman of Good Cheer Committee for a long time and the Lodge owes Brother Milt a vote of appreciation for all the good work and effort that he has unselfishly given.

I placed five members on Milt's committee but we still need your help. The three best kept secrets of Masonry are: (1) a brother who is sick at home or in a hospital, (2) a brother who has moved away, and (3) a brother who has gone to meet the Grand Architect of the Universe.

We need your help to see, call or visit these brothers and their families. If we don't have names and addresses, we can't do a good job with the Good Cheer Committee.

January 15, Jon P. Vonderau, W.M., Jerry Young, S.W., Herman Grabler, J.W., and Hollis Breece P.M., Acting Secretary, went to Grand Lodge for Founder's Day. We joined with other lodges at the Masonic Temple and travelled on a bus sponsored by Sol D. Bayless Lodge this year. This is a day of instruction and fellowship and

is required by Grand Lodge.

Along with doing a very fine job of ritualistic work and building attendance for Home Lodge, my primary objective is to develop and strengthen the family. This is not only Home Lodge Family because we are all brothers, but our own families that we live with everyday. There are several activities that will be appearing in the March issue of Square and Compass.

I'm going to be calling for support all year and when YOU give of your time, you'll find that Home Lodge has more to RETURN to you than that which you give.

Home is where it's at! Come join the Fellow Craft Team and eat supper on February 8th at 7:00 p.m. Reservations by February 4 to Jon P. Vonderau W.M., Hollis Breece, Acting Secretary, or Herman Grabler, J.W. at 424-8575.

Greetings Brethren,  
As I start this article and think back the past six weeks, with the Christmas and New Year holidays, the election of officers, Past Masters Degree, and the installation of officers, I hope things slow down just a little so I can get my feet on the ground.

Our stated meeting was held January 10. A petition was voted on and passed to confer the degrees of Masonry. Also a petition was read and will be voted on at the February stated meeting.

Our degree work will be as in the past: 1st Monday of the month, M.M. Degree; 2nd Monday, stated meeting; 3rd Monday, E.A. Degree; and 4th Monday, F.C. Degree.

Memorial service was held December 26, 1982 for Edward H. Purcell, P.M. Brother Purcell was in the original line of officers, having served as Worshipful Master in 1951.

A memorial service was also held on December 27, 1982 for James E. McKivergin Sr.

Two brothers having been called to the Celestial Lodge.

Our sympathy is extended to the

families of Edward H. Purcell P.M. and James E. McKivergin Sr.

Brethren I would like to remind you that dues are due for the year 1983. To save our Secretary a lot of extra work in sending out several reminders and to save on postage I would ask that each of you who have not paid to do so as soon as possible or call the Secretary or I.

In closing Brethren remember the best way to collect on your dues is to attend lodge.

Dear Brethren:  
I am pleased to inform you that your Lodge was well represented at the Feast of St. John Table Lodge held December 27.

Our January stated meeting was well attended and included five of our brothers raised during this month. The Lasagna Dinner preceding Lodge was enjoyed by all. Your Wardens, Secretary and I traveled to Indianapolis January 15 for the annual Founder's Day Conference.

I scheduled a practice on the Entered Apprentice Degree for January 27 to give your officers an opportunity to polish up on their proficiency.

It is dues paying time again. Please send your payments in promptly thereby saving the Lodge money and the Secretary work in mailing out delinquent dues notices.

Plan to attend our Past Masters, Ladies and Widows Night on February 26 at 6:30 p.m. at the Temple. So that we can prepare enough food and keep the costs down, reservations are requested. The price for the evening is only \$3.50 for the members while all Ladies and Past Masters are admitted free as our honored guests.

Don't forget our stated meeting on February 3, preceded at 6:30 p.m. by our Fellowship Dinner, and help us to celebrate the Masonic birthdays of our Brethren raised during the month of February.

Looking forward to seeing you in Lodge.

Brethren:

I would like to thank the members of New Light for electing me as Master for 1983.

I know that this is a great honor and I will try my best to be worthy. I have a fine line of officers and we are looking forward to 1983. The officers are: Ralph White, S.W.; Donald Army, J.W.; Roger Sargent, S.D.; P.M. John Gause, J.D.; Terry Zell, S.S.; Faud Albakrani, J.S.; P.M. Charles Johnson, Secretary; Roland Cooper, Treasurer; William Robbins, Chaplain.

Once again we at New Light would like to have any brothers who can not make it to lodge at night to come share in brotherly love with us.

At this time I would like to ask all members of New Light to make an effort to attend our February meeting. If you have not paid your dues bring them with you.

Either way we hope to see you in lodge.

Brethren:

As I write this letter, we look forward to conferring the FC degree Wednesday, January 19 and the MM degree January 26, the latter for two candidates, we trust. We have no degree work in February but suggest that our officers polish up their lectures. We need replacements for the FC "team" in the MM degree (some of us have been traveling to

Joppa for a long time!) and urge any brother who is interested to let me know.

Brothers Bob Gilland and Don Ford are home from hospital and doing well. Brother Troy Yeoman is in the hospital and out best wishes and prayers attend him.

If you know of any brother or his wife who is ill and in the hospital, please let me or Ray Sipe know, so we can send a plant. We want every brother to know that we are thinking of him.

Reminder: if you have overlooked paying your 1983 dues (\$30 check payable to the Lodge) please send your dues to our secretary, Raymond A. Sipe. You may include in the check your voluntary contribution to the Indiana Masonic Home. (The majority of our members donate \$5 or more to this truly fine charity.) If you find it necessary to defer your payment, let Ray know. And remember: if things are financially stringent, which can happen to any of us, you may request that your dues for 1983 be remitted. After all, we are a brotherhood.

Aside from the degree work in January, our next meeting is the stated meeting Wednesday, February 2. Won't you make us happy with your presence?

Thanks again for the honor of serving as Master of this great Lodge for the year 1983. Installation of officers was on January 7 with P.G.M. Robert Miller, P.M. Calvin Bauman and P.M. Ronald Stabler doing a fine job. There was a good attendance at the installation and I thank all the brethren, families and friends for being there. It is their presence that makes open installations worthwhile. A special thanks to my daughter, Madolyn Mertz for decorating the tables at the reception.

Summit City conducted the Feast of St. John Table Lodge December 27 and I wish to report that there was a good attendance and an evening of Masonic fellowship was enjoyed by all present. Brother L. A. Baker P.M. gave a very interesting talk on Masonic history and goals.

By the time you receive this the month of January will be gone so soon that I wonder where it went. We started two Entered Apprentices January 14 and will probably have degree work in February. Your officers attended. Founders Day January 15 and will report on it at the stated meeting.

## Are You A Closet Mason?

By Gerald E. Simonds  
Archer Bailey Gay No. 275

How many of your neighbors, friends, coworkers and acquaintances know that you are a Mason? We all recognize the fact that Freemasonry has secrets, but we are not a secret society.

Consider, if you will, the major changes in public recognition of Freemasonry since colonial times. George Washington, Marquis de Lafayette, George Mason, were among the many who were proud of their membership and publicly exhibited their Masonic membership. The general public recognized Freemasonry as composed of good men and true; educated, dedicated, hard workers for the good of the republic and all its citizens.

What has happened to the general reputation of Freemasonry since that time? Freemasons, in general, have lost that public recognition they once enjoyed. And this, I feel, is a major contributing cause of the generally declining membership in the craft. When Freemasonry was well known and admired, the young men flocked to our doors for admittance. But, for many years, Freemasons have tended to hide the Light in the Lodge room and have allowed very little of that God-given illumination to stray out past the Tiler.

Brothers, we need to spread the light, share the good words of friendship and brotherly love. Be proud of your Masonic affiliation, wear the recognition pins daily, search out your brothers in your daily lives and give them the grip of friendship to show the world that you belong to a society of friends and brothers.

We all know of neighbors in destitute manner who could use our help. Organize work teams and volunteer to help those you can - without material injury to yourself or family. Perhaps an elderly or sick neighbor needs his grass cut or a broken tree limb removed, perhaps some minor plumbing or carpentry; the number and kinds of help that you, individually and collectively, can offer is limited only by your imaginations. Establish watch posts with your pastors, the local police, the local social service workers. Remember, my brothers, every human being has a claim on your kind offices.

Come out of that closet, and let it be known that Freemasons are good neighbors and good friends.

This is one man's opinion. What is yours?

Having such a busy last three months, things have slowed down and we are now well on our way into a New Year.

Old Man Winter has been kind to us so far, for which we are very thankful.

Following our December 17 meeting, everyone was escorted from the second floor to the mezzanine. Red and green glowing candles and Christmas ornaments for favors decorated the tables for our annual Matron and Patron Party honoring Sister Sue and Brother Don.

Everyone helped themselves to a delicious buffet and punch. After a beautiful and impressive program, gifts were presented to Sue and Don by their Fraternal Mom, Margie Sower, and Fraternal Pop, Norman Bud Anders. Each one had their own funny stories to tell about their 'Kids', which made a delightful and fun evening. Gifts were also presented to Sister Lillian Anders, Associate Matron, and Dennis Sower, Associate Patron, with the Chapters best wishes for their coming year.

We extend a big THANKS to the chairperson, Thelma Brandt, for this lovely party.

Lillian Anders presided at our January 7 meeting. We all knew you would do just great.

Sister Margie Sower, P.M. presided at the January 21 meeting honoring our 25 year members. Those receiving their 25 year pins were Lillian Anders, Martha J. ### HAPPY VALENTINE'S DAY!

To wish you all a lot of joy And then to mention, too, How wonderful it is to have Great Eastern Star members like you Star of the East chapter does indeed have many great and special people as our members. We are proud of each of you.

Included with the special members are our Fraternal Mom and Fraternal Pop this year, Past Matron, Jane Millhorn, and Past Patron, Ron Flohr. They always understand and there with a willing offer to help when they are needed most. Also, we especially want to include and thank Ron's wife, Past Matron, Joan Flohr, and Ruth Smith for helping on Mason's Night with making the coffee, serving pie, etc., and for their assistance many other times in many ways. Also, thank you to all the men of our chapter for helping serve ice cream and coffee, and for their help with Casey at Bat sick. Valentine's Day is a day when people say appreciative phrases in different ways. You are our Valentines and we think you are all super special people.

The brown bag lunch proved quite successful at our Jan. 11 meeting. Would you believe over 90 present remembered to bring one (the Social Committee prepared a few just in case someone didn't bring theirs).

Black raspberry pie in a styro. container to go with a ham sandwich was a real treat, (sack brought by Marvin and LaDonna Yoder). Frosted cinnamon graham crackers were good too, ("Baker" and sack lunch donor unknown). Hadn't tasted frosted graham crackers since being a kid - think we'll make some one of these days. As entertainment on Jan. 11, Maggie Winkler read her minutes of the October Ways and Means Committee meeting - really funny (seems the particular Ways and Means meeting place was changed but everyone assumed the Committee officers all knew it)!!!

Star Pal's night was held the first meeting in January and the choir sang a special song to them.

February 8 will be our chapter election. It is very important for members to be there to register their vote.

February 22 will be our Birthday party for chapter. The Program Committee will have a program and the choir will sing a special song.

Love wasn't put in our hearts to stay - Love isn't Love till we give it away! Will you be our Valentines?

February is truly one of the greatest months of the year. We celebrate the birthdays of two of our best loved Presidents, we celebrate Valentines Day, which we prove our love for one another and also Ash Wednesday which leads us into the Lenten Season and proves God's Love for us.

January is behind us with Cal Burnett hosting Mens Night on January 13th. Entertainment by the Scoffish Rite Men's Choir and a delicious salad bar followed our meeting. The men did an outstanding job as usual and the turnout was very good. We appreciate their efforts on this one night each year.

It hardly seems possible that one month of the new year is almost history. With such a small amount of snow having fallen thus far most of the committee meetings which were thought to be postponed were able to be executed. For this we are thankful and hope each of you involved were able to attend and found some release from the January blues. The first stated meeting in this new year saw many gathered to carry out the regular business. Then with our Associate Matron and Patron kneeling at the altar and being lead by our Worthy Patron, Brother Owen, we all renewed our obligation. This is a very meaningful time in our Chapter. How often do we ask ourselves if we are living up to the obligation which we have committed ourselves to. This is something that only each one can answer in his or her own mind. Let us not just do it once a year but each

day let us strive to live the way of life committed in this obligation.

In keeping with Sister Marguerite's program the group recognized that night was the Program Committee. This group of ladies do so many background things for which our Worthy Matron is grateful. They address envelopes for our program book, they assemble booklets, they've wrapped gifts, sorted cards, stuffed pillows. Each Matron would have a long list of tedious jobs this group has performed for her. It was good to see the long row of seats filled by these gals and our hats go off to you for a job well done.

At the second meeting in January several other groups were recognized. Sister Marguerite calls them the "Silent Committee." They were the Membership Committee, Audit, Budget, Relief and Home Contact. Each one of these contributes in such a vital way to the functioning of our Chapter and yet their work is not in the spot light for others to see. Sometimes we forget to let them know how much their performing their duties means to each of us and our Chapter. We join with our Worthy Matron in saying "Thank You" and may you each one be blessed in your service.

Just a reminder, February 3 will be the election of officers. Your Worthy Matron urges each one to attend this meeting and help elect the future officers of our order. See you in Chapter on the 3rd!

A valentine that would not fade with age.

February, the shortest month of the year, is truly a month of hope — for soon we will be enjoying warmer days and looking forward to Spring.

We celebrate many important days during this month. First there is February 2nd, which by legend tells us how much more winter weather we have, if the Groundhog makes his appearance and sees his shadow. Second is the birthday of Abraham Lincoln on February 12. Third is the day we remember our sweethearts, Valentine's Day on February 14. And fourth is the birthday of our first President of our country George Washington on February 22.

#### CALENDAR FOR FEBRUARY

Feb. 14 — Stated Meeting, Valentine's Day.

Feb. 28 — Obligation Night. COMMITTEES

Feb. 7 — Cheer, 12:30 p.m. Richards Restaurant, Time Corners.

Feb. 17 — Ways and Means, to be announced.

Feb. 21 — Past Matrons, H.L. Louise Wilkerson and H.L. Marie Hayes.

Illness in Court: Geri Maxwell, hospital in Florida; Bill Maxwell, eye infection; Beth Smith and Esther Cook, flu; Audrey Snook, serious Arthritic condition; Edna Bergdahl, surgery on hand.

In Families: Pearl Hughes, mother of VT Hughes, in Huntington Memorial Hospital.

Deaths: father of S.K. Earl Alderfer, in Peru, IN.

To those who are ill we wish you well. Those in sorrow our heartfelt sympathy, and congratulations to the great-grandmother. Also we say hello to our shut-ins.

Closing Thought  
There is no better exercise  
For the heart  
Than reaching down  
And lifting somebody up.

Laura Lindsay; Choir members - Linda Wyatt and Amber Garver. Our Guardian is Ann Kilgore and the Associate Guardian is Joe Perez.

We have a lot of things planned for this term. Our main goal is to find new members. We still have a large number of active girls, but all the more members will help assure the Bethel for future success. It you know of any girls between the ages of eleven and twenty, have Masonic heritage and are eligible to join Job's Daughters, please contact the Bethel. If there is anything we can do for any of the Star Chapters or the Lodges, please contact the Bethel. Until next month: Do not pray for an easy life; Pray to be a strong person.

## Order Of Eastern Star

What is the Order of the Eastern Star? Not a meeting place, Wherein to chatter of the last new play, Nor whisper of sister gone astray, Or strip with cruel gossip every trace Of sweetness of some like borne down in strife;

'Tis not a place where fashion reigns supreme, Where lack of style is a sin you can't redeem, Where outward garb is more than inward life.

No room is there for careless jest or sneer, Or meaning glances with dire purposes cast

To make some trembling soul to blush with fear, All these are what the Eastern Star is not — Things left behind, outgrown, despised, torgot.

What is the order of the Eastern Star? A meeting ground For those of purpose great and broad and strong; Whose aim is in the stars, who ever long To make the patient listening earth resound

With sweeter music, purer, freer tones; A place where kindly lifting words are said,

Where kindlier deeds are done — where hearts are fed.

Where hand grasps hand and soul finds touch with soul, Where victors in the race for fame and power

Look backward even in this triumph hour, To beckon others to the shining goal —

This should be the Order of the Eastern Star - a heaven fair, Where toilers may drop for an hour their load of care.

Mary M. Goodwin in  
The Eastern Star

## Statue Of Liberty

There exists a Masonic link with the famous Statue of Liberty which is such a striking feature at the entrance to New York harbor, for the cornerstone of its substantial base was laid with Masonic rites by officers of the Grand Lodge of New York on August 5, 1884.

The famous landmark, it may be recalled, was the outcome of a gesture of goodwill to its sister republic of the United States by the French after their own came into being, soon after the Franco-Prussian war of 1870-71. Frederic Auguste Bartholdi was commissioned by the French to design the statue, and the American con-

gress authorized the site for its erection on Bedloe's Island, 2,950 yards long, which lies to the southwest of the harbor entrance, which it now occupies. The French nation defrayed the cost of \$450,000 for the statue, and the United States that of \$350,000 for its base.

The erection of the statue was completed in four years, and it was unveiled on October 28, 1886. The total height of the monument is 305 feet, 6 inches, the statue itself being 151 feet, 1 inch high, and said to weigh over 200 tons.

## Three Good Habits

There are three habits which, with but one condition added, will give you everything in the world worth having, and beyond which the imagination of man cannot conjure forth a single addition or improvement. These habits are the Work Habit, the Hearth Habit, and the Study Habit.

If you are a man and have these habits, and also have the love of a woman who has these same habits, you are in paradise now and here, and so is she.

Health, books and work, with love added, are a solace for all the stings and arrows of outrageous fortune - a defense against all the storms that blow; for through their use you transmute sadness into mirth, trouble into ballads, pain into joy.

Work means safety for yourself and service to mankind. Health means much happiness and potential power. Study means knowledge, equanimity and the evolving mind. Love means all the rest!

Life is to be fortified by many friendships. To love, and to be loved is the greatest happiness of existence.

Queensland Mason

## Disrespect To Apron

The rush and hurry of modern times has unfortunately shown a tendency to extend into the lodge and to lead Masons, both old and new, to treat the apron in a careless, hasty fashion, especially when the lodge has been working late, and the moment of closing approaches.

The emblem which every Mason is admonished to "wear with respect" is all too often discarded with disrespect. And yet only a few seconds are gained by fumbling with the apron strings while the master is closing the lodge. The apron at all times is more than a piece of linen. It should never be worn without thought being given by the wearer as he invests himself with it, to its origin, the principles and precepts for which it stands, the purity of life to which it calls, and the last rites and honors which it guarantees.

Masonry works by signs and symbols, by insignia of various kinds to which it attaches the utmost importance. Above all it honors the lamb-skin; and when the "working apron" is donned, - the linen square which is worn into the lodge at every meeting, - it should be remembered that it represents the sacred leather apron confessed by the master.

## It Could Happen

A new Sunday School teacher had to iron out some problems with the Lord's Prayer. One child had to be corrected after repeating, "Howard be thy name." Another youngster prayed, "Lead us not into Penn Station." Still another surprised the teacher with, "Our Father, who art in heaven, how'd you know my name?"

## It Is Later Than You Think

By "The Poet By The Sea"

I would ask you, O my Brother, Have you higher honors earned? Are you true to each and other Of the lessons you have learned? Have you aided those more needy? Have you dried the widow's tear? Have you gone, with tootsteps speedy,

All the sorrowing to cheer? Have you overcome disaster? Have you visited the ill? When appeals come from the Master, Have you answered with a will? We must pay heed to a warning That can make our spirits sink, For this very present morning May be later than you think. Have you been a reconciler, To your Brethren shown your love? Are you ready for the Tyler Of that higher Lodge above?

—Welter K. Belt

## Thought For The Month

A MASON is a MAN and a BROTHER whose trust is in God. He meets you on the LEVEL and acts upon the SQUARE. Truth is his COMPASS and he is ever PLUMB. He has a true GRIP on all that is RITE. He is loyal to his ORDER and what ever his DEGREE he is MASTER of himself. In the LOOGE of life he wears unstained the white LAMB SKIN of innocence. From his INITIATION as ENTERED APPRENTICE he travels ever EAST toward the LIGHT of WISDOM until he receives the final OIVINE PASSWORD that admits him into the INEFFABLE PRESENCE OF THE ETERNAL SUPREME GRAND MASTER OF THE UNIVERSE, GOO.

INDIANA GEOLOGICAL SURVEY, DEPARTMENT OF NATURAL RESOURCES

Wyandotte Cave, about 3 miles northeast of Leavenworth in Crawford County, is Indiana's largest commercial cave.

In 1819 H. P. Rothrock bought the land above the cave from the state for its timber. The Indiana Department of Natural Resources bought the cave site from the Rothrocks in 1966.

Old Cave, the part known before 1850, consists of a passageway extending from the cave entrance to the Pillar of the Constitution, a stalactite-stalagmite about 25 feet in diameter and 35 feet high. New Cave, containing the larger part of the cavern, was discovered in 1850. Subsequent exploration revealed many points of interest, such as Monument Mountain,

a huge mass of breakdown about 105 feet high and said to be the largest feature of its kind in the United States.

Light refreshments were served in the ball room for the officers and guests. Thanks to all who assisted in making this installation a memorable event.

Commandery inspection December 10, 1982 was a fine event and was well attended. In particular the Grend Commandery line officers were well represented. Sir Knight Ronald L. Simpson, Grand Generalissimo of Grand Commandery of Indiana was the Inspecting Officer.

Sir Knight James C. Farrer received the Distinguished Service Award and Sir Knight of the Year. We congratulate Sir Knight Jim. I'm not at all surprised as Jim offers many hours of his time and knowledge to all facets of Masonry. James T. Peters received the Gold Honor Award from the York Rite Sovereign College. Congratulations Jim.

Remember our stated is on the 3rd Thursday of the month preceded by dinner at 6:30 p.m. The officers of your York Rite Bodies are tossing around some ideas about reducing the amount of time it takes to conduct business meetings. Any input from anyone would be appreciated. We do need your comments and assistance. Come to the next stated and bring yourself up to date on upcoming events.

man in DeMolay, the world's greatest organization for young men!

As far as membership is concerned we will be having a rush party on February 5. Also coming up is the Sweetheart Ball to be held at the Shrine Temple on Saturday, February 12.

I'm looking forward to a great term as Master Councilor and I've got a great group of guys to back me up.

Closing thought: May God be with you, and show you the best path in life.

## Hanging On

It's hanging on that does it,  
When others faint and tire;  
To keep a-going onward,  
To climb a little higher.  
Some folks are always weary;  
They say it can't be done,  
While others keep on trying,  
And find in work their fun.

It's hanging on that does it,  
It takes a lot of grit,  
But the more of that you're spending  
The more you have of it;  
And soon it gets as easy  
As singing an old song,  
You forget that you are plugging,  
And the days just slide along.

It's hanging on that does it,  
Folk see you standing pat,  
They say you are a wonder,  
A genius, and all that;  
You laughed at their exclaiming,  
"Superior brain or brawn,"  
And know that all the difference  
Is just in hanging on.

## It Is Still True

The very first duty that an Entered Apprentice acknowledges is to improve himself in Masonry. How many truly and sincerely attempt to discharge that duty?

What would be the success of a lawyer who never again looked into a law book after his admission to the bar; a minister of the Gospel who never read the Bible after his ordination; a doctor who never took up a medical work after securing his sheepskin; or that of any profession who does not take up post-graduate studies? And yet we find Freemasons all about pretending to be Masonic lights who never read. Some of them, perhaps, can glibly repeat certain portions of the ritual, but could not give an intelligent interpretation of the same to save their life.

Masonic reading is an essential part of the education of a Freemason, but it is never too late to begin, but always better to begin

early. It is the duty of the Master to impress this fact upon newly-made Masons, but if they themselves are in the class of non-reading Masons, how can they be expected to give such wholesome advice?

Albert Pike

## Do Your Part

It may seem a simple thing sometimes to do our part.

But is it?  
Frequently a cause is lost or retarded because one individual fails to do his part.

But what is the use of mentioning that?

We are all quite expert at cataloging shortcomings, especially those of others.

In Lodge circles our failures to do our part or fit into our place certainly raises all kinds of trouble.

The presiding officer has a horror of our shortcomings in this respect.

Frequently we hear regrets expressed because some member of an investigation committee has failed in his duties.

This is a simple task, yet how important.

On its thoroughness rests the success and welfare of the Lodge and the security of the Masonic Institution.

Men know how to do their part but as a rule they are woefully negligent.

Small tasks generally are very important and require both prompt attention and thorough execution.

Let's think and act accordingly.

## WAGES OF A MASON

The wages of a Mason are not paid in either silver or in gold. They are to be found in the great lesson of brother-love epitomized in the golden rule and expressed in that decalogue of Freemasonry, the five points of fellowship. Do unto others as you would that they should do unto you, and if there is a single brother who wants a more specific explanation let him refer to the five points of fellowship and make an earnest study of these five admonitions which contain the essential principles of Freemasonry and constitute the creed of every Mason.

The Mason who would earn Masonic wages must practice the great lesson of self-sacrifice and must learn to do unto others as he would be done by. Have you gone on foot and out of your way to assist some brother in distress? If you have you have been earning the wages of a Mason. Has some brother come to you in the hour of distress? If he has you have been receiving the wages of a Mason. Have you stretched forth your hand to save a telling brother and vindicated his character behind his back, as well as, before his face? If you have you have been earning the wages of a Mason. Has some brother performed a like service for you?

If he has you have received the wages of a Mason. Have you whispered in the ear of some brother that warning which is his due, and that counsel which his reformation may demand? If you have you have been earning the wages of a Mason. Has some brother done this thing for you?

If so then you have received the wages of a Mason. Thus it is that Masonic wages are earned and paid and just in proportion as these things are done unto others just in that proportion are Masonic wages earned and paid.

It is with humility and a sense of pride that I assume the chair in the East of this Lodge.

In 1983 Dive Branch Lodge will be 124 years old, and will have had many Masters preceding me.

The history of this Lodge has spanned the time of the Civil War, the Panic of 1873, World War I, the great depression, World War II, the Korean conflict, and the Vietnam War. Our Order has withstood these trials of time.

We have seen the period of anti-Masonic political parties, when it was popular to physically attack a Lodge at work. We have seen, during the war years of 1942 to 1945, when the Grand Lodge of Indiana approved the "Masonic Service Association" to give comfort to ALL people in uniform. We have seen many changes in our fraternity since the establishment of the first Lodge in Indiana during the period of 1817-1818. Our general principles have changed but little.

We are still a charitable, benevolent, educational and religious society. The only secrets are in the methods of recognition and of symbolic instruction.

We now face a period of the "me" generation. What can a Masonic Lodge do for me? Many newly raised Masons have that question in mind. To them I answer: What will you do for Masonry?

President Kennedy, in his inaugural address of January, 1961, said, "Ask not what your country can do for you - ask what you can do for your country."

To paraphrase: Ask not what Masonry can do for you - ask what you can do for Masonry!!

## Great Depth In Freemasonry

Much More to It Than Is Shown In The Ritualistic Form of Craft

There is far more to initiation in Freemasonry than the ritualistic form; initiation in its true sense comes only when to a Mason there arrives - how, it matters not - a realization, in his own mind and experience, of the rich content of all those great realities about which the Fraternity is built. Consider what they are: Wisdom, and all it means; Immortality, and its vast importance; Truth, without which no man can live; Beauty, by which life is glorified; Equality, the basis of civilization; and others, all reaching their culmination in the mightiest reality of them all, the Sovereign Grand Architect of the Universe, to whom to know aright is not only life eternal, but life temporal as well.

They stand there, great pillars of the Temple; nay, they are the Temple itself, and he is a mournful Mason who sees and knows them not. To look upon them merely as adjuncts, superficial ornaments of a society devoted to an aim that lies elsewhere, is to miss the whole import of Masonry, with initiation the hollowest of formalities.

Herein lies the true inwardness and ultimate result of what is called Masonic Education. Would a better name were found for a movement of such great import! It is not to furnish a Mason with knowledge of ancient history that it aims, or to donate to him a supply of easy information; the true purpose of Masonry is to inspire men to turn again to that Freemasonry they received at the time of raising, to the end that they may discover for themselves, genuinely, and as living realities, all those

great truths, the assemblage of which, after allowance has been justly made for all besides, constitutes the very nature of the Fraternity.

Masonic Outlook

## How Do You Know A Mason?

No one completes the degrees of Freemasonry without being required to ponder on how he or any brother knows himself to be a Mason. Possibly it would be better if no answer were put into his mouth. Possibly in many instances we might get a better answer if the candidate were left to his own resources - if he were required to form his own answer. Certainly we should not get the answer we do get, as proper as that answer may be.

The one big question might answer: "Because I have been obligated as a Freemason and I have been accepted as such of those whom I know to be Freemasons." However, that might not be a satisfactory response. There are those who seem to have a point when they contend that receiving Masonic obligations and being accepted as a Freemason does not make one a Freemason.

Another might answer "Because my attitudes toward others have been changed by the lessons I have received; because I know now the real meaning of charity because I now know that charity, as taught by Freemasonry, goes far beyond material aid and comfort; because I know the real meaning of brotherly love; because I have been strengthened in my belief in a Grand Architect of the Universe and in some form of immortality; because I have been given strength to support me in many endeavors which I formerly attacked only feebly; because of the glorious feeling that comes from being associated with men dedicated to the same things to which, thank God, I am also dedicated; because I have been brought to fight in many ways."

## Cycle Of Life

by James E. Mitchell, P.M.

Waynedale Lodge 739 F.&A.M.

"Our poet laureate"

Let us go once again to the days of our youth

Where your true guiding hand was your mother.

It was she that raised you end taught you the right,

And she gave you a love like none other.

And as you grew older she guided your steps

Into paths that were holy end good.

It was she who fed both your body end soul,

It was she who for righteousness stood.

Then, arriving at manhood you met with the girls

And you found one with whom you'd be married.

When children began to arrive on the scene

It was your own mother's goodness she carried.

In time, you developed a number of friends

Some were fine, but with others you'd dodge.

But you learned the real meaning of friendship

By the brotherhood shared in your Lodge.

Once again you were "raised" with a purpose,

Once again you were taught right from wrong.

Once again many lessons they taught you,

Once again in your heart was a song.

Now the cycle of life ever changes

From the lessons you learned from your mother.

To the truth and wisdom that's Masonic

Which you learned from a friend you call Brother.

## SENIOR MASONS

Our monthly dinner meeting will be held at the Heritage House on the Lima Road on Monday, March 7, 1983. As always, we will meet at 12:00 o'clock noon for lunch, with the meeting following lunch.

At our February meeting, we had 55 present, including several visitors. One visitor was from Warsaw, so news of our meetings seems to be getting around. We enjoy meeting the newcomers. Why not mark your calendar now for the next meeting, March 7th? We are sure that you will enjoy the fellowship.

As of the writing of this article, we do not have a speaker lined up for the March meeting, but we feel confident that one will be on hand. So why not attend and be uplifted by the association.

Our speaker at the February meeting was Berlen Diehm, Curator of the Diehm Museum of Nature History at Franke Park. Brother Diehm gave a short talk on his growing up with the Museum, and then took many of those in attendance on a tour of the Museum located in Franke Park. I heard from many of the Brothers that took the tour, and they all said it was time well spent. Thanks to Brother Berlen for his splendid program.

Once again, many of the Brothers are on the sick list, and unable to attend. For fear of missing some, we will not try to list them. Let us remember all of the Brothers in our prayers, and we do hope that they feel much better real soon.

If you are retired, or available at noon on the first Monday of the month, we invite you to attend our meetings. We try to have interesting programs, end everyone enjoys the fellowship. We shall be looking for you on Monday, March 7. You will be glad that you attended. Why not bring along a Brother? He will be glad that you did.

See you on March 7th.

Franklin I. Bryen, Secretary

## Happiest Man

The happiest man in the world is the common, everyday chap who makes his own living, pays his bills, has a little money as he goes along, but doesn't strive to get a corner on the local output, end is a slave neither to ambition nor society.

He loves God and his fellow man; thinks "there is no place like home," the haven of rest; prefers the company of his family to that of anyone else; never hes to sit up nights to poltice his conscience; believes in the doctrine of live and let live, and when he encounters one of the needy, he doesn't stutter with his pocketbook.

The plain man is happy to be satisfied and does not spend the best of his life yearning for things too sizes too large for him.

## Greetings Brethren:

Here it is March and the Grand Architect has been kind to us this winter blessing us with relatively mild weather. March also means Spring is just around the corner.

We had hoped we would have had degree work this month, but the petitions didn't come in. However, lodge has been busy with practice and our annual family night.

Following are some dates to reserve on your calendar: Saturday, April 2 — Father-Son Banquet, and our annual Ladies Night on Saturday, May 14. More information will be forthcoming but these are two events you won't want to miss.

May I again remind you that if you have not as yet paid your dues, please do so. I know our secretary will really appreciate it.

See you in Lodge!

On behalf of the officers and members of South Gate I welcome Paul N. Hoffman Jr. to South Gate Lodge. Brother Hoffman was raised a Master Mason on February 7, 1983. Keep in mind, our Past Master Banquet will be May 20, 1983.

## Greetings Brethren:

Wow what weather! That was the big conversation topic last year. The same this year only it is the opposite of a year ago. Almost early spring weather through Valentines Day certainly is a boon to all when it comes to paying heating bills although all the ice fishermen feel they are getting shorthorn on their favorite pastime.

At this writing we have two brothers in the hospital for major surgery. Brother Bruno Belbutoski P.M. at Parkview February 9 is getting along well with his recovery. Brother George Winchell P.M. had by-pass surgery February 14 at St. Joseph Hospital. Our prayers are with them for a speedy recovery.

Remember, dues are overdue. If you have forgotten to get them paid, save our Secretary mailing registered letters by getting them in before the March stated meeting. To our unemployed brothers, if you are having financial troubles and need

your dues remitted contact the Secretary or Master. We can't help unless we know that help is needed.

The Lodge extends its sympathy to the family and friends of Brother William H. Frisch who passed away November 22, 1982.

We should have degree work in March and April as we have petitions in already. Remember April 15 Ham and Bean dinner, April 22 Past Masters Night and April 29 Ladies Night.

See you in lodge.

## Greetings Brethren:

March is almost here and Winter will soon be behind us. For all of our Maumee Brothers, who have not been attending Lodge, March will be a good time to start.

On January 26, four Brothers were raised to the Sublime Degree of Master Mason. They are Robert Stevens, Michael Hanlin, Richard Poulson, and Duane Wolf. Congratulations Brothers! Welcome into Maumee.

Oegree work has started in February with the conferring of the Entered Apprentice degree upon five candidates. There are also petitions out for investigation, so we will have degree work in March.

I would like to urge the Brethren to attend lodge often to enjoy the performance of the officers doing degree work. All of the officers are doing excellent ritual work as usual. There are, also, delicious dinners on Entered Apprentice and Master Mason night, prepared by Willie Witmer.

Our most heartfelt sympathy goes out to the family and friends of Brother Edward C. Mertens, who was called to the Celestial Lodge above on February 11. Memorial services were held for Brother Mertens, Grover Scott conducted the services.

Maumee's annual Ham and Bean supper will be held on March 16. Past Master, Tom Webb, has lined up Past Masters to do the Fellow Craft degree, and Ben Harvill and myself, will head the cooking team. The meal will be at 6:00 p.m. and the Fellow Craft degree at 7:00 p.m.

The following Wednesday, March 23, will be Past Master, Charter Members night. We will have a

delicious dinner prepared by Willie Witmer and her ladies at 6:30 p.m. Entertainment will be provided by the Bishop Luers Swing Choir tollowing the dinner. All members and their ladies are invited to attend the event to honor our Past Masters, the backbone of Maumee, and the Charter members, the founders of our Lodge. The officers will have tickets for this event, so make your reservation as soon as possible. There will also be tickets on sale the door.

Our Secretary, Charlie Taylor, has informed me that about 100 members have not paid their dues for 1983. I urge all these members send their dues as soon as possible. Delays cause Charlie a lot of extra work. Anyone having trouble paying their 1983 dues should contact Charlie, or myself.

See you in Lodge.

well as Worshipful Master until March 1st, when we shall have newly appointed acting officers for the offices of Secretary and Treasurer. March 1st is our stated meeting and a resolution will be presented and read, declaring the offices of Secretary and Treasurer vacant.

It is with regrets that we accept the resignation of Past Master Arthur H. Vonderau who has been Treasurer since 1978.

Petitions were received at the February stated meeting and investigation committees have been notified. Brothers, if interested in helping your lodge and not being able to come to meetings or funerals; volunteer for the committees that can and will meet your time schedules.

The Fellow Craft team dinner was held February 8 and the meal was super. Thanks goes to J.W. Herman Grabler for the menu and preparation of the food. At the meeting which followed dinner, Dave Ball P.M. was elected President; Larry Wertz, J.S. was elected Vice-President; and Leonard Woods P.M. was elected Secretary-Treasurer. These officers and myself as Worshipful Master, comprise a committee to appoint a Fellow Craft Director. Share your talents with the Lodge and give your name and phone number to one of these four brothers to work on the Fellow Craft Team.

Greetings Brethren:  
As this is written we are investigating a petitioner who desires to become a member of our Lodge. We will have degree work next month if he is found worthy. We will have had practice sessions during February on the Fellowcraft and Master Mason Degrees to get polished up for this

event.  
Dur Past Masters, Ladies and Widows Night will be past history when this is read and I am hoping for a good turn out.

Brother Howard H. Moore has been called to that Celestial Lodge by the Supreme Architect of the Universe on February 3, 1983 and with saddened hearts our prayers and sympathies go out to his family.

We have been having fair attendance at our Stated Meetings and I believe we can do better. Break bread with us at our Fellowship Dinner preceding Lodge and help us honor our Brothers raised in the month of March. Dinner will be served promptly at 6:30 p.m. on March 3.

If you haven't paid your dues as yet please do so as time is growing short and relieve our Secretary of additional work.

Looking forward to seeing you in Lodge and I ask you to gain some personal satisfaction by becoming active and assist us in the degree work.

Brethren,  
By the time you read this we will have had our Fellow Craft degree work. February 19 at 10 a.m. was the date and time. This was our first candidate of the year, but not our last. We already have another petition in the works.

Along with our candidate will be a candidate from Churubusco Lodge S15. I'm looking forward to working with Churubusco Lodge. To me this is what Masonry is, caring, sharing, and helping a brother to find more light.

As Master of this lodge I plan to set aside a little time each month for some Masonic education. This is something that we have not tried before, so if you would like to learn a little more about our craft I invite you to our meetings. Too many of us know too little about this great craft we belong to. Myself included. I do know that the more I learn of our craft the more I appreciate it. I'm sure you would too.

Hope to see you in lodge.

### Fairest In All The Land ... Job's Daughters

The purpose of the International Order of Job's Daughters is to band together girls age 11 through 20 with a Masonic relationship for spiritual and moral upbuilding; to seek knowledge; to teach love of God; love of country, and reverence for its Flag; love of home and family; and reverence for the teachings of the Holy Bible. The Order was founded in 1920 and Bethel No. 8, Fort Wayne, was chartered in 1925.

While it is no part of the Masonic Fraternity, it requires all of its members to have a Masonic relationship and by this prerequisite is closely tied to the Masonic Order.

Eligibility for membership is that the girl be the daughter, adopted or step-daughter, granddaughter, great-granddaughter, step-granddaughter, sister, half-sister, step-sister, sister-in-law, niece, grand-niece or first or second cousin of a Master Mason in good standing.

The Order is founded on the Scriptures and in particular the Book of Job. The 42nd Chapter, 15th verse of the Book of Job tells us that,

"In all the land were no women found so fair as the daughters of Job, and their father gave them inheritance among their brethren."

The meeting place of the members is known as a Bethel, meaning a "Holy Place." Bethel No. 8 meets the first and third Wednesday of each month at the Masonic Temple, Fort Wayne. Meetings are open to all persons with proper Masonic affiliation.

The Ritualistic work of the Order is based on the Triangle, the Three Daughters of Job, the Open Book, Education and combines the emblematic representation of Latin and ancient Greek ages. The presiding officer of a Bethel is called the Honored Queen. She is assisted by a Senior Princess and a Junior Princess and these three girls exemplify the Three Daughters of Job.

The International Order of Job's Daughters is operated in a democratic manner. Adult workers known as a Guardian and an Associate Guardian supervising each Bethel are appointed each year. These Council members are selected from Master Masons and women over twenty years of age who are wives, daughters, granddaughters, mothers, sisters, half-sisters, or widows of Master Masons or Honorary members of Job's Daughters who have attained the age of twenty.

This organization is truly international in scope as at present there are Bethels in the Continental United States, Alaska, Hawaii, Provinces of Canada, Australia, Guam and the Philippines. The Order is engaged in philanthropic and benevolent projects. Various social events are also planned by each Honored Queen during her six-month term.

The International Order of Job's Daughters exerts an outstanding influence for good and its work and efforts are directed toward spiritual development of its members. Special emphasis is given to the thought that "to be fair is to do good" and "Virtue is a Quality which Highly Adorns Woman." The living cross formed by the Daughters at the close of each Bethel meeting and upon request at other functions, is symbolic of the faith of these daughters as is their musical prayer to be "Nearer, My God, to Thee."

Petitions for membership may be secured from any member, the Bethel Guardian Council or in the racks outside the lobby office at the Masonic Temple.

Farewell from our Worthy Matron. A year ago, when I first occupied the East as your Worthy Matron, the responsibilities seemed almost overwhelming, but strength was given to me in the remembrance of love, friendship and cooperation always extended by our officers and members.

I asked God to give me the strength I would need to meet each challenge and was ever mindful of His presence throughout the year.

I shall never cease to be grateful for the honor and privilege given to me and am proud to have been your Worthy Matron. I especially thank my Worthy Patron, my officers and committee members, the choir, the Past Matrons, my Fraternal Mom and Pop, and my husband, mother and children. I thank you for your love, patience, guidance and cooperation. Words seem meaningless when I try to express my appreciation and gratitude to you for your loyalty and helpfulness. I am so thankful my Dad could join me on special times and know he's been with me in spirit the rest of the time.

To my successor, Sister Millie, may your year be crowned with blessings — rich, abounding and eternal.

To each and every member, with gratitude for the past, and an earnest prayer for the future that God's richest blessings may ever rest upon you, I bid you farewell.

Susan Creager, Worthy Matron March 8 will be advanced officers night when our newly elected officers will be honored with a program and a song.

March 22 will be committee reports, farewell and honor sideliners. A special song for sideliners is planned with a gift for them.

The Estrellita Club will be honoring all of our Chapter's past metrons with a party on March 9 at Mary Pratt's home. Past Matron's reservations should be given to Lucille Zurbrugg by Friday, March 4.

Open installation of our newly elected officers will be at 7:30 p.m. on Tuesday, March 29, in the 4th floor chapter room. Reception following in the ballroom. Practice for installation will be at 7:30 on Monday, March 28.

Officers elected on February 8 were: Mildred Clark, W.M.; William Judkins, W.P.; Kathryn McInerney, Assoc. Matron; George W. Dicks, Assoc. Patron; Maggie Winkler, Conductress; Jan Flohr, Assoc. Conductress; Hazel Dill, Treasurer; Mary E. Bird, Secretary.

Our Assoc. Matron, Millie Clark, planned and was chairman of a very lovely and enjoyable recognition dinner party held on January 31 in the ballroom. This was the night our chapter committee honored our Worthy Matron, Susan Creager, and our Worthy Patron, George W. Dicks. A toast was given to Susan by Millie with a response, followed by a toast to George by our Assoc. Patron, William Judkins, with a response.

The dinner was prepared under the direction of "Willie" Witmer and it was delicious. The menu consisted of juice, combination salad, chicken breast, wild rice, broccoli, rolls and beverage. The Tortoni, an ice cream dessert and one of Willie's specialties, was superb.

The tables were lovely covered in blue with pink streamers. The backdrop was in blue with Susan's backwords "Faith, Hope and Love". The Rosewood Baby Grand Piano Music Box was a gift to Susan from Millie Clark. Susan wound it and held it to the microphone so we could all enjoy the tune "The Entertainer".

Favors of candle urns holding blue candles were lit at each person's place. The room had a special glow as they burned.

Each of the committee chairmen presented Susan with a verse and a gift to be added to her music scale. George Dicks was presented a gift by Bill Judkins.

We were entertained by the Northrop Swing Choir. They gave a delightful choice of songs, even one depicting the Roaring Twenties which was very well done. Also, they sang "Just a Closer Walk with Thee", especially for Sister Susan and Sister Millie, as it is their favorite song. Our choir also sang some specially written songs, which were most appropriate and thoroughly enjoyed by our honored guests and all present.

Sojourners of Faith Shrine: As the year rapidly comes to a close may we say "Thank you one and all for such a fine job." My officers were very good — my Committees fantastic — and the sideliners were just great! We traveled many miles and made new friends. I consider the year to be a success and to our successors, Mary Jane and Calvin, we wish for you the same in your year. Good luck to you and your new corps of officers.

I wish to thank Day Social for the nice things they did and Decorating for the lovely decorations and the angels that I liked so very much. Thanks to Cheer for helping make fruit baskets for the shut-ins and helping deliver them. Thanks very much to Night Social and especially for the Purse Parties that we did so well on; and last but not least, I thank the heart of the Shrine, Ways and Means, who worked so hard all year to make our quota. Without this Committee, Shrine would have a hard time functioning. To the Tro-Tems, I thank each and every one.

The All-Committee end-of-the-year party will be at the Masonic Temple, 216 E. Washington Blvd. on March 2nd with a Banquet at 6 p.m. in the Ballroom. Cards and fun afterwards. On March 11th, Stated Meeting, 7:30 p.m., Annual Reports, Election of Officers and Farewell. To the new Worthy High Priestess Mary Jane and Watchman of Shepherds Calvin we wish you a safe and happy trip and many new friends. I would also like to thank all those lovely Sojourners who gave me their support and encouragement through the year.

I would like to close with the prayer that went with me all year: "Take thou my hand and lead me

Dear members and friends,  
We have gotten a lot accomplished  
in the month of January and the  
beginning of February, with cooper-

ation of the weather. On January 29,  
a few of our girls traveled to Leo for  
Bethel 129's Installation of Bethel  
officers and Bethel choir. Angela  
Vendrey was installed Honored  
Queen.

February 2 was our Friend's Night.  
We had almost every Bethel in  
Region 8 represented, with a large  
turn out of 41 guests. It's always  
pleasant to have guests at our  
meetings to do our work for. You are  
always welcome.

On February 5, the girls packed up  
their sleeping bags and stuffed  
animals and headed for Linda  
Lentz's house for a slumber party.  
We all had a nice time and we were  
all very tired the next morning.

There are a lot of events that we  
are looking forward to in the near  
future. On February 16, Bethel 129,  
Leo, is coming to practice with us for  
our Inspection, which is on March 2.  
We are looking forward to our Grand  
Guardian's and Grand Associate  
Guardian's visit and the dinner that  
precedes. Also on March 6, we are  
going to help usher at the V.A.  
Hospital.

We have some exciting news! We  
are initiating two new girls. All you  
Masons should talk to your daugh-  
ters, granddaughters, nieces, etc. and  
tell them about us. We are always  
anxious to make new friends.

March will be a busy month for us,  
weather permitting. Until next time,  
let's all have a pleasant month.

## The Faithful Few

When the meeting's called to order,  
And you look about the room;  
You're sure to see some faces,  
That from out the shadows loom,  
That are always at the meeting,  
And stay till it is through.  
The ones that I would mention,  
Are the Always Faithful Few.

They fill the vacant offices,  
As they are always on the spot.  
No matter what's the weather,  
Though it may be awful hot;  
It may be dark and rainy,  
But, they are tried and true;  
The ones that you rely on,  
Are the Always Faithful Few.

There's lots of worthy members,  
Who will come when in the mood;  
When everything's convenient,  
They can do a little good;  
They're a factor in the Order  
And are necessary, too,  
But the ones who never fail us  
Are the Always Faithful Few.

If it were not for these faithful  
Whose shoulders at the wheel  
Keep the Order moving onward,  
Without a halt or reel;  
What would be the fate of Orders,  
Who have so much to do?  
They surely would go under  
But for the Faithful Few.

## A Great Mason

Once there was a Mason who  
tound it really hard to learn the  
ritual and he never was much help in  
conferring the degrees. He was ex-  
tremely self-conscious and had no  
real ability to fill positions of author-  
ity; he was not officer material and  
he never held a lodge office. He  
never achieved financial success and  
so could not be one of the larger con-  
tributors to lodge charities or the  
building fund. In all these respects  
he was a rather insignificant Mason.

He did attend every lodge meeting  
he possibly could, always arriving  
early enough to assist the Tyler and  
Stewards in getting things ready.

He was a steady and hard worker  
on the building and grounds com-  
mittee; he mowed grass, repaired seats,  
patched the roof, helped paint the  
lodge, set out shrubbery, unstopped  
the plumbing - no task was too  
distasteful.

He visited the sick and the widows.  
He went to see and talked with that  
brother who had suddenly stopped  
attending lodge. He made sure that  
each visiting brother was never  
made to feel a stranger. He praised the  
officers, encouraged new mem-  
bers, put his arm around the should-  
ers of any who were troubled or dis-  
couraged, and he had a smile and a  
cheery "Hello my Brother" for all he  
met, every time.

Eventually he died. The church  
could not hold all those attending his  
funeral. Even the cemetery was

crowded. The next meeting of the  
lodge was just not the same; every  
member missed him, terribly.

An insignificant Mason?  
Certainly not! He was a GREAT  
Mason! Perhaps no greater have  
ever sat in lodge.

Who was he?

Nobody in particular. Most lodges  
have known him, or his like. And he,  
or someone like him, is still around,  
still attending his lodge, still doing all  
those little things. Are we treasuring  
him and honoring him? Certainly we  
ought to, for he is a GREAT Mason!

## Masonic Facts . . .

Masonry is a trustee with one of  
the most sacred trusts ever delegat-  
ed to man. The impulse of creation is  
the upbuilding of the human individ-  
ual. Human life on the earth, a mere  
speck in God's great universe, is a  
pilgrimage to a higher end. The  
whole journey of life from the cradle  
to the tomb is a continual search for  
Light. On this pilgrimage no man  
lives to himself alone. Every Master  
Mason, on life's journey is to some  
extent his brother's keeper. As a  
trustee, he holds the teachings and  
lessons of Masonry in trust for the  
benefit of all mankind. A trust is ordi-  
narily reposed in one who, it is  
thought, may best carry out his pur-  
poses. A man is permitted to join  
Masonry because it is thought he will  
perpetuate its principles and carry  
out its objects.

He is helping maintain this newspaper. He  
has merchandise that he believes in and prices  
that are equitable with the value offered or he  
would not be telling you about them. He deserves  
your patronage and more than that, you ought to  
tell him so. When you go into his store you will  
cultivate the most cordial and responsive feeling  
if you will just say: "I saw your advertisement in  
The Square and Compass." You will be doing your  
bit toward maintaining and advancing your  
Masonic newspaper, your community and Masonry.  
It requires no effort for you to do this —  
costs you no money. Just say: "I saw your  
advertisement in the Square and Compass" and  
then watch that merchant's face brighten up and  
see how he does his best in merchandise, service  
and prices to live up to your confidence and good  
opinion.

This newspaper is giving column after  
column of news matter and information of interest  
to thousands of members of the Masonic  
fraternity. Everytime you patronize the advertiser  
in this newspaper and tell him about it, you help  
boost your Masonic paper and the principles for  
which it stands in its service to the Craft.

I would like to say thanks again to Sol D. Bayless Lodge for the dinner that they held for Fort Wayne Chapter of DeMolay; it was a good opportunity for the DeMolays to have fellowship with the Masons. An enjoyable evening was had by all.

With all the activities we have this month, March will definitely prove to be hectic, but well worth it.

## Freemasonry's Candles

In every American Masonic Lodge there are three candles - or electric or gas substitutes therefore - which we now call the Lesser Lights.

The candle was early connected with religion. In the first century Christians were driven underground, secretly to meet and hold worship. The catacombs of Rome were then as now dark to blackness. Candles were essential if the worshippers were to find their way, see their fellows, observe the sacred writings. In later years when Christians could assemble as such without risk of torture and other punishment, the candles came up from the catacombs too!

There is a deep symbolism in the naked flame that consumes the substance of the candle to give light. To give light to one's fellows a man must consume himself; display and disperse energy. A philosopher who put no energy into his doctrines could not gather disciples; no man who counts among his fellows but gives ceaselessly and generously of his powers.

In time all men die, but some rust out while others burn out! Those who burn out may go more quickly, but at least they go gloriously. So it is with the candle which consumes itself to give light; just before it dies it flares up, as if to make its final effort its best.

Lesser Lights, by the light of which Masons see the Great Lights, when actual candles are a tie with Masonry as old, at least, as 1730; a connection with the religion and with the Great Light which mentions them often, as when Job lamented:

"Oh, that I were as in months past, as in the days when God preserved me; when His candle shined upon my head, and when by His light I walked through darkness."

Some prefer electricity to a naked candle flame in Lodge because the electric light does not blow out and a candle flame may. But here again the symbolism is lost; the burning flame that may so easily be extinguished seems to plead with those who use it for care that its warmth and light be not snuffed out. It is so easy to extinguish human enthusiasms, human plans and aspirations, human good works, without care and kindness to keep them alight. But note, too, that the candle flame, weak though it may be and easily quenched, is powerful enough to light a great conflagration, just as some human enthusiasms and plans are enough to kindle a nation into flame for the right and the just. A candle is as readily lit as extinguished, and here, too, is symbolism - the initiate who kneels at the Altar may have the candle of his soul ignited by the enthusiasm of those who give him Masonic light, so be it the stuff of which he is made is inflammable by touch with the heat of new truth and new experience.

One Lesser Light represents the Master of the Lodge - he who sits in the East and from whom comes Masonic light. To give light, a candle must burn. To burn it must be hot and give out heat. No luke-warm candle will light; no luke-warm Master ever kindled the souls of his brethren to high endeavor!

One candle may light another provided there is contact. One candle will never light another at a distance; only when flame touches wick. One brother may kindle the fire of another, but not by standing aloof and away - only by intimate contact of mind with mind and heart with heart may the holy fire pass from man to man.

Shakespeare said, "How far that little candle throws its beam! So shines a good deed in a naughty world." The gentle light of the Masonic candles at the altar has indeed shone far - it has girdled the globe; it is gone into the far places; it has been the comfort and the stay of the sore beset to the uttermost ends of the earth.

## Danger Ahead!

We have all been taught to stop the car when we see flashing red lights ahead. For most people, this is almost an automatic reflex. No one must tell us that there's "danger ahead." We know enough to pay attention - and avoid trouble.

What we do so easily driving a car does not seem to apply to our society. There are "flashing red lights" all around us, but few people seem to take notice.

In his book New Rules, Daniel Ukanlovich, president of the Public Agenda Foundation, has taken a long, serious look at Americans and concludes that we are discarding our traditional values. Such things as hard work, steadfastness, doing what's expected of us while suppressing the impulse to put ourselves first are on the decline.

In his ten-year study of American values, Dr. Ukanlovich concludes that 80 percent of our people are abandoning the ethic of self-denial and are taking up - to one degree or another - the philosophy of self-fulfillment. As one person said, "Satisfaction comes from shaping oneself rather than from home and family."

It isn't necessary to tell you that such words should be "flashing red lights" to all of us.

In the introduction to his 11-volume history of civilization, the late Dr. Will Durant indicates that there "must be a unifying moral code, some rules of the game of life acknowledged even by those who violate them . . . for civilization to survive."

Dr. Durant makes this flat statement: "... no society can exist without order and no order without regulation."

We all know that self-regulation is the backbone of all decency and morality. Yet it appears that a majority of our citizens are trying to free themselves from the inner controls that are the single most important source of a humane civilization.

If you have ever asked yourself the question, "Why am I a Mason?", let me suggest an answer: The rules are all that stand between ourselves and complete chaos. It's that simple.

As Freemasons, we are men of rules. The square and compasses do not change. They are another way of saying, "I live by the rules."

The 3½ million Masons in America, along with others, can be a bulwark against the further demise of self-regulation.

As we approach the birthday anniversary of the founding of our nation, let us remember that the "red lights are flashing" and it is time for us to pay attention.

## The Letter "E"

Someone has advanced the opinion that the letter "E" is the most unfortunate character in the English alphabet, because it is always out of cash, forever in debt, never out of danger, and has never been in Indiana or Ohio.

But we call his attention to the fact that "E" has doubled up in Wheeling and is never in war and always in peace. It is the beginning of existence, the commencement of ease and the end of trouble.

Without it there would be no meat, no life, no Heaven. It is in the center of honesty, makes love perfect and without it there would be no editors and no news.

"Only the artist, or the free scholar, carries his happiness within him." Beethoven

Brethren: Since my last article, Hometown Lodge has attended Founders Day at Indianapolis, and conferred the Fellowcraft Degree on a Brother.

Past tradition has it that during the winter months attendance drops off at Lodge. Previously, poor attendance has been blamed on bad weather. This year, the Brethren will have to find a new excuse. I have also heard some of the brethren say they wouldn't know anyone anymore and therefore they don't attend.

Brethren, we are all a part of the Fraternity and can make new friends by attending lodge. The Lodge is like any living thing; without the proper nourishment it will wither and die. Please help the officers of Hometown Lodge provide the proper nourishment by devoting a couple of hours, at least once a month, attending lodge.

Hope to see you in Lodge.

Brethren:

One of the most enjoyable experiences a Master can have is the giving of the Grand Master's Award of Gold. Recently Olive Branch Lodge had the pleasure of giving the fifty year award to Brother Howard Morton, who was initiated an Entered Apprentice on September 15, 1932, passed on January 11, 1933, and raised to the Sublime Degree of Master Mason on February 23, 1933.

Brother Morton has served his Lodge well. He has served as Junior Steward, Junior Deacon, Junior

Warden. He has served as Tyler of Olive Branch Lodge from 1975 to the present.

On the same night that Brother Howard received his fifty year award, his son, Brother Jerome Morton, received his twenty-five year award. Brother Jerome was initiated an Entered Apprentice on December 5, 1957, passed on January 16, 1958, and raised to the Sublime Degree of Master Mason on January 30, 1958.

We, the brethren of Olive Branch Lodge No. 248, applaud these brethren and wish them many more years of fraternal fellowship.

At this time I wish to express my gratitude to my brethren of Olive Branch Lodge and sisters of St. Marys Chapter OES for their expressions of sympathy and support during the recent passing of my mother.

## A Senior Citizen's Lament

Thought I'd let my doctor check me 'Cause I didn't feel quite right  
All those aches and pains annoyed me  
And I couldn't sleep at night.

He could find no real disorder,  
But he wouldn't let it rest  
What with Medicare and Blue Cross,  
Wouldn't hurt to run some tests.

To the hospital he sent me,  
'Though I didn't feel that bad  
He arranged for them to give me  
Every test that could be had.

I was fluoroscoped and cystoscoped  
My aging frame displayed  
Strapped upon an ice-cold table  
While my gizzard was x-rayed

I was checked for worms and parasites,  
For fungus and the crud  
While they shoved long needles in me  
Taking samples of my blood.

Doctors came to check me over,  
Probed and pushed and poked  
around

And to make sure I was living,  
Had me wired up for sound.

They finally have concluded,  
Their results have filled a page,  
What I have, will some day kill me—  
My affliction is old age!

## The Lowest Three

Have you ever tried to climb a ladder, when the bottom three steps were not there?

You may have made it to the top, but it took a lot of care.

Have you ever tried to enter a room, when the threshold was three feet above the floor?  
When it was level you entered easily, but now the work is more.

Could you ever move easily about when your lower three feet were gone?

You could do it if you must, but to help you would take more than one.

You came into your Lodge and took the degrees — First, Second and Third.

Are you one of the few who work for the Lodge, or are you the one who haven't heard?

The Master's there, the candidate and the old faithful few.

We share the work, conter the degrees but the Lodge needs you.

You took the oath, learned the work and then went your way.

You've worked in quarries, mountains, fields and never received your pay.

The corn is yours, the oil and wine too.

Come receive your wages, the Lodge is also you.

Where would you be today if Masonry had not helped thee?

Support your Lodge, receive your due, be with the Lowest Three.

## Greetings Brethren:

Our first petitioner of the year has been elected and initiated and I believe by the time this is read we will have a new Master Mason amongst us. We have another petitioner that is being investigated during this month of March and we will be voting on his right to join us at our April 7 Stated Meeting. We have made a good start towards making this a banner year for petitions.

At this time we have three of our Brethren in the hospital: Bro. Bob Cunningham at Parkview; Bro. Ed Miller at Lutheran; and Bro. Joe McDowell at St. Joseph. Our prayers and best wishes to all of these Brethren for a speedy recovery.

On a more pleasant note, the good food and excellent entertainment at our Past Masters, Ladies and Widows Nite was enjoyed by all in attendance and I want to thank everyone who helped make it possible.

We still could use a lot of help in our degree work and I urge all of the non-participating Brethren of our Lodge to gain some personal satisfaction in joining us in this great and good work.

I would like to take this opportunity to welcome the Brethren of OeMolay Lodge who will be joining us at our Fellowship Dinners preceding our State Meetings and urge the Brothers raised in April to attend and be our honored guests.

Looking forward to seeing you then.

## Brethren:

The Fellow Craft degree work of Feb. 19 was a great success. Your

officers did a good job and I would like to give special thanks to the following: P.M. Oan Morgan of Maumee 725 for a great job on the star lecture; John Howard, also of Maumee, who gave the charge to the candidates; W.M. Bob Fleming and Jerry Ranson of Churubusco for their assistance.

We will be having the Master Mason degree work on the 16th of April at 9 a.m. Please make note of time and date.

A petition was voted on and accepted at our State Meeting of March 12. We will be having E.A. degree for this candidate on April 30 at 10 a.m.

Our Secretary informed me that we have some brothers who have not yet paid their dues. Please make an effort to have these paid by April Stated meeting. If you need help in any way, I ask you to call our Secretary or myself.

## Greetings Brethren &amp; Happy Easter:

April means the beginning of Spring which brings forth new life and so it will be with Sol O. Bayless. I am happy to inform you that we have three petitions being investigated and should be voted on at our stated meeting; one being transferred and two for initiation. This is very encouraging to your officers and members.

On March 21 re-instatement and the election of officers was held for our new Fellowship Club. There is a great need for more members to participate which would greatly benefit the lodge. We are currently trying to organize a calling committee in an attempt to personally contact as many members as possible and by this means generate more interest and participation in lodge. Your cooperation will be needed to make this endeavor a success.

Two of our members are in the hospital: James Berquist Sr., and Past Master Art Slane. Our wishes are with them for a speedy recovery. We also lost three brethren who were called to the celestial lodge above: Lee V. Myers, Harmon Tim-

berlake, and Harry H. Winning. Our sympathy is extended to their families and friends.

April 2 is the Father-Son banquet and May 14 is Ladies Night which will require dinner reservations and only takes a phone call. On yourselves and your officers a favor by making these reservations in advance. The last few functions we had approximately 40 percent show up without reservations. Although you are always welcome, this creates unnecessary problems with seating arrangements and food preparation. Your cooperation will be appreciated.

A special note of interest - April 15 the Knights of Constantine of Paulding, Ohio will be hosting dinner at 6:30 p.m. and degree work immediately afterward.

See you in Lodge!

## Greetings Brethren:

April is almost here and there are signs of Spring all around us. Like that old saying "how times flies when you're busy" Maumee has been busy so far this year, and from indications, will continue through April. At our March stated meeting, there were five petitions read and put out for investigation.

It is with great pleasure that I announce four new members that were raised to the sublime degree of Master Mason on February 23, 1983. They were Oavid Egle, Michael Zeigler, Ellis Ryan, and Richard Junk. Congratulations Brethren! Welcome to Maumee and this great Fraternity.

By the time this article is read, Maumee's Past Master Charter members night and Ham and Bean dinner will be history. I hope these events will have been enjoyed by all who attended.

At our January stated meeting a committee was formed to study our 1982 Financial Report and make recommendations for improving our budget. This committee reported at the March stated meeting and recommends ten different items for the consideration of all Maumee members. Copies of this report will be available at our April stated meeting. I urge all members to attend and take part in discussing these recommendations. I would like to thank the Committee members Howard High, Walter Cook, Steve Winkler, and Paul

Winkler for an excellent job on a difficult task.

In the past couple of articles mentioned to the Brethren to go to Lodge and bring a friend. That mistake on my part, I did not think that you could not come alone. Recently, while bowling at the Shrine League, one of my fighter friends told me he could attend the Entered Apprentice degree because another of my fighter friends did not call him a 7:30 p.m. A very reasonable excuse I was glad to see both of my friends at the bowling alley. I believe ask them if they came together. He not mention their names.

I would like to inform the Brethren that Brother Glen Lantz has broken arm out of the cast and is healing well, and Brother Jim Soman is recovering well from his surgery.

For the few members that not paid their 1983 dues, it is running very short. Don't let this obligation any longer. Do cause a lot of unnecessary work our secretary. Why not call today?

See everybody Wednesday.

Brothers,

The subject of vacant office for  
Secretary and Treasurer of Home  
Lodge 342 has been sent to all of  
your homes. These two resolutions  
must be voted on at our April S  
Stated Meeting.

A Secretarial position when filled  
by a worthy and competent person is  
more important than even the Wor-  
shipful Master's position.

When the records of the Lodge  
and Brethren are not properly kept,  
then the Archives are filled with  
nothing but paper. There are times  
when the Lodge records are used for  
other than Masonic purposes, (locat-  
ing deceased family members, family  
trees, settling estates and many  
more reasons) - and that is why they  
must always be accurate and up to  
date.

The minutes of the Lodge are no  
less important as they tell the  
history of our Lodge and are used  
extensively by past, current and  
future officers, in reference to pay-  
ment of bills, candidates, petitions,  
demits, remits and so many other  
very important items.

The Treasurer's office is just as  
important in keeping the records of  
the monies of the Lodge.

When the Secretary does an excel-  
lent job of keeping the records, the  
Treasurer then knows where the  
monies come from and where they  
go.

Come to the April S stated meeting  
and do your part in choosing the  
proper persons for Secretary-Tre-  
asurer of Home Lodge for the re-  
mainder of 1983.

P.M. Arthur Vonderau is Acting  
Secretary and P.M. James Johnston  
is Acting Treasurer. They are both  
doing superb jobs until we can elect  
permanent officers for these  
positions.

As I am writing this article, the  
Brethren are preparing the meal for  
the Dues Committee meeting to-  
night. We have less than 20 Brothers  
who have not paid and their cases  
will be decided on this month.

I appreciate all who paid on time  
before January 1 of this year.

I know that some are hard up and  
found it hard to pay their dues. I  
thank all who have also paid since  
Jan. 1, and since I have sent out the  
reminders. Everyone paying makes  
the work of the Dues Committee that  
much easier.

Grand Lodge is meeting on May 17  
and 18, and I have rooms reserved  
at the downtown Howard Johnson  
Motor Lodge, approximately B - 10  
blocks from the Grand Lodge. Call  
me at 456-4548 if you are going. I  
only have 6 double rooms reserved  
for the nights of May 16 and 17. They  
are \$46.00 per room plus 9 percent  
tax (\$25.07 each person, per night.)

Two new Entered Apprentice came  
into Home in the month of March.  
One Brother transferred in from  
Huntersville and one Brother trans-  
ferred to Columbia City. We wish  
them all success in their lodge ac-  
tivities and work.

P.M. Richard Bennett has again  
accepted the Fellow Craft Team  
Director's position. Come out and  
help when Dick Bennett PM, Leon-  
ard Woods, PM, David Ball PM, or  
Larry Wedertz J.S. give you a call.

Our best wishes go for a speedy  
recovery to all who suffer from the  
ills of health of finances.

Remember you are a stranger but  
twice in Lodge; when you petition  
for the Degrees and when you don't  
come back. We chose you to become  
united with us and we welcome you  
to become reacquainted with the  
newer members.

Your Lodge needs all of us.

Greetings Brethren:

At this writing the weather is fabu-  
lous. This is March and it seems as  
though spring is a month ahead of  
time with the flowers sprouting and  
the trees budding out. Makes us

baseball, fishing, gardening, etc.  
Speaking of baseball, here is the  
information on our trip to Cincinnati.  
It will be a night game Saturday,  
June 25, with Atlanta. Tickets will be

a meal before arriving at Cincinnati.  
Family and friends are invited to join  
you and remember the tickets are  
going to the first 44 people to make

"A world of happy wishes  
And hoping you will share  
An Easter and a springtime  
Filled with joy beyond compare."

An open Installation of Officers for Star of the East Chapter was held in the Colonial Room at the Masonic Temple on March 29 at 7:30 p.m.

Sister Mildred Clark was given her charge as Worthy Matron after which the choir sang "Young at Heart". She was escorted to the East by her nephew, Terry L. Atherton through an aisle formed by her appointive officer, Brother William Judkins was

given his charge as Worthy Patron after which the choir sang "Bill" and he was escorted by his wife, Georgianna and two lovely grandchildren, through an aisle formed by Brother Masons. Our Junior Past Matron, Susan Creager was duly recognized at the altar when the choir sang "He" to her; she was then escorted by her husband, Al Creager and daughter Shannon Jones to the Marshal Station where she was presented an arm bouquet of pink Sweetheart Roses by her mother, Ruby Mowery and family. It was here that Shannon sang "My Mom" to her mother. The Star Points were escorted to the south side of the East, facing east where a very instructive and impressive ceremony of "The Star Point Pin" was held. This is the first time for this ceremony to be used in our chapter and was well received.

Our music was beautiful, not only by our Choir, but the program put on by the Gordon Family at intermission. Brother Frank Bidlack sang "The Lord's Prayer". It was well done as only Frank can do to music.

The families of Millie and Bill were introduced and welcomed. Millie's brother, Herbert Atherton was given much praise as he had come from Seattle, Washington to see her raised to Worthy Matron. Herbert is a 50 yr. F. & A.M. and a member of Scottish Rite Body at Bremerton, Wash. and a member of Eastern Star at Edmonds, Wash. He is only 93 summers young.

Sister Carol Munk was escorted to the East and given a welcome, then invited to share the East. Carol was invited to sing and narrated two songs closely related to her nursing Millie back to health. "He Touched Me" and "One Day at a Time". Thanks Carol for jobs well done.

The East was decorated with a picture "The All Seeing Eyes of Christ" and an open gold Bible with a yellow rose resting diagonally across it. This was displayed on a background of rich rust velvet. In the West was the scripture Matthew 5:16 on a poster over print on a rainbow made by a shooting star.

The Bible signing ceremony with Millie and Bill entering their name in the Chapter Bible was complete with the Choir singing "Tenderly He Watches Over Me". Our Junior Past Matron and Junior Past Patron were presented their Past officers jewelry by their Fraternal Mom, Jane Millhorn and Fraternal Pop, Ronald Flohr, after which the Choir sang "My Sheep and I".

Millie has chosen her emblems from the stations of Ruth, the yellow rose, and the Chaplain, the Open Bible.

The Installing Officers were : Grand Installing Officer, Clayton Herrick, P.G.P.; Grand Installing Marshal, Lois McNaughton, P.M.; Grand Installing Chaplain, Margie Bienz, D.D. No. 14; and Grand Installing Organist, Sandra Gordon, P.G.O.

The reception in the ballroom was simple but beautiful. The tables were covered with yellow checked cloths with rust streamers and urn candle holders holding yellow candles. The serving table had a centerpiece of flowers in yellow, rust and gold, colors chosen by the Worthy Matron,

A large doll dressed in yellow checked gingham was surrounded by corn husk dolls and dolls of the Star Point Colors with a large 3 wick yellow candle.

The backdrop was yellow with rust netting draped across the top and sides. White doves, blue birds and butterflies added to the theme. Her watchwords, "Trust - Peace and Harmony" were in Old English print in gold on the backdrop.

My Master's hands were working hands, They were trained in the carpenter's shop;

They mended nets with fishermen, and helped harvest the fig tree crop.

My Master's hands were giving hands, In compassion they fed the weak.

They gave drink to the thirsty soul, and lovingly blessed children meek.

My Master's hands were praying hands, From a lad at his mother's knee.

To the temple courts, to hillside, and at last to Gethsemane.

My Master's hands were scarred hands, Not only from work that He did,

But His hands were nailed to the cross, that a world from sin He might rid.

My Master's hands were loving hands, That never did harm, suffered there on Calvary's hill.

They showed us courage and faith,

when surrendered to Gods own will.

Sister Marguerite and Brother Owne wish to extend to each of you their heartfelt thanks for the support you have extended to them during this past year. They have felt your closeness as you walked beside them as they asked at the beginning of the year.

At the March 3 meeting, Sister Marguerite honored all past Chaplains. The theme for the evening centered around the "praying hands." Many past Chaplains were present, but we missed our Senior Chaplain, Sister Liss Blombach who was ill and had to miss. Brother Arnie Moore, present Chaplain, read from five portions of the Bible explaining how Jesus used his hands to serve others. Marguerite then stressed the importance of how we use our hands. Sister Lucile Proctor and Brother Del then put their hands to work and favored us with a piano-cran duet, playing selections pertaining to Hands and Prayer. They do such beautiful work, everyone was thrilled with the beauty of it.

Also at this meeting, two new members were initiated - Sister Judith and Brother Michael Hamlin. We welcome you both and hope you will find much warmth and friendship in our midst.

The March 17 meeting will be in honor of the incoming Matron and Patron with the theme of "Blue Birds of Happiness" being exemplified. We each owe to the incoming officers as well as the outgoing officers our support and cooperation. Trust there will be many in attendance to show our feelings for them.

Installation of officers will be held Wednesday evening, March 30. All the committee meetings and dates will be announced following installation.

Illness in Chapter: Sisters Ruth Zakhli, Ooris Smith, Edna Dorsch, Inez Thrasher, Ethel Oaub, Gladys Miller, Harriet Schrader, Betty Beaman, Vera Marti, Mable Nahrwald, Helen McClintock, Brothers: Millard Walker, Clifford Gordon, William Brown, Edw. Woodridge, Joseph McOwel, in St. Joe Hospital.

Oath in Chapter: Sister Betty Lankedneau.

Oath in Family: Father of Sister Patsy Hinkle.

Illness in Family: Mother of Ooris Logan; Mother of Walter Cook; husband of Anondas Hendrickson; granddaughter of Ed and Irene Woodridge; daughter of Betty English.

New great grandparent: Margaret Peconge.

March Birthdays: March 6, Audrey Martin; March 10, Josephine Griese; March 11, Wilmetta Anson; March 23, Helen Brokaw; March 30, Bertha Irons; April 18, Emma Welch.

Happy Birthday to all our shut-ins.

To those who are ill, we ask God's healing for you; for those in sorrow, God's understanding and much faith; and for the new great grandparents, all the happiness a blessed little one can bring.

The world is so full of a number of things,

I'm sure we should all be happy as kings.

Five new members were recently initiated into our growing chapter. They were: Eileen Swarts, Carol Betz, Howard Betz, Dale Stabler and Frederick Noll. Eileen Patberg has joined by affiliation. Welcome to our busy chapter.

The end-of-the-year party on the evening of March 14 brought a goodly number of members.

At the March 21 meeting WM Betty Harruff had WM-elect Doris Miller escorted to the East, read her a poem about being a Worthy Matron and presented her with several gifts to "Help" her in this office. The WM then wished Sister Doris and Brother Adolph Sklenar a year filled with much love.

The WM had her pro-tems escorted to the West, facing East, read them a poem, thanked them and presented each a gift as a token of her appreciation.

The WM then had her officers stand, read a poem, thanked them for a job well and faithfully performed and in token of her appreciation, presented each with a gift.

The WM's fraternal "Mom and Pop", Nancy and Dave Addison were escorted to the East and asked to sit in the East. She presented each with a gift as a token of love and appreciation.

The officers to be installed were led into the chapter room by Installing Marshal Loretta Hauser. Following the roll call, prayer was offered and the obligation was given.

After being installed as Worthy Matron, Sister Doris Miller faced the organ where a song was sung to her. After which she was escorted to the East thru an aisle of Chapter Secretaries waving instruments of their office.

A song was sung to Worthy Patron Adolph Sklenar after installation. He was then escorted East thru an aisle of Past Patrons waving over him shovels, spades and other tools emblematic of his beloved farm life.

I think that spring must surely be

Because He makes the nights so  
fresh —

The days so bright and clear.

He rids the world of brown and  
gray,

Melts all the ice and slush,

And touches every field and tree

With His very gayest brush.

Then — along with this beauty  
and

The velvet skies above —

He brings to spring His nicest gift —

The magic gift of love!

Easter, one of the most sacred

### MARENGO CAVE. One of Indiana's Most Beautiful Caverns

Marengo Cave, in northeastern Crawford  
County, is considered by some people to  
be one of the most beautiful caves in the  
United States. In 1883 a group of  
children noticed an opening near the  
bottom of a sinkhole in which they were  
playing. Venturing inside, they found  
themselves in a large subterranean room  
now known as Grand Entrance Hall. That  
original entry was later covered by a  
building, and since then visitors have  
entered the cave by an internal stairway.

Lacking the length, the lofty vaulted  
rooms, and the grand scenery of Wyandotte  
Cave, Marengo Cave excels in the

abundance and beauty of its stalactites,  
stalagmites, and other dripstone forma-  
tions. Crystal Palace, Rock of Ages, and  
Pillared Palace are the names of some of  
the many features of this cave.

In 1896 State Geologist W. S. Blatchley  
said "...no one who is at all in sympathy  
with nature can come forth from its  
corridors and passages without feeling  
fully repaid for his peep into one of her  
underground chemical workshops...The  
varied character and wonderful beauty of  
the products possible can only be realized  
by those who have spent a few hours in a  
cavern like Marengo."

## Shrine Band Continued

Dr. R. Parks White was the director of this new band during 1910 and 1911, however, after Dr. White heard John Verweire play, this new talent was immediately recognized, and in 1911 John was elected director of the band, a position he held for 38 years until he died in 1949.

John Verweire and other members of his family were accomplished musicians on the early Fort Wayne scene. He was instrumental in the founding of the News-Sentinel Boys Band and the Fort Wayne Civic Orchestra, which was the forerunner of the Fort Wayne Philharmonic Orchestra. He developed MIZPAH Band from a mere dozen charter members into a full-sized band of distinct prominence in Shrine circles, a position the band has held ever since.

Russell Wharton, having formerly served as Assistant Director under John Verweire, was elected Director in 1949 and held this post serving with distinction for 28 years. He formerly played solo trumpet with the band, being featured on solo works many times. Russell died March 22, 1980.

The current Director Dean C. Howard, elected to this post in 1978, has groomed the MIZPAH Band to become a National Champion winner of the concert competition sponsored by the Shrine Bandmasters and Bandsmen Association during Imperial Sessions held annually by the Shrine Temples of North America.

Dean, having formerly managed and owned music businesses in Fort Wayne, has always been an active musician and has developed a keen fondness for the brass concert band. Dean was elected to the office of President of the Shrine Bandmasters and Bandsmen Association of North America during 1980, and currently is the Executive Secretary-Treasurer for this organization.

Although MIZPAH Band is strictly an amateur organization, it is composed of an assortment of various musicians, many who have formerly played professionally. The MIZPAH Band invites interested and qualified instrumentalists to apply for membership in this organization. A qualified instrumentalist is one who genuinely enjoys music to the extent that he will support the Band by maintaining a good attendance record and will maintain a respectful proficiency on his own instrument.

The rewards for dedicated membership in the Band Unit of MIZPAH Temple are great through the friendships formed, and the self-satisfaction gained when your own dedication and proficiency helps to maintain this Band as one of the finest in all of Shrinehood. If you are an interested musician, make this known to one of the members, or if you know of a musician in Masonry, please make this information available.

Principal honors won by the MIZPAH Band in past years include competition awards bestowed at the Imperial Sessions of the Shrine Temples of North America which were: Honorable Mention at Los Angeles in 1912; Third Place at Toronto in 1962; First Place at Indianapolis in 1970; First Place at Dallas-Fort Worth in 1972; Third Place at Toronto, Canada in 1975; Second Place at Detroit in 1978; First Place at Minneapolis in 1979; First Place at Cleveland in 1980; and First Place at Orlando in 1982.

Please invite your friends and join with them for our afternoon of outstanding Band Music planned for your pleasure during this annual Spring Concert.

## The Sour Mason

Of all the numerous pests and bores with which society is afflicted and of which Masonry has a full share, none is more pestilential than the sour man; the fellow who is always dissatisfied, grumbling and discontented.

He is not satisfied with being uncomfortable himself, but he must seek to spread a shade of discomfort on all around him, on the principle, probably, that "misery loves company."

If he would only confine his murmurings and mutterings to himself, and maintain a strict seclusion, he might be pardoned and pitied; but when he thrusts his grievances upon society, he becomes "most intolerable and not to be endured."

The sour man is always sour. The milk of human kindness that should be in his heart is curdled; there is no sweetness in the acid pouch of his composition.

Nature has given him a full supply of lemon juice, but he has forgotten the sugar. He is sour from sunup to sundown and then to sunup again, through moonlight, starlight and gaslight; it's all the same. When he wakes in the morning he grumbles about the weather and his food. He finds nothing satisfactory in the morning papers, and is always in opposition to the government, no difference which

party is uppermost. Indeed, he is at variance with everything that is.

If it is chilly, he calls it arctic weather; if it is mild he compares it to the tropics; if it drizzles he says it is raining pitchforks; a gentle breeze is a hurricane. He is worth a hundred thousand dollars and loses five, he tancies he is about ruined, and bores everybody with complaints about the hardness of times.

Of course, the sour Mason is in like manner afflicted. Any in your lodge? — H. H. M., in the Masonic Home Journal, Kentucky.

## Nature's Creed

I believe in the brook as it wanders  
From hillside into glade;  
I believe in the breeze as it whispers  
When evening's shadows fade.  
I believe in the roar of the river  
As it dashes from high cascade;  
I believe in the cry of the tempest  
'Mid the thunder's cannonade.  
I believe in the light of shining stars,  
I believe in the sun and the moon;  
I believe in the flash of lightning,  
I believe in the night-bird's croon.  
I believe in the faith of the flowers,  
I believe in the rock and sod,  
For in all of these appeareth clear  
The handiwork of God.

— Anon

## Do You?

Wouldn't this old world be better if folks we met would say, "I know something good about you," and then trust us, just that way?

Wouldn't it be fine and dandy if each handclasp, warm and true, carried with it this assurance, "I know something good about you?"

Wouldn't life be lots more happy if the good that's in us all were the only thing about us that folks would bother to recall?

Wouldn't it be fine to practice that far way of thinking, too?

You know something good about us.

We know something good about you.

## Your Record

When you've written your deeds on the ledger of life  
And the stylus shall tall from your hand;

When your brief tasks are done and night shuts out the sun,  
And all that you've graven must stand,

Think you that in pride you shall pass up the screed

And open it wide for the Master to read?

When the last line is cut on the stone of your years,  
And there's no new tomorrow to write;

When you can't make amends for the hurt to your friends

Or blot out a blunder from sight,  
Oo you think you'll be proud to step forward to show

Your book of accomplishments written below?

Suppose that your book should be finished today,

What most would be ledger disclose?

Would the great Master find enough deeds that were kind

To balance the sham and the pose? God knows there are great deeds

you are eager to write — But what if your record should end with tonight?

He shall know, and He looks on each pitiful smudge

Of our failure and blundering here; But still, as he reads the great sum of our deeds,

The humblest of men need not tear, It the Master shall find, as He looks his life through,

That he lived to his best and he tried to be true.

Greetings Brethren:

On February 2nd we draped our charter for Wilmer E. Webster, born March 29, 1897, raised May 5, 1918. The brothers at the lodge knew him as "Ted" Webster, a faithful brother who always wore a friendly smile.

On February 16th we had a bowl of Chuck Smith's chili - delicious! The meeting started at 7:30 with Dean Sharp giving a fine educational program.

On March 3rd we draped charter for Brother Vance Clem, born May 18, 1915 and raised May 11, 1977. My memories of Brother Vance were of being Senior Deacon during his degree work.

On March 9th M.M. Degree 7:00. We welcome David M. Sites as our youngest brother. My thanks to all the brothers who helped make Brother David's reising a wonderful event.

In thinking of our departed Brothers Ted and Vance a quote comes to mind from the "Hourglass Emblem". Thus wastes Man. Today he puts forth the tender leaves of hope; tomorrow blossoms and bears his blushing honors thick upon him; the next day comes a frost which nips 'ne shoot, and when he thinks his greatness still aspiring, we fall, like Autumn leaves, to enrich our Mother Earth."

Our sympathy goes out to the passing on of Paul Dunn, a Past Master of our Lodge. Remember his family in your prayers.

In this March 10, 1983 Stated meeting, we performed the Fellowship Degree for a new brother. It was the most enriching experience for our new brother, due to a strong participation, namely 13 members from our lodge and 13 guests from New Haven, Harlan, Maumee and Hometown Lodges. We sincerely appreciate their participation. Every one did an excellent job presenting the degree.

The Master Mason degree for our new brother will be held on April 14, 1983 and we encourage your participation and presence to make this degree a most rewarding experience for our new brother. Oinner will begin at 6:30 p.m. and degree at 7:30 p.m.

Our next Stated Meeting is April 7, 1983 and we are looking forward to your presence. Brother Jerry McDaniel will be giving an informative lecture concerning "Indians In Free Masonry". This lecture should be most enriching as his lectures have been in the past. We encourage our members to please take an active part in our lodge. As all brothers know, strength and numbers go hand-in-hand; there is "strength in numbers." If you will, think of the number involved in King Solomon's Temple. Without the combined talents of all the people involved, there would not be the enrichment

and wisdom that continues in our Lodges today.

Likewise, the gathering of all our brother masons from all walks of life and the sharing of each others ideas and beliefs allows for this same type of enrichment and wisdom.

For a strong lodge, we need participation in numbers. Please make time to share your time with our lodge.

Brethren:

We recently had a new addition to our kitchen. Brothers Howard Morton and Clarence Lybarger have donated two dozen soup bowls to our new set of dishes. Past Master Lloyd Brown is in the process of building a new cabinet to hold the new dishes. We wish to thank all of

these brothers for their contributions.

On April 30, 1983, Saturday at 9:00 a.m., St. Marys Chapter of the Eastern Star and Olive Branch Lodge will meet at the lodge hall for a Spring Clean-up. All members are to bring cleaning supplies with them. Each member should also bring a dish to share for the noon meal. The meat and beverage will be furnished by the Lodge and Chapter. We plan to make this a yearly event. Please come join us for some work and great fellowship.

Recently I went to visit Brother Dave Harkless, Past Master, who has been in the Lutheran Hospital for quite some time. We all miss him in lodge and wish him a speedy recovery. You may send him a card in care of Lutheran Hospital, Room 690, 3024 Fairfield Ave., Fort Wayne, IN.

## Fishing

Do you feel all worn out, worried, perplexed and discouraged? Feel like running away from everything, or giving in to the pressure and resigning yourself to failure or defeat? If so, don't do it. Instead — go fishing. Take a day off from matching wits with the man of business, the man of affairs, the tax collector and all the others who add to your daily worries and match your skill with the denizens of the deep. The game will require effort, skill and patience and the finny tribe will keep you busy. The sport will help you to relax, to cast off the cobwebs that clog your brain and put your thoughts in proper channels, and you will hardly have any evil thoughts while fishing. Maybe you think you are too busy to waste time on childish sports? Well, anything that today fits us for a better tomorrow is not time wasted, and if you think fishing is childish, for goodness sake fish! Childhood looks toward to bigger and greater things and we should all have some of the child still in us. If we have outgrown this trait we are well-nigh hopeless; yet, and useless. Come on, let's go fishing!

## National Federated Craft

National Federated Craft is not an organization for everyone. National Federated Craft is an organization of Master Mason's in the employment of the United States Government Service.

As a Master Mason, if you have ever worked for or are now working as a United Government employee, you are eligible to become a member of this Masonic Fraternity.

Have you ever worked for the United States Postal Service, Army, Navy, Marines, Air Force, G.S.A., I.R.S., Federal Land Bank, Federal Jury Systems or so many other U.S. Government services?

We want to join with you in insuring that our Masonic teachings will always be a part of the principles of our government.

We have local Craft in cities all over the U.S. and State, and District Craft as well as the National Federated Craft.

Craft No. 81 - National Federated Craft, meets in Fort Wayne on the third Saturday night of each month. We have a dutch treat meal (wives and families included) and a business meeting thereafter. We meet in restaurants and have picnics or potlucks elsewhere, as the calendar permits. We want to join with you and your family in helping to preserve our national heritage.

## SENIOR MASONS

Our monthly dinner meeting will be held at the Heritage House on the Lima Road on Monday, May 2, 1983. We will meet at 12:00 o'clock noon for lunch, with the meeting following lunch.

Before I go any further, I must explain why there was no article in the April issue of the Square & Compass. The day that I had planned to write the article, I ended up in the hospital. It was a rush - rush deal from which I could not escape. Before I knew it, it was way past the due date for the article. I do want to thank everyone that took a part in doing my tasks. I do hope that it doesn't happen again. I do want to thank Brother Grabler for getting Marvin Berger, Oad Advisor of the OeMolay, for the program at the April meeting.

Our speaker for the May 2 meeting will be Mayor Win Moses. I am sure that we would like to have a good turnout to hear him. So put the date on your calendar right now, before it slips your mind.

Once again, many of the Brothers are on the sick list and unable to attend our meetings. For fear of missing some, I will not try to list them. Let us remember all of the Brothers in our prayers, and we do hope that they will be feeling much better real soon, and be able to be back with us.

If you are retired, or available at noon on the first Monday of EVERY month, we invite you to attend our meetings. We always try to have interesting programs, and everyone enjoys the fellowship. We shall be looking for you on Monday, May 2. You will be glad that you attended. Why not bring along a Brother? He will be glad that you invited him.

Don't forget, mark your calendar now for Monday, May 2.

## CEREMONIES

Passing through the ceremonies of several degrees does not and never did make Masons. It the terms and ceremonies through which a candidate passes fail to work a change in his heart and lift him to higher conceptions of life, of duty, and of love, they are of no more value than the tinkling cymbal and the sounding brass.

## Huntertown O.E.S. Joins Square and Compass

With this issue we welcome Huntertown Chapter No. 388, O.E.S. as a full time member of the Square and Compass.

We hope their members appreciate the efforts being put forth to keep them informed of chapter activities.

## Lodges Help With Communications

In order to provide better emergency communications capability in the Fort Wayne area, the House Committee gave permission last year to a local amateur radio group to install an amateur radio repeater at the Masonic Temple. That action has now taken place and the repeater is now functioning very well. The repeater is called the "Murphy Repeater" and works in the following manner:

Amateurs transmit from their home or car to a receiver on the Klerner-O'Rourke tower at Time Corners. This signal is then relayed to the site at the Masonic Temple, and retransmitted by the radio there with a much greater range.

A weak spot existed in the local communications network at the last flood activity. This new repeater now gives much greater coverage to the Northeast part of Fort Wayne and Allen County.

Any person with questions about this new Lodge assisted benefit to the community may contact Oon Cleveland, K9MWU at 432-2042 or the repeater trustee Gene Williams, W9JBO at 432-3283. The repeater operating frequency is 146.34 Mhz input with 146.94 Mhz output.

## "God's Man Lieth Here"

"I'd like to be able to lighten the load  
For every poor soul I meet on the road.

I'd like to be able to dispel all the gloom  
And fill every life with the sweetest perfume.

So when my time comes, and my boat draweth near  
They will whisper to loved ones:  
'My friend lieth here.'

"I'd like to take part in God's mighty plan  
And make the world better than when I began.

I'd like to fill some definite place  
And help and encourage the whole human race.

So when the clouds of the valley shall fall on my bier  
They shall echo to Heaven: 'God's man lieth here.'"

## Program On Indiana Masonic Home

Most Masons in Indiana know very little about The Indiana Masonic Home because they have had little reason to learn. As our life expectancies increase, not only the numbers of our older brothers and sisters increase but their needs, also. It is time we all became familiar with the Home and the quality of life enjoyed by the residents.

On September 13, the Scottish Rite Valley of Fort Wayne will sponsor a program to be presented by the staff of the Indiana Masonic Home Foundation. This is not a fund raising event. Its intent is to entertain as well as inform. There will be no charge and the meeting is open to all who want to attend. Ladies will not only be admitted, but are urged to join us. This includes widows as well as wives. Come and enjoy a little fellowship, have some fun and learn not only how the Home ticks but what keeps it ticking.

## HOW DO YOU USE YOUR MASONRY?

Oo you put it away in moth balls to be kept with your spare pants to your dress suit? Oo you just throw it into the corner and let it be kicked about by anyone who comes along, yourself included? Oo you ever take it out for an airing and see that it still fits you?

Lots of pin wearers have their Masonry tucked away in some old corner and seldom if ever take it out. Once in awhile they take it out to wear it to lodge, but just as often they just take something that looks like it and yet isn't the genuine article.

Masonry that isn't used, soon gets mildewed, rusty and shrunken. The right to wear the Square and Compasses isn't very much if you haven't anything to back it up. It's like wearing a fine overcoat with nothing underneath. And when you do that, sooner or later someone is going to notice that your shins are bare. Just so with your unused Masonry.

Use your Masonry in your everyday life. It isn't apt to wear out. In fact, it's like some of those hickory pants which wore longer than our hide did. As a matter of fact, if you use your Masonry it will grow better with age and use, and conversely, if you don't use it, it will dry up and eventually blow away.

Our Craft is one of which we may well be proud, so don't try to hide your Masonry, use it and let the whole world see.

All you need to grow fine, vigorous grass is a crack in your sidewalk.

## OBLIGATIONS

The obligations of a member of the Craft towards society in general, is increased by this connection, and he is reminded of this duty in his progress as he advances in the several degrees.

From the first stage of his connection with the fraternity, he is reminded that "at home and in his community, he is to behave as a wise and moral man." As he advances he is taught that, "in the state he is to be a quiet and peaceful citizen, true to his government and just to his country."

These are the precepts taught to the recipients of our mysteries. These are the obligations of a Mason to his fellow citizens, and these duties it is expected every Mason will faithfully discharge. We do not claim for Freemasonry more than it deserves, but that praise to which the institution is entitled should be freely awarded. Creeds do not inculcate brotherhood, except to a very limited extent, indeed; and this has contributed to multiply sects and increase bigotry and fanaticism in the world. Of this, the experience of the past and present furnishes abundant testimony.

Freemasonry would break down the walls of partition that divide men from each other. It would overlap the barriers of false systems and establish the true. It would, in the practice of a genuine benevolence, train the feelings of all to its exercise and thus make earth an Eden.

If the pure religion of the great God was universally practiced Masonry would find its mission accomplished, and it would cease to exist as an institution.

## Brethren:

This year has been trying. Here it is almost the end of April already. The M.M. degree work for April 16 had to be canceled. Our brothers from Maumee who would have helped us, had commitments that date for Scottish Rite. This degree work is now set for April 23 at 9 a.m. There will be a light lunch following the degree work.

The E.A. degree work is still set for April 30 at 10 a.m.

I ask the members of New Light to please make an effort to attend lodge on the 30th. Your officers need your support. Your lodge is only as good as you make it.

## Greetings Brethren,

Speaking for myself and the officers, I don't know where the time is going. Four months has gone by and as of May 2, we will have raised five new members. We have one petition for work in May, which will be the candidate for the Pancake-Sausage Breakfast June 4. Master Mason Degree, 6:00 a.m. Brethren, we will go dark after the June 4 meeting and there are a lot of you Brethren whom I have not yet had the opportunity to meet. The officers and I would like a big turn-out to close out the first half of the year on June 4, so make sure to keep this date open. Come down and enjoy a big breakfast and the degree work.

Our secretary, Franklin F. Bryan, had to be hospitalized in March. Frank was in the hospital for about a week with a heart problem. At this time I'm happy to report Frank is home and doing well. Also I would like to report our Tyler, Emanuel

Caywood, is making improvement from the automobile accident I reported on in March.

Brethren, there are still several past dues. The lodge will be taking action on these dues in the near future. To save our secretary work and time, don't neglect this obligation any longer.

Congratulations to Brother Ronald Alan Bryan on being raised to the Sublime Degree of Master Mason on April 4.

Date to remember - May 20, Past Masters Banquet, 7:00 p.m., Speaker, Past Grand Master Robert H. Miller 33rd. Call your officers for reservations.

We now have tickets for the baseball game August 20 (Chicago Cubs), these tickets will be sold first come and will be about \$25.00 each. To get tickets, call or see one of the officers.

Remember Brethren, you are the most important person in lodge. See you there.

## Brethren:

We are conferring the degrees upon one candidate in April: EA and FC on Wednesday, April 13 and 20 respectively, at 7 p.m.; and MM Wednesday, April 27, open at 5:30. We have no degree work scheduled for May. In the past weeks, several members have been provided with petitions, at their request. We trust that one or more petitioners will materialize for presentation at the stated meeting Wednesday, May 4.

Several brethren have volunteered for lectures or for participation in the second section of the MM degree. We need one or two more for the "FellowCraft team"; and we will heartily welcome any brother who volunteers to learn any of the lectures of the three degrees. Harry MacDonald, chairman of our Mentor Committee, will gladly rehearse any brothers who wish to learn the "work lectures". His phone number is 747-7116.

Our committees for 1983 include: Sick Committee: Oick Moore, Jim Mitchell, P.M., and the W.M.; House Committee: the Trustees (who are doing a fine job); Masonic Education: Ron Harruff, Wayne Mitchell, Roger Sipe; Masonic Home Committee: Archie J. James, Raymond Sipe, and the W.M.

Our Trustees plan, as soon as weather permits, to repair the steps on the north side of the Temple and to resurface or seal the parking lot. Our Temple is in excellent shape, and we intend to keep it that way.

We are glad to report that honorary member Ed Newman is home from hospital, and we look forward to his vivacious presence at our meetings. Remember: call the W.M. if you know of any brother (or his wife) who is ill or in hospital.

A reminder to any brother who has overlooked paying his 1983 dues (\$30 required, check payable to the Lodge): please send your dues to our Secretary Raymond Sipe now, to avoid the expense of sending a certified letter. Thank you!

We hope to see you in Lodge.

Maumee would like to welcome three new Brothers into the fraternity. They are Brothers David Gugler, Kenneth Ramsey, and James Jordan. They were raised to the sublime degree of Master Mason on March 30. Congratulations Brothers! Attend Lodge often and participate in the great and good work.

At our April stated meeting, there were five candidates elected to receive the degrees, and six petitions

read and put out for investigation. I urge all of the Brethren to attend Lodge as often as possible to help welcome these new men into this great fraternity.

On May 17th and 18th Maumee's Senior Warden, Walt Stout, and myself will be attending Grand Lodge. This will be a very informative meeting. A report will be made at the June stated meeting.

See you at Lodge.

Greetings Brethren:

Here it is May and the flowers are beginning to bloom as is Sol D. Bayless with their new candidates. In April we voted and accepted two candidates and have had degree work. By the time you read this, I hope we will have raised one to a Master Mason. The other candidate, being held over, means we will have work during the month of May.

Our wishes for a speedy recovery go to Robert Giant who is recuperating from recent surgery, and also to Vincent Westfall. We are also happy to report that our Past Master, Art Slane, is now able to move about since his hip operation. We hope all of these brothers will soon be able to return to lodge.

A special thanks is given to Charles "Bud" Meeks for the words of wisdom he expressed at our annual Father-Son Banquet.

Congratulations are also in line for Brother Callan Kelly for the fine work he did in lodge. We need more

of this type of participation.

May 14 is Ladies Night with dinner and special entertainment. You should have received your flyers by now and hope you will be making reservations if you have not already done so. This is always a great event and one you won't want to miss.

I have received word that our oldest Past Master has been called by the Supreme Architect. H. Leslie Rittenhouse passed on March 25. Our sympathy and prayers are with his family and friends.

As this is written, the month of May approaches and with it the Annual Communication of Grand Lodge. This event will be held on the 17th and 18th and will be attended by your Worshipful Master, Senior Warden and Junior Warden.

I have tentatively scheduled a trip to Madison and Franklin on June 11 and 12. We will exemplify the Fellow-

craft Degree in the Schofield House on Saturday and return by way of Franklin with a tour of the Masonic Home on Sunday. Get your reservations in early as we can only accommodate 44 people on the bus.

Congratulations to Ronald Lee Dowty on being raised to the sublime degree of a Master Mason on March 24, 1983. We will be having degree work in May with the Entered Apprentice Degree scheduled for May 12.

Our condolences and prayers go out to the family and friends of Brother Norman Louis Gardner who departed this life on March 27, 1983.

Plan to attend our Fellowship Dinner preceding our May 5, 1983 Stated Meeting and join with us in honoring the Brothers raised this month who are able to attend.

I again ask our non-participating Brothers to join us in our labors and reap the benefits of becoming a partner in this great and good work.

Brothers,

It is with a sad and subdued heart that I write this article. Elmer Barcus, Past Master 1957, died on April 15, 1983. Elmer was initiated on January 13, 1942, passed on January 20, 1942, and raised a Master Mason on January 27, 1942. He was the appointed Organist of Home Lodge by the Worshipful Masters the past 25 years and did a beautiful service for the Lodge.

He was again appointed this year but was too ill to be installed. He will be missed by me as a brother and a friend, and I know by so many of you also.

Elmer's wife also died on April 14, 1983. There was a dual funeral service for them on April 18 and Masonic Memorial Service was held on Saturday, the 16th of April with nine officers present, ten Past Masters, and many, many brothers from Home Lodge and other Lodges present.

Past Master James T. Peters again, did a very superb memorial service. The Grand Lodge will be in session on May 17th and 18th. Myself, the Wardens, and Secretary, will be in attendance as will six other brothers and Past Masters from Home Lodge.

April 5th was a happy occasion for me and for Home Lodge. We finally have all our necessary officers elected and installed.

James P. Johnston, PM was elected Treasurer of Home and Arthur H. Vonderau, PM was elected Secretary for the balance of the year. These men were promptly installed by Jon

P. Vonderau, Worshipful Master as Installing Officer, Gerald Doran, J.D. as Installing Marshall, and John Zaki as Installing Chaplain.

My thanks and appreciation goes to the Lodge for electing these men to their respective offices, and to these men, the Lodge thanks and appreciation to Jim and Art for accepting these two important positions.

To me, the keeping of the books, the Treasurer and Secretary jobs, are more important than the Masters job. The Master is to conduct the business of the Lodge for a year but with out the keeping of the records for the archives, the Lodge would never be able to know what went on during that year. Again, I thank these men — James P. Johnston PM, Treasurer, and Arthur H. Vonderau, PM, Secretary, for accepting these most important jobs.

Now in answer to the question that has been asked of me a hundred times this year. The Lodge calendar and officers roster will be printed and will be distributed shortly.

We have three brothers going through the degree's. Let's give our encouragement to these men to continue their work in the Lodge. Remember to answer the call when the Fellow Craft Club calls you for the Master Mason Degree.

See you Tuesday night!

## The Working Tools

By Rob Morris

Let us be true—each Working Tool  
The Master places in our care  
Imparts a stern but wholesome rule  
To all who work and journey here!  
The Architect divine has used  
The Plumb, the Level and the Square.

Let us be wise; the Level see!  
How certain is the Freemason's be  
So humble should Freemasons be  
Who work within this 'narrow span;  
No room for pride and vanity—  
Let wisdom rule our every plan.

Let us be just; behold the Square!  
Its pattern deviates no part  
From this which, in the Master's care,  
Tries all the angles of the heart.  
O sacred implement divine—  
Blest emblem of Masonic art!

Let us be true; the unerring Plumb,  
Dropped from the unseen Master's hand,  
Rich fraught with truthfulness has come,  
To bid us rightly walk and stand;  
That the All-seeing Eye of God  
May bless us from the heavenly land.

Dear friend, who generous heart I know,  
Whose virtues shine so far abroad—  
Long may you linger here below,  
To share what friendship may afford!  
Long may the Level, Plumb and Square  
Speak forth through you the works of God.

Americans have more food to eat than any other people and more diets to keep them from eating it.

GOO, GRANT US HOPE AND FAITH AND LOVE. HOPE for a world grown cynically cold, Hungry for power and greedy for gold... FAITH to believe when within and without There's a nameless fear in a world of doubt. LOVE that is bigger than race or creed, To cover a world and fulfill each need... GOO, GRANT THESE GIFTS OF FAITH, HOPE AND LOVE — Three things this world has so little of... For only THESE GIFTS from OUR FATHER ABOVE Can turn man's sins from HATRED TO LOVE!

Helen Stiner Rice  
"For with God, nothing shall be impossible... Luke 1 - 37.

With installation in the past, and what a lovely and memorable evening it was; and with two chapter meetings behind us, we are well into another year for Fort Wayne Chapter. We are again in good hands with Sister Carol Munk as our Worthy Matron and Brother Walter Cook, Worthy Patron. With the loyalty and dedication of Sister Carol to our Chapter, we owe her a debt of thanks for stepping in again at the last moment and with Brother Walter at her side, it will without a doubt be a successful year. The members of Fort Wayne Chapter are behind you and pledge our support to keep our Chapter in capable hands.

Other officers for 1983-84 are: Carol Schaefer, Associate Matron; Arnold Moore, Associate Patron; Marjorie Rodemeyer, Secretary; Juanita Moore, Treasurer; Mabel Keppeler, Conductress; Shirley Biggs, Assoc. Cond.; Luanne Root, Chaplain; Louise Stump, Marshall; Helen McClintock, Organist; Janet Campbell, Adah; Ruth Robertson, Ruth; Merea Woodworth, Esther; Nancy Cleveland, Martha; Mildred

Walker, Electa; Steve Winkler, Warder; Margaret Peonge, Sentinel.

The Colonial Room again was a beautiful inspiration for our installation of officers. In the East a large broken column entwined with dogwood, with tern at its base, with a background of a large rainbow made a most inspiring scene for a Spring installation — a new beginning. In the West, a large piece of driftwood lay before the pedestal and dogwood was beautifully arranged around it.

Sister Carol was escorted east through an arch of dogwood blossoms and her appointive officers. Brother Arnold Moore sang to her at the altar and Brother Richard escorted her to the east. Brother Walter's escort was made up of Past Patrons and Master Masons who formed an arch with banners which read "MAN OF THE YEAR". His wife, Sister Marie, and his son, daughter-in-law, and grandchildren escorted him through the arch. Brother Arnold Moore also sang to him at the altar.

The installing officers were: Clayton L. Herrick, Past Grand Patron, Installing Grand Officer; Marguerite Arnos, Installing Grand Marshal; Helen Parrott, Installing Grand Chaplain; Lucile Proctor, P.G.O., Installing Grand Organist. Sister Helen Herrick gave the obligation.

SPECIAL THOUGHT from our Worthy Matron and Worthy Patron "We're not primarily put on this earth to see through one another, but to see one another through. Self portraits are usually colored. Reach out and touch someone with your FAITH — today!"

Sister Carol and Brother Walter's Theme for the year — Happiness is Faith in God. The Emblem — The Broken Column; Scripture — I am the way, the truth and the life, John 14 - 6; Watchwords — Faith, Hope and Love; Symbol — Rainbow; Flowers — Oogwood and Fern; Colors — Green, Yellow and White; Motto — In all thy ways acknowledge Him, and He shall direct thy paths; Aim — To touch someone with our faith every day — To give them hope to light the way.

At the first stated meeting in April, committees were read. It was announced that there are still openings on the committees and anyone interested in being on a committee should contact our Worthy Matron. Committee chairmen are all listed in the new yearbook.

Again we say THANK YOU to Sister Marguerite and Brother Owen Arnos for another successful and memorable year in Fort Wayne Chapter. Living outside of Fort Wayne made your task even greater and more strenuous and it is hard to express enough appreciation for such dedication, but it's people like you who keep us going forward. We Love You.

The past couple of months have been really busy for us. We helped serve at a Three Rivers Lodge banquet, formed the cross for the Waynedale Chapter of Eastern Star as a surprise, and numerous other activities to keep us busy.

March 6 a big group of our girls went to the V.A. Hospital to help escort the people to service. After the service, the Chaplain asked us to come back and form the cross for them. March 12, some of the girls went down to Muncie, Indiana, for the Supreme visit honoring Audra Piner. We had a nice time, and it was wonderful to see Audra again. March 18, some of the girls went to the DeMolay's Sweetheart Ball. The dance was very well organized and a lot of fun. I want to thank the DeMolay for inviting us, and apologize that not more girls from Job's Daughters were there. We traveled to Columbia City to see Huntertown and Columbia City's inspection with the Grand and Associate Grand Guardian. We have also traveled to Auburn to see New Haven and Auburn's inspection. They both went well and it was great to see our friends from all over the region again.

We have a lot of things planned for the near future also. April 16, we had a Membership Tea to help reach out and share our friendship with other

girls. This is a way for girls that would like to know more about Job's Daughters to come and ask questions. April 20 was our Master Mason and Eastern Star night. April 21 we had a Bake Sale on the Shriners Bowling night.

On April 30 we will have a paper drive. If you have some papers you would like to get rid of, just give Ann Kilgore, our Guardian or myself a call. We'll do our best to come get them for you.

So you can see we've been busy and will be for awhile. If there's anything that Job's Daughters can do, please don't hesitate to give us a call. We hope to see you soon.

Coming away from the state ritual tournament we won all but one of the individual medals, but had only one first place in the team competitions; overall we were very pleased with our performance.

Last month we initiated six new members bringing our total this term to eleven; we're on our way to our goal of twenty-five.

Right now we're planning for Conclave in June to be held on Ball State's campus in Muncie. This year we're hoping to take a total of 52 DeMolays to Conclave in order to sweep the ritual and athletic competitions.

Something I'm always preaching in our chapter is "Enthusiasm", have you checked the level of Enthusiasm in your organization lately?

Radical Rick, are you out there?

A school teacher was trying to explain subtraction to his young pupils. "You have ten fingers," he said to one youngster. "Suppose you had three less, then what would you have?"

The prompt reply: "No music lessons!"

Freddie: "Do you think anyone can predict the future with cards?"

Teddie: "My mother can. She took one look at my report card and told me exactly what would happen when Dad came home!"

Companions and Sir Knights,

Your chapter and council held degree work on Saturday, March 26, and all went well. A special thanks to all the Companions who participated. The degree directors for chapter were Karl Reid, MM; Guy Sills, P.M.; Don Smith, MM; John Hoffman RA. These Companions made things run smoothly for the High Priest. The members of Ft. Wayne York Rite Bodies should be proud of the dedicated brothers who turn out time after time to field the fine degree teams.

By the time you read this article, the Grand Bodies will have met and conducted their business for the coming year. A report will be given in May by the officers who attended. Be present and keep current on the affairs of your York Rite.

We still have room in the cast of many degrees for new faces. If you

are inclined toward ritual work, make your thoughts and suggestions known.

See you in lodge.

## THINK!

From time immemorial we have been taught that the design of the Masonic institution is to make its members wiser and better and consequently happier; that we are to receive none knowingly into our ranks, except such as are moral and upright before God and of good repute before the world, because such wise men when associated together will naturally seek each other's welfare and happiness equally with their own. In order that they may do so upon a common platform and become not weary in well doing, we obligate them by certain solemn and irrevocable ties that serve to bind them together in this great and glorious work.

It is, therefore, clear to any man who will give it a moment's thought that the mere ability to commit words never made a man wiser and better, nor himself or his neighbors any happier. But that it is only when he comes to grasp the noble meaning that these words teach and makes that meaning to live in his daily life, that any real good gets done.

What a wonderful world this would be — what a heaven-life we would have on earth, if every Mason would try half as hard to know the meaning, and to love it, as he does to get the words of the Ritual.

We are painfully careful about a new brother's committing the words — we force him to learn them — won't be decent to him till he does — but once he's got them, we let him go hang as far as their meaning goes. As far as the words went he was subjected to forced feeding, but when it comes to getting the meaning, he must forage for himself. Having ground the words into him, we let him grope for the rest. Naturally, he thinks his betters know what they are about, and noting where they put the emphasis, he gets the words and — quits. Of, if he goes on doing anything, it is simply to help some other brother to get the words, words, words. In lodges where this sort of thing prevails, real live men soon lose their interest and stay away, for their is much better food for hungry souls to be found elsewhere. That is the thing that causes so many lodges to die of dry rot.

For there is something in the very nature of formalism that tends to fossilization. The charm of novelty is a thing that cannot last, and endless repetition soon wreaks ruin unless there is repeatedly brought to the mind of the Mason a re-vivifying realization that there lies hidden within the Ritual great thoughts and meanings to come to know which means comfort in hours of care, an inspiration that rescues life from becoming a dreary mill-round of fate, and reveals a path of individual service, to follow which is to sweeten

and sanctify the whole life of the humblest mortal on earth.

But unless the Mason comes to see these things, unless he gets the vision, unless the spirit that lies within the letter be eternally made manifest, the Ritual becomes like a system of electric light wires from which the current is cut off, so that even while crying for light, we yet grope in darkness, and Masonry fails in her function.

Of what avail our elaborate system of "types, emblems and allegorical figures" if these have become as "sounding brass and tinkling cymbal?" that strike upon deaf ears and stir no life in our sodden souls?

We are engaged in caring for our distressed, housing their bodies, clothing their nakedness, and filling their bellies. Nevertheless, and despite all that, and until we go one step further and systematically feed their starved souls, our own included, Masonry will continue to fail in her function.

There is a great hunger in the souls of men today — a lack and a want that neither food, clothes, nor shelter can fill. If Masonry is to save herself it must be by trying to satisfy this want. To succeed, it must be done systematically. Haphazard-work always has, and always will, fail. The only salvation that really saves is systematic salvation. The only way to rescue and revive the Ritual and restore it to the brethren is by a systematic scheme for educating them in the things for which it stands. Masons must be made to know that the Ritual is no mere magic sing-song of empty words, but is the stern story of the struggle and travail of a human soul striving to attain the light — that "Light that never was on land or sea."

## IMPRESSIONS

Did you ever notice those people, who when they are successful and things seem to be coming their way go about boasting of their exploits and telling the world what wonderfully smart people they are. But just the moment that things commence to go wrong and they find that they are not quite as successful as they think they ought to be, then they commence to lay it all on God, and blame Him for all their troubles, and call Him all sorts of bad names. In their intense egotism it has never occurred to them that one of the essentials of success and happiness in this world is a right relation with the Divine.

### BURTON TUNNEL: One of Indiana's Longest Railroad Tunnels

In the rugged, scenic hills of western Orange County, tracks of the old Southern Railway pass through Burton Tunnel, a 2,200-foot-long structure that was cut through shales and limestones of the Chester Group (Mississippian age) in 1907. The road and the tunnel were built to provide rail service to the thriving spas of West Baden and French Lick. From a valley elevation of 519 feet, the railroad rises gradually to its highest point of about 700 feet above sea level at the southwest end of the tunnel. Surface-

water and ground-water runoff causes occasional collapse of rock at the western portal and erosion of ballast along the right-of-way. Damage is quickly repaired, for the trackage and the tunnel are now, after several years of abandonment, part of a busy tourist line that offers round-trip rides between French Lick and Cuzco, 10 miles to the southwest. The railroad is a nonprofit system now operating under the name French Lick, West Baden & Southern Railroad.

## Greetings Brethren:

Another month has passed us by. Please remember brethren, all stated meetings, April through September, start at 8:00 p.m.

On March 16th, brethren enjoyed a bean soup supper and fellowship followed by the stated meeting at 7:30. Mike Kelly explained the forty-seventh problem of Euclid and its history. If you're looking for a Masonic educational program, it's worth listening to. A job well done, Brother Mike.

On March 27th a courtesy funeral ceremony was held for Brother Veal Walda. Thanks to all the brethren who attended. His widow was very appreciative. I didn't know Brother Veal, but he walked the same paths as we and I was told he tried to live by the teachings of Masonry.

On March 30th I attended the Feast of the Paschal Lamb, presented by the Rose Croix. All I can say is, thank you brethren, for a wonderful and meaningful evening. For those of you who missed it, be sure to attend next year.

On April 7th I attended Leo Lodge. They have a nice Temple and enthusiastic group of officers. Their members should be proud of both.

Thought for the day: The perfect ashlar, that state of perfection at which we hope to arrive by a virtuous education, our own endeavors, and the blessings of God.

## Brethren:

Here another month has gone by and soon we will be in the vacation season. Olive Branch Lodge plans to go dark during the months of July and August. If any member has a petition to be submitted, we will stay open during those months.

I have been told that Bro. Dave Harkless is home from Lutheran Hospital and is recovering. We all pray for his speedy recovery and return to the lodge.

I have been informed by the trustees that it will not be necessary to plan a dish for the spring house cleaning scheduled for April 30. They say that we should be done before lunch with everyone's help.

Next month is "Grand Lodge." I have always seen "Grand Lodge" as a time when many things can and do happen. Our annual communication is just that! It is the time we, as lodges, members, and Masters, communicate ideas to our Grand Lodge.

I don't take going to "Indy" lightly. I think the lodges from our area should be heard. I'm certain other Masters go to "Indy" to have their attendance taken and vote with the majority no matter the question. This is not the purpose of our communication nor is it the proper stance to take! We as Masters of our lodge have individual problems within our lodge, but the annual communication is not the place to air these problems. We are there to communicate our ideas for the betterment of the majority. I now address one of the problems that face almost all Masters in the state of Indiana. This problem is membership.

The Symbolic Lodge in the state of Indiana, as in other states, is restricted in the ways it can obtain members. We as Masons must be asked about the lodge and asked for a petition of membership. A Mason playing "strictly by the rules" cannot even mention our craft to a non-Mason.

This is a rule that has seen its time. It was originally instituted to keep the so-called rift raft from becoming members of our organization. All Masons know they have the opportunity to keep any one person from joining our craft. I see no reason to double-exclude any one person from our craft because they didn't know the proper person or questions to ask.

Many Masonic scholars have attempted to answer the question, "what is wrong with Masonry?" After doing much reading, most of these learned people seem to become blinded with past history. They either don't want to realize or can't

understand that past history is just that, past. This is a different era. What I knew as a high school senior now is common knowledge to someone in junior high.

We are a nation of forward thinking people. The Grand Lodge of Indiana cannot do anything less. If we become like an ostrich with its head in the sand, of course there is no problem because we can't see it coming! We must change some of our ways. Time stands still for no one, or any one group, Grand Lodge not excluded.

Brother Vernon Burkett received his Master Mason degree Thursday night, April 14.

We had a fabulous turnout for this degree work. There were 45 brothers that showed for this degree work which was put on very well by all.

We would like to especially thank our brothers from New Haven Lodge for the part they took in works and lectures of this degree.

As for the 45 brothers that showed up for this degree work, it was the largest turnout Leo Masonic Lodge has ever had. And it is turnouts like these that makes a strong lodge possible. Like I said before, "strength and numbers go hand-in-hand; where there is strength, there is numbers."

And God bless all who came to make a night like this possible.

## WHY MASONIC EDUCATION?

By Herman Bauling, 32d degree  
The first duty that an Entered Apprentice acknowledges is to improve himself in Masonry. As we advance through the degrees we are taught to search for further Light in Masonry.

Light is Knowledge. To quote the great Tennyson: "Knowledge comes, but Wisdom lingers." Knowledge defined, is the acquaintance with a clear perception of facts. Wisdom, is the capacity of judging soundly and dealing broadly with the facts. However, I am not going to discuss the philosophical interpretation or differentiation between knowledge and wisdom. Suffice it to say:

What would be the success of a lawyer who never looked into a law book after his admission to the bar; a minister of the Gospel who never read the Bible after his ordination; a doctor who never took a medical book after securing his sheepskin, or that of any professional who does not take up post-graduate studies?

The Builder.

How many Masons are truly and sincerely improving themselves in Masonry? How many Masons are indeed in search of Masonic Light? Masonic reading is an essential part of the education of a Freemason and it is never too late to begin.

School days can be the happiest days of your life, provided the children are old enough to go.

### THE FLAG

"But men cannot fight without a flag, and so our national banner was born." Indeed from cursory glance at song, story, and history of the most prevalent type, one would get the impression that its principal function is to lead the hosts into battle; to "hover in the sulphur smoke, to ward away the battle stroke;" "to shine where battle is hottest in warfare divine," and so on through reams of poetry and prose.

But the flag is something more than a rallying point for armies on the fields of war.

It is, and increasingly shall be a rallying point for the forces of peace.

It has been our proud boast that we have borne the flag high in war against tyranny; that it has streamed gallantly over our troops bent on righting wrongs; that its tattered folds gleamed as a beacon light of freedom to welcome the downtrodden and oppressed of the world to a land of new opportunity.

All the more does the flag challenge us to give it added luster through the victories of peace; to honor it by willing obedience to the laws of the land, by intelligent participation in the country's business, by wholehearted endeavor to make the hackneyed expression

"the brotherhood of man" a vital and living reality.

We gave our heart's blood to "make the world safe for democracy." Our flags led our troops into battle for the ideal. Will we give as much, will we sacrifice as eagerly, to make our democracy worthy of the price that was paid? Here too, the flag is a rallying point reminding us that not yet are we free from prejudice and selfishness and the wrongful use of power and wealth.

The flag is a symbol. It has no intrinsic beauty or value of its own. It is beautiful and glorious exactly as the people of the United States, live justly, love unselfishly and serve mankind.

### Program On Indiana Masonic Home

Most Masons in Indiana know very little about The Indiana Masonic Home because they have had little reason to learn. As our life expectancies increase, not only the numbers of our older brothers and sisters increase but their needs, also. It is time we all became familiar with the Home and the quality of life enjoyed by the residents.

On September 13, the Scottish Rite Valley of Fort Wayne will sponsor a program to be presented by the staff of the Indiana Masonic Home Foundation. This is not a fund raising event. Its intent is to entertain as well as inform. There will be no charge and the meeting is open to all who want to attend. Ladies will not only be admitted, but are urged to join us. This includes widows as well as wives. Come and enjoy a little fellowship, have some fun and learn not only how the Home ticks but what keeps it ticking.

### National Federated Craft

Craft No. 81, Fort Wayne, Indiana will again meet at the Shrine Club, 407 W. Berry, Fort Wayne, Indiana on June 18. We'll have dutch treat supper at 6:30 with business meeting and entertainment to follow.

It's important to finalize the plans and arrangements for the Indiana State Craft Convention on June 26. We'll have buffet at 12:30, meeting to start at 2:00 p.m. Reservations at \$10.00 each — persons under the age of 12 to be \$5.00. Reservations due by June 15. Send them to Arthur Vonderau, Secretary Indiana State Craft, 3106 Marias Dr., Fort Wayne, IN 46815 or call 219-749-2424 or 219-632-5939.

Entertainment to be provided for the ladies and youngsters, while the men have their Convention.

The new officers elected and installed in May for Craft No. 81 for 1983-84 are Arthur Vonderau, President; Jerry Young, 1st Vice-President; Herman Grabler, 2nd Vice-President; with Thomas Palmer, Secretary-Treasurer.

The next very important date to remember is July 26 thru the 29. National Convention in Oklahoma City, OK 73108. As 1st National Vice-President, I and my wife, Marita, will be going out on July 22 for the Executive Sessions that start on July 25.

The response to the invitation "to join with you in insuring that our Masonic teachings will always be a part of the principles of our government," was very impressive. Because we care about our Masonic heritage and our government, we know that you do also.

Our Preamble and Object are known to all members of National Federated Craft.

Preamble: Believing that, through a closer association and a better understanding among the Masons in the United States Government Service, the principles upon which the Country, was founded may be more practically observed, and that no deviation from them be allowed.

We pledge our devotion to Almighty God, our allegiance to the Constitution of the United States and our Country; that through the fulfillment of these principles, Equality, Justice and Right may be meted out to all.

Object: Recognizing first and at all times paying full allegiance and loyalty to the authority of the Grand Lodges of the United States, we purpose to use every effort to put into activity, through our Craft, and in our various walks of life as individuals, the basic principles of our beloved Fraternity.

Remember your reservations for Indiana State Craft Convention on June 26th.

### SENIOR MASONS

Our monthly dinner meeting will be held at the Heritage House on the Lima Road on Monday, June 6th. As always, we will meet at 12:00 o'clock noon for lunch, with the meeting following lunch.

Everyone present at the last meeting enjoyed the presentation by Mayor Moses. We thank him again for taking time out of his busy schedule to be with us.

I am sorry that as of this writing, I can not tell you who will be the speaker at the June meeting. We are trying to get a speaker from the Fire Department, but nothing has been confirmed as yet. But — come on to the meeting — we are sure to have some one. This way, you will be surprised.

Since our last meeting, we have lost two of our members, both of them having been called to the Celestial Lodge. They were Harley Witmer and Wilmer Racine. Our sympathy to their families.

Some of our Brothers are also on the sick list, but I will not try to list them. Remember them in your prayers, and we do hope that they will be feeling better real soon, and be back with us. We understand that one of our members found out how to get out of helping with the cleaning. He broke his arm. We won't say who, but his initials are J. F.

This will be the last publication until the first of September. So right now, before you forget it, mark these dates on your calendar for the summer meetings:

July 11 — because of the holiday on the first Monday.

August 1.

September 12 — because of the holiday the first Monday.

Summit City has quite a number

## Brethren:

The members of Three Rivers  
Lodge can take great pride in spon-  
soring a widow into the Indiana  
Masonic Home.April 28, 1983 the Secretary Albert  
White and his wife, P.M. Paul Moore  
and his wife and myself took Mrs.  
Edna Durr, widow of Lester Durr, to  
Franklin to live in the Indiana  
Masonic Home. Lester Durr who  
passed away in 1978 was a member  
of Three Rivers Lodge for 22 years.  
Mrs. Durr is a member of Trinity  
Chapter No. 576 O.E.S. for the past  
23 years. Anyone going to the Home  
stop and see her or drop her a note  
from time to time. The address is  
Indiana Masonic Home, 690 State St.,  
Franklin, Indiana 46131.The Canadian visit was great. The  
friendship and fellowship we have  
with our Canadian brethren is great.  
There was a good turn out for their  
visit. There were 24 Canadians  
representing eight Canadian lodges.  
They exemplified the F.C. Degree in  
Canadian form. It is different than  
ours but the meanings the same.The dinner was great. I would like  
to thank Mrs. Moore and Mrs.  
LaHurreau for preparing the food.  
Also I would like to thank the Past

Greetings Brethren:  
How time flies! It seems like only a  
week between articles for the Square  
and Compass.  
Maumee is having another excep-  
tional year. It is with great pleasure  
that I announce the raising of five  
brothers to the Sublime Degree of  
Master Mason on April 27. The new  
brothers are Guy Hunt, Scott  
Lougheed, Lewis Wade, Robert Miller  
and Ron Cannon. I, again, welcome  
these brothers into Maumee and this  
great fraternity. Come to lodge often  
and share in the great and good  
work.  
I would like to take this opportunity  
to thank all of the brethren  
that have been coming to lodge at

the very early opening times to  
assist with the degree work. It is you  
brothers that make Masonry a great  
fraternity. Maumee has six candi-  
dates for May and six for June. I urge  
all of the brethren, that are able to  
attend these early meetings, to  
please come to lodge and participate  
in this time fellowship.  
It is with great sorrow I announce  
that two of our Maumee Brothers  
have been summoned by the Grand  
Architect of the Universe to the  
Grand Lodge above. James Oswald  
on April 17, and Harley Witmer on  
May 12. Jim Oswald will be long  
remembered as our Sea Captain, and  
Harley Witmer whose wife is our  
excellent cook. Our most Heartfelt  
sympathy goes out to the families  
and friends of these two fine Masons.  
One date to remember before  
lodge goes dark is September 10.  
This will be the date for Maumee's  
annual golf outing. Colonial Oaks has  
been reserved for the golf outing.  
Contact Brother Pat Taylor to make  
your reservations. An Awards Ban-  
quet will be held in the evening  
following the outing. More details  
about the banquet will be disclosed  
later.  
For the members receiving a  
registered letter concerning 1983  
dues, June 1st is the absolute  
deadline. Send these long overdue  
payments in immediately to preserve  
your membership.  
June is going to be another busy  
month for Maumee. Come to lodge  
and share a delicious meal with us  
and enjoy the fine fellowship.  
See everyone on Wednesday.

Our Indiana Masonic Home has  
served more than 5,000 individuals  
since it opened in 1916, and has  
amply fulfilled a vital part of our MM  
obligation. It affords "TLC" to about  
540 residents, average age over 82.  
Every penny of contributions is  
well and carefully spent.  
Representing our Masonic Home  
Committee, I attended a workshop  
April 26 conducted by very articu-  
late members of the staff of the  
Indiana Masonic Home Foundation.  
They pointed out the importance of  
not only donating generously (with  
your dues, etc.) to the Home's  
actual operation, but also to the  
Foundation. Through income from  
investments, the Foundation pro-  
vides a small but necessary part of  
the cost of operation. In the next ten  
years, the Foundation plans to  
increase several-fold the amount of  
its assets. You will hear more about  
this admirable project.  
Richard T. Moore, our JO and  
Trustee, will serve as my proxy at  
the Grand Lodge May 17-18. As  
Secretary, for many years I un-  
officially attended Grand Lodge.

As I write this letter, we plan to  
confer the MM degree upon one  
candidate May 11. We have no  
degree work in June.  
The Fort Wayne Chapter, Order of  
OeMolay, used our Lodge room for a  
regional meeting of the Order of  
Knighthood April 23 and held a  
beach party dance that evening in  
the lower level. The young people  
comported themselves impeccably  
and did a thorough clean-up job  
after the dance.  
Our Trustees are receiving bids

for re-sealing our parking lot. Our  
next meeting will be the stated  
meeting, Wednesday, June 1. Come  
and enjoy good Masonry and good  
fellowship!

The M.M. Degree of April 23 was a  
success thanks to the help from our  
brothers of Maumee No. 725. Once  
again their brethren have come  
through when we needed help. Our  
newest member is Marshall B.  
Kellmeier.  
Also the E.A. degree of the 30th  
came off very well, once again thanks  
to the help of our brethren in  
Maumee.  
We hope to have the F.C. degree  
on May 27, 1983 but as of this  
writing we need help in some  
stations and degree work. Also we  
hope to have M.M. on the 18th of  
June before we go dark for July and  
August.  
Our Lady's Night will be October  
29, 1983, so be sure to mark this  
date. More on this later.  
We need you in lodge. Please make  
an effort to be here. Your lodge is

**Honor — A  
Masonic Virtue**

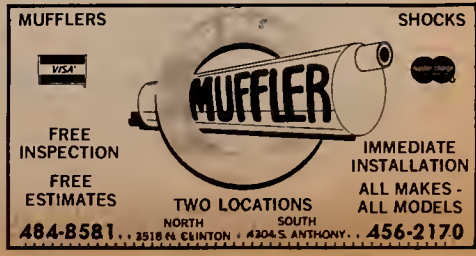

The ultimate tribute paid to the  
life of a Master Mason is to be  
recognized as honorable; not neces-  
sarily by the spoken word but most  
certainly by the unspoken and heart-  
felt affection of people who own a  
more clear and better view of Free-  
masonry because of his possession  
and exemplification of the virtue of  
honor.

Masonic honor, my brother, when  
implanted in the hearts of us as  
Master Masons is inviolate and un-  
touchable by those who would  
destroy this priceless virtue.  
The title or recognition as being  
honorable is a grade of superior dis-  
tinction and esteem awarded a  
brother for high proficiency in his  
proven ability in the application of  
three of the most valuable tenets of  
our profession, brotherly love, relief  
and truth.  
Honor is the esteem paid to worth  
and the earned wage of respect,  
dignity and courage, the possession  
of which results in the acquisition of  
that highly coveted title — honor-  
able.  
With the knowledge and posses-  
sion of the virtue of honor my  
brother, comes the demand for  
example.  
Are the examples of honor ex-  
emplified by us, in our daily lives as  
Master Masons resulting in a better  
and more respected view of Free-  
masonry for our fellowman? Are we  
reaching those who would possibly  
welcome and even favor the applica-  
tion of our chosen virtues?  
These are pertinent questions  
brethren and demand soul searching  
answers. Let you and I as Master  
Masons dignity, glory and exalt the  
virtuous title of honorable; the  
ultimate tribute paid to a Master  
Mason.  
Masonic tradition teaches us that  
honor, that coveted and much  
sought after attribute, is the very  
strength of many institutions,  
especially ours.  
In the light of these truths, learned  
early in our Masonic lives coupled  
with this virtue honor, earned later  
on, we inherit the additional title of  
"OeMolay" — debtor to the masses  
who would be cheered, heartened  
and inspired toward Freemasonry  
as a result of the example of honor  
so judiciously propounded by you  
and I, my fellow brethren, as the  
honored ambassadors of an honored  
institution — Freemasonry.

The story of Electa was given by our own Electa, Sister LaDonna Yoder. The history of Electa and the song LaDonna sang were both very nice and well done. Eighteen present and past Electas were escorted to the West where each introduced herself, told the year she served and the Worthy Matron. Each was given a red candle and holder, a gift of our Worthy Matron.

Sister Millie read to us "What is a Mother?" She told us of her own Mother and of the high ideals her Mother had for each of her eight children — she encouraged each of her children to receive a higher education than had been possible for her to receive. The choir sang "Mother".

Plants were given to mothers in various categories — oldest, youngest, most children, most grandchildren, etc.

The May 24 meeting was our Memorial — "New Stars Above".

A rummage sale will be held on June 3 and 4 at Edna Mathews' home, 1704 Echo Lane. (Anyone wishing to donate, please call 493-1808 after 4:30 p.m.). See front of this paper for details.

June 14 will be Master Masons and honor Fathers.

June 28 will be our Past Matrons and Past Patrons dinner at 6:00. Banquet reservations should be made with our Secy. Mary Elizabeth Bird by Monday, June 20. Cancellation by Friday, June 24. The dinner will be \$3.85 and menu will consist of baked steak with mushrooms, baked potatoes and strawberry pie.

Planning ahead, Star of the East will have a card party, bazaar and style show on Sept. 29. Let's all work to make this a real success. More specific information will be in the Sept. issue of Square and Compass.

A safe and enjoyable summer is wished for all. We'll look forward to seeing everyone in the fall.

There are many hallowed symbols That enshrine the deeds of men. Some are trite and some are sacred, Some are soon forgotten when Passing time erodes their meaning. Dr the years that Glory fade, Passing years but add new Glory To the Flag that Betsy made. 'Twas a Time when men of valor Took their stand for Liberty, Fought and died to build a nation, Sacrificed to make men free. And they asked all men to muster Men of courage unafraid. So they came from far to rally Round the Flag that Betsy made. Through the years new stars have flourished On that field of asure blue. Now new millions hoist the banner, Marching toward horizons new. Yet unborn heroes will muster round her, Till tyranny has been allayed. For no Flagemblazon freedom Like the Flag that Betsy made.

June is one of the choicest months of the year, the beginning of summer, the blooming of all the beautiful flowers. All the children getting out of school, relaxing, vacation time and travel — too many; June weddings; and the observance of Flag day, honoring DId Glory as it ties ever higher and wider, a symbol of American principles;

Another well deserved day in June is Fathers Day. All these and other reasons makes June a favorite month.

Dads are special people No home should be without tor every family will agree They're "So nice to have about" They are a happy mixture Df a "small boy and a man" And they're very necessary In every family plan

Sometimes they're most demanding And stern and firm and tough, But underneath they're "soft as silk" For this is just a "bluff" But in any kind of trouble Dad reached out his hand, And you can always count on him To help and understand

And while we do not praise Dad As often as we should, We love him and admire him, And while that's understood, It's only fair to emphasize His importance and his worth For if there were no Loving Dads This would be a loveless earth.

Closing Thought

A little sunbeam touched my heart When I was feeling low apart

It shone right through the gloom and gray And brightened up my life that day.

It made me feel so happy hearted I checked on where that sunbeam started

And would you know, its other end Was in the smile of one called a "Friend."

Would you believe we are in the month of June already — where did the time go.

I wish I were gitted as poets are with words of silver and gold. To tell of the thoughts that arise in me for the beautiful flag I hold, and we have seen His star in the east, believe in the wonderful plan — pledging Bethlehem's star and Americas flag — for the brotherhood of man. So here's to old glory — the grandest flag that has ever been unfurled; proclaiming us children of God above and sisters to all the world.

Remember — fly your flag on Flag day June 14. Even though we have troubles and problems here in America — where would you rather live? Who's flag would you rather fly?

June 19th Fathers Day. A father is many things to his child. As a teacher he helps us learn valuable lessons about Gods law and purpose as a guide he sets a pattern for life, for the ideals we should embrace and the goals we should seek. As a companion he provides that close friendship God's wishes every young person to enjoy. It is indeed through the influence of a father on earth that we better know and understand our Father in heaven.

Happy Fathers Day — Fathers!

As all of you by now know — we serve dinners at the Scottish Rite as a money making project for our court. Knowing that most of you belong to other organizations too, it's hard to divide yourselves three and four ways to accommodate everything but Amaranth is short of servers compared to some of the other organizations, if you can serve would you think about it and call H.L. Doris Thieboldt 447-5641 and offer your time. We do not mean to miss calling you. We need you and welcome. Remember you may be on the right track but you'll get run over if you just stand there.

Besides what a nice way to get to know a bunch of nice gals from other organizations — possible new members? A really delicious dinner and sweet friendships are the bonus treats for rather easy work that only takes 1 1/2 to 2 hours work. Join us won't you?

Closing Thought:

If you were busy being kind before you knew it, you would find, You'd soon forget to think 't was true That someone was unkind to you.

If you were busy being glad, and Cheering people who were sad, Although your heart might ache a bit You'd soon forget to notice it.

If you were busy being true To what you know you ought to do, You'd be so busy you'd forget The blunders of the folks you've met.

Peace and God love you.

Little boy to a friend: "I can't come out. I've got to help my dad with my homework."

## Symbol Of Freemasonry

No implement of Freemasonry has a more important place than the Square. It is one of the Great Lights. It is one of the Immovable Jewels. As a Symbol it probably has more interpretations than any other. As an Emblem of Freemasonry it is recognized as such by millions who have never been inside a Masonic Lodge.

The Square, because of its antiquity, is peculiarly fitted for the place it plays in Freemasonry. Its origin as a geometric figure is lost in the mists of obliterated centuries. The Lessons it holds for Freemasons existed long before recorded history, yes, before the birth of man, and millions or billions of years before that. The origin of the Square is as legendary as the birth of Freemasonry, or more so.

One of the most potent arguments used by those who believe that Freemasonry similar to that we have today, with some of today's due guards and penal signs, was known to the earliest races of men is that Symbols are known to have existed in prehistoric times, and undoubtedly were used to teach some of the same Lessons which we derive from them today.

It is not difficult to produce evidence that the Square was an Emblem of morality long before the days of King Solomon, and certainly the Great Temple which crowned Moriah's Mount could not have been erected in all its beauty had not the Square of 90 degrees been well known to the architects who constructed the most glamorous edifice of all ages.

OVER 1,200 MEMBERS OF KNIGHTS TEMPLAR participated in the Grand March at the beginning of the 1983 Easter Sunrise Memorial Service held at the George Washington Masonic National Memorial, Alexandria, Virginia. This was the first year the service was held at the Memorial. Current plans call for it to become an annual event.

BENEATH AN EASTER LILLY CROSS AND THE LIKENESS OF BRO. GEORGE WASHINGTON, the officers of the Grand Encampment of Knights Templar conducted the 1983 Easter Sunrise Memorial Service at the George Washington Masonic National Memorial. Delivering the sermon was The Rev. Eugene H. Buxton, Grand Prelate of the Grand Encampment (at podium).

Certainly the great stones and timbers could not have been brought to Jerusalem, hewn and squared and ready to be fitted into position, except through application of the principles of the Square. No great building has ever been erected without application of those principles.

As no building may approach architectural perfection without application of the principles of the geometric Square, so no man may approach perfection in Freemasonry without application of the principles of the Symbolic Square.

There is no limit to the distance to which the sides of the Square may be extended, likewise there is no limit to the service that may be performed by those for whom the Square is a Great Light, a Jewel and a Symbol. The Masonic Square is not limited by division into units.

The Square of 90 degrees is contained within every perfect circle and its perfection is geometrically proved by a problem performed within the circle. The Freemason moves within the circle of his Brethren. Whether or not he is "on the Square" is proved by his actions within that circle.

The Square, to the ancients, symbolically represented the earth, while the circle represented heaven. It is fitting, then, that the Square

should be the principle Symbol of a great body of earthly beings and that its perfection should be proved by the ancient Symbol of heaven.

The Square is a perfect figure, always has been a perfect figure, and always will be a perfect figure. While we as Freemasons are expected to act upon the Square, no one of us has ever reached, or may hope to ever reach, the perfection of that Symbol. Geometric perfection is not for humans, but we who employ the symbolic Square in erecting our lives have an advantage over those who use the geometric Square in erecting great edifices. No building would be acceptable if the principles of the Square had been even slightly disregarded in its erection, but we

imperfect mortals may deviate slightly from the principles of the Square of Morality and Virtue and still walk upright before the world. However, if we wish hereafter to be a part of that spiritual building not erected with hands, eternal in the heavens, it is not enough to walk uprightly before the world.

The Square, Great Light, Jewel and Symbol of Freemasonry, contains within its 90 degrees everything necessary for our guidance to that perfection for which we should strive here, as well as everything needed in designing a home over there.

Brethren:

I recently received the resignation of our Senior Warden. The election of a new Warden will be held at our stated meeting on June 9, 1983 at 7:30 p.m.

I was informed that Bro. Herbert Jesse donated part of our new china and I forgot to mention him. Sorry Bro. Herb. Bros. Lloyd Brown and Clarence Lybarger have been working on the new cabinet for the china and should be finished by the time you read this. It's exceptionally fine work. Thank you, brothers.

Two years ago P.G.M. Miller initiated a program for a visitors night. This program was not only to benefit prospective members of our fraternity but at the same time help inform our present members. While I was at Grand Lodge it was approved to operate for one year

while being investigated by the committee on jurisprudence. After some discussion with other well informed brethren I still haven't gotten a square answer why the program was cancelled by the committee.

I can understand some members concern for change. But one thing they must remember, this world is changing as must our fraternity.

### HEMLOCK CLIFFS

Hemlock Cliffs is an 840-acre plot in southwestern Crawford County. Some of the land is privately owned, and the rest lies within the Hoosier National Forest. Deeply and precipitously dissected sandstone bedrock (early Mississippian in age) forms large hemlock-fringed gorges in several places.

Hemlock Cavern is one of numerous caves found in that area. Indian artifacts have been found in Indian Cave and Arrowhead Arch, a 160-foot tunnel through the sandstone bluff. Two deep, circular holes in a large tablelike rock near the west end of the tunnel

apparently are Indian grain-grinding relics. The scenic features of Hemlock Cliffs are well worth being seen by Hoosier citizens.

## SENIOR MASONS CLUB

Our regular monthly dinner meet-

ing will be held on Monday, September 12 — the SECOND Monday because of Labor Day the first Monday. As always, we will meet at

12:00 o'clock noon for lunch, with the meeting immediately following lunch.

It is hard to believe that our summer is just about gone, but in

looking at the calendar, it surely is. Looking at the paper, we see all of the ads on back to school clothes, so it must be.

We had good meetings in July and

August, with 45 present each month. Our speaker in July was Tom Lorain of the Fort Wayne Fire Department, who showed slides and gave an interesting talk on fire safety, followed by a question and answer session. Our August speaker was Jack Stark of the Indiana & Michigan Electric Company who gave an interesting talk on power companies, which was also followed by a question and answer session. I can not tell you at this time who the September speaker will be. President Grabler is arranging the program for September, so you will have to be present to find out what it will be. I am sure it will be a good program.

Now with the summer just about gone, and with everyone gearing up for the approaching of fall, why not make an effort to having our Senior Masons meeting one of your priorities? Be sure to mark your calendar right now as to the meeting dates. Invite a Senior Mason to the meeting, and let them in on the good times enjoyed by all. We always have a good lunch, and we try to have interesting programs. So why not join us on SEPTEMBER 12. You will be glad that you did. See you then.

On May 31, 1983 we had a Charter Member Night with dinner and entertainment. The dinner was prepared by Willie Witmer and her ladies which was delicious as usual. The entertainment was put on by the Mizpah Masquers of which Three Rivers Lodge has a Past Master as a member, Homer Stevenson, and they put on a fine show.

We had 14 charter members and two widows of charter members whom we honored that night at this dinner and I hope everyone enjoyed it as much as the officers enjoyed putting it together. Thanks to all.

Also May 31, after dinner, Worshipful Brother Albert White presented three 25 year pins to Brother Albert H. Henning, Brother John H. Smethers and Worshipful Brother F. Martin Donahue, also one was mailed to Brother John C. Cole who lives in St. Petersburg, Fla. Congratulations to these men.

It is with regret that I write this on Saturday, Aug. 6, Mrs. Edna Durr, widow of Lester Durr, passed away at the Indiana Masonic Home where she had been a resident since April 28, 1983. Our sympathy goes out to the family and friends.

On September 16, at 7:30 p.m. we will have a Lodge of Instruction with the host lodge, DeMolay No. 756 and Summit City 170. This is on a Friday night.

September looks like it is going to be busy. We have two candidates so come and help. This is your lodge too.

Summer is nearly gone and the fall

season is upon us. We will start the fall season with the traditional Ham and Bean Supper starting promptly at 6:30 p.m. preceding our September 1st stated meeting. The Brothers raised in July, August and September will be our honored guests. Let's have a large turn-out and welcome the fall season with a large amount of enthusiasm.

We have investigated, voted on and elected a candidate to receive the Degrees of Masonry and we will have an EA Degree on September 8, starting at 7:30 p.m.

On September 13, 1983 we will attend a Grand Lodge of Instruction along with Home Lodge 342 and New Light Lodge No. 754 as Hosts.

When you read this our bus trip to Schofield House at Madison and the Masonic Home at Franklin will be history and I am sure that those attending will have a better understanding of the workings of Masonry.

Since my last communication, I am sorry to inform you that Brother Harry Hersh King and Brother Richard 'Bud' Cardorette have been summoned by the Grand Architect of the Universe. Our heartfelt sympathy and prayers go out to their families and friends.

Two of our long-time members, Brother Joe McDowell and Brother Jim Reynolds are convalescing from serious ailments and our prayers are with them for a speedy recovery.

All for this time, hope to see you in Lodge.

## Greetings Brethren:

What a hot summer! Hope you were all able to find ways to be comfortable and enjoy it. Now it is September and time to get back to the work on the trestle board. September promises to be the busiest month we have had this year as we have several petitions being investigated, plus two carryovers for the Fellowcraft degree. Plan to be in lodge and help with the degrees. Besides the degree work there will be several other activities to keep us busy. Sunday, Sept. 11 is the Masonic Home visitation and I would like to hear from any of the brethren who want to make the trip so as to arrange for transportation.

Friday, Sept. 16, 7:30 p.m. will be the annual Grand Lecturers visit for a Lodge of Instruction on the MM degree with DeMolay Lodge No. 756 and Three Rivers Lodge No. 733. All Master Masons invited.

Saturday, Sept. 17, 7:00 a.m. New Light Lodge will join us for a pancake and sausage breakfast, followed by the Fellowcraft degree at 8:00 a.m. We will have the Master Mason degree Sept. 23.

Sept. 30 will be our annual Homecoming Dinner. You will receive a letter on this event and I am hoping a record number of you will plan on attending.

The lodge extends its sympathies to the families and friends of Brothers John D. Bostick and William R. Kellermeyer, who were called up by the Grand Architect of the Universe

in July and August.

Welcome to our newest MM James F. Reichert, who was raised to the Master Mason degree in June. Watch the Sunday paper for the announcement of times for degree work.

See you in lodge.

## Greetings Brethren:

It is hard to believe that September is almost here and summer is drawing to a close. I hope everyone had a very pleasant and enjoyable summer.

September is going to be a very busy month for Maumee with degree work and other events. Saturday, September 10 is the date for Maumee's annual golf outing. Colonial Oaks golf course has been reserved for this event. Contact Brother Pat Taylor for reservations and tee times. An Awards Banquet will follow the outing at Colonial Oaks.

Monday, September 12, Maumee will join Sol D. Bayless for our annual Lodge of Instruction. All of the Brethren are welcome to attend. Dinner will be served at 6:30 p.m. with Lodge to follow.

Since our last article, thirteen Brothers have been raised to the sublime degree of Master Mason. On May 25, Brothers William Hauser, John Leal, Raleigh Myers, Bev Miracle, Howard Esterline, and Tom Esterline were raised. On June 22, Brothers Richard Manship, Ron Lapp and Max Seaman were raised. On July 27, Brothers Kieth Ramsey, Kelvin Ramsey, Gary Parrish, and Allen Middleton were raised. Maumee welcomes these new Brothers into the lodge and this Great Fraternity. Come to Lodge often and share in this Great and Good work. I would, again, like to thank all of the Brothers who attended Lodge in July to assist in the degree work, and welcoming the new brothers into Maumee.

Our most heartfelt sympathy is extended to the families and friends of Brother James M. Cushing. William C. Popp, Raymond J. Kuhn, and Darwin W. Richard who have been summoned to the Celestial Lodge above.

Earlier in this article, I mentioned degree work in September. We have

At this time I would like to inform you that Michael Grannis is our newly appointed Junior Steward and Paul Casterline has advanced to Senior Steward.

Another date of interest is the annual homecoming to the Masonic Home in Franklin, Indiana on Sunday, September 11. If you have never made this trip, you would find it enlightening and gratifying.

During the summer three of our members departed for a higher lodge; Ralph B. Baumgardner, William H. Brown and Albert W. Rousseau. Our sympathy is extended to their families and friends.

Plans are being made for our annual bus trip to the Schotfield House in Madison, Indiana in October. You will be receiving more information on a special flyer at a later date.

See you in lodge.

The beginning of my term has started with my Installation on June 21st. The line officers installed were as follows: Master Counselor, Mark Kuhn; Senior Counselor, Tyrone Fritz; Junior Counselor, James Lambert; Scribe, Ed Tigges; Treasurer, Mark Prince. Now we have the ball rolling.

On July 10, our OeMolay Oegree team went to Monrovia to put on the OeMolay Oegree for the Grand Master's Class.

On July 29, 30, and 31st, we worked at our biggest fund raiser of the year, the Shrine Horse Show. It was a real success and I think everyone had a good time working. If anyone sees Billy Laisure, let him tell you how he can make it rain in his tent.

On August 13, we had the annual DeMolay Brunch at Zoli's Cowboy. We surpassed the number of people that attended last year, and would like to thank everyone for coming. I would also like to thank the Marion and Columbia City OeMolay Chapters for helping out. Good Job!

On August 12, 13 and 14th, we ushered for the Mitzi Gaynor concert. It was hard on the feet, but I think everyone enjoyed the show.

On August 17, we had a combined turn trip and prospect party to Cedar Point Amusement Park.

The stated meeting for the month was held on August 24.

Oetes to remember:

Stated Meeting for September.

The 14th and 28th.

Sept. 11 — Shrine-Fly In Breakfast.

Sept. 24 — Initiation.

Please check your program for weekly activities.

Remember if you know of a young man between the ages of 13 and 21, please don't hesitate to phone myself or another member of our chapter. DeMolay is both rewarding and fun.

"How bravely Autumn paints upon  
the sky,  
The gorgeous treme of summer,  
which is flad!"

Thomas Hood

We say "good bye" to summer and  
"hello" to fall, and the many activities  
of the season. We hope you all  
had a happy and safe vacation -  
either at home or away.

September 1, 1983 - OBLIGATION  
NIGHT.

"The beauty of the house is order  
The blessing of the house is  
contentment"

The glory of the house is hospitality  
The crown of the house is godliness."

Author Unknown

Let us, as we renew our obligation,  
replace the word "house" with  
"Chapter" and cooperate with our  
Worthy Matron and Worthy Patron  
as they lead our Chapter through the  
fall and winter seasons.

We would be remiss if we didn't  
touch upon our June meetings for a  
bit and remember the beautiful  
memorial at our first meeting in  
June and the visit of Joyce Gross,

Deputy of our District 14, at our  
second meeting in June. We gave her  
a warm (and I do mean warm)

welcome. Her escort was formed by  
three past deputies from our chapter,  
Helen Herrick, Reathel Blue, and  
Edythe Gordon and Juanita Moore,

present Grand Representative to  
Arizona in Indiana. The arches were  
made of red roses and tuffy clouds  
with silver linings. She was met at  
the end of the rainbow-like arch by

Junior Past Matron, Marguerite  
Arnos, who presented her with a  
bouquet of red carnations. She was  
warmly welcomed by our W.M. Carol

Munk and the Chapter members  
warmly welcomed her with a hearty  
welcome. Although a song is normally  
sung at this time, it was not. But -

Sister Carol surprised her with a  
song, a parody to "Master Designer",  
the words written by our Worthy  
Matron, in keeping with the

Sister Joyce's theme, when she  
called upon her to give her instruc-

tions. Our deputy's instructions were  
short, but inspirational. She com-  
mented on the changes that were  
made this year and complimented  
the officers for work well done and  
that they had carried out the changes  
as mentioned.

The fathers and Master Masons  
were honored with a short program  
also at this meeting, which was climaxed  
by lunch being furnished and  
served by our returned Floridians. It  
was great to have them with us  
again.

**PAST MATRONS AND PAST PATRONS  
NIGHT - SEPT. 15.** At our  
Sept. 15 meeting we will be honoring  
our Past Matrons and Patrons, who  
will be our guests for dinner, which  
will be served at 6:00 p.m. on the  
mezzanine. Please make your reservations  
by calling our Worthy Matron at  
747-0278 by Sept. 13. Price of the  
dinner is \$3.00. Let us have a good  
attendance and honor our Past with  
your presence, and show your appreciation  
to our Worthy Matron for  
planning this special dinner for  
everyone to attend.

life. Keep me from taking the side  
roads which are appealing, and help  
me walk in the hope of the glory

**SUCCESS**

"Success is not something that  
fortune lays at our doorstep. It is,  
rather, the result of planning,  
dreaming, of working, and of re-  
sponding, to opportunity." - Quote

June was a very busy month with  
two important meetings. On June 14  
we observed Master Masons' and  
Father's Night. Brother Bill, our  
Worthy Patron, gave us his version  
of "What is a Mason". Sister Millie  
wanted to know what the wives of  
Master Masons thought and was  
answered by various wives. Our dis-

tinguished men were escorted to  
the West for special recognition  
from Sister Millie, Sister Jean  
Edwards and special music by the  
Stardiors. Again, Sister Millie pulled  
two surprises by having the Star  
Points choose a Father of the Year.  
It was Bro. Ronald Flohr, who was  
presented a plaque gift from Sister  
Millie. The second surprise -  
Master Mason of the year and the  
choice was Bro. John McNaughton;  
he was given a plaque by Sister  
Millie. All Master Masons received a  
useful gift. After the close of  
chapter, Brother Bill introduced the  
Charters of Mizpah Shrine Temple  
for our entertainment. Those Nobles  
are always tops end was thoroughly  
enjoyed their songs. Thank you. The  
evening ended with delicious re-  
freshments. To our Master Masons:  
The Chapter thanks you for a very  
enjoyable evening.

June 28 was the tinal meeting  
before going dark. It was very  
special for we honored our Past  
Matrons and Past Patrons. We had  
a delicious baked steak dinner and  
with Strawberry Pia. Special  
recognition was given to the Fraternal  
Parents of Sister Milla and  
Brother Bill, Frances and Harold  
"Skeeter" Barnes. The Past Matrons  
and Patrons were escorted to the  
West and introduced. The Sewing  
Comm. distributed gifts to them.  
The Past Matrons received a beau-  
tiful tea apron in Sister Milla's  
colors and the Past Patrons re-  
ceived a Kar Kit for their "Kars".

nounced as follows:

Hi! My name is Teneen Bauman

and I'm the new Honored Queen of Bethel No. 8. Installation of Officers took place June 3rd at the Masonic Temple, the following girls were installed: Honored Queen, Teneen Bauman; Senior Princess, Vicki Kilgore; Junior Princess, Jenny Woods; Guide, Cindy Ferneau; Marshall, Beth Wyatt; Chaplain, Shannon Jones; Treasurer, Sholie McComb; Recorder, Andrea DeLeon; Librarian, Laura Lindsay; First Messenger, Karen Gause; Second Messenger, Linda Wyatt; Third Messenger, Amber Garver; Fourth Messenger, Sarah Baker; Fifth Messenger, Linda Lentz; Senior Custodian, Lois Lindsay; Junior Custodian, Chris VanAman; Inner Guard, Rochelle Brown; Outer Guard, Holly King; Flag Bearer, Julianna Rinne. I would like to say Thanks to all the people that helped at my installation and also to my family who worked very hard to make it a big success. I love you very much.

On June 15, we had our first stated meeting. Then on June 16 thru the 19, a group of us went to Ball State at Muncie for Grand Council. A great time was had by all, and we came home with many first prizes for the various contests we entered. Two of our girls got injured, Shannon Jones broke her wrist in the Tennis Tournament and Linda Lentz hurt her finger (got it caught in the elevator door). These girls are OK now and made a fast recovery. It anyone gets a chance, ask Mrs. Mowery how she got locked out of the dorm in the wee hours of the morning in her nightgown. We all had a good laugh over this story.

On July 29, 30, 31 we worked at the Shrine Horse Show at Columbia City. We all had lots of fun handing out the ribbons to the winners. A special thanks to the Shriners for asking us to help and also to Mrs. Kilgore and Mrs. Ferneau for bringing us something to eat and drink while we were working.

As summer comes to a close we seem to be keeping very busy with washing the chairs at the temple and having a couple of paper drives, and also want to have a car wash sometime in August.

Our first meeting in September (Sept. 7) is our inspection with the Grand Guardian coming to visit. Our inspection is with Leo Bethel and we are looking forward to seeing the New Grand Guardian and Grand Associate Guardian.

It anyone has newspapers to be picked up please call me at 749-5662, or Mrs. Kilgore at 426-5258. We need lots of papers, so please save them for us.

I would like to invite you to attend any of our meetings. We would like to see our seedlines filled at every meeting. We meet the first and third Wednesday of each month at 7:00 p.m. and would love to have you visit. Come see what Job's Daughters is all about and if you know a girl between 11 and 20 years of age, tell her about us. We need lots of new members. (Girls must have Masonic Heritage to join).

Bye for now.  
Come, "Share A Smile With Us".

**FORT WAYNE COUNCIL**  
No. 4  
R. & S.M.

Stated Assembly  
Third Thursday

Karl E. Reid ..... I.M.  
2115 Kenwood Ave. 483-5639  
Roger W. Shafer ..... Recorder  
2510 Farnsworth Or.  
Apt. 406 ..... 483-3640

Companions: The annual event of re-dedication of the Crypt was held July 16, 1983. Those who attended from Council No. 4 were: Past Illustrious Master Roger Shafer, Past Grand Sentinel Francis Studer, and Past Grand Chaplain Myron Millhorn. These Companions have traveled to New Albany every year since the Crypt was first dedicated.

The event has always included a paddle wheel steamboat ride and dinner while paddling up the Ohio river, after an impressive ceremony at the location of the time capsule. Next year you should plan to go; as it makes a fine mini vacation and among the finest Companions you will ever meet.

Last year, when I was able to attend, my wife was very favorably impressed with the warmth that she was received. And speaking of warmth, the third Saturday of July is usually hot. But the boat is air conditioned as well as your car and motel room. Make plans now and join with us the middle of July 1984.

Council No. 4 will have a Lodge of Instruction (not inspection with points to gain) in OCTOBER with another area Council. The particulars will be announced at the September stated meeting. Council's Lodge of Instructions are primarily for imparting information and thereby very enjoyable. It you wish to

understand the Council degrees and how they relate to Ancient Craft Masonry, come with an inquisitive mind and ASK QUESTIONS. The more questions you ask the more we all will understand Masonry. And if you have progressed this far; you know how valuable it is to really know and practice Masonry.

When opportunity meets preparation, that's luck.

Companions:

Our labor will resume in Sept. and I trust you all had a great summer. These few months have passed quickly. Several functions that were held in July were well attended and enjoyed by all. Those were the reception for Ken Gibson and the York Rite Picnic.

Please note the article by Commander Karl Reid for upcoming dates for degree work and inspections in the York Rite Bodies. Think of your Blue Lodge or Scottish Rite friends who don't belong to York Rite. Remember your Masonic education is not complete without the York Rite Oegrees. Petitions are available at front desk or from Roger Shafer.

Mark your calander now for the 3rd Thurs. in Sept. to join with us for stated meeting; dinner at 6:30 p.m. and open at 7:30 p.m. See you there.

2510 Farnsworth Or.  
Apt. 406 ..... 483-3640

The reception for the Grand Commander Kenneth E. Gibson was held July 16, 1983 at the Marriott Hotel. It was well attended by many notable out of town guests. Sir Knight Ned E. Oull, Grand Master of the Grand Encampment of Knights Templar of the U.S.A. gave an address depicting our need for supporting our eye foundation as well as an interesting description of a trip sponsored by the Grand Encampment to England. One of the highlights of that trip was a story about John Inches nearly falling overboard a ship. I'm sure John will explain the details if you ask.

The dinner was preceded by an invocation by Fort Wayne Commandery's own newly appointed Grand Prelate James C. Farrar. The master of ceremonies was our Past Grand Commander James S. Oelmond who introduced your Commander to present Fort Wayne Commandery's gift to the Grand Commander which was: A gold Seiko dress watch having two time zones, both analog and digital time, a chronograph and alarm with engraving on the back commemorating his term of office. It must be a good watch because Past Potentate Walter Freeman is wearing one just like it.

Then, July 23 we had a picnic at Pretty Lake Conservation Club hosted by Generalissimo Gerald Walker and his wife Francine. Gerry enlisted the aid of several Sir Knights among whom were: James Johnston, who brought the soft drinks; and Pete Winkler, who prepared and served the HOT sandwiches. The ladies brought their special dishes, all of which were delicious. After lunch we enjoyed conversations, cards, horse shoe, and Jarts.

The couple that came the most prepared was Captain General Vonn Hoffman and his lady Norma when they drove up in their R.V. mobile home. Vonn explained: "Well this way we didn't have to worry about forgetting to bring anything along." It's a good thing they did because we all noticed that Norma and Vonn made a trip to their R.V. to retrieve an item or two.

Almost all who made reservations for the picnic were able to attend and none of us sustained any injuries.

To date the new members are: Bob O. Hobbs, Edward King, Robert E. Leiter, H. Murray Petty, R. Jack Porter, Charles A. Ramel, Paul E. Seybert. Sir Knights, we give you a hearty welcome. Please become an active participant.

We will have degree work this fall. All Sir Knights should mark their calendars, particularly those on the degree teams. Here are the dates: Chapter degrees (Mark, Past, Most Excellent Master; FRI/OAY, OCT. 7 at 6:00 p.m. Royal Arch INSPECTION, SATUROAY, OCT. 8 at 8:00 a.m. followed by COUNCIL OEGREES, lunch 12:30 p.m., finishing with Red Cross and Malta OROERS. Saturday, October 15 COMMANDERY INSPECTION on the Order of the Temple starting at 2:00 p.m. The ladies are invited to attend Saturday, October 15, as there will be a tea and entertainment for them

while the Order of the Temple inspection is taking place. Also, included will be a dinner at 5:30 p.m. (cost of dinner is yet to be determined), followed by an evening program for the Sir Knights, their ladies and friends.

Then, FRI/OAY, OCTOBER 21 will be LAOIES NIGHT. A special reservation form will be issued for this event.

There are some Knights whose dues are not current. If you have had some difficulty in paying, please advise our Recorder. We do not wish to lose you because of some stress in your present circumstances and certainly we do not wish to add to anyone's plight. So, contact the Recorder; he will have an attentive ear.

If you wish to touch beauty; touch a rose with your hand.

If you wish to touch eternity; touch a life with your love.

## Lodges And Taverns

The Mother Grand Lodge of the world was planned in one tavern and organized in another, and for many years continued to meet in first one tavern and then another. So also did the new Grand Lodges of Ireland and Scotland. As for the subordinate lodges, it was so universally the custom for them to meet in taverns that in the early engraved lists at lodges published by the Grand Lodge of England they are represented not by numbers, as they are now, but by pictures representing the signs of the tavern in which they met.

Modern Freemasons, who do not often consort in taverns, are sometimes shocked by these facts. It is easy to understand why. They think of a tavern as a bar, a saloon, a beer parlour, and therefore cannot even imagine a Grand Lodge or a lodge meeting in such places. Why did the Mother Grand Lodge meet in one? Why did it not find a room in some house more respectable?

The answer is that in those early days of the Craft the taverns, inns, and ale houses in the towns and cities were not "such places," but were among the most respected places in the community; and also often enough occupied the most splendid building which was furnished magnificently, and where the most exquisite ladies could go without embarrassment — Masonic Miscellanae.

## Brethren:

On Thursday, September 15, 1983 at 7:30 p.m., Olive Branch Lodge will meet with Oecatur Lodge No. 571 for the purpose of a lodge of instruction. The combined lodges will present the Fellowcraft Degree for the Assistant Grand Lecturer in the hall of Olive Branch Lodge. I hope all members of both lodges will attend, and an invitation is extended to any brothers who wish to join us to see this degree.

The year 1984 will be the 125th anniversary of our fraternity in the Poe area. This distinction will bring a year of special pride for one of the smallest lodges in the State of Indiana.

We started in a village called Middletown, Indiana, and were recommended by Wayne Lodge of Fort Wayne. Sol O. Bayless, then Grand Master, granted our dispensation on January 25, 1859. The lodges in Decatur and Monroeville were assisted in forming by transfers from our lodge. Most of our members lived on the Poe side of the St. Marys River, and in order to avoid having to cross the river during bad weather, and for various other reasons, the Lodge transferred its meeting place to the town of Poe on March 6, 1890. In 1897 St. Marys Chapter O.E.S. joined us at our hall.

It will soon be time to elect a new Master of this Lodge. Next year's Master will sit in the East and know that he is the pride of the fraternity and the end result of 125 years of Masonry in Olive Branch Lodge, F. & A.M. of Indiana.

## Greetings Brethren:

I hope each of you had a good summer, caught your limit of fish, had a bountiful garden and many of the other pleasures of summer.

June 21st supper was served to members and invited guests by Eastern Star ladies. Lots of good home made pies. Those who couldn't be there "tough luck".

Father Miller gave a good talk. His speech helped us to better understand John the Baptist.

We have practiced two times this summer in preparation for Lodge of Instruction.

We now have new nylon rope on our flag pole. So that "Old Glory" can fly. Many thanks to Brothers Clarence, I.B., and Carl for helping "raise" the rope.

## York Rite Masonry

Six reasons why a Mason should become a York Rite member.

I. The several York Rite Bodies offer you a grand opportunity to improve in every walk of life through the study and work in the progressively expanding light of pure Masonry.

II. They are the mightiest organizations in the world. They stand for the noblest principles in individual life and the highest standards of good government.

III. They constantly remind you to let your light so shine before men that they may see your good works and glorify your Father.

IV. The rituals present an advanced and liberal education to all members which brings forth their finest character and works to be shared without stint with one another.

V. They give you the richest of fraternal fellowship, peaceful freedom of mind and a deep understanding of character enabling you to live in harmony with God and with benefit to your country.

VI. They base all the teaching upon the fundamental truth, thereby adding greatly to your understanding of the symbolic significance of the first three degrees of Masonry.

## Unfinished World

The wisdom of God is shown in that He left the world unfinished that we might have the interest and delight in taking the "raw materials" and putting the world together. He left the oil in the trap rock, the aluminum in the clay, the paper in the pulp, the electricity in the clouds. He left the forest unfelled, the mountains unsurveyed, the canals undug, the tunnels unbored. He left the fields unplowed and unplanted. He left the music unwritten, the poetry undreamed and the dramas unplayed. He left inventions unapplied and cities unbuild. He left mind and character unperfected that we might really be the children of God - created in His own image with latent powers to take the "raw" materials and put the old world together.

## TURKEY RUN STATE PARK: The Power of Erosion

About 20,000 years ago, when the last ice sheet that covered west-central Indiana began to waste away rapidly at the end of the Ice Age, streams of meltwater cut through the ice, through the soft deposits under the ice, and into the sandstone bedrock below. Carrying abundant loads of sand and gravel that were effective cutting tools, these streams quickly eroded narrow, steep-walled canyons in the rock.

Sugar Creek cut the largest canyon in this area, but stream deposits formed

since the downcutting conceal many features formed by the running water. The Narrows, however, remains as visible evidence of the power of stream erosion. Lesser examples include the tributary canyons through which many of the trails run.

Look for potholes and the rounded cobbles that helped form them, along with scoured canyon walls and other evidence of stream erosion, as you walk through the scenic canyons of Turkey Run.

## Obedience To Law

One of the great landmarks is respect for, and obedience to the civil law, and the government of the country where a Mason resides. The landmark makes no distinction as to the kind or character of laws that should be respected or obeyed. It embraces all laws. Respect and obedience to all the laws of our country, great or small, popular or unpopular, are therefore attributes of a true Mason. Anyone who disagrees with this disagrees with the supreme law of Masonry.

All attending the banquet will also receive unique and valued gifts. Afterward an evening of hospitality and fellowship will be enjoyed at Hall's Guesthouse Motel.

Tickets for this enjoyable occasion are \$10.00 each and are available from all Home Lodge officers and at the Temple office. Obtain your ticket for a fine day of memorable fellowship and meet the visiting brothers. See you there.

The surest way to get children to eat is to take them to an expensive restaurant.

## SENIOR MASONS CLUB

Our monthly luncheon meeting will be on the first Monday, October 3, 12:00 o'clock noon for lunch, with the meeting following lunch. We had a good turnout at the September meeting, with 70 members present, plus our guest speaker. This is the largest turnout we have ever had. Our group keeps growing, and we like to see that.

The speaker at the September meeting was Bob Fox, Jr., who is presently the Thrice Potent Master of the Fort Wayne Valley Scottish Rite Lodge of Perfection. We went to thank Bob for taking time out of his busy schedule to be with us. He told of the aims for this year for the Scottish Rite, and how we can help.

At present we do not have a speaker for the October meeting, but I am sure that we will have one.

Several of our Brothers are on the disabled list, and we do hope they will be feeling better real soon, and be able to be back with us real soon. Several of the members will be heading for warmer climates real soon. We wish them a safe trip, and will be looking for them to be back with us real soon.

Once again, mark the next meeting on your calendar, October 3. Invite a brother to join in our group so that they can enjoy the great fellowship. I'm sure that they will enjoy it.

See all of you on October 3.

Brethren,

As autumn is now starting to show all its color and the weather has cooled off, now is the time to get out and enjoy yourself after one hot summer. We have degree work in October, so make one of the degrees an evening out.

I want to thank the Brethren who helped out for our Grand Lodge of Instruction this year, and to the Master and Officers of Waynedale Lodge for the hospitality we received. Congratulations go to Brother John Martindale who has been a mason for fifty years. Brother John received his 50 year pin at our September stated meeting. Congratulations John.

A date to keep in mind is December 19, 1983 - Family Night Dinner. See you in lodge.

Greetings Brethren:

At this writing, summer is over and fall is started with a promise of much more activity in the way of degree work.

We are coming off of a very busy month of September, four candidates for the entered apprentice degree and picking up two holdovers for the fellowcraft degree. Also had lodge of instruction on the Master Mason degree Sept. 16 with Grand Lodge Brother Rogers presiding and best of all the Homecoming Dinner on Sept. 30. Hope all of you who attended enjoyed the evening. Many thanks to the brethren who turned out to assist with the degree work. October promises to be busy also

as we have petitions out for investigation so there will be degree work for the month to keep the brethren busy. I would like to see as many of our newer members as possible getting involved in degree work as this is the thing that keeps the lodge active. So, all you sponsors, try to get them back in lodge as soon as you can.

The lodge extends its sympathy to the family and friends of Brother Andrew W. Fosnaugh who was summoned up by the Grand Architect of the Universe Aug. 23.

Remember - Each day of our life, we represent Masonry to the people around us.

See you in lodge.

Greetings Brethren:

The weather has finally changed, and the temperature has become a lot more comfortable.

Maumee's annual golf outing was held September 10 at Colonial Oaks. A special thanks goes out to Pat Taylor and Bob Beach for organizing this event. Their hard work was appreciated by all who attended that event.

Monday, September 12, was Lodge of Instruction for Maumee and Sol O. Bayless Lodges. This was a very beneficial event for the officers of both lodges. Instructions were given on the Master Mason Degree with Brother Robert A. Rogers, Assistant Grand Lecturer, giving the instruction.

Our most heartfelt sympathy goes out to the families and friends of Alton Burry and Louis C. Wilkens who were called to the Celestial Lodge above. Brother Burry on August 17, and Brother Wilkens on August 21.

As announced earlier this year, Maumee will have a Chili Supper on October 19 at 6:00 p.m. The supper will be prepared and served by the present line officers, with Brother Ben Harvill baking some of his delicious pies. The Fellow Craft degree will follow the supper. The degree work will be put on by Maumee Past Masters, organized by Past Master Tom Webb.

Another date to mark on your calendar is November 9. This will be the date for Maumee's annual Ladies Night. Be sure to mark the above dates on your calendar.

Degree work has started for September and there are petitions being investigated for October. Make an effort to attend Lodge. The officers are doing excellent ritual work, and there are two delicious dinners each month.

See everyone Wednesday.

Greetings Brethren:

As we come to the end of the summer season and enter into the fall, it is time to reap the harvest and so should we reap the fruits of Masonry.

At the time of this writing we have not as yet had our stated meeting but it appears that we won't be having any candidates for the month of October. However, that doesn't mean that we haven't been busy. On September 11th, myself and five other officers and one other member journeyed to Franklin, Indiana for the annual homecoming ceremonies. The day was quite educational and the fellowship was gratifying.

On September 12th we had our annual lodge of instruction and I would like again to take this opportunity to thank all of those who helped put on the work. Congratulations on a job well done. This was in conjunction with Maumee Lodge who served a good meal and also did a fine job in the degree work.

Since our last article, during the month of August we suffered the loss of another brother: Roscoe G. Shambaugh. Our condolences to his family and friends.

At this time we haven't received too many reservations for our annual bus trip to the Schofield House in Madison, Indiana. We will be leaving at 6:30 a.m. on Saturday, October 8th. This has always been an enjoyable and scenic trip and if you haven't made your reservation...

attendance at the kick-off Bean Supper and Stated Meeting following it was encouraging. A petition for Masonry was presented and an Investigating Committee was appointed. I hope it bears fruit and we have degree work during October.

The candidate we are putting through degree work the month of September shows much promise and I believe we will have another Master Mason by the time this is read.

Our trip to the Schotfield House and the Masonic Home on August 27 was enjoyed by all and we learned a little bit more about our Masonic Heritage. September 11 your Wardens and myself attended the Annual Pilgrimage to the Masonic Home and once again witnessed the benevolence and charity of this wonderful institution.

It is with a heavy heart I report to you the calling of Brother Joe McDowell by the Grand Architect of the Universe to his eternal rest September 7, 1983 and we will sorely miss his ever-helping hand in our labors. To his family and friends, our

prayers and deepest sympathy to help them thru this tragic time.

Don't forget our Stated Meeting on October 6 preceded by our Fellowship Dinner, starting promptly at 6:30 p.m., at which time we will welcome our Brothers who celebrate their Masonic Birthday during this month.

See you in Lodge.

Brothers:

My apologies to Brother Jack Ash, our Square and Compass Editor, and to all the rest of our Masonic Family for not having an article in last month's issue. Brother Jack called me about August 10th and reminded me of the 15th of the month deadline and he still did not receive an article from me.

Apathy — Apathy according to Webster's Dictionary means 1. lack of emotion, 2. lack of interest; listless condition; indifference. synonym's for apathy are impassiveness, lethargy, unconcern.

I am guilty of Apathy. I, as the elected and installed Worshipful Master of Home Lodge 342, F. and A.M. of Fort Wayne, Indiana, am guilty of - lack of interest, listless condition, indifference and unconcern for our Lodge. Not for the Masonic Fraternity, but for Home Lodge 342. It's a real shame and I am very sorry but it's the truth.

I joined Home Lodge in 1976. My father, Art Vonderau, was Senior Warden and raised me to the Sublime Degree of a Master Mason. He also raised me for the Grand Lodge of Instruction that year and for the Tri-State Reunion that Home Lodge hosted that year. Never was I more enthused about belonging to an

organization than when I joined Home Lodge in 1976. I served as acting Tyler most of that year and most of the year that my father was Worshipful Master. P.M. Jack Rice appointed me as Tyler in December of 1977 and I was installed as an officer with Jack Rice as Worshipful Master of Home Lodge. In September of 1978, Brother Rice chose to advance me to the chair of Senior Steward. I studied hard that fall and was even studying the Master Mason Historical lecture on the bus to the Tri-State Reunion.

Thru the following years I served as Junior Deacon in 1979 with P.M. Hollis Breese as W.M. 1980 I served as Senior Deacon with P.M. James Johnston as W.M. I was elected and served in 1981 as Junior Warden with P.M. Dave Ball as W.M. I was elected and served in 1982 as Senior Warden with P.M. Leonard "Bud" Woods as W.M. on December 7th of 1982. I was elected Worshipful Master of Home Lodge No. 342 and was really looking forward to being able to be installed on December 21, 1982 as another Worshipful Master of Home.

That's when my problem began. That's when I first saw the signs of Apathy begin to appear. Apathy is a disease. It starts small and left unchecked it will destroy. At the Annual Meeting in December of 1982, Home Lodge did not elect a Secretary of 1983. I have followed and have known many P.M.'s of Home Lodge and I wanted to be counted as a worthy companion of all the Past Master's of Home Lodge. I also knew that Home Lodge needs a good strong Secretary to keep the books and records. I made many calls to Grand Lodge and talked with Grand Lodge Secretary Roy Turner and made two trips to Grand Lodge in December to try to resolve the problem. I called Most Worshipful Master Tapper several times and even drove to Hammond to see him about our problem.

I called several other Grand Lodge officers and past Grand Masters of Indiana. I even thought and discussed resigning as Worshipful Master to fill the Secretary's position until someone could be found to do the duties and do them correctly. I called members of Home Lodge but could not find anyone to be Secretary. I appointed an Acting Secretary for January and assumed the duties of Secretary during February and March myself in violation of Grand Lodge rules. Apathy was really starting to get a good grip.

In April we had a change of elected officers when P.M. Art Vonderau resigned as Treasurer and was elected Secretary and P.M. James Johnston was elected Treasurer. Then I thought Apathy was stopped but it still slipped around to another place. In May some of us went to Grand Lodge. When we returned in June for our stated meeting, Apathy came with me. I've tried to control it — I've tried to stop it, but it's still there. I am guilty of — lack of interest, listless condition, indifference and unconcern for Home Lodge.

I've blamed our officers, our Past Masters and even you for my problem. I've blamed everyone and everything for my poor job of serving as Home Lodge's Worshipful Master. By being concerned with the vacancy of the Secretary's office, I have not done my job as Master of this Lodge. I called for a vote of

confidence in June and could not even get one person to vote. Our Secretary has stated that he will be living in Florida from December to April and will not be able to continue for another year. Brothers it's the month of September and December is only a short time away.

Our annual election is the first Tuesday in December (December 6th) and we need a full line of good, capable officers. I am asking for your help. I need your help to stop my Apathy. I want to get rid of my Apathy but I need your help.

Please send me a get well card or if you have the time, bring it to me and come visit me at Home Lodge No. 342 on October 4, 1983. Visiting hours are from 7 p.m. to 10:30 p.m. Hot coffee and cake will be served before you leave. Please come visit your sick Master. Apathy is eating me alive. I need your help.

## National Federated Craft, Craft 81 Fort Wayne

It really has been a long and busy summer for Craft 81. I want to thank all who voted for me at the election and for the help that was given at the Indiana State Convention here in Fort Wayne. Jon Vonderau as Indiana State Craft President and I as Indiana State Craft Secretary could not have served as State Officers at the Convention without all your help. With 117 people at the Convention we had twenty from Ohio, Kentucky and Virginia.

The National Convention in Oklahoma City is history now and Jon Vonderau from our own Craft 81 here in Fort Wayne is now National President until August 17, 1984. Charlotte, North Carolina has asked for the 1984 National Convention for August 14th thru the 17th.

The Indiana State Craft booth at the Annual Pilgrimage to the Masonic Home in Franklin, Indiana was well attended. This year we served canned pop and helped with the wheel chair duty for the hospital members. It was sure a lot nicer than the garbage detail of the previous year.

July, August and September meetings were again held at the Shrine Club. October 15th in Anderson, Indiana, Mt. Moriah Lodge is having a National Federated Craft day. Tickets are \$5.00 each and all non-Master Masons will be entertained after the meal. The Master Mason degree is to be conferred mostly by National Federated Craft members from all over Indiana. Remember, it's a craft function so wives, children and all guests are invited to participate.

The date for Craft 81's October meeting will be announced. Our regular meeting night, October 15th, is on the same night that Mt. Moriah Lodge in Anderson, Indiana is hosting the National Federated Craft Function. If you need a ride to any of the meetings, give a call and we will find transportation.

Fraternally,  
Arthur H. Vonderau  
President

## Just Beginning

A speaker said recently: "When I graduated from college with a law degree, I had studied all the legal theories in the books. As a matter of practice, however, I did not know how to file a simple \$5.00 lawsuit. I had only begun to study law."

The same is true of Masonry. No matter how many degrees you "take", you don't know Masonry until you study what it means and try to live it. Then only do you begin to fully appreciate the wisdom of the ages which is packed into the Masonic ritual and the Masonic lectures.

I did a favor yesterday,  
A kindly little deed ...  
And then I called to all the world  
To stop and look and heed,  
They stopped and looked and  
flattered me,  
In words I could not trust,  
And when the world had gone away  
My good deed turned to dust.

A very tiny courtesy  
I found to do today;  
'Twas quickly done, with none to see,  
And then I ran away ...  
But someone must have witnessed it  
For truly I declare -

As I sped back the stony path  
Roses were blooming there!

October is here with colored  
leaves and golden pumpkins, a little  
frost and red noses.

I hope you are all ready for fall and  
to return to chapter.

Our first meeting was on the 17th  
with a potluck supper at 6:30. Of  
course all our good cooks were out  
with their best dishes. If you weren't

there, you should be ashamed.

If this comes before Oct. 1, remember our smorgasbord and be there. It comes after, those that didn't come don't know what they missed in all that good food. Sister Ethel supervised everything.

Cheer Committee will meet Nov. 14 at the home of Sister Marjorie Wise. Other committees will be announced later.

Past Matrons and Past Patrons and their husbands and wives will meet Nov. 12, with Sister Nancy and David Addison, for a potluck dinner.

Illness In Families: The wife of Brother Delmar Green had a heart attack while in Michigan and we hope she'll soon be back home.

Death in Chapter: Brother Lawrence Warner, the husband of Sister Marie. Our deepest sympathy to sister Marie.

Alice Hansche Mortenson gives us  
the thought for this month:

ONE DAY AT A TIME

One day at a time! No sorrow so  
deep, But we can still follow the print  
of His feet.

For one single day, and it may be  
the last, Ere the journey is ended  
and finished our task.

One day at a time! Let us triumph  
o'er care, And prove in the valley  
that Jesus is there.

That others may find Him because  
our lights shine, As a witness for  
Jesus - one day at a time!

One day at a time, let us travel  
along. Often through shadows, but  
always with song;

The song of Redemption that rings  
in our ears, Dispelling the darkness  
and calming our fears.

One day at a time! We do not need  
more, Than strength for one day, for  
Christ goes before.

Marking our pathway with signs of  
His love, Making us ready for  
mansions above.

October is the month of Spooks,  
Ghosts, and little Goblins - and what  
a busy month it is. We are well on  
our way into our bush Fall and  
Winter calendar, and that's enough  
to scare anyone (maybe Carol and  
Arnie).

But first, let us tell you about our  
first meeting in September, when we  
initiated Brother John and Sister  
Eileen Goehinger. Be sure you add  
their names to your roster of

membership. We welcome them into  
our Chapter. Also, we renewed our  
obligation in a unique way planned  
by our Worthy Matron and led by our  
Worthy Patron. Also our chapter was  
draped for those of our members  
who entered the Kingdom of Heaven  
during the summer months.

On September 15, the Past Matrons and Past Patrons of our Chapter were honored with a delicious dinner. The theme of the evening was "The Apples of our Eye". Unfortunately at this writing I cannot tell you how many of our pasts were present, but there were a number of reservations for the dinner and we were happy to see our Sister Selma Schlaet, P.M., with us from Phoenix, Arizona, who has not been with us for a long time. Welcome back Selma; it was great to have you with us and we welcome you back again soon.

Also, our 50 year members were honored and it was hoped that all would be present to receive their 50 year pins from the Grand Chapter. These were presented by our own member, Clayton L. Herrick, Past Grand Patron of Indiana Grand Chapter. Those honored were Sisters Grace Hall; Maa Kaec, Cecil McClain, LaVon Foraman and Bessie Straub.

Our October 6 chapter meeting will honor the men of our chapter. They will present their own program this year, so be sure to attend - you know it's always more interesting when the men put on their own program. Also, we will initiate Mr. Vern Ward that evening. So plan to attend.

Our second meeting on October 20 is our Friends Night, so another big night is being planned. Hope to see you at both of these October meetings.

Again we call your attention to our Rainbow Harvest - Bazaar, Brunch-Lunch and Card Party, if you care to stay and play cards. It is being held on Saturday, October 22 at 10:30 a.m. Since this is planned during the daylight hours, we hope more will attend. See you all there. (Since the last Square and Compass was to jump out of bed and come for brunch, we now suggest you eat your breakfast first, and then come down as Brunch? Lunch is being served at 12 noon) Hope you are now preparing or making items for the bazaar. Juanita and Marguerite will welcome all items and contributions.

October Committee and Club Dates: Tues. Oct. 4, Program at Pat McKinney's.

Mon., Oct. 3 - Decorating. Millie Walker with Reathel Blue assisting.

Mon., Oct. 10 - Visiting at our Worthy Matron's home with the following hostesses: Merea Woodworth, Juanita Moore and Marguerite Arnos.

Tues., Oct. 11 - Past Matrons with Edythe Gordon, Glennys Schwartz assisting.

Tues., Oct. 18 - Non Pariel, with Mildred Rudaski, assisted by Luella Goller, Freda Matthis, Clara Bolyard and Irene Woodridge.

Mon., Oct. 24 - Social with Mildred Rudasky, Java Hayden assisting.

Buses will leave Northcrest at 1 p.m. and The Ramada Inn on SR 14 at 1:15 p.m. Expect to arrive at Castleton for shopping at 3 p.m., shop until 5:30 p.m. when you will again board buses to go to the Beet and Board for dinner at 6:30 p.m. Theatre to follow. You will have the pleasure of seeing "Funny Girl". Following the play, you will again board the buses and arrive back at Fort Wayne at approximately 1:00 a.m. Make reservations with Carol Schaefer. Her telephone number is

Great Grandparents: Lorene Bowen and Bea Bley.

We offer our congratulations to the new parents, grandparents; our heartfelt sympathy to those bereaved and our prayers for a speedy recovery for all who are ill. May God Bless!

We offer our Congratulations to Mary Garrison (Lyman) on their 50th wedding anniversary. May you have many, many more.

My thought for the month:

TRUST GOD! Proverbs 3:5. Trust in the Lord with all thine heart and lean not unto thine own understanding.

Lord God, it is easier to believe than to trust. One can believe planes fly, but not trust them enough to fly in one. In the realm of faith, help me to really trust You with my whole heart, to trust You for the big and little things ... My Lord, I trust.

God took a bit of sunset,  
Colors bright and rare,  
He took from the mountain a hazy blue

Gold from a maiden's hair,  
From the ocean came a ripple of jade  
From the rivers a misty gray,  
He blended them all together,  
And made an Autumn day.

Summer will soon be gone, and autumn for many is the most beautiful time of the year with the splendor of gold and scarlet and amber of all the trees foliage. We are awakened to the enthusiasm to tackle many outdoor and indoor jobs that need to be done before winter sets in.

I wish to thank all who came to the spaghetti supper; also all who helped and donated pies. Many thanks.

October will be a very busy month according to these dates: October 7, Past Matron and Past Petron night; the past Officers will give the work. We are honored to have the Worthy G. Matron Geneva L. October — Not only by the  
calendar can you tell what season  
we are in but you can tell by the  
smell in the air, the color of the  
leaves on the trees and on the  
ground — it is not the dying of  
summer but another glorious color  
scheme and aroma in Gods plan. We  
know we can trust in God for what  
we see therefore we can also trust  
in him for what we do not see.

One half of our year is over and  
we still have time to go — this time  
like all other times is a very good  
one if we but know what to do about  
it.

You can never do a kindness to  
soon, for you never know when it  
will be too late.

A "hello — and how are you" to  
those of you who are unable to  
attend our meetings by sickness or  
having moved away from our area,  
you are still in our thoughts and  
memories — if you can, drop us a  
line, we would love to hear from you.  
Our October calendar is as  
follows:

October 3 — Cheer meets at  
12:30 at Richards Restaurant at  
Times Corners.

October 10 — Regular meeting

October 20 — Ways and Means,

Hi,  
For Bethel No. 8 the month of Sep-  
tember has left as quickly as it came.  
It's hard to believe winter is right  
around the corner.

On August 13 we had a paper  
drive. It was a little hot and humid  
but in the end we seemed to do quite  
well with \$56.90. Thanks to all of you  
Master Masons and Eastern Stars

be having another one in October, so  
keep saving them.

### TUNNEL MILL: One of Indiana's Historic Water Mills

The ruins of Tunnel Mill, about a mile  
from Vernon in Jennings County, repre-  
sents one of literally hundreds of  
waterpowered gristmills that once oper-  
ated in Indiana. The 3½-story stone  
structure was completed in 1824 by  
Ebenezer Baldwin. The mill was first  
fitted for steampower, but later a dam  
was erected across Vernon Fork of  
Muscatatuck River and a 300-foot tunnel,  
which diverted water to the huge  
overshot wheel of the mill, was driven  
through a ridge. A short time later, the  
wheel was replaced by a turbine. In 1875  
the proprietors of Tunnel Mill were  
manufacturing various grades of wrapping  
paper from rags and straw besides  
grinding grain.

For many years the scenic site at Tunnel  
Mill was a favorite picnic spot for local  
people. Today geologists and rockhounds  
collect fossils from the famous Waldron  
Shale exposed in the old tunnel.

On September 7, we had our official visit from the Grand Guardian and Associate Grand Guardian. Before the meeting, we had a wonderful dinner that Willie Witmar prepared. Thank you - it was a delicious meal. I want to tell Leo Bethel No. 129, and my 8thel I think we all did a great job on our memory work for inspection; keep up the great work. And congratulations to our new member Dawn Bosch for joining our 8thel.

September 10, there was a picnic at Linda Lentz's house. Everyone had fun playing volleyball and roasting hot dogs over the bonfire. I would like to thank Mrs. Lentz for her hospitality; it was greatly appreciated.

On September 11, we traveled down to Franklin for the pilgrimage at the Indiana Masonic Home. Everyone that participated seemed to have a wonderful day. I want to thank Mrs. Kilgore and Mrs. Woods for taking the time to drive us there. September 16, 17 and 18 was Job-A-Rama at Camp Mack in Milford, Indiana. The weekend seemed to be filled with fun, lots of activities and not enough sleep. But as many of us say, "That's the best part of it".

Our next meeting is on September 21, which will be Past Guardians and Past Associate Guardians night. I hope many will be on the sidelines.

The first meeting in October is on the 5th. It's our stated meeting so I hope many of you will be there.

Well I guess that's all for this month. Don't forget to save those papers. Love to see you at the meetings.

## Masonry Gives!

I get fellowship with men whom I can respect and trust, men who believe in and practice the golden rule of life. I get inspiration to greater effort to attain to the highest ideals of relationship to my brother man, and of my responsibility to him. I get better understanding of my dependence upon and obligation to the Infinite, and peace of mind and soul in obedience to His Commands. I get opportunity to extend to my brothers a helping hand till they too see the Light and can teach others to build temples for the indwelling of the Most High. That's what I get out of Masonry, get it by putting into Masonry the best there is in me in service to my brother Mason and to brothers who have not knocked at the portals of Masonry.

truths exemplified in the degrees  
can never be suppressed. How  
fortunate we are to live in this great

## TODAY

Today is in the full bloom of life.  
The petals of yesterday have  
shriveled into the past and tomor-  
row is an unopened bud, a bud that  
may be blackened by the frosts of  
time. And in future is but a seed not  
yet planted — of unknown quantity.

But today — today is a gorgeous  
blossom of beauty and fragrance. It  
is yours — for today.

Today is a new page in the book  
of life. Upon it, and upon it only, can  
you write a record for your accom-  
plishments. It awaits your pen, but  
once turned, it is gone forever.

Yesterday is a page turned. You  
cannot add one line to it nor erase  
one word from it. It is closed forever  
and can affect the new page only as  
it has affected your heart and your  
courage. Your mistakes and fears of  
yesterday need not be carried for-  
ward in the ledger of life. The past  
holds no mortgage on today.

Today is a loaded gun — yester-  
day a spent bullet. Tomorrow is your  
target. On it will be recorded your  
aim of today.

Yesterday is gone, tomorrow  
unknown. But today — today is yours,  
an unmeasurable treasure house of  
golden opportunities, a sea of un-  
fathomed possibilities, a forest of  
budding prospects.

Today is the first clear note in  
your song of life. It is the color tube  
from which you will tint your future.

There are fourteen good working  
hours in today — and ten hours for  
thought and rest. No man has yet  
discovered the limit of accomplish-  
ments that may be crowded into  
them.

And they are yours — today.

## Memory Bank

Beauty is a gift from God but the  
appreciation of beauty is something  
of a personal achievement. What a  
wonderful gift beauty is! And it is  
ours - whether we are rich or poor -  
only for the accepting! Beauty is  
lavished on us - the soul-lifting  
beauty of a sunrise, a lovely flower,  
a self-respecting tree, a sun splash-  
ed pathway, a patient river, fluffy  
clouds luxuriating in a freshly  
washed sky, a kindly face, the  
softened shadows nightfalls paint,  
the stars - the list is endless. And  
it is free - to anyone who will take  
the trouble to enjoy it.

Emerson told us, "Never lose an  
opportunity of seeing anything that  
is beautiful, for beauty is God's  
handwriting - a wayside sacrament.  
Welcome it in every fair face, in  
every flower, and thank God for it as  
a cup of blessing."

No matter where you are, start  
now to become aware of beauty, the  
beauty you may not have noticed  
before. Try each day to make at  
least one vivid deposit in your  
memory bank. Save something for  
your old age besides money!

## Book Published On Black Fraternal Orders

There has been published an out-  
standing book entitled "A Documen-  
tary Account of Prince Hall and  
Other Black Fraternal Orders" which  
is the result of extensive research by  
three great Masonic scholars: Henry  
W. Coit, John M. Sherman and Harold  
V. B. Voorhis. All phases of the sub-  
ject are explored and the book has  
forty-three exhibits and a bibliog-  
raphy. For years there has been too  
much misinformation on this subject,  
but now we have an authentic book  
about the matter.

The Prince Hall Organization had  
an irregular start, engaged in impro-  
per items secured a charter under  
strange conditions, was stricken  
from the roll of regular lodges in  
1813, declared its independence  
later, and has existed outside the  
mainstream of Freemasonry. The  
campaign in recent years by the  
group to gain a degree of recognition  
makes this a vital book to be read at  
this time.

Available at \$10 a copy, from the  
Missouri Lodge of Research, P. D.  
Box 480, Fulton, MO 65251.

Dear Brethren:

Thursday, September 1, 1983, was another opening of our lodge for the year. We encourage your attendance at the future meetings for both inspiration and fellowship. We had several brethren attend the first stated meeting and hope for larger attendances. Please come.

Thought for the month is how to favor a positive influence in your life. When we negatively criticize our brothers, we create in them what is called "The Cold Prickles". When we positively praise our brothers, we create in them what is called "The Warm Frenzies". Criticizing is negative, and praising is positive - which is better? Obviously, praising is better because all of us naturally would rather be praised than criticized.

This sounds simple in writing, but I feel we all feel short in this area in the simple fact that we spend too much time criticizing - negative and unconstructive criticism.

Our lodge teaches us how we are to remind our brothers of their faults. This should be practiced in our everyday lives. Then when praise is due to an individual, no matter how simple the accomplishment, respond with strong praise.

Praise gives two rewards. First, you feel good because you made someone else happy, and second, the individual who is praised feels "The Warm Frenzies" and is happy. Therefore, practice positive actions in order to develop positive reactions.

Or the other hand, what does negative criticism create? Typically, the criticizer becomes unhappy because he made an individual unhappy and visa-versa; the individual is unhappy because of the criticizer. This creates a vicious circle of criticism - who can hurt the other the most. The result is "Cold Prickles", which develops rebellion and loss of enthusiasm.

This thought for the month sounds so simple, but we do talk short in this area and should simply remind ourselves of the importance of a positive influence. Remember how our lodge teaches us of positive criticism and

praise when each are due, and our reactions to the same.

As for Wednesday, Sept. 7, 1983, we had Lodge of Inspection. 12 members of our lodge were present and 8 members of Harlan Lodge also. We would especially like to thank Frank Laub of Concord Lodge and Norm Anders of Maumee Lodge, for taking time to help us this night.

On Saturday, Oct. 13, 1983, there will be a M.M. degree at 7:30 p.m. The breakfast will begin at 6:30 p.m. Hope to see you there.

On Dec. 1, 1983, there will be Past Masters Night and election of officers. There will also be a supper beginning at 6:30 p.m.

Brethren:

"Just as the commercial states, 'Listen to your scanner and stay in touch with the world.' This morning I heard about a member of our Lodge being transported to the hospital. Brother Ovee Harkless is in Lutheran Hospital, Fort Wayne. I talked to his wife, Marcella, and found Oava is now doing better.

Brother Sten Ouckowitz was a patient at Lutheran earlier and is now home recuperating. We hope to see both of these Brothers in Lodge soon.

By the time you read this, we will have had our Lodge of Instruction. Brother Rogers, our Assistant Grand Lecturer, will have visited and left his timely instructions with us. All of us will have benefited from his visit.

What makes any organization work? Ten per cent of the people doing 100 per cent of the work. It is the norm for 10 percent of the members to make all the decisions. Are the others, all 90 percent of them, content to have everything decided for them? It would seem so.

Our country and this Fraternity were founded by individuals with different ideas. They shaped these ideas into what are now known as the United States of America and The Free and Accepted Masons of the State of Indiana. In carrying on

the tradition of these founders, we now need more than 10 percent. For the survival of our country and our Fraternity, 100 percent participation is needed. All of us could be the "movers and shakers" of Fraternity and country if we so wanted.

WHAT THEN IS MASONRY?

It Masonry could answer this question, the answer would be:

I am rooted in the midst of antiquity and point to God and eternity. I am past, present and future, I belong to the ages.

I circle the globe and stand at the crossroads of the world. I am steeped in tradition and traced in the pages of history.

I have rites and words that have beauty and rhythm. I have knowledge, wisdom and secrets locked in my bosom which I give to man who come to me desiring me in their hearts. I place upon my altars the Holy Writ and turn to Oeity in prayer.

I hold a Square and Compass in my hands and contemplate a line from earth to heaven. I speculate with all tools of operative Masons. I translate their use into moral values and spiritual buildings.

I await all free men of lawful age and good report and solicit none. I admit them to their own tree will and accord and teach them brotherhood and unity. I make builders of man who are willing, and give them my tools that they may work.

I stoop to raise the fallen brother and cast out the unworthy. I walk in the way of charity and travel in peace and harmony. I render aid to the poor, the sick and the distressed. I answer the cry of the

orphans and sustain the widow and the aged.

I commit to the earth brethren who travel to that undiscovered country from whose bourne no traveler returns. I ponder at the moment on the ages of time as I stand at the door of eternity.

I am a way of life that teaches immortality. I raise men from darkness to light.

... This is Masonry.

## Masonry Today

Whatever may have been the origin or purpose of Masonry matters but little at this time. Whether in its primitive form it merely fulfilled the purpose of a trade union, or rising to a higher plane it taught the workmen that the tools with which they were wrought were endowed with symbolic significance in the building of character is, after all, of but little importance. The momentous question is what is Freemasonry today? The prehistoric age lies far behind us, never to return. The present is ours. So let us of today live and act by the Mesonic application of the tools of our art. By so doing we shall raise for ourselves an imperishable monument of virtue and morality. When this living present shall have become the dead and distant past, it is the desire of the true and loyal votaries of the Craft that the student of Masonic lore shall find in us an example worthy of imitation, and derive a new inspiration from the work we have done.

### Are You Tired?

We have run across some absolutely irrefutable statistics that show exactly why you are tired. And brother, it's no wonder you're tired either, Thara aren't as many people actually working as you may have thought, at least not according to the survey recently completed.

The population of this country is 200 million, 84 million over 60 years of age, which leaves 116 million to do the work. People under 20 years of age total 75 million, which leaves 41 million to do the work.

There are 22 million who are employed by the government, which leaves 19 million to do the work. Four million are in the Armed Forces, which leaves 15 million to do the work. Duct 14,800,000, the number in state and city offices, leaving 200,000 to do the work. There are 188,000 in hospitals, insane asylums etc, so that leaves 12,000 to do the work.

Now it may interest you to know that there are 11,998 people in jail, so that leaves just 2 people to carry the load. THAT'S YDU AND ME — and brother I'm getting tired of doing everything myself.

Tha Dhio Mason

### SENIOR MASONS CLUB

Our monthly luncheon meeting will be on the first Monday of November — the seventh — at 12:00 o'clock noon for lunch, with the meeting following lunch. We had a good turnout at the October meeting, with 65 present. Brother Hollis Breece gave a report on the Tri State Reunion that was held in Fort Wayne on October 1st.

Our speaker for the November meeting will be Jack Sutter, 33rd, the Executive Director, Allan County Plan Commission. Brother Jack is a Past Thrice Potent Master of the Fort Wayne Lodge of Perfection, and is now serving as the Treasurer of all of the Scottish Rite Bodies in Fort Wayne. I am sure that he will have something of interest for all of us. Let's have a good turnout for this meeting.

At our October meeting, President Grabler appointed a Nominating Committee to select Brothers to run for the officers of our group. I am sure that they will have a slate to present to us at our November meeting. You should be present to help select the officers for the year 1984.

We still have several Brothers on the disabled list, and we miss them very much. We do hope that they will improve very soon, and come back to our meetings. Also, some of our group will be heading to the warmer climes for the winter. We wish them a safe trip, and shall be awaiting their return once again next Spring.

So, before it slips your mind, why not mark your calendar for our next meeting, November 7. Bring along a Brother to enjoy the good food and fellowship that we all look forward to. Let's all of us spread the word. Don't keep it a secret. We shall be looking for you.

Franklin I. Bryan, Secretary

## FORT WAYNE SYMBOLIC LODGES

Plan to attend this event to honor our ladies. Tickets are available from all of the Maumee officers, or at the door the night of the banquet. Guests are welcome.

Maumee is very proud of Brothers Bob Anderson and Chet Marchant, who received their 33rd Degree in Scottish Rite this Fall in Milwaukee.

Degree work has started in October with the conferring of the Entered Apprentice Odegree upon two brothers. There are, also, petitions out for investigation. I would like to urge the Brethren to attend Lodge often. Good attendance is very impressive upon the candidates, as well as the officers doing Odegree work.

Secretary Charlie Taylor has sent out dues notices and has asked me to remind you that dues are payable in advance. Let's all take care of this obligation early to save Charlie extra work.

See you in Lodge.

Two petitioners for the degrees were elected at our stated meeting October 5. As you read this communication, we may assume that the degrees were conferred: EA October 12, FC, October 19, and MM October 26. We will have no degree work in November.

On Saturday, October 22, we held our annual Ladies &amp; Past Masters dinner, with our Past Masters and 50-year members and their wives, and widows of deceased members, as honored guests. A number of 25-year pins were presented. The Barbershop Octet, including Brother Bob Bier, provided melodious entertainment. Our "Stars" prepared and served the excellent meal.

## Lodge Calendar

Our agenda includes stated meetings Wednesday, November 2 and October 7. Election of officers will be held at the October meeting.

With a boost from the "Stars", we are nearing the goal set for our Parking Lot Fund. If you have overlooked it, please send your contribution now to Ron Harruff, Trustee, 7432 Pinedale Drive, Fort Wayne, Indiana 46819. (Check payable to the Lodge.)

On Saturday, October 1, our Fellowship Club and Waynedale Chapter No. 600 OES conducted a successful smorgasbord: kind of a big family get-together.

You have received your dues notice for 1984 (\$30 required, check payable to the Lodge). You may include in your check your voluntary donation to The Indiana Masonic Home and your subscription to THE INDIANA FREEMASON. Your early response will really help your Secretary!

We cherish the memory of two devoted brothers, J. Merle Rust, age 86, who died October 5; and Lawrence A. Warner, age 80, who died August 24. Brother Rust was raised May 8, 1945 in Roanoke Lodge No. 195 and affiliated with our Lodge

May 24, 1955. Brother Warner was raised Jan. 21, 1932 in Pennville Lodge No. 212, and affiliated Dec. 7, 1955.

Recently I have been re-reading Gibbon DECLINE AND FALL OF THE ROMAN EMPIRE. In Volume I, this gitted author points out that the basic principles of Christianity in the early centuries AO were often overlooked by leaders who emphasized ostentation, particularly in the building of magnificent edifices, rather than exemplifying the humbler virtues which were inculcated by our Savior and his earliest followers. In Masonry, do we follow a parallel course?

I think not. While we are proud of our Waynedale Masonic Temple, we members individually and as a group, do not overlook the basic principles of the order. We do strive to take good men and make them better men.

Come to Lodge and share Masonic inspiration and good fellowship!

The fall season and cool weather is finally upon us and reminds us to start planning for the coming year.

Plan to attend the November 3 stated meeting and the December 1 annual meeting for the election of officers. I hope you will give it some thought so you can vote wisely and elect the ones you would like to have as your officers for the coming year.

For the final time this year I am happy to report we have none of the Brethren lingering in the hospitals and none have been called by the Grand Architect of the Universe. Let us hope and pray this good fortune continues for a long time.

At our October 6 stated meeting we voted on and elected a petitioner for the degrees of Masonry and I hope by the time this is read we have another Master Mason amongst us.

Plan to attend the Fellowship Dinners preceding our November 3 meeting starting promptly at 6:30 p.m. and join with us in honoring our Brothers raised during the

Regrettably our trip to the Schofield House and the Masonic Home on October 8 had to be cancelled due to lack of reservations. However a trip to the Masonic Home was re-scheduled for October 30.

On September 24 about fifteen of the Fellowcraft members journeyed to Kendallville and assisted with degree work. An enjoyable time was had by all. More participation such as this shows the universality of Masonry. I also had the pleasure of visiting on September 28 the New Haven Lodge. This was very enjoyable for me to see the Past Masters of New Haven Lodge put on their work.

On October 17 we had a rusty nail degree and Fellowcraft Club meeting.

On October 3 we lost a 50 year member, Robert F. Smith. Our sympathy is extended to his relatives and many friends.

A date to reserve is November 19 which will be our annual Past

Brethren:  
"It's Getting No Better Fast" is the title of Past Grand Master Dwight L. Smith's article in The Indiana Freemason, October, 1983, issue on page 10. In the upper left hand corner of that page it also says "one man's view."

I am going to change that to "two men's view" by agreeing and by also

giving my view of "It's Getting No Better Fast." If you have not read the article, please do so. If you do not have the article, please let me know and I'll send you a copy myself.

To quote Past Grand Master Dwight L. Smith, "Now, my Brother, you are a Master Mason. There is much more to learn, and you can find it if you scratch for yourself. You're on your own now. We have no more time to spend on you, so run along and let us get on to the next candidate."

This quote can also be changed to read, "Worshipful Master" Instead of "Master Mason." As previously mentioned, I have been an officer of Home Lodge 342 F.&A.M. since 1978. Never have I felt so insecure about the teaching of Freemasonry. Never have I felt such a loss as I do now since January of 1976, when I entered, was passed and raised in a whirl wind of memorization and confusion. I have over seven years, through the working of the different portions of the officers responsibilities, tried to learn what was presented to me in that one month. One thing that I have learned is "a Master Mason - does not a Worshipful Master make."

The Past Masters Degree that is given to all newly elected Worshipful Masters in Indiana should begin as soon as a man becomes a Master Mason. To quote Brother Smith's article again, "The answer, as one distinguished Masonic scholar wrote to me, is, our methods are not adequate even today, nor have they been for years past. I am sorry to have to say so; another eminent Brother writes, 'but I think at least four out of five newly made Masons know nothing whatever of the basic teachings of Masonry, never find out what Masonry really has to offer, are not told what Masonry expects, and certainly not instructed as to their place and responsibilities in society.' If that be true of the newly made Mason, then what of the older Brother whose enthusiasm has long since cooled? ... also applies to our Worshipful Masters. How many Past Masters, either of our own 'Home Lodge' or any other Lodge, can say that I am very happy to be a Past Master? I had a very good year as Worshipful Master and I am still active with my Lodge and I am giving of my time to make my Lodge a better place to be? Not very many from what I can see.

If our leaders, and I do include me, do not have proper training, then how can they properly lead? I have studied and learned more from the "Indiana Blue Book of Masonic Law" this year than I had all the years previously. This year was not too late, but almost. How much better the Lodge and I would have been had I prepared to be a Worshipful Master.

I had thought at least twice of resigning as Worshipful Master of Home Lodge this year. The first time was to be elected as Secretary to fill that most important position of keeping the records and minutes of the Lodge correct. The second time was (several of these) out of just plain frustration.

The first answer came when there was an election and installation in April for the vacant positions of Lodge Treasurer and Lodge Secretary. The second answer came from the strength of my father who is now Secretary. Watching my father go through his own frustrations trying to get the minutes correct for this year and the Lodge records for the past number of years correct, gave me strength.

When I would get really upset, Pop would listen and tell me to just be patient and everything would come out okay. When I wrote the article for the October issue of Square and Compass, I was also considering transferring from Home

Lodge as soon as a new Worshipful Master was installed.

The concern, comments and discussions with me from dozens of Brothers and their wives since that time have again changed my mind. Home Lodge accepted my petition and made me a Master Mason. If I was not prepared to become a Worshipful Master, then the fault is mine and also that of Home Lodge. I am going to do everything within my knowledge to prepare all future Worshipful Masters to be Worshipful Masters. As my father gave "good counsel in the ear of an erring Brother, and remind him of his faults in the most tender manner" so I shall also.

With love for the fraternity,  
Jon P. Vonderau  
Worshipful Master

P.S. Master Mason Degree, second Tuesday of November, November 8, 1983. Open at 5:30, eat at 6:30. Resume at 7:30. Come see the second and last candidate to be raised in Home Lodge this year. The officers know the work. Come give yourself and the Lodge the support that is needed.

#### Greetings Brethren:

At the time of this message we will be having degree work on all degrees in October and November. Summit City is closing out the last half of the year with work for all who wish to join in the degree work for these new brothers coming into lodge. Come to lodge and help make these nights memorable ones for the candidates.

The Grand Lodge Committee on Masonic Education is holding the Grand Masters Regional Conference in the ballroom Friday, November 18 at 7:30 p.m. Plan to attend and meet our Grand Master Robert R. Stevens. Refreshments will be served and the meeting will adjourn about 9:30 p.m.

We will be having Entered Apprentice degree November 11th and the Fellowcraft degree is planned for Saturday, November 19 with a pancake and sausage breakfast at 7:00 a.m. and lodge at 8:00 a.m.

Congratulations to our four brothers who were raised to the sublime degree of Master Masons in September, brothers Robert Bishir, Thomas Platt, Steven Redding and Gary Stebbins and may the teach-

ings of the degrees stay with them all the days of their lives.

Had a letter from Brother Harold Van Voorst saying he has been promoted and transferred to Cincinnati, Ohio.

The lodge extends its sympathies to the families and friends of Brothers Walter Altevogt and George Parks who were called up by the Supreme Architect of the Universe in September.

Brethren, there is no place like lodge for good fellowship and an enjoyable evening along with the satisfaction of watching or participating in the degree work. Join us in this great and good work.

See you in lodge.

Brethren: Sorry that I missed last month's issue. Time has a way of flying.

We had a very good report from Grand Lodge on our Lodge of Instruction. It was held on September 13 and was on the Fellow Craft. Home Lodge 342 and Wayne Lodge 25 also took part in the degree work. Your officers that were there did a good job as did the other officers from each lodge. I enjoyed working with these two lodges.

By the time you read this our Ladies night will be over. I hope that I will be able to report next month that it was a success.

It will soon be time for us to be paying our dues. I say this just as a reminder.

We will be thinking of our officers for the coming year also. I wish that all members that are here in Fort Wayne would make an effort to attend lodge and vote on these officers. It's your lodge so take an interest.

our members will reach milestones in their lives. On November 29 Sister Opal Perkins will celebrate her 100th birthday. She has been a member of Eastern Star for 72 years, having joined Stroh Chapter in 1911 later affiliating with Shiloh. Sister Opal served as Worthy Matron of Stroh Chapter in 1929. She enjoys good health and is an active member of the Past Matrons Club.

On November 22, Sister Edna Erickson will have been a member of Shiloh for 70 years. In 1913, Amanda Parks was W.M., Woodrow Wilson was President of the United States, and Sister Edna had just begun her career as a school teacher. She tells us that she used her first paycheck to join the Eastern Star.

Both of these special ladies have served the Eastern Star with love for many years, and we extend our very best wishes to each of them.

November - the month of Thanksgiving - is here, so let us all be thankful for Edith Feeley Denend's

#### Another Oay

Another day be it sad or gay,  
God's greatest gift is each new day.  
Why were we chosen, allowed to stay  
Upon this earth for another day?

Another chance to see our friends,  
Another chance to make amends,  
Another chance to see the sun,  
Truly we're lucky for we have won another day!

The golden moments quickly fly;  
Oh what joy! What a beautiful sky!  
Or maybe it's raining, that's lovely too;  
It helps bring the fruit of the earth to you.

Let's show Him we're thankful for this new day, Spread love and joy along our way: Give alms to the poor and visit the sick, Don't waste one minute, life goes so quick.

Now that the shadows of night are falling, And the birds to their mates have ceased their calling; Might it not be appropriate to say, Thank you, dear Lord, just for this day?

Yes, let us give thanks unto the

Lord and "Celebrate Life One Day at a Time."

October was a busy month and at our first meeting, our Annual Men's Night, with the help of their ladies outdid themselves this year. It was great that our men put on their own entertainment again. I think we all appreciate more the talents of our own members.

A quartet comprised of Brothers Frank Bidlack, Dick Munk, Harvey VanGuten and Ooug Lary, sang "Coney Island Babe" and an old version of "Amazing Grace." Brother George Miliczky tickled the ivories with "Oozy Fingers" and "Falling Leaves." Again Brother Jim Walker gave us one of his own poems about "Ladies of His Life and How they have litted him up." Brother Clayton Herrick (attired in old "ragbag" clothes and a wig of long white hair and beard) read "Those Geriatric Blues." Poor ole fellow could hardly walk - all stooped over and leaning on a cane for support.

Brother Arnie Moore hosted the evening and planned the program and also announced all parts of the program, which he closed by singing "When Day is Oone and Shadows Fall, I think of You." We shall think of this men's night for a long time. The men, attired in their red vests, served us beef stroganoff, slaw, sliced tomatoes, and garlic toast. Quite a feast, but we all enjoyed it. (Thanks Juanita) and also (Thanks to "Dottie Smith for the sliced tomatoes). Again, Thank you Fellows for the Great Night - It was Super!

Our second meeting in October was our Friends Night and I'm sure our friends and guests thought they were forgotten. Following the stated meeting and officers' retiring march, the surprise arrived - The Rainbow Express - with Oick Munk in his railroad attire. (You just had to don them one more time didn't you Dick?) not only engineered but conducted the train to Camp Friendship. All guest officers and special guests boarded the train, so to speak, along with presiding matrons and patrons riding in the caboose. Everyone joined in singing parodies to songs furnished and the program was enjoyed with everyone participating. Of course Camp Friendship was the scene of refreshments and renewing old friendships. A good time was had by all and Fort Wayne Chapter extended a warm welcome and extended the hand of friendship to all who attended.

Our first meeting in November (the 3rd) will be Honor Night, when all of our members who have had grand chapter appointments thru the years will be honored and we will celebrate our 65th birthday. Hope you all will join us on this special occasion. And of course, on Nov. 17, we will celebrate Thanksgiving. So, See you in Chapter.

Life is like the seasons  
Each one it changes bring.  
A fertile seed takes root and grows  
Thus youth is like the spring  
Maturity comes in Summer  
As we work and play and sing.  
In the fall we gather harvest  
From the deeds we sowed, and then,  
Alas to soon it's Winter  
And our eyes have grown quite dim.  
Have faith no need to worry  
Tis not the end of everything  
For our souls will be returned again  
To Heaven, where God is King.

Louis Guenther

Here it is November already. 1983 is fast drawing to a close.

As you know November is the month to be especially thankful for all we have. For good health, plenty to eat, loving family, and many, many friends. For our chapter end close associates.

Our smorgasbord was a big success. We could have had more help. The ones that did was able to get every thing finished, with a lot of hard work.

November 7th will be our friends night and hope you will all be there. Sister Ethel Sklenar our grand representative was in Michigan to attend their Grand Chapter.

We were all saddened at our last meeting as it was the last meeting

for our Adah point, Sister Sue Hammer. Her husband has been transferred and she will be living in Chesterton, Indiana. A few tears were shed, and we will miss her very much.

Illness in Chapter: Brother Frank Eddington had surgery. Sister Elaine Pathery fell and broke her foot.

Illness in Family: Son of Alan and Meredith Poorman had surgery. Wife of Delmar Green is back in hospital here in Fort Wayne. Grandson of Fred and Thelma Bledsoe had surgery.

Happy Thanksgiving to all of you, and don't eat to much turkey end pumpkin pie.

"No worthy fight is won  
Without the rank and file to see it done,  
Great tasks demand that back of those who lead,  
Stand many helpers eager with their deed,  
Pledged to service in a work well planned,  
Alert to follow those who give command."

If you haven't been attending Chapter, just think of all the fraternal love, friendship, smiles and fond memories you are missing. Come sit with us and plan with us. Just to see your happy smile, makes it all worthwhile.

We wish to thank everyone that attended the Mason, O.E.S. Fish Fry on Sept. 23. It was a delicious and the food was delicious. A special thank-you goes to the DeMolay and Job's Oeughters who helped. They worked very hard. We couldn't have done such a good job without their helping hands.

On Oct. 11 we had our regular stated meeting. A lively discussion was held on membership. If you wish to give your opinion on this end many other matters, attend Chapter, so we can hear your views.

Many of our officers have been visiting other Chapters on Friends Nights and bringing back reports of the wonderful times they have had making new friends and greeting old.

## He's My Brother

The story is told of a young preacher in a southern state (Texas, no doubt), who, upon leaving the home of an ailing parishioner, found his shiny new eight-cylinder convertible surrounded by a group of admiring neighborhood boys. Said one, "Mister, I'll bet this car cost a million dollars." "Not quite," said the minister. "You see, I'm a preacher and I couldn't possibly afford to buy a car like this, but my brother owns a

lot of oil wells and he gave it to me." The boy said, "Ge... (now you're entitled to acquire the boy saying, "I wish I had a brother like that," but you'd be wrong.) The boy said, "I wish I could be a brother like that."

In my Masonic experience I learned the difference between "having a brother" and "being a brother." When I first became a Mason, I thought I had gained the protection of my new brothers, who would be ready at all times to aid and assist me. If I got in trouble, a brother would raise me. If I fell, a brother would raise me. I would be warned of imminent danger. I was in good hands, well insured.

Later on (one of the few benefits of growing older is growing wiser), I discovered that I had misinterpreted the lessons taught me. Freemasonry is not a mutual benefit society, a safety net, a rescue mission. My role should be that of the protector, not the protected. I should be responsible for the welfare of others, not a welfare recipient. I should be responsible for my own conduct as a Mason, a citizen, and an individual. The difference between having a brother and being a brother became abundantly clear.

The vagaries of life are such that a Mason may need a helping hand. At that moment, there will be aid, support, and relief from every side. "He's not heavy, he's my brother." Freemasonry has always answered "Yes" to the age-old question, "Am I my brother's keeper?"

But I believe a Mason's primary assignment is to be a benefactor of mankind, not one of its beneficiaries. Two thousand years ago, a great Teacher said it quite simply.

It is more blessed to give than to receive.

Ralph H. Head  
California Freemason

## A New Member Speaks

I see you at the meetings but you never say hello;

You're busy all the time with the men you now already know.

I sit among the fellows, still I am a lonely guy;

The new ones sit there with me while you quickly pass us by.

But, gosh you guys have asked us in and you talked of fellowship;

You could just step across the room but you've never made the trip.

Why can't you nod and say hello, or stop and shake my hand.

Then go and join our other

friends?

Now, that I'd understand.

I'll be at our next meeting, too, on

that you can depend.

So, won't you introduce yourself?

I want to be a friend!

The leaves are now turning color and fall is in the air. We had so much going last month (September) that this month has slowed down.

Our meeting of September 21 was Past Guardians and Past Associate Guardians night. The sidelines were fairly full and we were all happy to see all the Past Guardians and Past Associate Guardians.

On October 4 we visited Bethel No. 123 New Haven. With us we took along "Strawberry & Creme", the mascot for the Region No. 8 area. We had a very good visit, and we're happy to see that New Haven is growing and we hope they come and visit us real soon.

October 5 was our Stated Meeting. There were many absent, but in all it went really well. I would like to remind the officers when you are going to be absent from a meeting PLEASE give the Bethel enough consideration to call before, so we have pro-tems to fill the vacant offices. Thank you!

Our next meeting is on October 19, which is Friends night. I hope Bethel No. 123 New Haven, Bethel No. 60 Auburn, Bethel No. 129 Leo, and Bethel No. 102 Columbia City will be able to attend.

October 30, Sara Boardman, the Region No. 8 Chairman will be having a hayride for the area, at Mary Ross's home. Hope to see everyone there.

That's all for this month. Hope to see you at the meetings. God Bless.

## Masonry And Changing Times

We hear much these days about various schools of thought and changing times. Some go as far as to say that our beloved Freemasonry must make certain changes in its teachings in order to make them applicable to present day standards of living. How ridiculous! From the time of our ancient brethren right up to the present day, Masonry has sought to instill into the hearts and minds of its members a philosophy of right living.

It is just as wrong today to cheat, wrong or defraud a brother (or anyone else, for that matter) as it was a thousand years ago. Masonry teaches the same brand of faith in God as it did back in the early years of the establishment of our Fraternity. Changing times have nothing to do with the laws which govern the right way of living with our fellow-men.

Occasionally we hear that a certain brother has made the rash statement that Masonry is all the religion he needs; that as far as he is concerned, churches are not necessary. On the other hand, certain religious groups claim that Masonry should be suppressed or even wiped completely out of existence, because it is trying to take the place of the church in its dealings with mankind.

How utterly foolish are both of the foregoing statements. We all know that church matters are not for lodge halls and Masonic functioning is not for churches. It would be impossible for Masonry to supplant the church, nor can the church perform the vital functions of Masonry, but both have much in common. There is no reason why a good Mason cannot at the same time be a true and loyal churchman; and a good churchman, one who obeys our laws of Christianity, should make a good Mason. One of the many teachings both have in common is that life is a game of give and take, and that we have been placed into this world to help others.

As Masons we are taught that to give and take fairly and squarely is the order of this life. When we minister to another's needs, there is a higher power that will remember us in our needs. Should we stoop so low as to treat our fellows unfairly

or dishonestly, we may rest assured that we will be accorded the same treatment.

This is the lesson mankind must learn the world over. The time has come when the learning cannot be postponed. Those who give their Masonry a chance, through study and exemplification, will surely receive in measure multiplied and running over, something for every good thing put into life.

## What We Give Our Children

There is a sentence from an unnamed source which says, "We have been so anxious to give our children what we DID NOT have that we have neglected to give them what we DID have." This brings many questions to mind: What is it that children, young people, REALLY want? Among them are love, confidence, encouragement — someone to talk to, someone to listen; standards, guidelines, laws to live by. They don't want to be left foot-loose in life. They need upright examples, leaders, the faith and assurance of responsible people. They need to know that God lives, that there IS a future FOREVER, with rules of happiness, causes and consequences; that the commandments are still in force, and that these things they can count on. They need to know that the body, the mind, are sacred gifts of God — the most marvelous instruments on earth — and that it is utter, stupid foolishness to do anything or use anything that would impair the clear, clean functioning of the body and mind and spirit of man. Young people need to be accountable to responsible parents, to responsible people, who expect MUCH of them, and let them know that for every inattention they (as all of us) will be called to account — that there is NO WAY to bypass the laws of life. They need leaders with moral standards and conviction, who don't fumble along with a looseness and permissiveness that can lead to the tragedies of life. Parents who wisely love their children will help them early to learn these lessons of life. Oh, let us give our children what we DO have — let us give them ourselves — a righteous example, work to do, a sense of responsibility, a reason for facing facts, a witness of the everlasting things of life — so that it cannot be said, "We have been so anxious to give our children what we DIDN'T have that we have neglected to give them what we DID have."

## Good Old Days?

Bothered by the frequent coffee breaks and other interruptions in the modern workday, the veteran plumber said, "Back in the days when I was taught my trade, we never did any of this goldbricking. After we'd install two lengths of pipe, our foremen would turn on the water and if we couldn't keep ahead of it, we'd get tired."

## What Does A Mason Do?

As a member of the Masonic fraternity, a Mason is oath-bound to build his character with the same care that the ancient stonemasons constructed the great cathedrals centuries ago.

But quality of character is not enough for a Mason. He believes in practicing his beliefs.

The 3 1/2 million Masons in the United States give over \$1,250,000.00 to charity every day. That's over \$450,000,000.00 a year!

Masons support hospitals for the severely burned and crippled children, clinics for youngsters with speech disorders, and research projects to find the causes of mental illness.

Masonic groups also give aid to those who need eye operations and they provide retirement homes for needy members of the fraternity and their wives and widows.

What does a Mason do? He works at building a better world for all of us.

## Greetings Brethren:

September 21 was monthly bean supper end education night. Brothers Charles Smith and Rich Reichart served us supper. Brothers Dean Served and I.B. Marquart provided us with a good education program. We divided into three groups and were given questions on Masonry. I think we all learned something from it.

On October 5 at our stated meeting reports were given by our investigating committee on a petitioner. The committee gave a fine report. This committee is very important in any lodge and shouldn't be handled lightly.

On October 12 et c called meeting the work of the E.A. degree was put on by officers and brethren of the lodge. The solemnity and importance of this first degree was conveyed to the candidate by the officers. My thanks to the many sideliners in attendance for their silence and bearing during this degree.

## Wise Words From The Past

A century and more ago the phrase "welfare state" was not known. But the philosophy it describes was — and had been all through recorded history. And some of the greatest Americans warned tellingly against its dangers.

For instance, Abraham Lincoln said: "The legitimate object of government is to do for a community of people whatever they need to have done, but cannot do at all, or cannot so well do for themselves, in their separate and individual capacities. In all that people can individually do as well for themselves, government ought not to interfere.

Then, long before that, Thomas Jefferson expressed the same philosophy in other words: "I place economy among the first and most important virtues, and public debt as the greatest of dangers to be feared. To preserve our independence, we must make our choice between economy and liberty or profusion and servitude. If we run

into such debts, we must be taxed in our meat and drink, in our necessities and our comforts, in our labors and in our amusements. If we can prevent the government from wasting the labors of the people, under the pretense of caring for them, they will be happy."

## The Letter "G"

He entered the Lodge and filled each chair,  
Was sent to the East and presented there.

He could give the Lecture of each Degree,  
But fell down on the letter "G".  
Though he said each head must "in honor bow",

Yet out of the Lodge, he forgot,  
For him his careless and prayerless lip,  
The name Jehovah would of times slip, somehow.

He recited the Lecture with solemn tone,  
When the letter "G" to the Lodge was shown.

But we knew at once why the world did scoff,  
When we hear this man with his Apron off.

The Fellowcraft, too, when the Lodge was through,  
Listened as you and I would do,  
But the Work, though finely exemplified,

Was spoiled by his talk in the room outside.  
For no one did as the Master had said,

Not a "humble bow" from a single head,  
So the Fellowcraft thought as he said good night,  
"I will talk es before and 'twill be alright".

If Masonry does what we claim for it,  
We should guard our tongues lest we forget.

To use that great High Name with care  
While employed at work or engaged in prayer.

For the world is watching both you and me,

To see if we honor the letter "G".  
And our lives and teachings they compare,

To see if we're plumb on the square.

## Strangers

A wise man has said: "here lies the tragedy of our race - not that men are poor, all men know some-

thing of poverty; not that men are wicked, who can claim to be good, not that men are ignorant, who can boast that he is wise - but that men are strangers."

One of the finest tenets of Free masonry, taught in every line of its rituals, found in every precept of the Cratts, and constitutions one of the fundamental principles of the fraternity, is that men should know each other and cease to be strangers. Thus Freemasonry seeks to "conciliate true friendship among those who might otherwise have remained at a perpetual distance."

Yet we may attach a deeper significance to men really knowing one another than is to be found in acquaintances, and value them as friends and brothers, yet they are strangers to us unless we are in tune with their ideals, their aspirations and their views - not necessarily in accord with them, but with a broad and sympathetic tolerance and respect for their viewpoints. More than mere tolerance is required - to know a man we must be able to see with his eyes, judge with his views as we do our own.

Here lies the factor that keeps up strangers to each other. Whether it be in business, religion, politics or in any of the varied activities of life, we find it difficult to concede to others what we demand for ourselves, the right to exercise freedom of thought and action. Nations engage in wars, races persecute each other and individuals quarrel because they do not know each other. We determine in our own minds what is right and what is wrong and then seek to force our conclusions upon our fellow creatures.

This is a mission of the institution of Freemasonry - to make men know each other, understand, respect and sympathize with their fellow creatures.

### If Lincoln Lived Today

Too much easy living is not good  
for anyone. Character is developed  
by enduring and overcoming hard-  
ships; by the determination to  
ignore handicaps; by perseverance  
in striving to produce results the  
hard way.

Had Abraham Lincoln been living  
today, the Rotary Club would supply  
him with a set of books; and Lions  
Club with a good reading lamp; the  
Cosmopolitan Club with writing  
equipment; the Kiwanis Club with a  
wooden floor for the cabin. He would  
have the protection of the child labor  
insurance. A kindly philanthropist  
would send him to college with a  
scholarship. Incidentally a case  
worker would see that his father  
received a monthly check from the  
county. He would receive a subsidy  
for rail splitting; another one for  
raising a crop he was going to raise  
anyway, and still another subsidy for  
not raising a crop he had no inten-  
tion of raising.

Results: There would have been  
no Abraham Lincoln.

### SENIOR MASONS CLUB

Our monthly luncheon meeting  
will be on the first Monday in  
December, the fifth, at 12:00 o'clock  
noon for lunch, with the meeting  
following lunch. We had a good turn-  
out in November, with 64 present.

We would like to take this oppor-  
tunity to thank Brother Jack Sutter  
again, for taking time out of his busy  
schedule to be with us at our  
November meeting.

We will not have a speaker at our  
December meeting as this is our  
annual meeting. We will be electing  
and selecting our officers for the  
new year of 1984. With the yearly  
reports from the Secretary-  
Treasurer, and any other business  
that might come up, would make a  
lengthy meeting.

The nominating committee did  
present somewhat of a slate of  
officers for 1984. So why not be  
present at the December meeting to  
vote on the candidate of your  
choice. (That is better than missing  
the meeting and then complaining  
all year about the officers).

Right now, before you forget it,  
mark your calendar for our Decem-  
ber 5th meeting. Invite a Brother to  
come along with you. He will be glad  
that you did. All of us enjoy the good  
food and the fellowship. Let's all  
spread the word. Do not keep it a  
secret about our group of Brothers.

May I take this opportunity to  
wish all the Brothers a Very Merry  
Christmas, and may the New Year  
bring you good health and much  
happiness.

Mark your calendar — Monday,  
December 5 — Heritage House —  
12:00 o'clock noon. See you there.

### The Man Who Counts Most

It is not the critic who counts; not  
the man who points out how the  
strong man stumbled or where the  
door of a deed could have done  
better. The credit belongs to the  
man who is actually in the arena,  
whose face is marred by dust and  
sweat and blood, who strives val-  
iantly, who errs and comes short  
again and again because there is no  
effort without error and shortcom-  
ing. It is the man who does actually  
strive to do the deeds who knows  
the great enthusiasm, the great  
devotions, who spends himself in a  
worthy cause, who at the best  
knows in the end the triumph of  
high achievement, and who at the  
worst if he fails while daring greatly,  
so that his place shall never be with  
those cold and timid souls who  
know neither victory nor defeat.

Greetings Brethren:

How fast this year has passed! It seems like such a short time ago that I was worried about writing my first article for the Square &amp; Compass. Now, I'm worried about this last one.

Being Master of Maumee has been a very rewarding experience. I would like to thank all of the Brethren for their support they have shown throughout this year.

Congratulations are in order for Donald Dutton and John Sadler, who were raised to the Sublime Degree of Master Mason on October 26. I would like to welcome these Brothers into Maumee Lodge. I hope they come to Lodge regularly to participate in the work. I would, also, like to welcome Ed Ramsey into Maumee Lodge. Brother Ed received Honorary membership into Maumee. He has had three of his sons raised to Master Mason this year. Maumee is very proud to have this family in its membership.

Ladies night, which was held November 9, was a great success. Attendance was very good, and the Banquet and entertainment was enjoyed by all. My wife, Ruth, organized this event and did an excellent job. My thanks to Ruth.

Brother Walter Stout has asked me to announce his Installation. Installation of Officers for 1984 will be held December 30, 1983 at 7:00 p.m. in the Lodge room. A reception will follow in the Ballroom. The public is invited. Past Master Clyde Hobbs of Richmond, Indiana will be the Installing Officer; Past Master Alfred Edwards, Marshall; Past Master Dan Morgan, Chaplain; and Past Master Win Rood, Acting Secretary. I urge all of the Brethren to attend Installation to give Brother Walt a hearty welcome as Worshipful Master for 1984.

I would, again, like to thank all of the Past Master and Brethren for their support in making 1983 the greatest year of my life.

There is degree work for December and January. Contact one of the lodge officers for opening times.

In closing, I would like to wish everyone a very Merry Christmas and a safe and Prosperous New Year.

See you in Lodge.

Brethren:

My year as Master is fast coming to a close. Looking back I am proud of some things that were done, but can see things I wish I had done. One again I would like to thank the members of New Light for this great honor. As Master, it was my pleasure to add two new members to our lodge. These members are now members also of Scottish Rite. It is good to see brothers who take an interest in Masonry.

At this time, I would like to urge all members of New Light to attend the Dec. 10 meeting, as we will be electing new officers for 1984.

Our Ladies night was a success. The meal was very good and everyone had a good time. I thank every one who attended.

Our 1984 dues are now due, so please make an effort to attend in Dec. and bring your dues. Hope to see you all in Lodge. We need your support.

Brethren:

It is hard for me to believe how rapidly this year has passed. It has been a very interesting and rewarding experience that I will cherish forever. I deeply appreciate the trust the brethren have shown in electing me as Master and the honor of serving this great lodge as Master for 1983. I wish to express my deepest thanks and gratitude to the brethren, Past Masters and officers for their attendance and support throughout the year and I promise my support for the new officers who will be serving next year and will try to make their year as satisfying to them as this one has been for me.

Remember, the stated meeting Dec. 2 will be election of officers for 1984. Jan. 6 has been chosen for installation of officers and an announcement of the time will be in the January Square &amp; Compass.

A reminder to all Past Masters. Past Masters degree will be on Friday, Dec. 16 with registration starting at 3:00 p.m.

We have petitions out for investigation and should be having work on all three degrees. As the newspapers are not publishing the Masonic calendar, I will set up probable times for the degrees. EA degree, 4:30 p.m. with 8:00 a.m. at

6:15 p.m. Dec. 9, FC degree, Saturday, Dec. 17, 8:00 a.m. with pancake and sausage breakfast at 7:00 a.m. and MM degree, 3:30 p.m., Dec. 23 with dinner at 6:15 p.m. Try to attend and make these days memorable ones for the candidates.

Congratulations to our newest Master Masons Bros. Isaac White, Douglas Laslie and Wilbur Babcock II, who were raised to the sublime degree in Oct. May their Masonic life be a long and rewarding experience.

The lodge extends its condolences to the families and friends of Brothers Carl W. Meyer and John M. Butler, who were called by the Supreme Architect of the Universe in October.

Once again, a sincere and heartfelt thanks to all who have helped make this such a memorable year for me.

Have a Merry Christmas and a Happy New Year.

Final thought for the year: May we live our daily lives so as to be living testimonials for the good effects of Masonry.

See you in lodge.

Greetings Brethren:

The sands of time are running out and my year as your Worshipful Master is fast drawing to a close. I have had some memorable experiences that I will always cherish plus a few disappointments that make me appreciate the former that much more. I would like to give my heartfelt thanks to all the Brethren that gave so freely of themselves to assist me in performing the duties of this Lodge.

I am sorry to inform you that since my last communication, three of our Brothers have been called by the Grand Architect of the Universe

Brethren,

As I close out my last month as Master and remember back six years ago when I was asked to start in the line as Junior Steward, there are a lot of thoughts going through my mind. I remember the first one well. I could never make it through the Masters chair.

Brethren, there are a lot of people responsible for my having made it. Without their help, believe me, I could have never done it. I want to thank each and everyone responsible for the help and support I have received the past six years.

Remember our Stated Meeting December 12, with election of officers for 1984. Show your support by being at this meeting.

Also, our Family Night Dinner is December 19, 6:30 p.m. See you in Lodge.

Here it is the morning of the 15th and I've forgotten to write another article. When you Brothers read this in the first part of December, you'll

have just enough time to get ready for our stated meeting December 6. I'm really sorry that the year has not been a better year for Home Lodge. I know from the conversation with the brothers from Home and other Lodges that this is not the first year that a Lodge has had a less than fully productive year or that the Worshipful Master has felt like his year was a less than satisfactory showing for the principals of Masonry.

I've said it before and I'll say it again and again. If an officer is not helped by the Brothers to prepare himself for an office before he fills the office, then he certainly cannot do what some may expect him to do. There is more to being an officer than just being there all or part of the time and learning all or part of the work and responsibilities of that office during a particular year.

Hind sight is not better than foresight. A person needs to use whatever teachings he has to prepare himself for the tomorrows and learn from the yesterday's of his life. If he is fortunate to be able to view others, then he should learn from their ways also.

The time needed or given to fill an office with Home Lodge increases correspondingly with the desire to properly fill the duties of that office, the responsibilities of that office and the position of the office itself. Each office in Home Lodge carries many more duties and responsibilities than what the title reveals. We do not have a more or less important position when we are Worshipful Master or Tyler or Steward or any other office. What a person has is not a once a month or once a week office. When a Brother is an officer in a Masonic Lodge he has a several hour a day, everyday job, if he is to fill that job properly.

Each office takes more time as the duties, responsibilities and position increase towards the position in the East, that of being Worshipful Master for the year.

When the Worshipful Master "set the Craft to work and give them good and wholesome instruction for their labor", then he should know what the work and instructions are. The Honor of being a Worshipful Master is great, the responsibilities are even greater. The time to do a good job of leading the Craft is an everyday job and the time to do a great job is an all day, every day job.

Let's all help practice the teachings that inspired us all to want to become a Mason and to be a Mason. A chain is not as strong as the weakest link but is as weak as the weakest link. If a weak link is detected then it should not be used or it should be strengthened or replaced. Strength adds to strength and does not take from each other.

Come to Lodge. Be the strong link, the strength, that is needed to help Masonry continue to grow. Come out for supper on December 6 at 6:30 p.m. Stated meeting begins at 7:30 p.m. Election of officers for 1984 - Worshipful Master, Senior Warden, Junior Warden, Treasurer and Secretary for 1-year. Trustee for 3 years. Get your reservations to J.W. Herman Grabler at 424-8575 or S.Q. Jack Kreider at 483-1003 before 9 p.m. on Sunday, December 4 for supper. No reservations needed for the stated meeting because it is your Lodge and your duty to elect the officers for 1984.

Thanks to P.M. Jim T. Peters for his help on the funeral services again this year. Thanks to P.M. Lloyd Bouillion for the Masonic education and all his help thru the various lectures.

Thanks to P.M. Hollis Breece, Chairman of the Tri-State Committee. Hollis had help, but I still think he did over 90 percent of the work by himself.

Thanks to P.M. James Farras, Chairman of the Masonic Home

committee for all his efforts. Thanks to all the Brothers who helped with all their efforts throughout the year. Thanks to all you Brothers who have paid your dues and helped keep Home Lodge alive and healthy and a Special Thanks to our Secretary, my father, Art Vonderau, for all the hundreds and thousands of hours of work and effort to bring the records of Home Lodge to today's present condition. The records are as near to being 100 percent correct as they have been in years. Enjoy your retirement in Florida Pop, you've earned it.

Remember, December 6, Supper 6:30. Call Herman at 424-8575 or Jack at 483-1003.

With love for the Fraternity.

Season Greetings Brethren:

The year is quickly coming to a close and this will be the last article that I will be writing as Master of Sol D. Bayless. The year has gone by quickly and lots of things have happened since that first article.

On November 18 the officers attended an informative Regional Conference on Masonic Education held at the Temple by the Grand Master, Robert R. Stevens.

On November 19 we had our Past Masters and Awards night. It was an enjoyable evening and our congratulations to Robert Squires, our Master Mason of the year.

Our next stated meeting will be held on December 5 and we will be voting on three petitions; two by transfer and one for degree. We also will be having the annual election of officers for 1984. I know this is a busy time of year, but please try to attend.

We extend our sympathy to the families and friends of brothers Harley B. Burchard and Lawrence J. Schubert who were called by the Supreme Architect of the universe during the month of November.

I would like to take this opportunity to extend a heartfelt thanks to my officers for all their supportive help during the past year. I also want to wish all the best to the new officers in 1984.

And last but not least to all the members and their families, Merry Christmas and a Happy and Prosperous New Year!

See you in lodge.

As my year in the East draws to a close, I recall with gratitude the loyal assistance of our officers and trustees and many other devoted brothers.

Participation in ritual and in the more mundane matters of Temple maintenance and improvement have been rendered particularly by Past Masters James Mitchell, Wayne Mitchell, Raymond Sipe, Roger Sipe, Mark Sherwin, Stu Trainer, and Bill Winans; by honorary members Bruno Babutski, Ed Newman, Kan Marti, Carl Montz, and Murray Petty (who has "filled in" when needed so many times!); and by brothers Ron Harfurr, Chuck Briggs, Hamar Mann, Alan Huddleston, Wally Brown, Glen Stebing, Ernest Statter, and Oveis Lane. We thank brothers Clayton Herrick, Bill Jordan, and Jack Magnify for their timely assistance. Special thanks go to Olick Moore for taking care of refreshments in the absence of our Junior Warden, Frank Morton, who attended classes on Wednesday nights.

Our appreciation goes also to Wayndale Chapter No. 600 O.E.S. for their cooperation all year, especially to Ethel Sklar and her loyal helpers who made our dinners so successful.

During the year we welcomed into our ranks new members: Brothers Barry Wayne Grant and Reginald Charles Parkison (raised to the sublime degree October 26), and Forrest R. Ourham, Ronald S. Oivina, Keith O. Thompson, Francis X. Tucker, and Leo E. Hillard. We mourned the loss by death of brothers Frederick M. Osmun, Lawrence A. Werner, J. Merle Rust, and Robert F. Gilland.

Robert Fielder Gilland died October 22. He was raised October 16, 1959 in Home Lodge No. 342, and affiliated June 3, 1970. He will be remembered when we observe, in the Temple facade, a metal plaque inscribed with the name of our Lodge, donated by him in 1970.

At our Ladies and Past Masters dinner October 22 (attended by 90 persons), was presented 25 year pins to brothers John Womack, P.M., Lloyd Griffin, Jr., James (Bill) Shaw, Fred Raichle, Oan Magnuson, Richard Fisher, P.M., and Clayton Yoquelet. At subsequent meetings, we presented the 25 year pin to brothers Harold Guyot, Owen Wada,

To other brethren whom our secretary notified of their eligibility for the 25 year pin: please come to any meeting to receive, or ask us to mail, your pin.

On Friday, November 18, our Lodge will be represented at the Regional Conference on Masonic Education by our five elected officers, our Senior Deacon, and Wayne Mitchell, chairman of our education committee.

Please mark these dates on your own calendar:

Wednesday, December 7, 7:30 p.m., stated meeting, election of officers, annual reports.

## Hopeful Signs

There are many hopeful signs which would indicate an upward sweep in an important end essential part of Masonry.

What we have reference to is of far greater importance than numerical gains. It has to do with the increased interest in Masonic Education.

More Masons are eager to learn about the history, the philosophy and the teachings of Freemasonry.

There is also an increased interest in Masonic literature. Many brothers are seeking the deeper meaning of Masonry by reading the thoughts of those who have devoted years of study and research to Masonry.

There is reason to be hopeful. There is also the fact that much more remains to be done.

There must not be a transitory surge of interest which occupies our attention for only a moment. It must be a continuing, enduring and increasing force.

Masonry is a "teaching institution." It always has been, and its strength is in the well-informed Mason.

The lodge which uses every available opportunity to teach Masonry will reap the fruits of its efforts now and in the years to come.

Greetings as we begin this joyous month. I hope everyone had a very happy Thanksgiving. At our November meeting, we were honored by the presence of our Sister Opal Perkins, and joined in celebrating her 100th birthday. Following the meeting, we had birthday cake, ootie end punch. Also at this meeting Brother Jack Burson was elected to the office of Associate Patron and will be installed at the December meeting. On November 18, the Past Matrons Club helped Sister Opal celebrate her birthday with a card shower at their annual installation dinner. Sister Opal is a member of the Past Matrons Club and regularly attends the meetings.

The All-Committee Christmas party will be December 3 at 12:30 p.m. in the ballroom. It will be a luncheon with all committee members invited to attend. This is the first time the Christmas party has been held during the day, and we hope most people will find it more convenient. Instead of a \$2.00 gift exchange, we are asking that each person bring \$2.00 for the food bank, that we might help those less fortunate than us have a happy holiday.

At our December meeting we will celebrate Christmas together, before we go our separate ways to celebrate with our families. Remember, we only have one meeting in December now.

We were pleased to learn that the sister of one of our members, Virgil Smith, has been chosen Associate Grand Conductress of the South Dakota Grand Chapter. Her name is Norma R. Koch.

It went ahead of them until it stopped over the place where the child was. They went into the house, and when they saw the child with his mother Mary, they knelt down and worshipped him. They brought out their gifts of gold, frankincense, and myrrh, and presented them to him." Matthew 2:9-11, Good News Bible.

Several years ago, I discovered this Christmas wish. Unfortunately, the author is unknown.

"I have tried hard to think of a Christmas gift I could send to all of you. This would be an impossibility in itself. Instead, I send a wish to you. I wish for you a special Christmas tree this year. I hope for you that it will be a tall and straight tree with boughs outstretched to shelter you this coming year. Trim it with love. Surround it with faith. The Christmas tree that I want for each of you has a bright and shining star at the very top. It will shine through the darkness around you and bring hope to the world as it did so many years ago in Bethlehem. May its radiance in the days ahead flood your heart. Under this tree there shall be presents for each of you. One is a package filled with memories. These are of special people, of special times and of other Christmas seasons from the past. And while memories may call for you to weep, it is a time for holding the head a little higher and for making yourself go on when you'd rather not. There is yet another package under this tree for you. It is filled with peace. Share that one with the world. For to settle for less is to make mockery of the words "Peace on Earth, good will toward men". And indeed, peace is the foundation upon which the tree I wish for you shall stand. Included in my wish for you is that this tree will be a part of all the good times that will be yours this season, helping to make this Christmas the merriest of all. And I wish for each of you a very happy Christmas day."

The Christmas gifts that mean the most,  
The ones that happiness brings,  
Are something of yourself ...  
The best are made of simple things.

For seasons come and seasons go,  
The months and days hurry past,  
But we can give the thoughtful things ...

The simple things that last and last!  
On November 7, Waynedale Chapter held its Friend's Night. Our

MERRY CHRISTMAS AND  
HAPPY NEW YEAR

May the Spirit of Christmas with its Peace,  
The Joy of Christmas with its Hope,  
The Glory of Christmas with its Love,  
Be with you always.

On behalf of our Worthy Matron, Sister Millie Clark, and our Worthy Patron, Brother William Juddkins, we wish everyone a Blessed Christmas and a Glorious New Year.

Our December 13 chapter meeting will be our Christmas meeting when we will be entertained by the Staroliers.

Our December 27 stated meeting will not be held. This meeting must go by default, due to this date being the Feast of St. John's. (No women can be present in the Masonic Temple after 3:00 p.m. on that date.)

The All-Committee Christmas party will be held on Wednesday evening, December 7th, at 6:30 p.m. in the Ballroom. Officers of working committees will be hosting the party. Price of the dinner is \$3.75 and reservations should be made by December 1 with Lucille Zurbrugg 485-8036 or Ahlein Oliver 489-9144. Cancellation deadline is December 5. Menu will include Chicken with Rice, Peas and Pearl Onions, and Ice Cream Torte. There will be a \$2.00 gift exchange and the program will be "The Story of Twelve Nights Before Christmas". Spouses and guests are invited; all reservations should be made by above deadline.

A glorious "Let's Go Hawaiian" Friend's Night was hosted by Star of the East on October 25. Our vouchers for the evening were color-

ful. All invited guest officers, our own officers and sideliners were requested to dress Hawaiian. The colors were beautiful in the Aloha shirts, ladies' mums, etc.

Throughout the evening, our organist, Sister Georgianna Juddkins, played various Hawaiian songs on the piano or on the marimba. The playing of the marimba was beautiful during the various marches. Sister Georgianna is a very accomplished musician. Her playing of "Now is the Hour" on the marimba was very memorable.

Our choir sang a Hawaiian friendship song, with the melody of "The Hawaiian Wedding Song" to all guests. The Starolier choir is directed by Sister Lucille Zurbrugg, who wrote the words for the Hawaiian friendship song. We always enjoy their fine music.

The various jingles read to each guest officer were composed by our own poet, Conductress Maggie Winkler.

Following the close of chapter, we were entertained in the ballroom by the Shrine Masquers. As always, they were superb. They thrilled us with a medley of Hawaiian songs; also "Tie a Yellow Ribbon", "Sunny Side of the Street" and "Red River Valley" were real favorites of the crowd. During the Hawaiian song medley, Past Matron Carol Munk guided across the floor doing a fine hula dance.

The Hawaiian theme was carried out in the chapter room and ballroom. A sumptuous salad bar with lots of pineapple dishes and many good things to eat was enjoyed.

We say thank you to Sister Millie, Brother Bill and the various Star of the East committees who created a thoroughly enjoyable end memorable Friend's Night.

November 8th was our Honor Adahs and Honor Side Liners Night. Our Worthy Matron gave a lovely reading "No Impossible Dream" immediately after the opening of chapter. Sister Margaret Stoltz, our present Adah, beautifully narrated the story of Adah. The name Adah means Beauty and Ornament. She was presented with a lovely Adah doll by W.M. Sister Millie Clark. All present and past Adahs were escorted to the West facing East. Each introduced herself and told the year they served and the Worthy Matron. They were each presented a blue candle with holder. Sideliners were then acknowledged and honored by our Worthy Matron. Each was presented a large red apple by Sister Jen Fiohr, Assoc. Cond., and Sister Maggie Winkler, Conductress.

Christmas Eve

"Tis the night before Christmas — The house is now still Just a few moments before the noise was quite shrill.

The tree is all trimmed end packages galore are piled like snowdrifts on the living room floor.

Each year the pile grows bigger end bigger, But each year we manage to reach a new figure, Now it seems the work is done for the night so we sit back end enjoy the familiar sight. As far back as all of us can remember,

The same scene takes place every December.

The clock ticks on, the great day is near And old Santa Claus will soon be here The children are in bed end probably dreaming of the Christmas tree, its lights brightly gleaming. Completely exhausted from staying up late. They turned in with protest that they just couldn't wait.

Now that we're ready for the break of dawn We head for our beds with a weary yawn, The house is now dark except for one light — a candle that burns throughout the night A beacon that flickers so soft and so mild Placed in the window to guide the Christ Child Good night to all now, pleasant dreams while you may It is just a few hours till the gladsome day.

Christmas is more than a day et the end of the year, It is the birthday of our Savior, Christmas is really Gods pattern for living, to be followed each day by unselfish giving. Then Peace on earth will come to stay When we live Christmas every day.

"For unto us a child is born To us a son is given". And to the earth on Christmas Morn God sent his gift from Heaven. "The government shall be upon His shoulders," strong to bear The burdens of mankind since dawn Of time and all its care. "His name was wonderful to be." The name of Matchless worth, For unto him would every knee Of men be bowed on earth. "Counselor, The mighty God, The everlasting Father" of All children of the common sod Who bring to him their Peace. "The Prince of peace," all hall to him, Who was born in a cattle stall, Now reigns on high, mid seraphim The Sovereigns Lord of all.

How time does fly - here we are on the brink of another holiday season (having just celebrated Thanksgiving and giving thanks for all our blessings) and we enter the month of December with a song in our hearts and love to share while we celebrate the birthday of the Christ Child, our Lord and Saviour.

The Gifts We Give At Christmas Time

D. J. Feulhaber  
The gifts we give at Christmas time Add beauty to our lives

If we but choose them carefully As Christmas Day arrives ...

The gifts I speak of aren't the kind We purchase at the store And wrap so very carefully

With tags marked 'from' end 'for'. The cost of all these special gifts?

The price may be quite high And yet we won't be billed for them When Christmas Time goes by ...

For these are gifts we never choose From racks, displays and shelves . These things we each must gather up From deep within ourselves ...

Rich gifts of kindness, thoughtfulness Unselfishness end Love

That bring the joy once promised By a Star that shone above!

Just a little bit of what happened at our Nov. 3 meeting when all members of Chapter who have had or still have appointments from Grand Chapter. It would take several pages the way Sister Carol remembered all appointments that

have been received, but enjoyed, although many put many long hours of work and traveled extensively for the good of the Order. In the West, chairs were set up in the shape of "65" (our anniversary). Those who had received appointments were escorted to sit in the chairs and substitutes were escorted for those who are no longer with us. Those members still left on the sidelines said it was a pretty sight to see and the program was enjoyed. Sister Carol had put a lot of thought into the program. Besides telling of the many appointments our members have received, she also reminisced a bit and told that the first altar cloth was made and donated by the late sister and Past Matron, Norian Birely. Our 25th anniversary was held at the Y.M.C.A. and then members proceeded to the temple for initiation. The first meeting held in the new Temple was on Nov. 5, 1925. The conductresses never knew where to set up Chapter until they arrived and found out what room had been assigned. Then they proceeded to cart all the paraphernalia to that room from the storage room. (My aren't we fortunate today to have the Colonial Room for our use.) Then there was the inspection when it came time for the flag ceremony - lo! and behold there was no American Flag. The proper officers were sent to get a flag, and then there was a long wait and a sister was sent to look for them. They had the flag, but couldn't find a standard to put it in. Then there was the story of the missing band-aid lost in the dressing at a Past Matrons dinner. And, there were many more interesting tales told.

Sister Carol then said that "we came tonight (Nov. 3) after 65 years to celebrate our own Chapter and I pray that the love you have for Christ is in your hearts tonight, as we celebrate this anniversary." The officers and members then were escorted to form a circle around those making up the "65" and Carol sang Blue Birds of Happiness.

"May the peace that comes with Christ's salvation for you rest in your hearts this night as we are reminded that without Him this Order would never be."

"To remind you of His Star which we have seen in the East and to help with your holiday celebrations we give you a remembrance of His love with this white candle and Holly wreath. In this '65' surrounded by the circle everyone is represented, not only those with higher appointments but each committee, officers and sidelines without whom we could not function. It takes everyone to build our Chapter."

May we all remember how much we have to thank our Lord for and thank Him now and daily."

Then our Worthy Matron asked everyone to join her in thanks and she sang "Thanks for the Memories" (with appropriate words to celebrate this anniversary).

List of members who have received Grand Chapter appointments. Orves Dellinger, Color Bearer at Grand Chapter; Lorene Bowen, District Deputy; Margaret Buchhaupt, District Deputy; Marie Cleub Goodrich, District Deputy; Clela Dellinger, District Deputy; Ethyl Williamson Moler, District Deputy; Alberta Laramore Hickman, Grand Representative to North Dakota; Arthur Bowers, Peach Garden Committee, then later to the Jurisprudence Comm.; Helen Herrick, Grand Page, District Deputy and Grand Representative to Texas in Ind.; Del Proctor, 2 years on the Audit and Inventory Committee and then on the Knight Templar Eye Foundation comm.; Clayton Herrick, Grand Sentinel, Grand Marshall, Grand Chaplain, elected to Assoc. Grand Petron and then Worthy Grand Patron in 1965. These five years were busy ones not only for Brother Clayton,

but for our Chapter as well. Since that year, Brother Clayton has served on a Grand Chapter committee every year, the most rewarding were the six years on the Jurisprudence Comm. Sister Marguerite Kennerdell, Most Worthy Grand Matron of General Grand Chapter, having noticed the many years he had served on Jurisprudence in Indiana, appointed Bro. Clayton to serve a three year term on the Jurisprudence Comm. for General Grand Chapter. The other committees he has served on are too numerous to mention.

Sister Vera Hayden, Grand Representative to Pennsylvania Grand Chapter in Indiana. Irene Lytle Sewell, Dinner Comm. for General Grand Chapter and a page at the 1966 Grand Chapter session for Sister Sallie and Brother Clayton. Helen Howard, Committee on Arrangements; Leon Williams, Publicity Committee for Grand Chapter; Lucille Mumaugh Proctor, Grand Organist; Jerry Cook, Membership Study Committee; Reathel Blue, District Deputy, Registration Comm. for Gen Grand Chapter; Edythe Gordon, District Deputy, Membership Study Comm., Division Chairmen Area 3 of the Star Lite Comm. Clifford Gordon, Badges Comm. for Gen Grand Chapter, District Membership Study Comm.; Duane Watson, Grand Usher; Juanita Moore, Grand Representative to Arizona in Indiana; Carol Munk, District Deputy, Grand Ruth, Court-essy Committee.

We congratulate all of these sisters and brothers for bringing these honors to our Chapter.

Our November 17 meeting was dedicated to Thanksgiving, the meeting was not lengthy, and a social time was enjoyed by all on the mezzanine following chapter.

We are about to celebrate the birthday of our Lord. In the celebration, let us not forget that it is HIS birthday. If we have been placing too much emphasis on commercialism, let us remember how little He had, yet how much He has given the world. May we live so that we reflect His love as a mirror gives off light. This would be a true gift to The One Who gave us Our Star in the East.

An impressive Ceremony was held on October 28. We wish to welcome our new Sojourners who are: Ola Buckmaster, Karen Blank, Steve Winkler, Virginia Marahens, and our affiliated member Mildred Mullen. We hope they will attend meetings often and participate in the work of Faith Shrine.

Dec. 9 Shrine will be voting for a new Worthy Guide since our Worthy Guide has resigned.

December 9, Stated meeting honoring appointive officers.

Dec. 14, All Committee Christmas Party which will be a 6:00 p.m. dinner. There will be a \$2.00 gift exchange.

Dec. 23, Stated Meeting, Christmas celebration and a \$2.00 gift exchange.

What gifts would I give to you today?

It I could I think I'd say  
A fire of applewood,  
A well worn book of poetry.  
The loving look of someone very dear,

A bird's note sweet and clear.  
The scent of clover and when the day is over

Moonlight through an open door  
With shadows on a polished floor.  
And music at the evening's end.

A prayer, deep sleep and a quiet waking  
In the stirred hush of a red dawn's breaking.

These things have made my life so good  
Today I'd send them to you, my friend

## The Most Desirable

Some folks argue that a Mason is a Mason so long as he pays his dues; that nothing else matters. Also a cow is a cow, but the one that delivers the most lactated fluid without kicking the milk pail over is the most desirable critter. The Mason who does something for Masonry without immediate personal gain is likewise the most desirable Mason.

The Christmas Season will soon be upon us with all the tinsel and glittering decorations aglow. Perhaps you will have a blazing star on top of your tree commemorating the star which appeared to guide the Wise Men of the East to the place of our Saviour's nativity.

John (the Baptist) bore witness of Him and cried out saying, "This was He of whom I said, 'He who comes after me is preferred before me, for He was before me.'" And of His fullness we have all received, and grace for grace. For the law was given through Moses, but grace and truth came through Jesus Christ.

## A Mason Must Play A Dual Role

When one is made a Master Mason he immediately assumes a dual role. He is an individual as before, but he is also obligated to present in his life all that Masonry has placed in his care.

The wearer of the square and compasses is forever expected to so live that the principles and teachings of Freemasonry will be unmistakably interpreted to the world.

We cannot avoid the idle criticism hurled by the ignorant, nor can we achieve perfection. But it is our profound duty to so live and act that nothing we do will reflect harm to our ancient and honorable Fraternity.

We should not want to present to the world an "image." It should be our purpose to present to the world through our lives the truth of Masonic principles and teachings. Many times the question is asked - "What can the Mason tell the non-Mason about Masonry?"

Nothing that we can say to the non-Mason will be more effective than the actual living of Masonry by Masons.

We are bound by duty, honor and gratitude to be faithful to our trust. The Ohio Mason

## There's Nothing Secret About Freemasonry

It may come as a surprise to some that there's nothing secret about Freemasonry. But it's true.

The 3 1/2 million Masons in the United States are not members of a secret society. Masonic Temples are more often than not prominent landmarks in most communities.

Although many Masons do not talk much about their membership in the fraternity, this has nothing to do with secrecy. Masons prefer to demonstrate their beliefs by the example they set with their lives.

Like other fraternities, the Masons have "secrets" . . . words and symbols that bind them together in the world's oldest and largest fraternal order.

At a time when many men feel isolated and alone, the Masonic fraternity offers men of good character the opportunity to share their ideals and aspirations with each other. We're proud to make no secret of that.

October 19, regular stated meeting and Bean Supper. During the meeting we called the lodge at ease and invited our new E.A. into the lodge room. The Mentor committee explained some of the symbols and lectures he saw and heard during his degree. I believe everyone in attendance came away better informed.

November 2, regular stated meeting. This evening was spent in forming our plans for Widows Night.

November 7 Widows and Family Night. A delicious dinner was served by the Eastern Star ladies. We introduced officers and honored guests. After a time musical program we honored Brother Robert J. Hartman with a 25 year pin. We surprised our Secretary, Brother I. B. Marquart. We gave him a hand carved plaque in recognition of his 20 years of faithful and excellent service as secretary and mentor to our lodge.

We honored each Masonic widow present with a single red rose. We reminded the Brethren to help all widows they applying to us. We remembered all widows unable to attend because of illness by signing and sending them cards. My thanks to all the Brethren and wives in attendance who helped make this a meaningful evening.

### A Lesson To Learn

We are living in days that bring concern to every intellectually and morally alert individual.

What is the relevance of Freemasonry to such a day?

We are part of a world that pretends that it is one world, but which lacks the principle of unity by which it can live up to its pretensions.

It is a day of terrific tensions.

We are warned that we are engaged in a conflict of economic ideologies, with capitalism and communism engaged in a death struggle. As a matter of fact, it is the age-old struggle between tyranny and a free way of life. It is another phase of the long struggle of man against the forces that would control his mind, tetter his spirit, and enslave his body; the forces that would make him a chattel of a state or a

marionette of a church.

It was an inspired writer who proclaimed that we are kings and priests unto God. Man is his own ruler, owing spiritual allegiance to God alone, and needing no earthly mediator to placate God in his behalf.

This is what Freemasonry has proclaimed from its beginning - the sovereign right of the individual to order his own destiny, both politically and spiritually.

This is what Freemasonry must continue to proclaim and live, not as a private principle for a preferred and limited group, but as the universal principle by which the world will find the unity it so desperately needs.

That is, Freemasonry integrates itself with the crisis age in which it finds itself, as each of us, by word and act, declares end lives in the untrammelled freedom which we cherish for ourselves.

Freemasonry integrates itself with this crisis age as each of us in word and act proclaims the right of all men to the freedom we claim for ourselves.

For whatever the form of a Lodge, its dimensions are boundless. Whether we claim as rights for ourselves, we acknowledge as the rights of all men. It is this universal spirit that should be the distinctive mark of Freemasonry in general, and the pride of every member of the Craft.

I like the way that a contemporary Masonic sage, Right Worshipful Roscoe Pound, expressed it in a course of lectures more than 40 years ago:

"By Brethren," he said, "we of all men owe it to ourselves and to the world, to be universal in spirit. Universality is a lesson the whole world is learning, and must learn. But we ought to know it well already. We ought to be upon the front bench of the world's school, setting an example to our more backward schoolfellows. Wherever in the world there is a Lodge of Masons, there should be a focus of civilization, a center of the idea of universality, radiating reason to put down prejudice and advance justice in the disputes of peoples, and in the disputes of classes, and making for the peace and harmony and civilization that should prevail in this great lodge of the world."

The Ohio Mason

## First Impressions Always Lasting

When a man becomes a Mason it is an important event in his life. He has petitioned the Masonic Lodge of his choice. He has waited patiently and quite likely rather anxiously for a response. Finally, the happy day arrives when he receives formal notice that he is accepted. Entering the lodge hall at the requested time he is thrilled with the knowledge that, God willing, he will leave the hell e Mason.

Now, we can be sure that this impression he receives as he takes his Entered Apprentice Degree will stay with him the rest of his days. The meeting is well attended with everyone present expressing in his own way genuine friendliness and interest in the candidate, if the proceedings are conducted throughout in a deliberate, clear and altogether impressive manner that newly made Mason will have a deep, real sense of belonging and can be depended upon to go forth eager to use the time and the effort needed to gain more light on the mysteries of our craft.

Of course, practically all of us especially enjoy attending our lodge for the presentation of the work of the Master Mason degree. However, it will do all of us good to remember the solemn beauty and impressive lessons of our First Degree and plan to enjoy it as we attend in greater numbers and welcome cordially those worthy gentlemen just entering our midst.

## The Compasses

The angle of 60 degrees alludes to the Zodiacs being equal to two signs thereof, 60 multiplied by the sacred number, 3 becomes 180 - the dimensions of the Royal Arch; hence the craft when using the compasses as a symbol, set them at an angle of 60 degrees.

## The Journey Ends

Do not stand at my grave and weep:  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond's glint on snow.  
I am the sunlight on ripening grain.  
I am the gentle autumn's rain.  
When you awaken in the morning's hush,  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.

Do not stand at my grave and cry;  
I am not there. I did not die.

## SENIOR MASONS CLUB

NOTE CHANGE OF DATE FOR  
JANUARY MEETING  
2ND MONDAY, JANUARY 9TH

The above was just to bring it to your attention that for the January meeting, we will meet on the second Monday as the first Monday will be the New Years holiday. As always, we will meet at 12:00 o'clock noon for lunch with the meeting following lunch. The attendance was off a little at the December meeting, but every one present enjoyed themselves.

We had no speaker at the December meeting, as that was our Annual meeting with election of officers. We do want to congratulate Herman Grabler for a good year as our President. All of the Vice Presidents moved up for 1984, with one new one elected. Your officers for 1984 will be Vincent Westfall, President; Nelson Beaverson, 1st Vice President; Schuble Boggs, 2nd Vice President; and the newly elected 3rd Vice President, Wayne Lockwood. I was informed a week later that I had been elected again as the Secretary-Treasurer. It has been a pleasure to me as having served in that capacity for the past years, and I shall attempt to do a good job for our group in the future.

At the time this is written, we do not have a speaker for our January meeting, but we feel confident that we will have one. You will just have to come to the meeting to find out who it is. By now, most of the Lodges have had their installation of officers, and we want to congratulate each and every one. Just one personal note — after having served as the Secretary of South Gate Lodge for 29 years, I am retiring, and another member of our Senior Masons, Robert R. Marshall has been elected to serve.

Now — be sure to mark your calendar for the January 9 meeting of our group. Why not invite a Brother to join our ranks. They will be glad that you did.

Franklin I. Bryan, Secretary

## What Then Is Masonry?

If Masonry could answer this question, the answer would be:

I am rooted in the midst of antiquity and point to God and eternity. I am past, present and future. I belong to the ages.

I circle the globe and stand at the crossroads of the world. I am steeped in tradition and traced in the pages of history.

I have rites and words that have beauty and rhythm. I have knowledge, wisdom and secrets locked in my bosom which I give to men who come to me desiring me in their hearts. I place upon my altars the Holy Writ and turn to Deity in prayer.

I hold a Square and Compass in my hands and contemplate a line from earth to heaven. I speculate with all tools of operative Masons. I translate their use into moral values and spiritual buildings.

I await all free men of lawful age and good report and solicit none. I admit them of their own free will and accord and teach them brotherhood and unity. I make builders of men who are willing, and give them my tools that they may work.

I stoop to raise the fallen brother and cast out the unworthy. I walk in the ways of charity and travel in peace and harmony. I render aid to the poor, the sick and the distressed. I answer the cry of the orphans and sustain the widow and the aged.

I commit to the earth brethren who travel to that undiscovered country from whose bourne no traveler returns. I ponder at the moment on the ages of time and I stand at the door of eternity.

I am a way of life that teaches

immortality. I raise men from darkness to light.

## Sentiment — A Mental Attitude

Sentiment is a vital part of the cultural contribution that Masonry has made to society.

Our insistence that proper regard be paid those who have served Masonry for a long number of years. Our concern end the interest we have in the welfare of our brothers, our expressions of sympathy to those who have lost a loved one; our feelings of closeness to those who have assumed the obligations that we have, may be described as sentiment.

Sentiment in Masonry is a mental and heart attitude. Charity of thought and speech, is part of Masonic sentiment.

It is important that we understand the importance of Sentiment in Masonry. It is not excessive emotion; it is the art of understanding and feeling, of knowing that the words of our mouth, our expressions of love and respect, are deep-rooted in the Science of Morality.

Can it be that the condition we find the profane world in today is the result of an anti-sentiment movement?

Is there a conflict between honest sentiment and sophistication?

Perhaps the Mason can render no greater service to society today than to present a mental attitude, a demeanor of honest sentiment, which may replace the false philosophy that there is wisdom without feeling.

Greetings Brethren,

I surely hope everyone had a very fine holiday and Best Wishes to all for the New Year.

I am certainly anxious and excited about 1984. Hope that I can live up to all of South Gates expectations. I'm sure with the very capable line officers serving with me, we'll have few problems.

At our December business meeting the following Brothers were elected: W.M. Roger Blakley; S.W. Howard Mendoza; J.W. John Lefell; Sec. PM Robert Marshall; Treas. PM Robert Roddy; Trustee, PM Larry McCormick.

I have appointed the following Brethren for 1984: Chaplain Hubert Steinbacher; S.D. Paul Hildebrandt; J.D. Edward King; S.S. Robert Gardenour; J.S. Larry Stang; Tyler Emanuel Caywood.

I would like to congratulate all elected officers and thank all the appointed officers for accepting their posts.

For all who are familiar with South Gate Lodge, you will notice an important change. For almost as long as I have been alive, PM Franklin I. Bryan has been secretary of South Gate Lodge. For 29 years he has not only been secretary but to quote Grand Lodge "He keeps the best books in the State." I have spoken with many of our Past Masters and everyone has agreed that, while in office, their job was made so much easier by the devotion, hard work and dedication of this man. There is no possible way to express our thanks completely in a newspaper article, Frank. But from all South Gate members we extend our deepest appreciation to you and to Marge for the many years you have served.

PM Robert Marshall has accepted the tremendous responsibility of the Secretaries Apron. I can't think of a more qualified or capable Brother to take Frank's place. Good luck Bob and I know you will do a great job.

Our annual officers installation will be January 6 starting at 7 p.m. Let's have a good turn out and show your support.

I would like to make a request of all South Gate members for 1984. Please try and attend at least one

lodge meeting each month. That's only 12 Monday nights a year! We would sure appreciate your attendance.

See you in lodge.

Les McQueen; Treasurer, Jack Porter; Secretary, Charles Taylor; S.D. James Allen; J.D. Jack Suter; Chaplain, Alan Conrad; S.S. Wallace Sterling; J.S. John McNaughton; and Tyler, Grover Scott.

The following dates and events have been tentatively chosen for the coming year. Please make note on your Masonic calendar.

- 1) F.C. Degree, Bean Soup Supper, Wednesday, March 21, 1984 — Chairman, Les McQueen.
- 2) Past Masters and Charter Members Night — Wednesday, May 9, 1984 — Chairman, John Howard.
- 3) Golf Outing — Saturday, June 16, 1984 — Chairman, Jack Suter.
- 4) Ladies Night — Wednesday, October 10, 1984 — Co-Chairman, Walter Sterling and Jim Allen.

Harold Longworth, Howard High, Bev Miracle and John Howard are going to reorganize and rejuvenate the "Fellow Craft Club". Don't wait to be asked. Contact anyone of the tour and get in on the ground floor. They are looking for new faces.

Walt Cook has graciously consented to be a "Host" for new candidates. He will meet and greet them when coming to Lodge and will be with them during the waiting period prior to their degree work. We are also investigating and considering the implementation of the "Mentor Plan". You will hear more about it at a later date.

Our sincere congratulations to Brothers Gary Darnell and Ron Wrightman who were raised to the

Sublime Degree of a Master Mason on November 30, 1983. Also we would like to express our deepest sympathy to the family and friends of Brother Jack Campbell who was called to the Celestial Lodge above.

Nine (9) petitions will be investigated prior to the first stated meeting, Wednesday, January 4, 1984. All are approved we will be starting off the new year with plenty of degree work. It may require the degree work will be scheduled on Saturdays in addition to our regular Wednesday meetings.

A talent is only worth what you do with it. In my office at work, I have a piece of the old street car rail that was removed from Calhoun Street where the new pedestrian — bus transit mall was recently constructed. I am told it was made of the finest steel. Looking at it I would guess its worth to be about \$5,000. That same piece of steel was made into horseshoes it might be worth \$12,000. If made into sewing needles its worth could be \$3,500.00, and turned into balance springs for watches its worth would become at least \$260,000.00. This simple piece of steel illustrates that when properly applied, man's talents can achieve great benefits.

What will you do with you

#### HOME LODGE NO. 342

By Jon P. Vonderau

Brothers,  
Here it is, the morning of December the 15th. Time has gone so fast and the year end is near. It seems like yesterday that I was preparing to go to installation with the rest of the Home Lodge officers for 1983.

Jerry A. Young was elected to serve as Worshipful Master for 1984 on December 6th. He will receive his Past Master Degree tomorrow (December 16th) and is looking forward to his installation on December 17th. I've called a Lodge of Sorrow for 3:00 p.m.

The past year has certainly been an emotional one for me. I have learned more about the workings and principals of Free Masonry this year than what I have learned all the years prior to 1983. I wish that more of you could have the opportunity to be Worshipful Master of your Lodge or to share that experience with someone near to you.

My love for the Fraternity deepens

as my understanding broadens. It was stated this year in the Indiana Freemason that there are not higher degrees in Freemasonry — only additional degrees. I firmly believe that is the best way to stress the importance of our Blue Lodge. I've met some new friends and Brothers this year and I've alienated some others.

Let's all give the Lodge and our newly elected Worshipful Master, Jerry A. Young, the support that they need. The Worshipful Master is

the one in charge of the Lodge and as long as he stays within the guidelines of the constitution and bylaws of his Lodge and those of the Grand Lodge of Indiana, he or his actions should not be questioned.

Customs and past practices need not be followed and new ideas should not be rejected as long as they are within the guidelines of our Lodge and Grand Lodge. Even Grand Lodge or the Grand Master cannot change the program of the Worshipful Master as long as he

stays within these Masonic Guidelines.

Some of this year's officers have advanced and some officers are new. They all need to be guided in their responsibilities and duties as Masons and as Officers of a Masonic Lodge.

Remember: Support your Lodge. Support your Lodge officers and support your Lodge's Worshipful Master.

With love for the Fraternity.

As we begin this new year, let us give thanks to the Lord for all that is ours — our families, our friends, our health and our faith. We have much to be thankful for.

In the last few weeks we joined in fellowship with each other many times. Everyone enjoyed a delicious meal and a good time at the All Committee Christmas party. At our December meeting, Jack Burson was installed as Assoc. Patron and Holly Woods was installed as Ruth for the remainder of the year. After the meeting, refreshments and warm fellowship were shared on the Mezzanine. On Dec. 10, the Friendship Club held a potluck dinner, with the officers and their spouses as guests. December was a busy month, but one now filled with fond memories.

We have only six stated meetings remaining this year. The next one is Men's Night, Jan. 12. On that night the men will entertain the ladies, so I know everyone will want to be there. Jack Burson is planning the evening and I know would appreciate help from as many men as possible.

January 18 will be our inspection by the W.G.M. with Star of the East and Fort Wayne Chapters. Dinner precedes the meeting at 6:00 p.m. for \$5.50. Why not plan to attend?

Happy New Year & Best Wishes to Everyone!

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven." Matt. 5:16.

"To Thine Own Self Be True", Motto.

The above are our Worthy Matron's chosen scripture and motto for the year. They are most fitting as we embark on a new year.

January will indeed be another busy month as the last inspection of Dist. 14 will be held at the Masonic Temple on Wednesday, Jan. 18 for Star of the East, Fort Wayne and Shiloh Chapters. Fort Wayne Chapter will do the opening; Shiloh will do the initiatory work and Star of the East will have the closing. The dinner is scheduled for 6:00 p.m. in the ballroom. The cost is \$5.50 and reservations must be made with our Secy, Sister Mary E. Bird, 747-0762, 2305 Hiawatha Blvd., Fort Wayne, Ind. 46809 by Jan. 14. (Cancellation deadline is Jan. 16).

Star of the East is in charge of banquet room decorating, the baby dedication, 50 yr. awards (7 are from Star of the East), and the reception following inspection. Baby dedication will be at 7:10 p.m., 50 year awards will be at 7:20 p.m. and inspection will be at 7:30 p.m. An officer's practice is scheduled for Wednesday, Jan. 11 at 7:30 p.m.

January 10 will be the first chapter meeting of the New Year; Star Pals and past Ruths will be honored.

January 24 will be Honor Allah Signet Club and past Matrons.

Our Assoc. Matron, Sister Jean Barker, has announced that a dinner party will be given by Committees, Officers and Members to honor our Worthy Matron, Sister Millie Clark, and our Worthy Patron, Brother William Judkins, on Tuesday, Jan. 31 at 6:30 p.m. in the ballroom. Reservations should be given to Sister Jean Barker, 489-9591, by Friday, Jan. 27. (Cancellation deadline is Jan. 29). The title of the honor recognition dinner will be (What else?) "Sarge".

Are your 1984 dues paid? Our secretary has announced that they are to be paid by the first of January. If you are unpaid, please send Sister Mary E. Bird a remittance. Dues are still \$10.00.

Our own Past Matron, Sister Frances Barnes, was honored at our Nov. 22 chapter meeting. Star of the East was honored by her appointment as Dist. Chairman of the Worthy Grand Matron's project. (W.G.M., Sister Linda Cline's project was the purchase of a van equipped with hydraulic to handle wheelchairs for the Masonic Home). Our birthday and anniv. money is to go to this project. Sister Frances was escorted, introduced and invited to sit in the East. Our evening's vouchers were vens, and the reception tables were cleverly decorated with heavy cardboard vens. Congratulations, Sister Frances.

Sunday, Nov. 27, was one of Star of the East's dates to be escorts at the Veteran's Hospital, for the Masonic affiliated patients there. This is a very worthwhile service and much appreciated by those in charge and the patients, to aid them to attend the chapel church service.

The All-Committee Christmas party was held Wednesday, Dec. 7. The chicken dinner was delicious. We thoroughly enjoyed the fellowship and everything. A beautifully decorated tree was in the center of front gift table. Lovely, as we stood to sing Christmas carols.

Dec. 13 was our Christmas meeting. We were entertained by our Staroliers with a medley of Christmas songs, while Sister Georgianna Judkins played the piano and Past Matron, Sister Susan Creager played the organ. Sister Georgianna then delighted us by playing her accordion. Songs included Toyland, Blue

Christmas and Silver Bells. She was accompanied by Sister Susan on the organ, and our Choir joined in to Silver Bells. The whole effect was lovely. The Staroliers furnished Christmas cookies for refreshment after chapter. The Decorating Con. had decorated the mezzanine table. The needle point angels made by Sister Edna Elliott were beautiful.

A Christmas gift to chapter, a light for the piano, was given by Sister Georgianna and Brother Bill.

Each member present at the Christmas meeting was given a huga, juicy grapefruit by W.M. Sister Millie and W.P. Brother Bill, with Holiday Greetings.

Closing Thought  
I felt the world had turned me down  
And life had left me low;  
Though I looked on every side,  
My eyes could find but woe.  
My friends were gone, and all alone  
I argued with despair  
Until I grew so weak and worn  
And life was filled with care.  
All hope was gone, and as I walked  
In darkness and defeat,  
I cried, "I quit there's no way out"  
And death I did intreat.  
But in the middle of my darkness  
A gentle voice said:  
"Come unto me — no need to fear  
I am the light — The way."  
Let's all set a New Year resolution  
and attend Chapter all the time.

Now that we are about to embark upon a new year - 1984 - will it be good, or will it be bad? Only time will tell, but we personally have a lot to do with the outcome. Because it is said, you only get out of it what you put into it. So let's all resolve to attend chapter more and all of the many activities it offers. Let's be companionable - one with another. Let's cooperate with our Worthy Matron and Worthy Patron, especially our Associate Matron and Associate Patron as they plan their year ahead and then let's BE HAPPY. Let us "Love One Another" - then, we will have a happy and successful and rewarding 1984.

You might keep the following New Year's resolutions in mind if you haven't made any yet. Thanks to Sunshine Magazine of 1981 for this list.

1. Keep me from thinking I must have something to say on every subject on every occasion.
2. Keep me from trying to straighten out everybody's problems while ignoring my own.
3. Make me thoughtful, but not moody; helpful, but not bossy.

4. Keep my lips free from recital of endless and tedious details.

5. Seal my lips from reciting aches and pains. I don't tell better afterward and those who listen must feel worse.

6. I ask not for the grace to enjoy the tales of others, but only for the patience to hear them with equanimity.

7. Teach me the marvelous lesson of knowing that, occasionally, I may be mistaken.

B. And let me learn to see good things in unlikely places and unexpected talents in good people, and give me the grace to say so.

We were happy to welcome into our Chapter, Brother William Schaefer (Carol's better half) at our first meeting in December. We will expect to see him with us many times this coming year and in the years ahead.

Our second meeting in December was our Christmas meeting. Dr. Worthy Matron gave us two stories - namely "Gitt For Us" and "The Three Chests" and carols were sung. The meeting was short so that we could enjoy fellowship together following the meeting.

Luckily we do not have too many to report who were (or still are) ill since the last Square and Compass.

However, please include the following in your prayers throughout the Holiday Season.

Illness in Chapter: Sister Dorothy Uhrick, Sister Vivien Willingham, Sister Mardell Welker, Sister Lella Warley and Sister Donna Campbell. All of these sisters have been in the hospital, but most of them are at home now.

Death in Chapter: Sister Clare Farley.

Death in Family: Husband of Martha Spade, Maynard was a member of Hometown Chapter.

To all who are ill we wish you a speedy recovery and we want you to know we are thinking of you and through our prayers we give you Faith to Believe in His healing hands. We send our sympathy to all who are bereaved and wish you the happiest of holidays, although we know your hearts are full of grief. May you find consolation in His word "Believe."

 So long until next month.

**Patience**

Perhaps the most important lesson  
 we have learned from the people of  
 the Orient is the virtue of patience.  
 Buddha called patience "the great-  
 est preyer." Mohammed said it is  
 "the key to content." Confucius  
 warned his followers that the lack of  
 even a small amount of patience  
 often can upset tremendous under-

takings.

But how difficult it is sometimes to  
 be patient. How frenzied we get  
 when our ambitions are not realized  
 as rapidly as we hope! And how easy  
 it is to become impatient with others  
 — forgetting that, as Thoreau sug-  
 gested, they may be "hearing a  
 different drummer" and "stepping to  
 the music they hear."

Patience is the mother of serenity.  
 Perhaps you ought to make a greater  
 effort to add it to your virtues. "Have  
 patience with all things," said St.  
 Francis, "but chiefly with yourself!"  
 —Masonic Tribune

For millions of Americans who  
 have been saving their money for a  
 rainy day — Christmas is the  
 monsoon season!

Boy Scout leader to the troops:  
 "Remember, fellows, if you're lost in  
 the woods at night, get your bearings

 tion for wisdom simply because he  
 doesn't have enough money to make  
 a fool of himself.

**Should We  
 Answer Critics?**

That is a question that is asked  
 many times.

The Mason is taught that he must  
 not enter into argument with the  
 ignorant. It is, in fact, impossible to  
 communicate with those whose  
 minds are closed.

We have answered our critics  
 over the centuries. How? By refut-  
 ing the falsehoods of our enemies  
 and by citing the inevitable result  
 that follows when a dictator at-  
 tempts to destroy Freemasonry.  
 History is an effective answer.

In truth, we answer our critics in  
 no uncertain terms when we carry  
 on the work of Masonry.

When the cry of the widow and  
 orphan is not heard in vain, we  
 answer our critics.

When we shelter, feed and care  
 for those at a Masonic Home we  
 answer our critics.

When we help a Brother in dis-  
 tress, we answer our critics.

When we meet in lodge as Bro-  
 thers, united by our common obli-  
 gations to God, our Country, and to  
 neighbor, we answer our critics.

When we point to the part that  
 Masonry has had in the formation of  
 our government, we answer our  
 critics.

When we speak out clearly on  
 matters that concern the general  
 welfare of society, we answer our  
 critics.

When we gather about the final  
 resting place of a departed Brother  
 to show that "The Mystic Tie to  
 Masonry" is not broken at death, we  
 answer our critics.

When we wear the Square and  
 Compasses proudly and with the  
 consciousness of all that it means  
 and has meant in the long struggle  
 of man to walk in dignity unafraid,  
 we answer our critics.

Greetings Companions and  
Sir Knights,

As the elected officers of 1984, we would like to take this opportunity to thank you for the honors and trust that you have bestowed upon us. In days gone by, there were few areas where brothers might spend their time, except their church or their lodge. This era marked the high point of our fraternity, with great attendance at our meetings and functions. Unfortunately this is not true today and since those golden days of the past, many additional activities have burst upon the scenes. Surveys conducted have indicated that one of the major factors responsible for increasing demand on our free time for these many other activities. Today Freemasonry

must compete against many of these other interests and appealing distractions. One of the common complaints among our Companions and Sir Knights has been that meetings are many times too long, uninformative, and somewhat dull. Everyone realizes that the by-laws of the Grand Bodies along with our local Bodies requires that certain matters be handled. This past year special efforts were made to reduce the length of our stated meetings with very good success. We also feel that the time spent in handling these necessary items can, and must be kept short. This being done, we would have time to introduce programs that would be beneficial to our members in particular and Freemasonry in general.

We were taught that "es Entered Apprentices we ought industriously to occupy our minds in the attainment of useful knowledge; in manhood, as Fellow Craft, we should apply our knowledge to the discharge of our respective duties, to God, our neighbors, and ourselves". What better place to obtain Masonic Knowledge then by attending Masonic meetings and events! Masonically speaking, we're all Entered Apprentices and it has been said by the greatest Masonic scholars that, Masonry is a life long pursuit of learning those truths conferred in allegories.

Because the York Rite is comprised of all its members, we are asking for your suggestions, ideas, and support, so that all may grow in knowledge, strength, truth and brotherhood.

Our greatest hope and desire is to be able to return that trust you have placed in us to carry our Masonic York Rite banners in 1984. With your help, support, and assistance, we know that this year will prove to be most beneficial for Masonry and Freemasons.

Yours in Peace, Love and Unity

## The Dying Fire

A certain secretary felt very keenly the absence from the Lodge of a once faithful member. After some time had passed he called at the home of the absentee and found him sitting before the fire.

Somewhat startled by the intrusion, the member hastily placed a chair for his visitor, and then waited for the expected rebuke.

But not a word did the secretary say. Taking a seat before the fire, he silently took the tongs and, lifting a glowing coal from the midst of its fellows, laid it by itself on the hearthstone. Remaining painfully silent, he watched the blaze die out. Then the truant murmured: "You needn't say a single word; I'll be there next meeting night."

— The North Carolina Mason

## Is Masonry Free?

We would like to ask and also answer a very important question — "Is Masonry free?" The answer my brethren is NO. The reason is because too many of our brethren have misinterpreted "Free Mason" to mean-free from attending Lodge, free from fulfilling the obligations voluntarily assumed, free from giving any effort of time and taking part

the work toward the welfare of the Lodge.

NO, "Freemasonry" is not free because its rights, lights and benefits can only be purchased with your time and effort. Let us start now and not wait until we have a free evening before we attend Lodge but sacrifice a few other pleasures to support our great Fraternity in which we claim to have so much pride. Remember, anyone of us can wear a pin, a ring, or proudly state, "I am a Mason; but can you make yourself believe it?"

— Ohio Mason

## Power of Example

Masonic truth in the abstract, unexemplified in life has but little power and influence. It is only as it becomes concrete and an essential part of man's behavior that it attains its finest flowering. It gets its power by giving it the force of example, for example is better than precept. The greatest heroes, prophets and saints in history have influenced mankind far more by what they did than by what they said. Men are so constituted that one important truth, lived and exemplified before their eyes, is worth more than all professions of faith, no matter how clearly and logically formulated.

INDIANA GEOLOGICAL SURVEY, DEPARTMENT OF NATURAL RESOURCES

GREENE COUNTY'S RAILROAD VIADUCT: Third Largest in the World

On the Illinois Central Railroad about 6 miles west of Solersbury in east-central Greene County a huge viaduct spans Richland Creek valley. This steel and concrete structure, supported by 18 towers, is 2,295 feet long and 180 feet high. The combined length and height make it the third largest structure of its kind in the world. When the viaduct was completed in December 1906, the Illinois Central tracks on that line extended from Indianapolis to Effingham, Ill. During the days of steam locomotives, large wooden

barrels of water sat on platforms along the viaduct for use in case of fire.

Where Richland Creek is spanned by the viaduct, it flows in a wide valley. But a mile downstream and 5 miles upstream are gorges known as "narrows." These were formed when the glacier blocked preglacial north-westward-flowing streams and diverted them southward along the ice margin. The streams cut narrow valleys across former interstream divides. Richland Creek at the viaduct flows through a part of the preglacial valley.

## A Symbol of Personal Responsibility

The best known symbol of Freemasonry ... the nation's oldest and largest charitable fraternity ... the "Square and Compasses."

The 3½ million Masons in the United States use the tools of the medieval stonemasons, the builders of the great Gothic Cathedrals. They are reminders of a Mason's duty to live by the highest moral standards, to practice brotherly love, and to affirm loyalty to his country.

Masons believe that the quality of a man's life should reflect his faith in God and his ethical ideals. Although Masons do not solicit members, men of good character may ask to become members.

DEGREE WORK BY PAST MASTERS

### Power of Masonry

No power under heaven is strong enough to overthrow the principles of Freemasonry. They are founded upon the rock of truth, brotherly love, service, and tolerance to all.

The Bible has stood the test of time. It is a living book of truth, wisdom and love.

The Masonic Lodge is founded upon the Bible; therefore, it is as permanent as the base upon which it stands. No storm from without or within can shake her timbers. Her foundation is the Masonry of life, truth and love.

One winter morning, a man heard his wife trying unsuccessfully to start her car. He went outside and asked, "Did you try choking it?"  
"No, but I felt like it," she replied, gritting her teeth.

### The Feast Of The Paschal Lamb

In keeping with ancient custom, and in accordance with the Constitutions of the Supreme Council, each Chapter of Rose Croix should observe the Feast of the Paschal Lamb by an appropriate ceremony. Traditionally, this day of obligation was Maundy Thursday. In deference to the Maundy Thursday rites of the churches, another day should be designated for the ceremony.

The Feast of the Paschal Lamb is neither the Feast of the Passover nor the institution of the Sacrament of Holy Communion, although it commemorates both holy days.

The Jewish Feast of the Passover commemorates the escape of the Hebrews from Egypt, when God, smiting the firstborn of the Egyptians, passed over the houses of the Israelites. Thus the blood of the paschal lamb, which had been used to mark the houses of the Israelites, has symbolized redemption. For observance of this Feast, Jesus gathered his disciples in the night in which he was betrayed. In their midst he instituted the sacrament which Christians revere as The Last Supper.

Chapters of Rose Croix observe this beautiful and symbolic celebration of the Feast of the Paschal Lamb as a memorial service, honoring our Brethren who have passed to their eternal reward during the preceding year. In spirit, we seem to sense their presence at the Mystic Banquet as we seek to strengthen the ties of brotherly love which bind our hearts in holy remembrance.

In the fellowship of kindred minds, we meet to express our faith as symbolically we break the bread and drink the wine of fraternal love, becoming aware once more that the only hope of a better world still abides in the simple command of our great Exemplar, "Love one another".

The ordinance establishing the Feast of the Paschal Lamb dates back to the Old Testament narrative: "And this day shall be unto you a memorial and ye shall keep it a feast to the Lord throughout your generations: ye shall keep it a feast by an ordinance forever."

Greetings Brethren:

With February comes the celebration of George Washington's birthday. As we all know, George Washington was a member of our gentle Craft. His connection with the Craft is a source of pride to every American Mason. He served as Master of his lodge for two terms. During his long and laborious life, every opportunity that presented itself, he evinced his esteem for the Institution. Great pride indeed we have, for the man called "Father of our Country" we also call a "Brother".

In January, the Supreme Architect of the Universe called our brother Samuel J. Fishman to the Celestial Lodge above. Our deepest sympathy goes out to his family at this time, and we ever remembering that if we practice our Craft, life will extend beyond the grave through the boundless realms of eternity.

And as we have lost a brother, so have we raised one to the Sublime Degree of a Master Mason. We now welcome brother Steven Lisle into the brotherhood of love, hope and charity and who now joins in a claim to life everlasting.

February will find your lodge at labor on these dates. February sixth will be our stated meeting at 7:30 p.m. with a soup and sandwich dinner to precede at 6:30 p.m. on the Mezzanine. February 13th will be our first education and fellowship program at 7:30 p.m. and dinner at 6:30 p.m. in the kitchen. February Vonn G. Hoffman, P.M. will present such topics as Past, Present and Future in a Word, The Oblong Square, and The Fifty-Seventh Problem of Euclid for your enrichment. February 20th will find us at labor on the Fellowcraft Degree at 7:00 p.m. with refreshments to follow. February 27th will be a special evening. Lodge will open at 5:30 p.m. for the first section Master Mason Degree. A dinner will then follow at 6:30 p.m. This dinner will be given to honor one of our most respected brothers, Brother Art Slane. He was Master in 1936, received the award of Gold in 1976,

was Secretary of this lodge for more years than I am old, and in addition he gave the very difficult stair lecture of the Fellowcraft Degree at least once a year for fifty years in a row! I know that no due signs and summons will be required for the brothers of this lodge to come and honor Brother Art. After dinner, the second section of the Master Mason Degree will be given in full form by your officers and the Fellowcraft Club.

February 18th will be the date for this lodge's Ladies Night Banquet and will truly be a celebration of love. Your officers have spent countless man-hours planning and preparing for this outstanding event. I cannot begin to describe the beauty and love that will fill the air that evening. I can say, however, that there will be many things done that this lodge has never seen before to make this an evening that will not be soon forgotten. Reception and appetizers at 6:00 p.m., our usual good food and drink at 6:30 p.m., entertainment by the ensemble group ALIVE to follow and all the surprises in between. ALIVE is an instrumental and vocal ensemble group from IU-Purdue. They performed before the 10,000 people at the Indiana Pacers-Detroit Pistons basketball game at the Memorial Coliseum this last fall. A sure treat for you and your loved one to enjoy. You already have or soon will receive information through the mail on how to make your reservations. As I wrote earlier, it will be a celebration of love, an evening not soon forgotten; so don't regret hearing about this special evening after it's over. Make your plans to attend now.

See you in lodge.

My friendship and brotherly love goes out to all of you, along with my appreciation for your confidence for placing me in the East this year. I no longer have any one to look up to, except the Grand Lodge, and the fraternity as a whole, which gives me a feeling of great respect for all Past Masters, and a loving admiration for all those brothers I see facing the East.

I like to measure men by their intentions, actions, and humbleness. By these standards and many others, no better men could be found to fill the chairs in our lodge. Men like our brothers - S.W., Donald Army; J.W., Roger Sargent; Treasurer, Noland Cooper; Secretary, P.M. Charles Johnson; S.D., Jaimis Bond; J.D., P.M. John Gause; S.S., Marshall KeHermier; J.S., P.M. Eugene Evans; Chaplain, William Ougherty; Tyler, Terry Zell. Many thanks to Martin Donahue, Harold Hayes and Kenneth Tisler for a fine job of installing our officers.

May another good man look at you with admiration and respect, with enough envy to wonder what Masonry is all about. May you continue to wonder, that some day you might search together.

Dear Brethren:

Here it is February already! We only have eleven more months left of opportunity to welcome and receive candidates this year!

For our goal the remainder of this year; each member bring in a fresh new candidate, and watch your lodge grow in wisdom and knowledge as well as size.

The officers would like to see more sideliners.

Maybe we should do like England; NO STATED MEETINGS or called meetings; they are all sent summons to appear! Remember your obligation!

This year is starting out with candidates receiving their degrees in January and February!

In closing please let us all gather in the lodge room for spiritual uplifting and good fellowship.

Greetings Brethren,

The new year is here and a new horizon before us as a lodge. It is my hope that our lodge can prosper and grow in the tradition and spirit in which it was organized. In the coming year this hope can become a reality with your active participation in the business and work of the lodge. Our lodge like any other organization is only as vibrant as the memberships participation makes it. Let all of us strive for a successful coming year.

I wish to extend my appreciation to all the brethren for the honor and

privilege of being chosen as Master of Three Rivers Lodge 733 for the year of 1984. I will try very hard to live up to your expectations of what a Master of your lodge should be. With your help and participation, I firmly believe I can do the task set before me. I believe that a successful accomplishment of any task had to do, was accomplished with the help and support of the people worked with. So your help and support will be greatly appreciated this coming year.

Your new officers were installed January 7 and a good time was had by all at the reception afterwards.

We have two petitions so far this year and as you read this article we will have started work on one candidate. Here are some dates to mark on your calendar for February.

Tuesday, Feb. 7, FC degree officers practice 7:00 p.m.

Tuesday, Feb. 14, stated meeting 7:30 p.m.

Tuesday, Feb. 21, FC degree work (supper 6:00, work 7:00 p.m.).

Tuesday, Feb. 28, MM degree officers practice 7:00 p.m.

Again I send greetings to our old and new brethren.

Yours Fraternally

The privilege of being raised to the Sublime Degree of a Master Mason was experienced by Brother Steven Smith on December 28, 1983. Our sincere congratulations are extended to him for his accomplishment.

Brothers Fred Cullers and Jim Creech are preparing a monthly schedule of those persons who will be giving the "Work Lecture" for each degree. Any person interested in assisting in the degree of your choice, contact them at your earliest convenience. If you are asked say

yes! Serving your Lodge is a rewarding experience.

The revised "Funeral Call List" has been completed and distributed. Our thanks to SO Jim Allen and JD Jack Suter for their efforts. When you are contacted by one of the callers, respond by participating in the funeral service. Our deepest sympathy to the family and friends of Emery Aldridge of Las Vegas, Nevada, Hugh Hosben of Michigan and Harold C. Somers who were called to the Celestial Lodge above.

On December 30, 1983 the officers of Maumee Lodge were installed for the year of 1984. I would like to express our sincere appreciation to all the Past Masters who participated in the ceremony. A special thank you to PM Clyde Hobbs of Webb Lodge No. 24 of Richmond, Indiana who was the installing Master. It was a very impressive experience.

SS Wally Sterling is preparing a list of Lodge members who are willing to share talents by serving as a "coach" for newly obligated Brothers. Contact him and become a part of this group. The city will be divided into about six districts to make it as convenient as possible for you to work with a candidate.

We have four (4) petitions that are being investigated and will be acted upon at the February 1, 1984 stated meeting. Three (3) hold over candidates from 1983 have also been contacted and are being scheduled for initiation. A reminder of the FC Oegree Bean Supper, Wednesday, March 21, 1984. The Past Masters will be in charge of the degree work. JW Les McQueen has promised at least a hundred members will be on hand for this event.

Secretary Charles Taylor asks that all Brothers who have overlooked the paying of their 1984 dues to please do so at once. If any Brother is in a destitute situation please contact Charlie or myself.

I would like to share with you a thought about "responsibility". Sometimes I feel like a nobody! I can't move mountains, alter thumbprints, or even understand Einstein. I've never circled the globe, tramped on the moon or fathomed the ocean. The aches and pains, fears and frustrations I endure are quite ordinary and my major hurdles appear to be paying the mortgage, educating the children, and saving for that rainy day.

Am I really a nobody? No! I am NOT a nobody, I am a very important Somebody. God, who made

the mountains, the thumbprints, the globe, the moon, the ocean, reached out of eternity and said, "I want you!" Imagine! Hand picked by the Creator of the universe!

Certainly I am Somebody! And that Somebody can do an awful lot if the quantity and quality of blessings is any measure. I am unique (there is no carbon copy of me anywhere in time or space). I have abilities (in unusual combinations). I have time (24 hour days) and brotherly love (which is unconditional). How blessed can a Somebody be? How grateful can a Somebody feel? How promptly can a Somebody respond? What will I do? Give? Well of course! Give of yourself, to the Lodge.

Brethren:  
I wish to correct an omission made in the January issue. Brother Hollis C. Breece was elected to a three year term as Trustee for Home Lodge.

This year has gotten off to a good start with two brothers receiving their Entered Apprentice on January 10. We are looking forward to them receiving their Fellow Craft in February.

At the time of writing this article our Senior Warden, Herman Grabler is in the hospital. I know we all hope and pray that by the time you read this he will be back home.

Greetings from the East, Brethren the New Year is upon us and well underway. With it comes much more than cold weather and snow. We should have candidates and degree work through February. I would surely like to see each and every member who is able, come to lodge at least once a month this year. (That's only 12 Monday nights.)

Our installation of officers (January 6) was an enjoyable evening for all and a proud one for me. I would again like to thank Hubert Steinbacker for accepting the Chaplains office for the 14th year. It's a lot to ask of a 38 year old man (or is it B3?). Thanks Steiny! Emanuel Caywood also deserves an extra thanks for taking on the Tyler's job once again.

The only negative or sad part of

the installation evening was the parting of Frank Bryan from his Secretaries office. Frank's job isn't finished though. Bob Marshall and I will be depending on his knowledge all year long.

I would like to thank all who attended our installation ceremony. My children presented me with a beautiful gavel from my wife that night. PM Qan Robinson presented me with a PM pin which has been around since Don Smith was WM in 1961. A special thanks to Past Masters Oale Shupe, Emory Bryan and Qon Smith who served as Installing Officers.

The Wardens, Secretary and myself traveled to Indianapolis for the annual Founders' Day January 14. More on that next month.

Brothers we still have some unpaid dues for 1984. Please don't let this obligation go too long.

Our sincere sympathy goes out to the family and friends of Brother Eugene Noll who was called to the Celestial Lodge above January 5. See you in lodge.

#### Greetings Brethren:

At our last Fellowship Dinner held on January 5 prior to our stated meeting we took pleasure in welcoming Brothers Keith Erwin, Wendell Mann, and Eugene Winkler who were all raised during the month of January. Our next Stated Meeting will be on February 2 at 7:30 p.m., and once again we will have a Fellowship dinner prior to the meeting. It will begin at 6:30 p.m., and at that time we hope to welcome as many of our Brethren who were raised during the month of February as can possibly attend. Looking ahead on our Masonic calendar, Past Masters and Ladies Night will be on Saturday, April 7 this year. Plan now to attend and enjoy an entertaining evening with your Brothers and their Ladies from Wayne Lodge.

Several of our Brothers have been in the hospital recently. They are Brothers George Rey, Earl Moser, R. Paul Jennings, and Richard Goller. Your Worshipful Master visited each of them in the hospital and wished them a speedy recovery.

To the family and friends of Brother Leon Dorton, who was called to the Celestial Lodge above, we extend our deepest sympathy.

If you have not paid your 1984 dues as yet, please do so now so that our Secretary does not have to incur the time and expense of mail-

ing second notices.

To those of you who have not attended Lodge for some time, I urge you to seriously consider coming to our February stated meeting and renewing your acquaintances at Wayne Lodge. It transportation is a problem, feel free to contact your Worshipful Master.

See you in Lodge.

Greetings to all!

1984 is underway at Summit City, and it holds the promise of being a fine year for all of us. Installation ceremonies took place during January under the capable hands of Ron Stabler, P.M., as Installing Officer; Bob Miller, PGM, as Marshal; and Cal Bauman, PM, as Chaplain. It's always a pleasure to see these folks work. In fact, the quality of their work will prove to be an inspiration and benchmark for all our officers during 1984. THANKS, RON, BOB, AND CAL.

January was a full working month for us. As of the writing of this article, two brothers have been initiated as Entered Apprentices. February may not prove to have degree work. Even so, plan to attend

the Stated Meeting on the first Friday. Scott Felchler will present a short program on Colonial Freemasonry. This topic has been chosen in conjunction with George Washington's birthday in February.

Also make a special note to come to the Temple on February 24 (our normal Master Mason night). Whether or not we will have any candidates during February, we will meet for dinner at 6:15 on the 24th. It will indeed be a special night for Summit City, because we will be showing our appreciation for a long-time dedicated brother. After dinner we will retire to the lodge room for Bruno Belbutoski Appreciation Night. A short program is planned in honor of his many hours of work. **DDNT MISS IT.**

Last December two brothers were raised to the sublime degree of a Master Mason. Brothers Gene E. Foster and Richard L. Walters are to be congratulated for this achievement.

Unfortunately, our membership has also declined since the last time I spoke with you. We extend our condolences to the families of brothers William F. Baulkey, Robert H. Carlo, William B. Robinson, Jr., Hugh H. Sowers, Frederick L. Paul, and Carl L. Leach.

Make note that we will publish notice of all meetings in the Wednesday issues of the Journal Gazette and News Sentinel. Look for the notices in section 12 of the classified ads.

Remember that dues are now overdue. If you have not forwarded your 1984 dues to Lawrence Baker, please do so immediately.

Past Master Ron Stabler has been hospitalized for some work on his neck. He will be 'out of commission' for some time. Ron, we hope that you will GET WELL SDON.

As you mark your calendar for upcoming events, please reserve Thursday, March 24 for our annual Ladies Night. More details about the program planned will follow next month.

Last Saturday brothers Babcock, Sklenar, Nehls, and I traveled to Indianapolis for the annual Founders Day Conference. Brothers, we can be proud of the leadership provided by our Grand Lodge officers. They truly do a masterful job of helping us build the Masonic fraternity.

Until we meet again, brothers, continue to practice those virtues which have been your trademarks as Masons and members of Summit City!

#### CLOSING THOUGHT

How often we wish for another chance

To make a fresh beginning.

A chance to blot out our mistakes

And change failure into winning.

And it does not take a special time

To make a brand new start.

It only takes the deep desire

To try with all your heart

To live a little better

And always be forgiving

And to add a little "Sunshine"

To the world in which we're living

So never give up in despair

And think that you are through,

For there's always a tomorrow

And a chance to start anew.

People are like money, unless you

keep them busy they lose interest.

Hope to see all in Chapter soon.

#### HAPPY VALENTINE'S DAY

"Valentine's Day  
is a time set apart  
For thinking of those  
who are closest in heart."

Our local weatherman keeps saying we will have a mild winter. As the cold, snowy days keep coming, we wonder. It is especially nice to have the warm fellowship of our sisters and brothers in Eastern Star, and "Those who are closest in heart!"

Dur first meeting in February, on the 14th, will be election. Be sure to attend to cast your ballot for officers of your choice. Hot chicken sandwiches, potato chips and relishes will be served following the closing of chapter. Dur Worthy Matron, Sister Millie Clark's birthday is February 4th, and the election refreshments are her gift to chapter.

Star of the East's 57th Birthday Party will be held at our February 28 chapter meeting. As included with most birthday parties, cake and ice cream will be served.

January 10 was our first meeting of the new year, after a long holiday recess. It's always nice to see everyone again. Our own Ruth, Sister Susan Knuckles, gave the history of Ruth. Her voice is so clear and she gave a very nice presentation. Sister Millie then presented her with a "Ruth doll", with golden hair and beautifully dressed in yellow. All present and past Ruths were escorted to the West, facing East. Each introduced herself, also telling the Worthy Matron and year they served as Ruth. They were then presented with candle holders with yellow candles.

Star Pals were then honored. Each officer introduced their Star Pal and presented them with a gift. (Star Pals fill in for the present officers if the need arises). Following chapter, refreshments were served by the Social Committee on the mezzanine. The fruit filled jello with coffee or tea was perfect after the holidays and all the very rich food. The serving tables on the mezzanine were beautifully decorated with long stemmed yellow roses laying flat in the middle of the tables, and small corn husk dolls. The serving table had a very pretty Ruth doll, also dressed in yellow.

The Social Committee officers, Sisters Joan Flohr, Susan Knuckles and Edith Mapps, and all of the Social Committee members are to be highly commended for their faithful service. Past Matron, Sister Joan Flohr, and her husband, Past Patron, Brother Ron Flohr, come

early to chapter meetings to make the coffee and get the serving table and kitchen set up with everything needed — such as coffee cups, plates, etc. We always have lots of fellowship while enjoying a good cup of coffee, and we say many, many thanks to the Social Committee.

## THE ART OF LIVING

There's a special art to living. And you need a frame of mind. That can overlook the showers. 'Til the sun begins to shine. To develop to the fullest, You have got to understand, That things don't always function In the way that they were planned.

There's a special art to living. And the challenge must be met, But the longer that you try it, Why the better you will get. Don't waste your time in waiting For the world to come to you. You have to climb the mountain, To appreciate the view.

HAVE A HAPPY HAPPY VALENTINE DAYS!!

Can you believe — the first month of 1984 will be about over by the time you are reading this. How many New Years resolutions have you broken — or did you make any? Already plans are in the making for End of Year parties in February and March. And a most and more important date is FEBRUARY 2 — Chapter meeting — when YDU hold the future of our Chapter IN YOUR HANDS as we elect officers for a new year. Remember the leadership of our Chapter also DEPENDS ON YOU.

## LET'S REMINISCENCE:

January 3, was our "Star Pals" night. A goodly number of Star Pals helped to swell our attendance and a good time followed the stated meeting. Our thanks to the Schaefer — Bill and Carol — who served delicious sandwiches and other goodies for all to enjoy.

On January 1B, Fort Wayne

Chapter, Shiloh and Star of the East Chapters welcomed our Worthy Grand Matron Linda Cline for the last inspection in District 14.

Following a delicious dinner everyone adjourned to the Colonial Room for baby dedication and 50 year awards. Fort Wayne Chapter had one baby, the daughter of Cindy Joelreda and granddaughter of Bruce and Mary Lou Masters.

The Colonial Room was beautifully decorated with the East giving attention to the theme of the Worthy Grand Matron. A pretty hooked rug was the background and the rainbow, sun and pot of gold the design. The steps were covered with an iridescent cloth and on it rested a large glass bluebird. Also Adahs emblems were a part of the decorations.

There were many members and distinguished guests present. Our Worthy Grand Matron, Linda Cline and husband Vaughn; Jay Shull, Worthy Grand Patron (we missed Dottie); Bro. Lyle Cotton, P.G.P. and a member of the Fraternal Relations Comm. of General Grand Chapter and his wife, Gladys; Clayton L. Herrick, P.G.P. and wife, Helen; Marianne Fredrick, Jr. P.G.M. and husband Ralph; Markie Edwards, Assoc. Grand Conductress; Patsy Hinds, Grand Adah, Susan Kalb, Grand Esther, and Wanda Leonard, Grand Ruth and husband Willard; Jack Skinner, Grand Marshal and wife Betty. Also present were deputies from District 13, 14 and 21, along with spouses.

Following the opening the Worthy Grand Matron and Worthy Grand Patron were presented at the altar together, greeted in song "A Little More Happiness" sung by Carol Munk, W.M. The escort comprised of the Worthy Matrons and Patrons, the Bluebirds of Dist. 14, formed an aisle to the East. Each were carrying a snowman, whose arms were made of twigs, and on the twigs perched a bluebird. The snow men car carrot noses — black beady eyes — and did they sparkle — and shiny black buttons were down the front of the snow men. It was a very pretty sight. (Dottie Smith, our decorating chairman, made the snowmen.)

The inspection went well and the W.G.M. Linda and W.G.P. Jay made their remarks, as well as other guests. Chapter was closed and since this was the last inspection for the year in Dist. 14, an addenda was planned for the W.G.M. and W.G.P.

The theme of the addenda was "Winter Wonderland". Sister Carol Munk read and sang a parody to the tune of "Winter Wonderland" while the W.G.M. and W.G.P. were taken around the room for a sleigh ride in Happiness land to the end of the rainbow to receive their rewards.

Joyce Gross, D.D. 14 and husband Bob, met the sleigh in the east at the end of the rainbow. Gitts were presented from the Dist. 14 Bluebirds, who incidentally was the "horsepower" that pulled the sleigh. It truly was a clever addenda and we thank those responsible. Following the addenda everyone adjourned to the dining room for refreshments. What a beautiful way to end the Rainbow year in District 14. January, 1984 is now - Just a Memory.

CONDEMNATION (Roxie Lusk Smith)

Until you've walked a second mile In someone else's shoes, Dr stood an hour in the heat Or hurts you did not choose; Until your heart has felt the sting Of criticizing tongue, You cannot taste the salty tears A wounded soul has wrung. Unless you've walked a moon or more

Along a thorny road, You cannot feel another's need To know his trying load.

My thought this month is from Helen Steiner Rice

PRAYERS ARE THE STAIRS TO GOD

Prayers are the stairs We must climb every day, If we would reach God

There is no other way, For we learn to know God

When we meet Him in prayer And ask Him to lighten

Dur burden of care — So start in the morning

And, though the way's steep Climb ever upward 'Til your eyes close in sleep — For prayers are the stairs That lead to the Lord. And to meet Him in prayer Is the climber's reward.

Remember "Prayer is the Key to Heaven — but God Unlocks the Door."

The first sign of a friend is the smile. The extended hand brings a symbol of warmth. The true test of a friend is one who stands by you with help and an understanding heart. The world should see the members of the Order of the White Shrine of Jerusalem as one of the most friendly of associations. It should see how much we enjoy each other, how we stand by one another when we need it. Potential members should desire to be included and be

eager for initiation. A good doctor needs no other advertising. Let us in like manner show the world we treasure our membership.

Our Christmas meeting was held on December 23, 1983. Christmas songs were sung by the members. Jim Bowser sang a solo, "O Holy Night". Each member present received a gift from Santa.

January 13 we recognized our Committee members. Refreshments were served by the Night Social Committee.

January 27, we honored our elective officers.

February 10 meeting we will hold a Valentine party.

Anytime you're feeling blue and things aren't going right for you, a little love can make your heart

feel lighter.

Anytime you're really glad about a new success you've had, a little love can make your job still brighter.

Anytime you're trying to find the things that bring true peace of mind, a little love can help to show the way.

Somewhere any time at all, winter, springtime, summer, fall,

a little love can make a perfect day.

The first month of this new year has kept us really busy. Our December 21 meeting was cancelled because of the weather, and we were left having initiation on the very first meeting on January 4. There were a few first night jitters, but everyone did a super job. I would especially like to welcome Trina and Tracy Tackett, who are our newest members. I'm sure you really enjoy being part of our family. Congratulations to Chris VanAman, who received a special award for the presentation of Ritual for the meeting.

On Saturday, January 14, we traveled to an all day School of Instruction in Indianapolis. It was a long day, but I think we all had fun (especially Mollie).

At Franke Park on Saturday, January 21, we had sledding party with the DeMolay. I think everyone had a good time.

Our next meeting is Parent's Night on February 1. We will have a potluck before the meeting at 5:45 p.m. I hope to see all the parents there.

## Fittin' or Not Fittin'

Anyone who read Margaret Mitchell's stirring book, *Gone With the Wind*, when it appeared some 25 years ago, will remember Scarlett O'Hara's beloved Negro nurse. It was Mammy's all-consuming ambition to bring Scarlett up as a lady, and the assignment was not an easy one. Time and again Mammy would admonish her red-haired young charge because of some unladylike bit of conduct.

"It ain't fittin'," she would say. When questioned as to WHY it was not proper, Mammy would only reply, "It ain't fittin' that's why!"

Freemasons, of all persons, should possess that sense of the fitness of things. It is a man not blessed with a native gentility when he petitions for the degrees, the Masonic relationship should give it to him. If

we take a rough ashlar and do not take it to make it perfect, we are taling in our job.

There is much to be done.

Once when I saw a successful young executive sit down at a conference table and make a point of hoisting his coat sleeves so all be sure to see the miniature Swiss watch mounted on each cuff link, I knew he had yet to master that sense of the fitness of things.

The man across the aisle on the plane who wore blue socks, each with a huge white Square and Compass emblem, had not learned what is tittin' and what is not.

Then there are the auto decals and bumper tags. Masonic emblems on athletic sweat shirts. Ash trays bearing the Square and Compass — did you ever reflect on how two of the Three Great Lights appear when stacked high with discarded cigarette butts?

Yes, and the lapel emblem which features two dots and a walking stick. (Are you ever plagued, as I am, with a disturbing question as to the propriety of wearing ANY type of Masonic emblem?)

Shall I say anything about the poor taste exhibited when name plaques to be displayed in the lobby are sold at so much per head in a fund-raising campaign for the erection of a Masonic Temple?

We have a long way to go, I fear, before we can impress the world at large with the thought that Freemasons are men who know the meaning of dignity, propriety, gentility, restraint.

But it is worth trying. And the time to begin is now.

## Take Time To Live

The secret of a happy and successful life is taking time to live. The currents of life are swift and stimulating, and the demands are absorbing. There are many more things to do than we can ever get done. Therefore, we must learn to do those things which are the most important and worthwhile.

In this generation, hurry and speed have become driving forces. This fast, hectic era has left many persons bewildered. It has made them think that the chief virtue in

life is to keep up with the clock and the calendar. We must learn to reduce the tempo of life or it will rob us of life's deepest meanings and happiness. Adding years to your life is important, but adding life to your years is more important. A long life without the feeling of fulfillment is a bore some one. We should not forget that we are investing a life; therefore, we should see to it that we do it well.

Time cannot be saved; it can only be spent. If not spent wisely and well, it is wasted and lost. There is no way of restoring it; once gone it never returns. Hence, it is necessary to use it as it is passing by and put it into the very best of use.

How precious time is depends largely upon our point of view. A dying queen is said to have cried, "Millions in money for an inch of time!" How precious time is at a certain moment! Yet time seems the cheapest thing some people have. They find time hanging heavily on their hands, so they just kill or fritter it away. Others set a high value on their time. To them time is precious. They believe that time is given to us for honorable work, for reading good books, for delightful conversations, for seeing friends and for doing worthwhile things in life. Time takes on new value when we take time to think. We must learn to divide our time. We must have time for the soul, time for work, time for rest and time for others.

The failure to take time to live prevents us from deriving the best of life. Life is an art. To be accomplished in any art, it is necessary to know the real from the imitation and to be content with only the best of quality. The tragic thing is that so many people are satisfied with an "imitation life," when they easily could possess the genuine. Life can be very great or pathetically little. It can be cheap or of real worth. It can be futile, or it can be creative. Life's true quality is shown in how you use whatever you have and how you meet the problems that confront you. Life is made up of chapters. Once one is written, it cannot be revised. But you can write another chapter with each new day.

We live but one life here on earth. Why not take time really to live and make it a beautiful one? Time is given to us for all God wants us to do each day and in the right way, so let us resolve to take time to live while it is ours to take and develop the riches of life before they are forever beyond our reach.

## COME TO THE CABARET

WHAT — Valentine Dinner-Oance, sponsored by the Drill Corps, Fort Wayne Commandory No. 4.

Lawyers are the only people who can write a 10,000 word document and call it a brief.

GO PLACIDLY AMID THE NOISE & HASTE, REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT — surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its shame, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

— Found on Old Saint Paul's Church, Baltimore; Quoted 1692.

stone is the principal locking stone of an arch, the keystone is the top, or cap of the entire wall. This is why the Royal Arch of Freemasonry, which has been classed as "The Keystone of Ancient Craft Masonry" is known in many circles as The Caplular Rite.

The expression "Making His Mark In The World" is quite common. Yet, the outside world has little knowledge of how this expression started. It is the belief in Freemasonry that Master Craftsmen employed in the construction of King Solomon's Temple did identify their work by using an individual mark on the stone that they had worked upon. We all have accepted that fact although there is little remaining of that wonderful building. It is an established fact however that the medieval lodges of Freemasons did maintain a Book of Marks wherein were registered the "Marks" of their members. Several of these volumes have survived to the present day.

At a meeting of the Operative Lodge of Edinburgh, Scotland, on June 8, 1600, the Presiding Master and the members present certified the minutes of that meeting by placing their Marks upon them.

Companions, we have a proud heritage. Thus, as it is said in the Holy Bible: Let Your Light So Shine Before Men That They May See Your Good Works, And Glorify Your FATHER Which Is In HEAVEN.

## Brethren:

On January 5, 1984 we had installation of officers and a great chili supper; that was prepared by Clarence Brown our secretary; many thanks Brownie, I sure missed seeing a lot of brethren for installation for this is a very important event of the year.

This is my second time to be W.M. of this Lodge and I have three main goals this year. No. (1) is to get greater participation in Lodge functions. Brethren it is your Lodge so support it; come and see what is going on at the meetings and join in with what is being said and done. For it is your Lodge and your responsibility to support it as members.

No. (2) is to increase the membership of the Lodge, by more petitions handed out and more coming in. If just one fourth of our Brethren would give out one petition and half of them were turned in

we could greatly increase our membership. Thus getting new and younger brethren to carry on with the work. As it is we are having more brethren pass on to the Great Architect of the Universe than we are bringing in to the lodge. Thus causing our membership to gradually dwindle away and in the near future cause us to consolidate with another Lodge or to give up our Charter and close our doors for ever. This would be a great loss to all and to such an Ancient fraternity. So, thus my Brethren I am asking you to participate this year and help preserve our Lodge for many generations to come.

No. (3) is Masonic education; we will be having a lecture each meeting on Masonry history and degrees. We will also be having practice on each degree so all the Brethren can be proficient in their work; so we can put on the degrees in a professional manner. I know that with the up coming lectures and practices there will be more participation of the Brethren and fellowship within the Lodge.

Brethren, Founders Day was January 14, at Indianapolis and your W.M., Secretary, and Wardens attended. So make sure you are at the February 2 meeting for the report.

A very special thanks to the Brethren who put the weather stripping around the front door, for it was greatly needed.

## CLOSING THOUGHT

There are three kinds of people those who make things happen, those who watch things happen those who wonder what happened don't just watch and wonder participate and make things happen. See you in Lodge and MAY GOO BLESS!

## SENIOR MASONS

Our monthly luncheon meeting will be on Monday, March 5, the first Monday of the month. As always, we will meet at 12:00 o'clock noon for lunch, with the meeting following lunch.

Before I forget, I do want to apologize for not having an article in the February Square and Compass. The deadline came and went before I knew it. We did have a fair turn-out with 42 members present. Our speaker was Sam Winger, the Chaplain of our Allen County Jail. Sam presented a good, enjoyable talk, along with slides on his work at the jail. Sam will be leaving town very shortly, and he will be going to Indianapolis to serve as a minister at a church down there.

At present, I do not know who our March speaker will be, but President Vince Westfall promises that we will have one. So you will have to attend the meeting to find out who it will be.

We still have some Brothers on the sick list, and our thoughts are with them, hoping for a quick recovery, and we took for their return to our meetings. Also we will be looking forward to those who spend their winters in the warmer climes, hoping for their safe return.

Why not mark your calendar now for the meeting on March 5. Come and enjoy a good lunch, an enjoyable meeting, and the great fellowship. Do not keep all of this to yourself. Invite a Brother to join with us. He will be glad that you invited him. We shall be looking for you.

Spread the word, don't keep it a secret. Once again, March 5.

## MIZPAH Shrine Band Annual Spring Concert

Sunday, March 25, 2:30 p.m.

at the

Scottish Rite Auditorium

417 W. Berry Street

Fort Wayne

No Admission Charged

This concert is an annual affair presenting a program comprised of stirring marches, show tunes, and light to classical concert band music. The public is cordially invited to

attend this colorful event. No admission is charged.

All of us have witnessed over the past years the disappearance of the town and city adult amateur bands

and their nostalgic concerts performed in the city parks. The Shrine Bands throughout North America intend to remain strong and progressive towards surviving our changing times and yet preserve some of the traditions of a bonafide foot stomping brass band.

This complimentary concert is presented for your enjoyment of band music and to remind everyone once again of the Challenge and Oedication of the Shriners, who totally support and provide 22 hospitals for crippled and burned children throughout North America.

MIZPAH Temple is fortunate to have one of the finest bands in all of Shrinedom throughout North America. MIZPAH Shrine Band, founded in late 1910 by twelve charter members, currently has a membership of 60 musicians. The previous 74 years of dedicated service given to MIZPAH Temple and the Fort Wayne community by this band, comprises a voluminous and colorful history of musical events and accomplishments.

March 10 at 10:00 a.m. we will have our next meeting. Most of the members will show up about 9:00 for coffee, doughnuts, and good friendly fellowship. Bob Wirick will be brought to the door by his wife or his brother-in-law. All the members will drop or gulp their doughnut and rush to the door to help Bob out of the car, up the stairs, and into his wheelchair, safe from the freezing, chimney-like draft. After settled back into the goodies again, Lynn Crawford will breeze in with Masonic stories dating back before the rest of us can remember, or his most recent trip to California to visit his grandson, John Simpson, who is also a New Light member. All members will bring their travels up to date. Some have traveled far, some have traveled farther, but all have traveled.

Along the way we meet many proud brothers who are many to attend lodge meetings. One brother relates that he would be embarrassed, as he cannot remember the words and signs, let alone three volumes of Masonic wisdom. This particular Master Mason was raised with the false impression that his Masonic growth depended upon memory rather than fellowship. I say to you brother, when you were initiated into the lodge, you were not given a textbook to learn from, you were given a brother to learn from. You became close to that brother, and he became close to you. Questions came up concerning the memory work and you exchanged ideas and thoughts. Both brothers lives were enriched for their own personal, spiritual building. So you see brother, the heart of Masonry is brotherhood. The unique system is Mason teaching Mason. As long as you are a Mason this system should never stop. You must continue to ask questions, get answers, and give answers. No Worshipful Master knows it all, and all officers have room for improvement as the other members that attend meetings forget procedure once in a while. If everyone was perfect, there would be no need for Masonry. We go to lodge to practice the craft of building, helping each other, and learning together. We want to help you.

If you make a mistake while in lodge and a brother puts you down to it rather than helping you, remember that you are not a lesser Mason, he is. Somewhere along the line he too placed memory and ritual before fellowship and brotherhood.

Greetings Brethren:

At our last Fellowship Dinner held prior to our February stated meeting we had the pleasure of welcoming Brothers Albert Scheele, Ray Ungerer, Richard Smith, and S.W. Norb Parrot who were all raised during the month of February. Our next stated meeting will be on March 1, at 7:30 p.m. and we plan to have a Fellowship Dinner before the meeting. It will begin at 6:30 p.m. and at that time we plan to welcome many of our Brethren who were raised during the month of March. The date of our Past Masters and Ladies Night has been rescheduled to Friday, April 6, 1984.

Recently, two of our brothers, William Hall and George Rey, have been in the hospital, and we hope they have a speedy recovery.

The Symbolic Lodge is the center, capstone, and very foundation of our fraternal experience and existence. We must never lose sight of "whence we come" and where we belong. We belong to and in a Symbolic Lodge. The value of the attendance of our members at lodge meetings cannot be overestimated. Remember this as you plan to attend Lodge this month.

Greetings from the East.

Brothers the 2nd month of the new year is half past us at this writing. I certainly hope this "Spring like" weather continues.

If you haven't been to lodge recently please come when you can and pick up the 1984 officers calendar. All of South Gate lodge activities are listed. Some important dates I would like to remind you of are V.A. Hospital visitation nights and V.A. church services that we are scheduled to usher. V.A. visitation; 7 p.m. April 9, May 21, July 2, August 13 and September 24. V.A. church usher duty 11 a.m. April 29 and August 26.

Our sincere sympathy is extended to the family of Brother Robert McGrail who was called to the celestial lodge above January 30.

At our February 6 M.M. meeting I had the honor of raising Brother John Caruthers to the Sublime Degree. Congratulations John! We had a nice turn out for the evening and I appreciate the help all attending offered.

I would like to wish a speedy recovery to Brother Emanuel Caywood and Richard Nichols. Both brothers are out of the hospital now. If we can help please call on us.

Brethren we should be having degree work through February and into March. Please try and come to at least one meeting each month. Participation makes a lodge strong and will impress on a candidate the importance of each degree.

At our February stated meeting we elected PM Frank Bryan as "Secretary Emeritus". An honor we deserved! Also PM Bud Armstrong was elected to replace PM Larry McComb as a lodge trustee. Larry has served in that capacity for many years and would like to give someone else an opportunity. Thank you Larry and Bud.

I would like to thank all the officers of South Gate for their support and the fine job they are doing. Also a big thanks to brother Ed Stange for the fine job he is doing with the work lectures degree meetings.

annual "Founders Day Conference". The purpose of the conference was to provide the new officers of each lodge guidelines and recommendations for conducting their Lodge as required by the Grand Lodge. We express our appreciation to Three Rivers Lodge for their hospitality and arranging all the enjoyable snacks on the bus. The "Training Ground" for Masters, Wardens and Secretaries was well received. Some of the important comments from the conference that I would like to share with you are as follows: The proper ritual and its perfection is the finest gift any Lodge can give to a new candidate. The Temples of Freemasonry are built only in the hearts of men. And finally, Masonry is a select society not intended for every man.

Brothers Paul Alexander, Gary Brown, James Fox, Pat Harper, Nicholas Litwinko, Patrick Marshall and Roger Stein who were raised to the Sublime Degree of a Master Mason in January. We welcome you into the greatest fraternity at all. Three of the new Brothers have already volunteered to present work lectures before the Lodge in March and April. They have all expressed a desire to become involved.

Our deepest sympathy to the family and friends of Brother William Lee of Waverly, Ohio who was called to the Celestial Lodge above.

SW John Howard is investigating the possibility of visiting the Schofield House in Madison, Indiana later this year. This is where Masonry started in Indiana and would be a perfect place to see and confer a degree on a new candidate.

The following dates should be posted in your Masonic Calendar. Wednesday, May 9th Past Masters and Charter Members night, Saturday, June 16th Annual Golf Outing with the ladies to be included in the evening festivity; Tuesday, July 3rd, 7:30 p.m. will be the July stated meeting night instead of Wednesday because of the 4th of July the Temple will be closed.

The following Past Masters have agreed to participate in the Fellowcraft Degree work on Wednesday, March 21, 1984: PM Frank Oates, PM Al Edwards, PM Jim Farrer, PM Bill Hanes, PM Bob Hobbs, PM John Lombard, PM Dan Morgan, PM John McNaughton, PM Bob Nickerson, PM Jack Porter, PM Win Rood, PM Virgil Smith, PM Bill Swartz, PM Charles Taylor and PM Tom Webb. Now that is what I call an all star line up. This will all be part of the Annual Fellowcraft Bean Supper. We will eat at 6:00 p.m. Come and enjoy a time evening of fellowship and excellent degree work.

Some say the strongest human need is the need to be accepted. It is even more fundamental than the need to be loved. To be accepted is to be allowed into another's life, to share it and be a part of it. You are a Free and Accepted Mason. You have at some point in time shared with others that thrill of being accepted. That acceptance unites us in ways that far exceed our own understanding. You can share with a new candidate the way to live thankfully by attending Lodge and letting him hear from you personally that you accept him as a Brother.

**Greetings Brethren:**  
Here it is March already, how time does fly. We started work with the E.A. degree on two candidates in February. It would be nice to see more brethren in attendance to help us put on the work. We will be putting on the F.C. degree March 6, mark it down on your calendar and plan to attend. We will have a fellowship dinner that night at 6:00 p.m. It will be a chili supper.

Brethren remember your 1984 dues are due, so check and make sure yours are paid. We still have some outstanding dues. Let the lodge know if there is a financial problem in paying your dues.

We have had some brethren on the sick list. But I am happy to report they are progressing very well. This is an item we need to know about, if you are ill or know of a brother who is ill, let us know.

A statistic which might be of interest is there are 75 or more brothers of our lodge who no longer reside in Fort Wayne for one reason or another. We send you greetings and the hope you are doing well. It would be nice to hear from you, so drop us a line or two. We in lodge would like to hear from you.

I would like to rectify an oversight on my part in my February article. I failed to mention MY installing officers and to extend my thanks. They were PM Kenneth Oisler, Installing Officer; PM Harold Hayes, Marshall; and PM Martin Onahue, Chaplain. My apologies brethren.

Our visit to Chatham Lodge in Canada will be April 28 and 29. Be thinking about it. Reservations are on a first come first serve basis. Brother Ken Oisler has again accepted the task of organizing the trip. We will exemplify the E.A. degree during lodge there.

The January 24th carry-in dinner and program on the Sinai was very enjoyable with about 65 brethren, wives, and family in attendance. A special thank you to Brother Artman for a very well done program. Also a thank you to Brother John Krieder and his helpers for the coordination of the dinner.

Brother Herman Grabler is now home recovering from heart surgery.

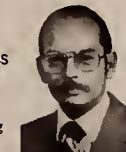

Brother James Peters is presently under the weather and we hope he will be back to normal in the near future. Our thoughts and prayers are with them both. These brothers would appreciate a card or call.

It was really heartwarming to see so many brothers present at the last meeting who had not been in lodge for a while.

Pocket calendars are now at the printers and will be available at the next meeting.

Home Lodge will be at labor in February with two brothers receiving their Fellowcraft degree. Presently we are also planning a Master Mason Degree on March 27.

**Greetings Brethren:**  
Have you ever stopped to think how long 35 years is? Last month this Master did. If you attended a tiled lodge for just three hours a week and five additional hours a week on lodge work outside a tiled lodge, over 35 years you would contribute 14,560 hours. That is a lot of hours, but does not register into something we can grasp and comprehend with our every day living. We do know that our usual avocation consists of 40 hours per week and we all know how long a work week can be sometimes don't we? When 14,560 is divided by 40 our answer is 364 weeks and that is a lot of work weeks my Brothers. In fact that is seven years of work weeks.

Brother Art Slane labored upon the Temple as secretary of our lodge for 35 years. Because of his contribution to our lodge, Brother Art was awarded with the title of "Secretary Emeritus" at a dinner on February

27th. Thank you Brother Art for the dedication and devotion you have given to our lodge. May the blessings of God be with you in your search for eternal life. May your example be an inspiration to us all.

It is with softened affection that I report that our Brother Clifford Nicholson has been called to the Celestial Lodge above. Our deepest sympathy to his family and friends. We also extend our sympathy to Brother Steven Lisle, our youngest Master Mason, in the death of his father, Frank Verhaegen. Brother Frank was a member of Rome City Lodge 451 and our lodge had the privilege of conducting the funeral service.

March will find us at labor on the following dates. March 11th will be our stated meeting starting at 7:30 p.m. with refreshments to follow. Master Mason degree will be given on March 12. Lodge will open at 5:30 p.m. for the first section, dinner at 6:30 p.m. with the second section to follow after dinner. Please note that our Master Mason degree is on the second Monday of March, not on our usual fourth Monday.

Brother Secretary Dave Simon reports that we have some dues still unpaid for this year. If you have not received your 1984 membership card, you have not yet paid your dues. If you cannot pay your dues contact Brother Dave today. If you can pay your dues, send them today and avoid an embarrassing phone call come March 7th. Dues should be paid by April 2nd to avoid possible suspension from your beloved fraternity.

Several Brothers have accepted my invitation to return to lodge. Our attendance has been increasing since the first of the year. The spirit of brotherly love is alive and well in your lodge. Make plans now to come and share in the fellowship. You will not be disappointed! See you in lodge.

February has kept us really busy. On February 1, we had our Parent's Potluck, I was truly pleased with the turnout. Shannon Jones was awarded the special award for assuming the attitude of prayer.

Saturday, February 4, we held a paper drive and then a slumber party at my house. There were 19 girls that attended. The next morning a few girls escorted at the VA.

Several girls attended the DeMolay Sweetheart Ball on February 11. Congratulations to the DeMolay for a very successful dance. Thanks for the invitation, everyone had a great time.

Wednesday, February 15 was Past Honored Queens and Majority Member night. Shari Wyatt, Tammy Pimanis, and Roxann Ferguson were given the Majority Degree. Congratulations to Linda Wyatt for winning the special award.

We are really busy planning for inspection on March 7. We are planning on initiating four girls. Please plan to attend.

"If I can sprinkle seeds of joy on somebody's plot, and bring to light some cause for hope that he has long forgot. If I can lighten someone's load that seems too great to bear, Assuring him his fellowman is not too rushed to care, If I can help renew one faith restoring someone's smile, My life will be enriched to seem a little more worthwhile."

The preceding verse was W.M. Sherie's Opening Thought this past year. It is a reflection of the fun, work and warm fellowship we shared with each other throughout the year.

In Feb. we had our election of officers, with the following results: Beckie Partin, W.M.; Jack Burson, W.P.; Mary Jane Burnett, A.M.; Cal Burnett, A.P.; Betty Scott, Treas.; Ina Webb, Cond. and Dee Boomer-shine, A.C. We extend our warmest congratulations to each of these fine people.

On Feb. 15, our W.M. and W.P. were honored at a party hosted by our Star Points, Susan Morrison, Holly Woods, Barb Woods, Chm., Elizabeth Cooper and Dee Boomer-shine. It was a lovely evening enjoyed by all who attended.

Our All Committee March Party is March 3, which is a Saturday, at 12:30. It is a luncheon, honoring our W.M., with all 1983 committee members invited to attend.

Installation of officers will be Saturday, March 24 at 7:30 p.m. All members and their guests are invited and encouraged to attend.

We are rapidly approaching the end of this Eastern Star year. While we have one month remaining, this is the last S&Q article for Sister Sherie and Brother Cal. For myself, and on behalf of the members of Shiloh, I want to thank them for leading our Chapter this year. Sister Sherie has performed her duties with a most capable ability. She is organized, meticulous, thoughtful and caring. Busy is another word to describe Sherie, for she is a wife, mother of a young son, and a career woman. Being W.M. has surely infringed on these aspects of her life, but she cheerfully gave of her

time for Shiloh. Brother Cal is dependable, warm and friendly. He is an excellent ritualist, and we are pleased that he is our A.P.-elect. Once is not enough when you're as special as Brother Cal. Shiloh is indeed privileged to have had these two fine people lead our Chapter this year.

We extend our warmest wishes to Sister Beckie and Brother Jack as they prepare to assume the duties of W.M. and W.P. And we pledge to them our utmost support for a happy and successful year.

February - the month of Love and Friendship, President's birthdays, Ground Hog Day, perhaps a hint that Spring will soon be here (even if the Ground Hog did see his shadow), the snow left us; Election of officers, and the beginning of year-end parties - the shortest month in the year???? with only 29 days this year - how can such a short month have so many activities?

And, then it is a sad time too as the reign of 1983-84 officers soon will be over. There is only one more

month to go. Another historical year for our Chapter is just about over; it was the year of the Rainbow: The theme - Happiness Is Faith in God; Motto - In all thy ways acknowledge Him and he shall direct thy paths; Our Worthy Matron's and Worthy Patron's special thought - "We're not primarily put on this earth to see through one another, but to see one another through. Self Portraits are usually colored. Reach out and touch someone with your Faith today!"

It has been a beautiful year, a successful one and we on the sidelines thank our officers for their leadership this year and for their courage and faithfulness to serve. At our first meeting in February, officers were elected to serve for 1984-85. So as not to repeat, we will report on the new officers in the next issue. Following chapter a delicious lunch of barbecued sandwiches, a variety of pickles and potato chips were served by Sisters Reathel Blue, Merea Woodworth, Ruth Robertson and Nancy Cleveland. Everyone enjoyed the fellowship on the mezzanine. We thank them for their generosity.

Our second meeting in February honored the sidelines. What would we do without them? We thank our Worthy Matron for her kind remarks and thoughts. Following the meeting, the Chapter All Chapter Committee party was held and everyone enjoyed the salad smorgasboard and sandwiches. The party was under the direction of Sister Mabel Keppeler.

Dottie Smith was in charge of decorations, using pictures of Presidents, which later became a game and prizes were awarded. Bingo also was played and again prizes were given. Sister Mabel presented Sister Carol a Merle Norman Manicure Kit and Brother Walter received some much needed dress gloves, according to Sister Marie.

We are sorry if you were not there to enjoy the fun and fellowship. You missed a lovely party.

On February 4, our Brother Clayton L. Herrick, P.G.P. assisted by our Worthy Matron and Patron, went to the home of Sister Bessie Straub

and presented her with her 50 year award. Sister Marie Cook also attended the ceremony. Sister Bessie was very happy to receive her Grand Chapter pin and especially happy to have them come see her. We extend our congratulations to her and now urge her to push toward receiving her 75th award.

Visiting Committee Report:  
Illness in Chapter: Brother Don Potts, Sister Kit Hartnup, Brother Andy Costello.

Illness In Families: Mother of Frank Bidlack, Father of Carol Schaefer, Husband of Anise Schenckler.

Death In Families: Brother of Sister Eileen Anderson.

We are so happy this report is short but we wish a speedy recovery to those who are ill and our sincere sympathy to those in sorrow. We only assume that there were no other illnesses since we received no other reports.

It is sharing and caring,  
Giving and forgiving,  
Loving and being loved,  
Walking hand in hand,  
Talking heart to heart,  
Seeing through each other's eyes

Weeping together,

The memory of this year with you  
Will linger long.

Like the sweet and tender melody  
Of an old familiar song.

As an echo of its sweetness  
Sings a soft and low refrain;  
And the twilight shadows gather.

And now I have come to the end  
of the road

That has meant so much to me;  
And, at the end of that starlit road,  
I find a memory

Of friends who have traveled along  
the way,  
Of spirit near and far;  
That makes the fraternal bond hold  
in sway

In our beautiful Eastern Star.  
This will be the last article for  
Denny's and my year.

It doesn't seem possible that  
another year has rolled around. We  
want to thank the members of  
Trinity Chapter for giving us the  
honor to preside in the East. It has  
been an interesting and most  
memorable year.

We have represented the Chapter  
to the best of our ability. I am very  
proud of the Chapter and its mem-  
bers. You have been very supportive  
and I know that you will give Sister  
Elaine and Brother Clyde your con-  
tinued support.

We want to take this opportunity  
to thank the various Committee  
Chairmen and members for taking  
those positions.

The Officers of course you know  
we are very proud of you. You have  
all fulfilled your stations well. The  
best group ever.

It has been extra nice having my  
daughter in the Adah station and  
my husband as Chaplain and of  
course Sister Margie as Prompter,  
Denny's better half.

We also had the privilege to  
initiate Denny's daughter, Lisa.

We have been busy making money  
for the Chapter, but also having fun.  
We started with a Spaghetti dinner  
and of course our peanut brittle and  
then those beautiful bows.

We will continue selling the bows  
as long as you people want them.

We set all kinds of records with  
the peanut brittle and Brother Bud  
was awarded a plaque for it. A  
Broken Record.

Then Brother Don Ford went and  
broke a record selling bows. Of  
course his wife, Neva Jean, did all  
the work. Just kidding Don.

Going back over the year a little,  
we had a beautiful Friends Night,  
then in September Joint Honor  
Night for the Grand Pages and  
Grand Ushers of District 14. The  
other Worthy Matrons joined in the  
program. We had our own Sister  
Marianne Jr. Past Grand Matron  
present and also Brother Lyle  
Cotton who honored us with a song.

We were honored to have the  
Worthy Grand Matron and Worthy  
Grand Patron from Wisconsin come  
and do the degree work at our Past  
Matrons and Patrons night.

What a beautiful job they did. It  
was her son coming in by dual  
membership, and her granddaughter  
and daughter-in-law with the degree  
work.

In November we had the pleasure  
of honoring our Grand Ruth, Sister  
Wanda Leonard.

The chapter room was decorated  
with yellow bows everywhere.

We will be putting the degree  
work on one more time at the last  
meeting in March.

We had election of officers on the  
3rd of February and those elected  
for the ensuing year:

Worthy Matron, Elaine Hofacker;  
Worthy Patron, Clyde Cupp; Assoc.  
Matron, Neva Jean Ford; Assoc.  
Patron, Jerry DeLeon; Secretary,  
Donna Rabbitt; Treasurer, Dorothy  
White; Conductress, Mickieann  
Suder; Assoc. Conductress, Carleen  
DeLeon.

Our best wishes to the new  
officers for the ensuing year.

We also wish Sister Elaine and  
Brother Clyde our best and our  
support, and to the members our  
heartfelt gratitude.

I wish I knew some special way--  
That I could just begin  
To say how I appreciate  
How nice you all have been.

But since you know me pretty well -  
And know my feelings, too,  
You know how happy are the  
thoughts

That prompt this wish for you:  
May God bless each and all of you.

Fraternally,

Lillian Anders, Worthy Matron  
Dennis Sower, Worthy Patron

Dur inspection on Jan. 18, in con-

chapters, went very well. Sister

many words of praise for the fine

song to the tune of "Winter Wonderland" was sang, the Worthy Grand Matron was invited to take an old fashioned sleigh ride around the chapter room. The sleigh was pulled and pushed by the Bluebirds, presiding Matrons and Patrons from District 14. From her remarks and the expression on her face, it was evident that Sister Linda Cline thoroughly enjoyed her Winter Wonderland ride. Many of those present with cameras took pictures of the event.

A banquet preceded the inspection and then Star of the East was in charge of the reception following the inspection. Coffee and tea were served, along with 27 dozen home made cookies. Nine dozen cookies were furnished by each inspected chapter.

All past and presiding Marthas were honored at our January 24 chapter meeting. Our present Martha, Sister Susan Adams, gave the history of Martha from the East. She also related to us how the faith of Martha had helped her in her personal life during the loss of a loved one. It was very inspiring given. Sister Susan was presented a pin and Martha doll by Sister Millie. All Marthas present introduced themselves telling the year and Worthy Matron they served. Candle holders with green candles were given to each.

The Allah Signet Club was also honored on January 24 and they furnished the refreshments after Chapter.

A dinner party to honor our Worthy Matron and Worthy Patron was held on Tuesday, January 31. Dur Assoc. Matron, Jean Barker, did a marvelous job in planning and carrying out the theme of the party "SARGE", a nickname given to our Worthy Matron, Sister Miller Clark.

A toast was given to Sister Millie by Sister Jean and all present, with a response from Sister Miller.

A toast was then given to our Worthy Patron, Brother William Jenkins, by Assoc. Patron, Brother George Dicks and all present, also with a response from Brother Bill.

The meal, cooked under the direction of Willie Witmer, was delicious — Salad, Baked Chicken, Rice, Veg., Rolls and Ice Cream Tortoni.

The backdrop behind the head table was in Miller's colors, brown with large yellow needlepoint letters spelling "SARGE". Also, clusters of yellow roses decorated the backdrop and head table.

The silk flower centerpiece with a bluebird as an added accent, a gift to Millie from Jean, was beautiful. The especially made stained glass hangings that read "SARGE" and "Bill" were also used to decorate the head table and then were given to Millie and Bill by Sister Jean.

Streamers of green & yellow decorated the banquet tables. Carafes held yellow roses and yellow candles. The evening's programs were in bright yellow. Favors were cute little duffel bags, made from bread dough, baked in Sister Jean's microwave oven and painted. Each duffel bag held a mint bar.

After dinner was served, we stood and sang "Happy Birthday" to Sister Miller — her birthday was February 4th. Sister Lucille Zurbrugg then played a tape from Millie and Bill's Fraternal Mom and Pop, Past Matron Frances Barnes and Past Patron Harold Barnes, who are in Florida.

Each of the Committee Chairmen cleverly presented Sister Millie with a gift, in hand sewn duffel bags. Brother Bill was also given a duffel bag on which V.I.P. was printed. Everyone enjoyed the appropriate

songs our Starollers sang for each honor guest. Their music always adds much to our chapter meetings and events.

Then came the big surprise — we were given a treat of years past. Some of the girls from Star of the East's Drill Team performed. They wore white uniforms, tams and white shoes. Sister Mary E. Bird wore Sister Millie's uniform; she modeled it for us before the drill started. Millie had joined the Drill Team in 1937. Past Matron, Sister Gladys Coe, wrote a history of the Drill Team. It was most interesting to hear her relate a few of their experiences. Many of the minutes of the group with exact dates have been lost, and much effort was needed to complete the memoirs. The Drill Team had been formed in 1929 and continued until the middle 60's. Each girl had her own uniform and all skirts were measured and hemmed so they were all the same distance from the floor. They made a striking appearance as they traveled to various chapters around the state to drill.

Sister Eva Lee (now deceased) was Captain all the time, from 1929 until it was decided to disband. Under her direction, all drills were practiced until perfect, and all uniforms were just so.

After the Drill Team girls gave us a very nice rendition of their drills, they invited Sister Millie and Brother Bill to drill with them. The honor guests and everyone present thoroughly enjoyed seeing the uniforms and a sample of their drills.

The Drill Team then marked time, while all other stood and sang "Dread Christian Soldiers". Taps was then played.

It was a very enjoyable and memorable evening as we honored our presiding Matron and Patron.

## Greetings Companions and Sir Knights:

Before starting upon the text of this column which this month does focus its attention on the Council of Cryptic Rite Masonry, we feel that it is only proper to acknowledge the great help rendered to York Rite in general and our Annual Sweetheart Ball in particular. Without the help of Companions Farrar, Winkler, Hartings, Wilson, Black, Swinehart, Johnston, Parrot, Shafer and Diamond, we could not have held this traditional affair. Many others also did assist, but space does not permit the mentioning of each. Yet, we certainly would be remiss if we failed to recognize the support and labor of love evidenced by the ladies of our Companions and Sir Knights who likewise aided in our efforts.

Although rich in tradition, Cryptic Rite Masonry is not quite as old as Masonic Lodges, Chapters or Commanderies. As a matter of fact this is especially true in the United States where our Councils were not formed until the early 1800's. The earliest account or record here was when the Columbian Council of Royal Masters conferred those degrees on December 2, 1817 in New York City.

Oespite its relative youth as far as Ancient Craft Masonry is concerned, the allegorical basis for Cryptic symbolism extends from the early

Biblical period in the days of Enoch. This Enochian legend appears in early Masonic lore, centuries prior to the Cryptic degrees, and provides an interesting background for the events that are portrayed in the conferral of these several Masonic degrees.

Despite the fact that Cryptic Rite Masonry is listed in most Masonic histories as having its origin in America, further research has shown that one Stephen Morin, a French Mason, was indeed created Inspector General for the New World by the Grand Consistory of Princes of the Royal Secret in Paris, France on August 27, 1761. Stephen Morin then sailed for the West Indies in 1762. During the ensuing years, he did create a Consistory of Princes of the Royal Secret in Kingston, Jamaica in January 1769. He likewise appointed Henry A. Francken a Deputy Grand Inspector-General and empowered him to propagate the Rite within the entire land of America. With this introduction of the Rites of Cryptic Masonry to our country, a significant void in the complete story of the York Rite was thus filled.

Cryptic Rite Masonry was introduced to Fort Wayne when Council No. 4 was chartered on December 20, 1856. The first opportunity we will have to introduce our Masonic Brothers to these degrees will be on

March 17, 1984. The degrees of the Chapter and the Council will open at 8:00 a.m. On the following Saturday, March 24, 1984, the Commandery Degrees will be presented. This conclave also will start promptly at 8:00 a.m.

Remember, all petitions for admittance into York Rite Masonry must be presented to the Recorder not later than our stated meeting Thursday, March 15, 1984. We who have had the honor of advancing through York Rite know how inspiring the lessons taught by that Rite can be. Why not share that knowledge with a friend whom you later found to be a Brother?

Fraternally yours in search for further Light.

### Brethren,

As many of you know, we held our annual Sweetheart Ball on Feb. 11 at the Shrine Temple Ballroom from 7:00 to 11:00 p.m. Everyone there had fun. There was plenty of excitement and anticipation as the Past Chapter Sweetheart, Beth Calahan, crowned our new Chapter Sweetheart Ms. Carol Hildebrand, who will reign throughout the year of 1984 and into 1985 when she will crown our new Chapter Sweetheart on the 13th of February.

We went to the Veterans Hospital to visit some of the gentlemen there that we know, at 7:00 p.m. February 18. We tried something totally new. We invited everyone from the Junior class and Sophomore class of Northrop High School to go to a Skating Party at Roller Dome North. The admission fee was absolutely FREE, except for those who didn't have skates. Then they only had to pay 75 cents, which was for skates. The party started at 5:15 p.m. and lasted till 7:15 p.m., during that time we had a brief break and

explained to the guys what OeMolay is and what we do.

On the 22nd of February we had an Initiation at the Masonic Temple on the fifth floor at 7:30 p.m. We performed the Initiatory Degree for the new candidates. Then on February 25 we went to Huntington and put on an Initiation for them. We performed for them both an Initiatory Degree and the DeMolay Degree. We also took our own new initiates to receive the OeMolay Degree.

And now, here are just a couple of this month's events. On March 10 is DeMolay Congress at Decatur Central High School. The 14th of March is a stated meeting, which will start at 7:30 p.m. at the Masonic Temple on the 4th floor.

Thought for the month:

When a man starts out to build a world,  
He starts first with himself . . .  
Then the mind starts seeking a way.  
Then the hand seeks other hands to help . . .

Thus the dream becomes not one man's dream,  
But a community dream . . .  
Not my world alone,  
But your world and my world,  
Belonging to all the hands who build

So let's try to apply this to OeMolay, along with everything that DeMolay teaches us.

## Shrine Band Continued

Dr. R. Parks White was the director of this new band during 1910 and 1911, however, after Dr. White heard John Verweire play, this new talent was immediately recognized, and in 1911 John was elected director of the band, a position he held for 38 years until he died in 1949.

John Verweire and other members of his family were accomplished musicians on the early Fort Wayne scene. He was instrumental in the founding of the News-Sentinel Boys Band and the Fort Wayne Civic Orchestra, which was the forerunner of the Fort Wayne Philharmonic Orchestra. He developed MIZPAH Band from a mere dozen charter members into a full-sized band of distinct prominence in Shrine circles, a position the band has held ever since.

Russell Wharton, having formerly served as Assistant Director under John Verweire, was elected Director in 1949 and held this post serving with distinction for 28 years. He formerly played solo trumpet with the band, being featured on solo works many times. Russell died March 22, 1980.

The current Director Oean C. Howard, elected to this post in 1978, has groomed the MIZPAH Band to become a National Champion winner of the concert competition sponsored by the Shrine Bandmasters and Bandsmen Association during Imperial Sessions held annually by the Shrine Temples of North America.

Oean, having formerly managed and owned music businesses in Fort

Wayne, has always been an active musician and has developed a keen fondness for the brass concert band. Oean was elected to the office of President of the Shrine Bandmasters and Bandsmen Association of North America during 1980, and currently is the Executive Secretary Treasurer for this organization.

Although MIZPAH Band is strictly an amateur organization, it is composed of an assortment of various musicians, many who have formerly played professionally. The MIZPAH Band invites interested and qualified instrumentalists to apply for membership in this organization. A qualified instrumentalist is one who genuinely enjoys music to the extent that he will support the Band by maintaining a good attendance record and will maintain a respectful proficiency on his own instrument. The rewards for dedicated membership in the Band Unit of MIZPAH Temple are great through the friendships formed, and the self satisfaction gained when your own dedication and proficiency helps to maintain this Band as one of the finest in all of Shrinedom. If you are an interested musician, make this known to one of the members, or if you know of a musician in Masonry please make this information available.

Principal honors won by the MIZPAH Band in past years include competition awards bestowed at the Imperial Sessions of the Shrine Temples of North America which were: Honorable Mention at Los Angeles in 1912; Third Place at Toronto in 1962; First Place at Indianapolis in 1970; First Place at Dallas-Fort Worth in 1972; Third Place at Toronto, Canada in 1975; Second Place at Detroit in 1978; First Place at Minneapolis in 1979; First Place at Cleveland in 1980; First Place at Orlando in 1982; and First Place at Denver in 1983.

Please invite your friends and join with them for our afternoon of outstanding Band Music planned for your pleasure during this annual Spring Concert.

## Revealing Freemasonry

The world outside sees Masonry through you and me. Masonry is revealed by our every act and deed.

The act of kindness, the deed of love, thoughtful consideration of others, these are the secrets which cannot be kept. Sharing the joys and sorrows of our brothers, participating in the work that makes the world a happier place to live in, going forth each day with a mighty hope and a growing faith — these are things by which the Masons tell what Masonry is.

The recognition of this truth also reveals the responsibility of Masonic membership. Into our keeping is placed the treasures of the past; the majestic thought of the centuries becomes our sacred possession.

The world sees Masonry through you and me.

Brethren:

During our February meeting we made plans for a chili cookoff, an award of gold celebration, and a night to mark the 125th anniversary of our lodge.

The chili cookoff will be held on Thursday, April 26, 1984 at 6:30 p.m. At our March meeting those in attendance will be divided into three groups and each group will be given the responsibility of preparing a Mexican, a Texas, or a Midwestern style chili. Rules will be announced at the March meeting. Diners will cast votes as to which group prepared the tastiest chili and the win-

ning group will receive an appropriate award, while the losing group will clean the dishes. Area Lodge members and their friends are invited to attend. If you fail to attend the March meeting, you will not be eligible for the competition. Don't miss this event.

Brothers Fred K. Andrews and Russell B. Gresley were raised to the Master Mason degree in April, 1934. Brothers Homer P. Kinerk and Russell Neireiter were raised to the Master Mason degree in May, 1934. We are planning a dinner on Saturday, May 19, 1984 at 7:00 p.m. to honor these brothers with appropriate ceremonies.

On Saturday, September 22, 1984 at 5:30 p.m., Olive Branch Lodge will celebrate its 125th anniversary. A committee has been named to plan this event and an invitation will be extended to members of Grand Lodge. We will be reviewing selected portions of our minutes of the last 125 years in an effort to compare the activities of our lodge then and now. Again, all area Lodges will be asked to attend this function.

I ask all those who plan to attend the above activities to contact me or the secretary so that we may plan accordingly.

Brother Stanley F. Dutkiewicz has been ill and hospitalized at Lutheran Hospital. Please contact Stanley and remember him in your prayers.

Our janitor has reported that mice have invaded the Lodge Hall while Lodge is not in session and have been romping through the piano, the secretary's desk and the kitchen area. Providing food for the mice is straining our budget. The Trustees will be making unannounced visits to the building in an effort to control this problem. Any suggestions as to control will be welcome. Of course, the mice will not be permitted to participate in the chili cookoff. See you in Lodge.

Brethren:

A note from our secretary (Dues Are Due) so please mail your dues in or bring them to our stated meeting on March 1. We also have a note from our J.W. We will be having pie and coffee after the meeting, so come and join us in some good fellowship.

Brethren, we have a petition in so we will be doing degree work in March, so come and participate. On Feb. 4 I had the pleasure of participating in a Master Mason Degree at Eaton, Indiana. There were 14 past Masters present, which is really great, for they have a real small membership. There were also eight members, plus three guest lodges, present. Brethren, it was great to share with so many that truly care and enjoyed working together in Lodge.

Brethren, a special thanks to Larry Brown, Malcolm Bender, Jerry

McDaniels and the Jobs Daughters for the repairs and cleaning of the Lodge when the water pipe froze and burst.

A note from Leo's Jobs Daughters: Wednesday, Feb. 15 was parents night with a pot luck dinner. Jobs Inspection will be on March 10 at 2 p.m. They will be having a special reception for Mary Ross, Vice Grand Guardian of Indiana and Grand Heine, Past Honored Queen and Grand Representative of Virginia, immediately following the meeting.

Brethren, some food for thought: I believe love made the world, but do I love instead as if I were the inhabitant of an unfriendly universe where I have to keep a wary eye on everything that moves and most of the things that don't? And so I scratch and scrap for every crumb I come on, almost as anxious to make sure that nobody else gets anything as to see that I get my own. And all the time there is a principle that cries out to me, huddling in my hungry Lodge, "CDME and SHARE! CDME and SHARE!" And I have only to come freely and without tear and partake of an abundance in Lodge ample for my needs and for the needs of all who wish to share. See you in Lodge. May God Bless!

## NOTICE

When the Associated Masonic Trustees took action to rent the parking lot immediately back (south) of the Temple it was to provide reasonably priced parking nearby after 5:00 p.m. Monday through Friday and all day Saturday. A charge of fifty (.50) cents was established, based on an honor system that those Brothers and Sisters using it would deposit their payment in the containers which have been provided and located near the front and back doors of the Temple. If you appreciate this service and have been paying regularly, thank you. But if you haven't please start.

When this service no longer pays for itself, it may become necessary to discontinue it and you may be required to obtain more expensive parking further away from the Temple.

Brethren,

Since I last talked with you, quite a bit has taken place at Summit City. During February Brother Lew Shuler was raised to the degree of Master Mason. To you, Lew, we extend both our congratulations and a hearty WELCOME.

Also during February we celebrated Bruno Belbutoski Appreciation Night. The Mizpah Bagpipers, led by John Conser, filled the room with music as they 'piped' Bruno to his seat and later performed more tunes. All but one of the Bagpipers were Summit City members, by the way. Thanks to John, Past Master Les Nehls, and all the Bagpipers for adding sparkle to our evening. Thanks also to Adolph Sklenar for arranging a fine dinner that evening. Most of all, thanks to all the Brothers who came to share the evening and to show how much we care for one great guy, Past Master Bruno Belbutoski!

Unfortunately, along with the good news we must accept the bad. Our long-time class conductor, George Wager, has passed on. We will remember his devotion to Summit City and be comforted in knowing that he had made sufficient preparation for meeting the Grand Architect.

Summit City had degree work during March. And we may have 'holdover' candidates for Fellowcraft and Master Mason nights in April. Check your Wednesday newspapers or call me for details.

Mark Saturday, July 14 on your calendar for our annual Baseball trip. The trip will be to Chicago to see the Cubs and Los Angeles. Tim Richardville has tickets for sale (\$25.00 per person) and they're going fast. The fee includes all transportation, admission, and refreshments. The trip is open to you and your family. Don't wait. Reserve your seats now.

Along with your invitation for the Ladies Night Banquet you received a brochure entitled Freemasonry —

A Way Of Life. And along with it came a special insert about Summit City. Past Grand Master Bob Miller is to be thanked for helping us have these prepared. Brothers, this may sound funny, but the brochure is not for you. Let me explain. Last week a friend of mine asked me, "Why haven't you invited me to join your Lodge?" I explained that membership is voluntary. He then asked how one qualifies to join, and I explained. Chances are that one or more of your friends has asked you similar questions. Give him the brochure! Not only will it answer some of his questions, but it may prompt him to ask more. When he becomes interested enough, he may ask you to recommend him for membership. Wouldn't that be great! And, by the way, I have more brochures. Let me know if you need more. Until next month, goodbye. See you in Lodge!

Greetings Brethren:

I would draw your attention to my new home telephone number which is 432-0604.

We were all very happy to see brother Senior Warden Herman Grabler back in lodge and in his station in the West, and brother Past Master James Peters, who are both on the way to a full recovery. Welcome back!

Again it is that time of the year when we must discuss dues that have not been paid. If you are one of those who have been remiss, there is still time to send them in or if there is extenuating circumstances please contact the lodge secretary. If we do not hear from you soon, by Grand Lodge law the lodge is forced to take some type of action. One thing we do not want to do is lose any members.

We now have two brothers who have received their Entered Apprentice and Fellowcraft degrees. We hope to have two new Master Masons by the time you read these notes.

The 1984 Home Lodge calendars have been printed and are now at the Temple.

Please make note and plan to attend the Past Masters Night on April 24. Dinner will be at 6:30 p.m. with lodge to follow at 7:30 p.m.

Brethren: March is past and we had a very busy time in lodge. We conferred the FC degree on two candidates on March 6. A chili supper was served before the degree work. We will confer the MM degree on April 3 and April 7. A supper will be served. Lodge will be opened at 5:30 p.m. with the supper at 6:30. Plan to attend as we need to show the new candidates our interest in lodge. Also we need your assistance to put on the work.

We received and voted on two petitions at the stated meeting April 13 so the lodge should have work into May.

A reminder that our trip to Canada is April 28 and 29. So get your reservations in if you plan to go. Contact Kenneth Disler or William Black to confirm your reservations. We will exemplify the EA degree while there.

I am glad to report that the brothers I know of who were ill, their progress is positive.

Again greetings to our out of town brethren. I hope all is well with you. Drop us a line as we would like to hear from you.

We wish to extend our sympathy to Simon Perez on the loss of his wife.

Remember these dates in April and plan to attend.

Our sincere congratulations are extended to Brothers Joseph Hobbs, Henry Rigby and John Thorn who were raised to the Sublime Degree of a Master Mason on February 22, 1984. We welcome you into the finest fraternity of all. May the enthusiasm that you displayed throughout the month be an everlasting interest in Masonry.

Past Master Bob Hobbs, and brothers Ralph Conrad and Bill Houser, members of the Masonic Education Committee, are busy preparing a special program for the stated meeting on Wednesday, May 2. Please make note of this as you won't want to miss it. This committae will continue to be active throughout the year.

SW John Howard and his committae have completed their plans for the annual "Past Master and Charter Member Night" to be held on Wednesday, May 9, with dinner at 6:30 p.m. Our ladies will be included in this very special occasion. We not only will be honoring our Past Masters and Charter Members but will also have a special award ceremony for those members who have completed twenty five (25) years of Masonry. The thirty eight (38) Master Masons who were raised during 1983 will also be recognized. An exceptional program of entertainment has been planned. Tickets will be \$4.00 per person. Make your reservations now by contacting any of the officers. It promises to be an evening you will want to be a part of.

Thanks to Brother Bob Norton for having the Senior Steward's chair

repaired. SS, Wally Sterling will now be able to sit still for a change during our future lodge meetings. Also new locks have been installed on the two doors in the Preparation Room. Thanks for your prompt attention to these matters Bob.

A painting titled "The Three Masters" was presented to the lodge by Brother Wendell Oavis in honor of the raising of Brother John Thorn. It has been hung on the North wall of the Lounge on the second floor. We are indeed grateful for the generosity of Brother Wendell.

There are five petitions out for investigation and report at the April stated meeting. Maumee Lodge continues to keep busy with degree work. We are proud that so many fine young men have chosen our Lodge to see "the light".

In the patchwork quilt of life there is something very natural and very traditional about assessing the fabric of life. Perhaps it's the ending of winter knowing that we have survived another one of Mother Nature's episodes. Maybe it's age or just the thought of being alive and well, or it might be the quiet realization that another year is well under way. But whatever the cause the rewards are rich and colorful. Each person (candidate) we meet in life's new Masonic adventure brings a new thread into the weave; adds color or texture or strength to the cloth. When you stand back and look you realize what a fine rich fabric Masonic Life is weaving for each of us. For you who have brought color and strength to our Lodge and texture to us as individual beings we will be avar grateful. May the Masonic way of life wrap us all in the warm raiment of friendship, brotherly love and truth. Experience this weaving of a new thread of life by becoming a part of the degree work or simply support your Lodge by attending.

March has been a sorrowful month this year. Brother Donald L. Ford has been called to that Celestial Lodge above. We expressed our sympathy to his family at the Masonic Service held Friday, March 16.

The members that attended the March stated meeting were informed that Brother P.M. John C. Conahan has been admitted to Lutheran Hospital, and Chick Mann has been transferred to a hospital in Ann Arbor, Mich. I hope every Mason that reads this article will include these people in their prayers.

It looks like April will be a busy month. We have three petitions to vote on at the stated meeting. Oadlina for 1984 dues is now upon us. If any of the Brothers cannot bring their dues current at this time, please contact the secretary or Master.

We still need contributions for the parking lot. If you can help, please contact Ron Harruff.

Greetings Brethren,

Due to the recent snow storm our schedule of degree work was altered during February and March. Ona Brother was Entered on February 20, Passed March 5, and should be receiving the Sublime Degree on March 19.

We would all like to wish P.M. Bud Armstrong a speedy recovery from his recent surgery. We'll be looking for you in lodge Bud!

Brothers, we still have about 60 unpaid dues for 1984. The time is near that we as lodge officers must take action in accordance with Grand Lodge regulations. If you haven't paid your '84 dues, please do so soon. If you can't pay them Please call me or the lodge secretary. We can help.

Some important dates to remember: April 9, VA hospital visitation, April 29 VA hospital church escort. Also our Past Masters banquet is on May 1B. The Wardens and myself will attend the Grand Lodge communication May 15 and 16 in Indianapolis.

Brothers, your attendance at our meetings is very important to all the lodge officers. We have had a nice turn out at our recent MM degrees, for this we thank you. Please continue to show your support and remember the degree work is for you as well as the candidate.

Brothers, the following letter was handed to me last night at our stated meeting. After reading it the lump in my throat seemed to linger. Although there is a great deal of pride in having served with Brother Bryan as a lodge officer, there is also a sadness in reflecting on his decision to step down. A letter from Secretary Emeritus Franklin I. Bryan.

#### MEMORIES

Back in December, I asked our newly elected Worshipful Master, Roger M. Blakley, if I might share a few thoughts with the members of South Gate Lodge. Each month I would take my pen in hand, set there a few moments trying to jot down a number of things, but then giving up. But this time, it was do it now or give up.

It was a pleasure working with

many, many officers over the past years. I shall always cherish the many fond memories of all of the Worshipful Masters under whom I have served. With being Secretary for many years, it was hard not to give advice on many things that came up. Whether or not it was appreciated, I shall never know. I do know that it was a time consuming job, using time that should have been spent with my family over the years. Many times my wife sat waiting patiently at home, wanting to go somewhere or do something, but I couldn't because I had desk work to do for the Lodge.

Since stepping down as Secretary for South Gate Lodge over the past 29 years, might I say that it was a privilege and an honor to have served as an officer in the line of officers back in the 1950's. (That seems ancient). Upon leaving the Worshipful Master's station, I moved just a few steps to the left to the Secretary's desk. I had served as the 7th Master of South Gate Lodge. I was elected to the Secretary's job for the year 1955. Of the 29 Worshipful Masters under whom I had served, one is now living in Ohio, one is in Illinois, two live in Florida, one lives in Tiawan, one shares his time between Lake Wawasee and Florida, two have transferred to other lodges, and one is deceased.

I think that one of the hardest things that we had to accept during the 29 years, was the death of Brother Bill Brase in September of 1969, during his year as Worshipful Master.

If I may, I would like to share a little of our history with you: Our Petition for a dispensation contained the signatures of 31 Sojourners. This was presented to Grand Master W. Henry Roberts on October 10, 1947, and he in turn presented it to the Grand Lodge Officers in charge on October 20, 1947. A petition for a Charter was presented to the Grand Lodge in May, 1948, containing the names of 158 so called Charter Members. A charter was presented to South Gate No. 731 on May 27, 1948, bearing the date of May 1B. These beginning 158 members have grown to 41B members as of our annual report of November 30, 1983. In addition to these 41B members, we have lost 160 through death, 134 have demitted, 49 suspended for non-payment of dues, one was expelled, and three withdrew their petitions before they were voted on, for a total of 347 ex-members.

At our 25th Anniversary Past Master Banquet, Past Grand Master W. Henry Roberts, who had presented our Charter, was the principal speaker.

I had promised Brother Roger Blakley that I would stay on as

Secretary during his year as Worshipful Master. I am sorry that I could not live up to my word, but do to circumstances, it was best that I retire. (Ask any of the 1983 officers and they will tell you how I actually tell for the job).

One of my fondest memories was being permitted to raise my son Franklin to the Degree of a Master Mason back in July of 1966.

I want also to thank Brother Blakley and the officers for naming me Secretary Emeritus at our February stated meeting.

I know that there will be more things come to mind that I should have mentioned, but —

Once again — THANKS FOR THE MEMORIES.

Is New Light Lodge on the move?  
The answer to that question is a definite yes. Since 1979, our lodge has raised several Master Masons. The numbers do not add up to some of the other lodges, but the real growth we have is within the brothers themselves, and the relationship between the brothers. Of the brothers we have raised in our short history, one is already a Past Master, another is at present Worshipful Master, and the Senior Deacon, Senior and Junior Stewards and are all new Masons.

Our lodge can be very proud of the fact, that we have raised but only one Master Mason who moved right out of the Symbolic Lodge and devoted all his efforts to Masonic

related bodies. I only wish I could express clearly the empty, despair feeling. I sense from the members of our lodge when that brother's name comes up. It might be expressed by metaphor, as a dedicated teacher loses a good pupil to other interests, or maybe a professor with students whose only interest are to get that diploma. That feeling of disappointment reflects that our lodge had, and still has, a high regard and a soft spot in their hearts for the brother. We must ask ourselves, what do we do with what we got, and in that area we do very well.

March 31 we initiated into our lodge an Entered Apprentice. We are pleased to have him. We are looking forward to helping you with your Masonic growth. In doing so, I'm sure you will also enrich our lives.

Greater Love Has No Man Than  
This, That A Man Lay Down His Life  
For His Friends.

John 15:13

Dear Brethren:

With April comes Spring and with Spring comes resurrection of life. As Winter saps us of life, may April find us renewed in our quest for life everlasting.

Brother Roy G. Jahn completed his labors upon the temple on February 15, 1984. Brother Roy has now been called to the celestial lodge above. To his family we extend our heartfelt sympathy.

March 12th found Brother Ray Shaw beginning his labors upon the temple as Brother Ray was raised to the sublime degree of a Master Mason. Congratulations Brother Ray and may your temple building be all you wish it to be.

As you know, because of bad weather, Art Slane's appreciation dinner had to be rescheduled to March 26th. At this time I would like to extend a very special thank you to Brother Robert H. Miller, P.G.M. for presenting our award upon Brother Art. A good time was had by all who attended this banquet.

April will be another busy month for your lodge. Dur stated meeting will be April 2nd at 7:30. On April 23rd we have scheduled a dinner and educational meeting. Dur usual fine dinner will be served at 6:30 p.m. Dur meeting will follow in the kitchen. Secretary Brother Dave Simon, P.M. will present the pro-

gram for our enjoyment. Brother Dave will for sure have a super program because of his deep love for our fraternity.

Masons have always cherished their beloved families and have now for many years gathered together once a year for our Family Night Banquet. Since Easter is one of the times when families attempt to share some time together, we have decided to make it easier for you to do just that. Dur annual Family Night Banquet will be on Saturday, April 21st at the Temple. Dur brothers and their families will be received by the officers starting at 6:00 p.m. We will share dinner at 6:30 p.m. in the ballroom. After dinner, entertainment will be the next order of business. And entertainment we shall have. Marvelous Marv, Marv Crouse will perform magic and tricks right before our eyes. After we are totally perplexed by the mysteries of magic we will then be entertained by Lucy Haggen, a young lady who writes, plays and sings her own music. This Master heard Lucy perform in February and knew right away that she had to be at our Family Night Banquet. A good time is guaranteed for all and you will soon receive information through the mail on how to make your reservations. Please do remember that family is family and you are more than welcome to extend your own personal invitation to your mother, father, brothers, sisters and their families as well as close friends whom you consider as part of your family. It will be an evening not soon forgotten; so don't regret hearing about this super evening after it's over. Make your plans to attend now.

April 30th, which is a Monday night, we will be having our annual Father & Son Banquet. We will serve dinner in the ballroom at 6:30 p.m. Dur guest speaker for this evening will be none other than our Brother Rev. Phillip C. Philbrook, 33d degree. As you know, Brother Philbrook's reputation as a speaker precedes him and a super time is in store for all in attendance. Again, you will soon receive information through the mail on how to make your reservations. In the past brothers have always brought their sons to this banquet, but this year why don't you extend an invitation to your father? Dr how about to your grandson, or a grandson to his grandfather? Dr even to a friend and his son? We are going to have a good time so again make your plans to attend now.

In closing, let us remember as we approach Easter that Jesus Christ showed us the greatest love, he laid down his own life for us. Would you do this for your friends?  
See you in lodge.

Trinity Chapter No. 576, Order of the Eastern Star is starting another wonderful year with officers, who like previous officers are looking forward to their new year.

A new star was born on May 25, 1946 when 29 members met with the Worthy Grand Patron, Elmore Sturges and under his direction Trinity Chapter was instituted. Our first Worthy Matron and Worthy Patron was Nell and Bob McClure. On Saturday, April 26, 1947 we were constituted.

So thirty-seven years later on March 17, 1984 at 7:30 p.m. in the Colonial Room, Masonic Temple, Trinity Chapter held their Installation of Officers.

The officers are: Worthy Matron, Elaine Hofacker; Worthy Patron, Clyde Cupp; Associate Matron, Neva Jean Ford; Associate Patron, Jerry DeLeon; Secretary, Donna Rabbitt; Treasurer, Dorothy White; Conductress, Carleen DeLeon; Chaplain, Theodore Brandt; Marshal, Lillian Anders; Organist, Elizabeth Smith; Adah, Ann Pittenger; Ruth, Alice VanAllen; Esther, Deloris Anspach; Martha, Maxine Cupp; Electa, Mabel Watson; Warder, Thelma Brandt; Sentinel, Dennis Sower; Prompter, Lois Donelson; Soloist, Mabel Robinette.

The installing Officers were: Installing Officer, Lois Donelson, PWM; Installing Marshal, Donald Ford PWM; Installing Chaplain, Norman Anders PWM; Installing Organist, Clementine Bowser; Installing Soloist, Carol Schrieber; Installing Obligation, Charles Kinch PWM; Star Point Ceremony, Mae Ernst PWM.

As the officers entered the room wearing their pretty dresses of Daphne Rose, they saw a beautiful room where in the East a lighted picture of the Crown and Scepter, the Dpen Fan with arrangement of lilies and fern, the flowers of the Esther station.

In the West a lighted framed picture of the Lord's Prayer in candlewicking. Also arrangement of Pink roses.

In back of each Points stations on the round tables was arrangement

of an open fan with the flowers of each station laying sideways at the bottom of the fan.

Elaine's motto: To live by Faith and serve with a smile.

Our Worthy Matron's Inspiration: Faith and Friendship as symbolized by the Dpen Fan.

As a folded fan it is a mere trinket until it is spread and put into action so also is the life of the one whose heart is closed and unmoved by the Spirit of Faith to extend Friendship and Compassion to others.

Her Watchwords: Faith - Friendship - Loyalty and Love.

Her Scripture: The Lord's Prayer and Psalm 23.

Emblem: The Crown and Scepter and Dpen Fan.

Colors: Are shades of pink and white; Pink for Perfection and White for Purity of thought and deed.

Flowers: Pink and red roses, green fern and flowers of nature. Opening Ode: "In the Garden." Closing Ode: "Just a Closer Walk with Thee".

Past Worthy Matron, Mae Ernst gave the Star Point Floral Ceremony.

The Past Esther's and Martha's were the Escort for our Matron. They held pink arches with pink and white roses with a silver crown in the middle of the arch.

The Soloist, Carol Schrieber sang "You'll Never Walk Alone".

A bouquet of pink roses were presented to Elaine by her granddaughter, Patricia Wyatt.

The men formed an escort for Clyde and the soloist sang, "One Day at a Time."

After the installation there was a reception in the Ballroom of the Masonic Temple. The tables were decorated with pink and white streamers with vases of pink roses and other flowers of nature in shades of pink and candles in pink and white. Delicious refreshments were served and a lovely evening was enjoyed by all.

Charlotte Cushman says:  
"GOD  
Conceived the world,  
That was poetry;  
He formed it,  
That was sculpture;  
He colored it,  
That was painting;  
He peopled it with living beings,  
That was the grand, divine, Eternal drama."

It was part of that Eternal drama that you permitted us to share. For this we thank you. For us it has been a year of deeper understanding and many times rich blessings. To Sister Marie and Brother Richard we extend our most grateful thanks for planning and sharing so much this year. You both went over and beyond that second mile.

Chapter has passed through another year of its history and we are now looking forward to another wonderful year under the leadership of Sister Carol Schaefer and Brother Arnold Moore. May your planning and dreams come true in this year and may the cooperation you receive be a blessing to you both. To your corps of officers we wish a very happy and successful year with friendship overflowing your lives.

Thank you all for this past year.

Carol Munk, W.M. and  
Walter Cook, W.P.

And so another chapter in Fort Wayne Chapter's history is completed. It was indeed a pleasure serving our chapter this year as your publicity chairman and to be able to give our membership who live far and wide or are unable to come to chapter for one reason or another, a little of the happiness we have shared with Sister Carol and Brother Walter, and I truthfully say we thank these five leaders for the many five programs we have had and the many hours they have spent planning the many parties and festivities we have so enjoyed.

Under your leadership Sister Carol and Brother Walter it has been a prosperous and successful year as your committees have cooperated well and your officers have given proficient work and our time was well spent every time we happened to be together as a harmonious and working chapter. Thank you on behalf of the members of Fort Wayne Chapter for all you each have done on our behalf.

**FAREWELL** from Worthy Matron Millie and Worthy Patron Bill.

"There's a comforting thought at the end of the day,

When we're weary and lonely and sad,

That sort of takes hold of our hungry hearts

And bids it be merry and glad.

We may not have wealth, we may not be great,

But - we know we shall always be true,

For we have in our hearts the courage you gave

When once we touched shoulders with you."

"Dur year is over. Maybe we have achieved part of our goals; our aims and goals were high and it is up to you, the members of this Chapter, to know how the challenge was met. Your Worthy Patron and I have strived for increase in attendance, fellowship and making the meetings attractive. Did we succeed in our undertaking? Just remember this, "Stay Young at Heart", for then, and only then, will the younger generation take heart and carry on the great work of the Order of the Eastern Star.

"We want to thank our Beloved Chapter for letting us be your Worthy Matron and Worthy Patron for 1983. Continue to give your support to the officers as you so generously did for us. May the Blessings of Our Heavenly Father rest on each and every one of you.

On life's busy thoroughfares  
We meet with angels unawares  
So, Father, make us kind and wise  
So we may always recognize  
The blessings that are ours to take,  
The friendships that are ours to make  
If we but open our hearts door wide  
To let the sunshine of love inside.

Greetings Companions and Sir Knights:

My how time goes by, here it is April already and it seems like the new year was only yesterday. When you stop and think about it, yesterday is really another word for Past and the Past can only be used as a learning tool for today.

Speaking of today, we are into spring according to astronomy and although mother nature may not know it, the temperature outside is supposed to be getting warmer and warmer temperature makes everybody perk-up, smile and start feeling good about getting outside to enjoy the rebirth of nature.

It we just take some time to study nature, we can learn a lot about the cycle of life. As we have just past through the dead of winter, its symbolism reminds us that we are born to die, and death means rebirth into that realm of life from whence we came.

The Knight Templars of old were often reminded of this same truth by the persecutions they suffered at the hands of Phillip The Fair of France and Pope Clement V. The work performed by our Brothers during the Crusades in the Holy Land is well documented and stands in high favor among the residents there today. Of course the origin of the Knights Hospitaller arose from the need to give aid and comfort to the many pilgrims coming to the Holy Land to offer up their devotions at the Holy Shrine. But it became quite evident that their very lives were in danger and needed protection. Thus the Knights Templar was formed to meet that need.

After a troubled existence of over two hundred years, our orders were forced to evacuate Palestine and in the year 1310, conquered the island of Rhodes from the Saracens. Under

the watchful eyes of those Knights Templar, Rhodes became a bastion of defense against the ever encroaching Turks. Finally, in 1522, the island was besieged by Emperor Solymann II (who incidentally is buried in an elaborate tomb in Oamascus, Syria).

The loyal Knights aided by the people of Rhodes put up a formidable defense and time after time fought the Turks to a standstill. Actually Solymann had finally given up all hopes of defeating these Knights Templar and was acting to embark his troops when a traitorous civilian lured by the promises of great wealth, informed the Emperor of the small number of Knights that remained fit to fight further against him. This traitor also led the way into the fortifications and alas, the battle was over and the Knights were forced to surrender. Solymann himself was dumbfounded by the courage of the Knights and in a token of respect for their courage, allowed them to depart without further harm. After the Knights had departed however, the Turks fell upon the remaining people and put them all to death by the sword. Many of these Knights Templar were originally from Italy. After that country was given the island of Rhodes, Benito Mussolini, the Dictator of that land decided to rebuild the Palace of the Grand Master and the fortifications around it. This area is now well restored to a great part of its former beauty.

During their stay in Rhodes, it is quite evident that Knights Templar were held in high regard. During a recent trip to Rhodes in 1981, the guide (learning that several of her group were Knights Templar) actually genuflected and asked permission to kiss our rings! It is thus quite evident that Knight Templar does indeed have a noble heritage

and is worthy of its present high regard in Masonic Circles.

Fort Wayne Commandery No. 4, K.T. will have the high honor of being the host for the Grand Commandery of Indiana when they hold their annual meeting here in Fort Wayne on May 3-4-5, 1984. A second honor is that the present Eminent Grand Commander of Indiana is Sir Knight Kenneth E. Gibson, a member of the Fort Wayne Commandery.

Prior to this meeting however, we cordially invite all of the Masonic Fraternity, their families and friends to join with us at the Sunrise Service honoring the Resurrection of our Blessed Savior to be held at 7:00 a.m. Easter Sunday, April 22, 1984 at the Scottish Rite Auditorium. This again will be a joint service sponsored by both Fort Wayne Commandery No. 4, K.T. and Thomas A. Brandon Council No. 451, K of C.

In the midst of all our plans and deliberations however, we ask that a moment of silent prayer be given in honor of our departed comrade, Sir Knight James Reynolds who departed this life to give further service to his Lord and King Sir Knight Reynolds was a trusted friend and loyal Knight. He will be missed by all.

In the Service of Our Lord and Master,

Vonn G. Hoffman, High Priest

A Wonderful Magic

There's a wonderful magic that happens

Whenever the dawn paints the sky,  
Whenever a seed sends a sprout  
through the soil,

Whenever a bird learns to fly,  
Whenever a breeze strums a tune in  
the trees and sings of the places its  
been

Whenever life glows and reaches  
and grows and repeats its glad  
promise again.

Spring is coming because I hear  
our members are returning from  
Florida. We will be glad to see you

even if you are all tanned.

I want to thank the members who brought and sent recipes for our recipe books.

Many thanks to Mrs. Walter Kerley who offered to type them for us. We really appreciate her help.

Our Supreme Aide, Mrs. Clarence D. Harter from Gary, Indiana will be here March 20.

We have new program books and rosters made. They are available to all members.

Mr. and Mrs. Paul Hendrickson visited Inez Thrasher at the Richdale Nursing Home in South Bend. Inez was thrilled to see them and looked good. She said to tell everyone she was as mean as ever and would like to hear from them. Send cards!

Mrs. John Butler and Mr. and Mrs. William Black visited Veteran's Hospital Sunday, March 11 for church services.

We wish to express sympathy to Mr. and Mrs. Gerald Walker in the loss of his sister, Vera Jane Walker and Mr. and Mrs. Charles Ramel in the loss of her father, Laurence, a friend.

We will honor Past Presidents on April 3. Do you remember what year you were President of the Social Order of the Beauceant? Come to Assembly and tell us.

We wish to thank Mrs. Charles Masel and Mrs. Robert Whyte for the yummy desert and cookies served as our refreshments on March 6. The tables were decorated pretty too.

Friends' Night will be April 17 — bring a salad and join us.

## Square and Compass Now In 50th Year

This year marks the 50th anniversary of the Square and Compass of Northern Indiana. The paper was started in 1934 by George Triplett. He was editor and publisher until 1941 when Brown Cooper assumed the job. Cooper was editor until 1959 when he turned the job over to Winston Lee. Upon Winston's death, Mrs. Lillian Lee kept the paper until turning it over to Mr. and Mrs. Mervel Smith in 1970. The job was assumed by the present editor in 1977.

The following letter was received from Mr. Triplett just recently regarding the start of the paper.

April 13, 1984.

Mr. Jack A. Ash  
Dssian, Indiana 46777  
Dear Bro. Ash.

Thank you for your nice note of April 5, and congratulations on the fine job you are doing in editing and publishing the Square and Compass, now in its 50th year. Hopefully it will survive for another 50 years.

1934 was a difficult time for almost everybody, but with the kind assistance and encouragement of Brothers Brown Cooper, Sam Geake,

O. A. Oellinger, Fred Pecock and many others, a start was made. The Blue Lodges and affiliated organizations all needed better communication with their members and I needed a job. So all I had to do was to get numerous DK's and permits and then sell enough advertising to cover expenses and have a few dollars left over. Brown and I had a run at it and pretty soon the Square and Compass was being printed each month by Bro. John D. Sessler, bless his heart!

It is interesting to me to note that Klahn's, Sloan and Sons, D. D. McComb and Sons, Reddings, Doswells, Fishering, and Brateman Bros. were advertisers from the beginning (bless them, too). PATRONIZE OUR ADVERTISERS (as we used to say).

About 1936 I joined the advertising department of the News-Sentinel, and then on December 1, 1941 became one of the general agents of the Medical Protective Co., and was soon assigned to Michigan. Retired in 1968 and to Florida in 1969.

I wish you all continued success and good luck and my best regards

and wishes to your Square and Compass subscribers.

Sincerely,  
George A. Triplett

The Square and Compass was started so the Masonic bodies might have better communications with their members and to this day has tried to maintain that philosophy.

The Editor

In an additional bit of trivia the present editor has done the typesetting and printing of the paper since 1959.

### Senior Masons Club

The next meeting of the Senior Masons will be on May 7, the first Monday of May. As always, we will meet at 11:45-ish for lunch, with the meeting following lunch. Our attendance picked up a little at our April meeting with a total of \$4 present, including 2 first timers and the speaker. The warmer weather back with us (?), we should see a few more attendees. One person we did miss at the April meeting was our President, Vince Westfall. He was on an R & R at Parkview Hospital. We are happy to report that he is out and around now. In his absence, Vice President Nelson Beaverson assumed the duties and did a real good job. Thanks Nelson.

Our speaker at the April meeting was a representative of St. Joe Hospital who spoke on operations of Health Care Facilities. The speaker for the May 7 meeting is James W. Groseclose, a retired Air Force Officer. Let's have a good turnout to hear him.

It seems that each month we have some new faces with us. We always hope they come back and that they bring along a Masonic friend. So right now, before you forget, mark your calendar for the next meeting, Monday, May 7. Bring along a Brother so that they can enjoy the good food and great fellowship that we have. We are sure that they will enjoy it as much as the rest of us do. We shall be looking for you.

Dear Brethren:

Hello from your lodge! Spring is here, the trees are budding and mother nature is busting out everywhere we look. The lodge rooms are very active with new members; and the regular members are increasing due to the change in the weather.

We have many ideas for our lodge this year and next; so come to our stated meetings and help out with some of your thoughts. We will be having M.M. degree work on 24 May 1984 starting at 7:00 p.m. sharp.

The officers are doing a fine job. It is a pleasure to put work on with such fine people. One of the most rewarding sights is to see a brother's face after the obligation. It is like the spring starting the whole area to give life to all living things. As you can see spring has a great meaning to me.

I hope to see you all in lodge, brothers!

Brethren:

I hope you are enjoying the rebirth of spring as much as I am. Nothing is so refreshing and able to revitalize our spirit as spring. May spring bring to each one of us a rebirth in our love of Masonry and revitalize our hope for life everlasting.

I hope that all who were in attendance at your lodges Family Night Banquet and our Father and Son Banquet enjoyed both events. The officers spent tremendous amounts of time planning and preparing these events and deserve your expression of gratitude for a job well done. Knowing that you enjoyed yourself is the only reward they seek, that is what makes all the effort worthwhile.

Life everlasting was earned by three of our brothers who were called to the Celestial Lodge above. They are Brothers Jerry O. Welch, John L. Pawlisch and Edward J. Bloom. We extend our sympathy to their families and friends.

On May 15th and 16th our lodge will be well represented at the Annual Communication of the Grand Lodge of Free and Accepted Masons for the State of Indiana by several of your officers, Past Masters, and members. We fully expect our lodge to again receive the Grand Masters Award with High Distinction for the third straight year.

It is with much regret that I must report that our Treasurer William C. Reed Jr., P.M., has rendered his resignation. Brother Bill has accepted employment in Tennessee. I know that you join with me in extending our best wishes to Brother Bill and his family.

Brothers Gary Scott, S.W.; Keith Hoskins, J.W.; and Dave Simon, P.M. and Secretary have formed a search and screen committee for the purpose of selecting a brother who would be qualified to serve as a line officer next year. I would strongly urge any Brother who has a desire to serve your fellow Brothers in this capacity, to give one of the Brothers on this committee a call and let them know of your interest. There is

no better way to learn more about our craft or no greater satisfaction than to serve as an officer of your lodge.

Your officers have been working hard on some other very special events for this year. We are hoping that they will be firm up enough by next month so that I can share them with you. Till then - God bless you Brothers.

See You in Lodge.

Brethren, let me bring you up to date on Summit City's activities. Last month we held our Ladies Night Banquet. We enjoyed a fine meal and two thanks to all the ladies who helped prepare and serve it. Besides the meal itself and the songs of Lucy Hagen, we also enjoyed a special presentation. Jo C. Paxton, Junior Grand Warden of Grand Lodge, and Marvin Isley, Administrator of the Indiana Masonic Home, came to Fort Wayne to accept a gift to the Masonic Home. At the banquet Lee Harter and I presented Jo and Marvin with a check for \$5,000.00, to be used to furnish two rooms in the new hospital wing of the Home.

Brother Tom Platt has accepted an appointment to the Chaplain's chair. We are planning to install our new officers at the May stated meeting.

Two of our brothers passed on last month to the Celestial Lodge above. Let's all take a moment of prayer for brothers Paul Nussbaumer and John Breit.

Being raised to the Sublime Degree of a Master Mason is indeed a very distinguished experience. Brothers Larry Bailey and Gerald Wisdom were privileged to reach that plateau in Masonry on March 28, 1984. Our sincere congratulations are extended to them for this accomplishment. May your life be an active and profitable learning encounter.

Our deepest sympathy goes out to the family and friends of Brother William G. Kohnmeyer who was called out of our midst to join our great brotherhood beyond.

The fourth annual "Fellow Craft Bean Supper" is now history. Our thanks to JW, Les McQueen and the members of his committee for a very enjoyable evening that saw ninety-six (96) persons in attendance. The Past Masters who did the degree work demonstrated once again they still have not lost their touch by displaying a high degree of proficiency. The highlight of the evening was the presentation to the Lodge, by Past Master Bill Swartz, his personal Worshipt Masters Gavel. Or, Gale Oriver, who was a member of Maumee Lodge, hand made the gavel of wood from the old canal and

then engraved in gold (dental gold) the year of 1949 when Brother Bill was Master of Maumee. The gavel will be used at all future installation ceremonies at Maumee Officers. Brother Richard Junk has made a glass lid enclosed box for safe keeping of the gavel. It will be on display in the Tyler's Room.

JD Jack Suter, SS Wally Sterling and Chaplain Al Conrad are preparing new questionnaires for the investigating committee to use when investigating a petitioner or request for transfer. The revised forms will allow for more objective investigation.

Brothers Howard High, Harold Longworth, Bev Miracle and JS John McNaughton are still looking for persons to become an active part of the "Fellow Craft Club". Will you please share your time and talents by contacting any of the four? You can make a very important contribution to a new Master Mason's experience by becoming a part of this group.

A final reminder of the "Past Master and Charter Member Night" to be held on Wednesday, May 9, 1984 with dinner at 6:30 p.m. at the Temple. SW John Howard and his committee have been working diligently on this event. The Fort Wayne Boys Choir will present a special musical program that you will not want to miss. Tickets must be purchased or reserved in advance. They are available from any of the Lodge Officers at \$4.00 per person. The ladies are also invited.

JD Jack Suter and his committee have completed their plans for the annual "Maumee Golf Outing" on Saturday, June 16, 1984 at the Maumee Valley Golf Course in New Haven starting at 10:00 a.m. A steak dinner at Ted's, 3311 North Anthony Blvd. with the ladies being invited, will highlight the evening festivities that will include the awarding of prizes and surprises. Contact Brothers Jack Suter, Don Potts or Bob Beach for tee times and dinner reservations. Oinner tickets will be available at \$10.00 per person with a limit of seventy (70) persons. Don't be left out on what will be a very exciting event.

There are three petitions out for investigation and are to be reported at the May stated meeting. If you are appointed as one of the investigating committee, remember that your duty and obligation is to make a prompt, accurate and thorough investigation and then report to the Lodge your findings and recommendation. The Masonic Education Committee will have a special presentation for the May 2, 1984 Stated Meeting. Be there!

ENTHUSED is a common word in our everyday vocabulary, but it has a special meaning to Masons. Some people just seem to be "enthused" all of the time. No matter how bad things are, they just seem to remain "enthused" about the good that exists in life and look eagerly forward to what can yet be. At times we consider them uncaring - because they do not mope around with a frown, they seem unaffected by difficult circumstances. They seem all too cheerful. Yet that is what an "enthused" person is like. It is the same word we translate as "inspired". Remember when you were first made a Mason and how "enthused" and excited you were about becoming a part of a very special fraternity? Now that we all have the gift of Masonic spirit, we should let that spirit express itself through us to others that they might become "enthused". We should be "enthused" about today and its potential and about tomorrow and its hope. Become "enthused" again as you

participate in your Lodge. Why not live again as an active "enthused" Mason?

Greetings Brethren:

Our annual Past Masters and Ladies night, which was held on April 6th, was very successful and enjoyed by all who attended it. We were honored to welcome fifteen Past Masters to the evening's entertainment. Following a fine dinner, we were entertained by the Hearstone Ensemble, who sang and played various musical instruments from colonial times.

We had degree work during the month of April, and should have degree work again in May since another petition is out for investigation, and will be voted on at our stated meeting in May. Come and show your support for your Lodge by attending the stated meeting and degree work.

Our stated meeting for May will begin at 7:30 p.m. on May 3. A Fellowship Oinner will precede the meeting beginning at 6:30 p.m. Those members who were raised during the month of May will be our special guests that evening. At our last stated meeting in April we welcomed six members who were raised that month. Let's see if we can have an even larger number in May.

We extend our sympathy to the family of Brother G. Richard Goller, who was called to the Celestial Lodge above on March 20.

This is a reminder to those few Brethren who still have not paid their 1984 dues. At our stated meeting in May charges will be preferred against all delinquent members, so if you have not paid your dues as yet, please pay them before May 3.

The top three officers of your lodge will be attending Grand Lodge in Indianapolis on May 15 and 16. We are looking forward to an informative and stimulating session of meetings.

Your progress in Masonic knowledge is increased and enriched each time you attend Lodge. Do not let this opportunity pass you by. See you in Lodge.

We also received another petition which will be investigated.

By the time you receive this article our Canadian trip will be history. It is on the weekend of April 28 and April 29. Will have more on this trip in next month's article.

As I wrote earlier in this article May will be a busy month. Here are the activities the lodge has for May.

ties that come with the acceptance of the office. Even with the best of intention no Worthy Matron can be of full use to her Chapter unless she has behind her the respect, confidence, and above all, the cooperation of the Chapter.

We may not move mountains but if we do the work that falls to us and do it to the best of our ability, we may rest in the consciousness of work well done.

It is a privilege for me to work with you and I shall try to perform each duty, great or small, with faithfulness and impartiality. Not only do I ask for your cooperation, but also your patience and understanding. I pledge you the very best of my mind, heart, and energy, and ask that you covenant with me in a motto worthy of our principles which may be summed up in these words:

In large things, unity;  
In lesser things, tolerance;  
In all things, charity.  
May God's blessing follow us in all we do and may we receive courage, wisdom and strength to carry on our task from day to day."

A message from your Worthy Matron.

**HEROINE OF THE HEARTHFIRE MOTHER**

She keeps the hearth burning, holds the home together, makes a little sanctuary of love and faith and comfort for her family in the midst of a hectic, turbulent world.

And always the light of her guidance, the tenderness of her caring, the warmth of her presence, make bright the lives of those she calls her own.

She's the heroine of the hearthfire of the heart - Mother!

Deep in each heart God puts a need Of a love that is tender and strong. The need of one who will understand Each sorrow and share each song. And to us all, He grants one gift Sweeter than any other, To answer this need for tenderness He gives us each a MOTHER.

Many happy memories come to each of us who can no longer embrace and kiss our mother and tell her how much she has meant to us. If your mother is still living, give her a great big hug and tell her how much she means to you. If your mother is no longer living, reach out to some friend or relative and let her know just how much she means to you. Do it now, while there is still time.

A fun filled afternoon was held on April 4 when all of the committees met together in the ballroom of the Temple for a potluck and an organizational meeting for each committee. Things got off to a good start and the members are looking forward to another good year. It, for some reason, you were overlooked when Becky was organizing her

It is wonderful to think that our season is changing and that now we are looking forward to rain and spring flowers and the preparation of gardens. It is our thinking that the snow has really left us for the present time. We hope all are looking forward to the beautiful spring time.

Let the beauty of the Lord our God be upon us. Psalm 90:17.

We remind you that we will have the honor of a visitation by the Supreme Worthy High Priestess,

Sally Sltman, on July 10, 1984. Please mark your calendars accordingly and plan to be present to welcome her.

Companions and Sir Knights:  
The Easter Sunrise Service and the breakfast following it was a true success. We, your officers, wish to thank each and every one for their help. Without it, such a project would have been an impossibility. Those thanks also go to the loyal Knights of Thomas A. Brandon Council No. 451, K. of C. In thinking of all this assembled help, we are reminded of Rudyard Kipling's poem entitled "A Ballad Of East And West" which in part states: "But there is neither border nor breed nor birth when two strong men stand face to face, though they come from the ends of the earth".  
Easter is a glorious event to be celebrated in that manner by all Christians regardless of what the name of their church might be. One

thing we all have in common is the fact that each of us give thanks and truly worship the RISEN LORD!  
We were present at the Grand Chapter held in Indianapolis on April 13 and 14, 1984 and had a chance to offer our congratulations to our newly installed Grand High Priest, Dennis D. Rohrer. Companion Rohrer has been a personal friend for many years and we have every reason to feel that the Craft is in good hands and will indeed prosper under his leadership.  
In our further study of capitol Masonry, we learned to our great surprise that our Past Master's Degree is not rooted in antiquity despite its theme. Instead, research has disclosed that the earliest reference to this degree goes only back to the middle of the 18th century in

England where it was conferred upon the Masters of Symbolic lodges. It is thought that this degree did possibly include a secret word and grip but we do know that it could only be conferred in the presence of Installed Masters. Records indicate that this practice however varied with the lodges in the different parts of England and as well as also within the two Grand Lodges of Ancients and Moderns.  
As the craft became more and more speculative however, it did indeed become the practice to confer the degree of (Virtual) Past Master as a prerequisite to the conferral of the Royal Arch Degree. This has now become the practice of almost all Grand Chapters presently working in the United States.  
Regardless of the actual age of this degree, it is quite clear to all that have had the opportunity to witness this degree that the deeply moving symbolism and the important lesson taught does indeed adequately present us one more important step upwards in our ever continuing pursuit towards our never ending search for more truth right in Masonry.

In His Service,  
Vonn G. Hoffman, H.P.

## Brethren:

To bring your calendar up to date in April stated meeting held on the fourth, E.A. degree conferred on April 11, April 1B was our dinner honoring our widows. Mr. Bill Zlatz was our guest speaker. The May calendar is as follows: Stated Meeting, May 20, 7:30 p.m.; May 9 at 7:00 p.m. F.C. Degree; Officers to Grand Lodge May 14-17; May 30, MM at 6:00 p.m.

Brethren, we have not heard much from you in regard to help for the roof project, nor donations toward the chair account. Is it fair for the same 25-30 brothers to carry you and your responsibility? We need a few suggestions for the Fellowship Team for a fund raiser. Please contact us if you have an idea. As the weather seems to have broken, we will be started on the roof which is badly needed.

Brethren, as we have one of our basic principles as charity, a recent need was met by our assistance fund and donations to this are also needed. If we do not meet our responsibility to the Lodge, Brethren, we could be forced to ask for an assessment of our membership. Please respond by coming to your lodge where your voice is heard and your vote counted.

April was a month of remembering the Lords death and resurrection, in keeping with this thought remember our deceased brothers and most recent, Andrew Costello.

## Greetings Brethren,

Brethren at our stated meeting April 1B we had a supper preceding meeting at 6:30. During our regular meeting Past Master Walter McDaniel gave instruction to our newest brother, Robert Dial.

Entering the spring season and seeing new life growing around us, perhaps will encourage us to take this opportunity to make our lives grow in Masonry by attending lodge and becoming more active.

Brother Vergil L. Youse, a member of Monroeville Lodge for more than 65 years died on April 11 at Indianapolis. We extend our sympathy to his wife and son.

## Brethren:

On May 3rd we will be celebrating our 125 years at Leo Lodge. We will have a special guest for the evening which is Past Grand Master of Indiana Robert Miller. We are having a special dinner starting at 6:30 p.m. Since I know everyone is planning to attend this honored event, please call your W.M. or Secretary to confirm your reservation for dinner.

We have rescheduled the Fellowship degree for the 10th of May at 7:30 p.m., so plan to attend and have some good fellowship. On May 15 and 16 your W.M. and S.W. will be attending Grand Lodge at Indianapolis and will return with many new things to bring before the Lodge. We will be giving a report on June 7, at 7:30 p.m. stated meeting.

Some food for thought: When we feel we have nothing left to give and we are sure that the "song has ended". When our day seems over and the shadows fall and the darkness of night has descended, where can we go to find the strength to valiantly keep on trying, where can we find the hand that will dry the tears that the heart is crying. There's but one place to go and that is to lodge and dropping all pretense and pride. We can pour out our souls and gain strength with a brother at our side, and together we stand at life's crossroads and view what we think is the end. But the Supreme Ruler above has a much bigger vision and he tells us it's only a bend. For the road goes on and is smoother and the pause in the song is a rest, and the part that's unsung

and unfinished is the sweetest and richest and best. So rest and relax and grow stronger, Let go and let the Supreme Ruler share the load. Your work is not finished or ended, you've just come to a bend in the road. So let's all come to Lodge and share, not let just a few carry the load.

May God Bless you in Lodge.

Brethren: During the month of April we held a prospect party, a dance, and an initiation. The prospect party was on April 13th, yes that's that dreaded Friday, the 13th, which proved to be a good night over all, instead of a bad one. The party started at 7:00 p.m. at Tyrone Fritz's home. We gave a slide presentation, talked to the prospects, then ordered out for some pizza.

On April 14th, we held our Spring Dance at the Shrine Temple, the dance lasted from 7:00 p.m. till about 10:00 p.m. The dance was a success over all, but we would have liked to see a few more people there. On April 25th we had an initiation on the 4th floor of the Masonic Temple. The degree started at 7:00 p.m. and we performed the Initiatory degree only.

Now for a run down of the events coming up this month: On May 2 is an advisory board meeting at 7:30 p.m. on the second floor at the Masonic Temple. May 4 we will be having a prospect party, then later that night we will be having an overnight at Tyrone Fritz's home. May 9 we will be having an initiation

at the Masonic Temple on the 4th floor, the degree will start at 7:00 p.m. and we will be putting on board degrees. On May 12 Parents Day will be observed, we will send out more information on it later. The 20th of May is stated meeting and our last meeting before Conclave. On the 30th of May we will be ushering for a N.A.S.A. space program which will be presented by Russ Filler, Senior DeMolay. The program will start at 7:30 p.m. and will be held in the Scottish Rite Auditorium.

Now for a look ahead, Conclave on June 7th thru the 10th at DePauw University. On the 15th of June will be our DeMolay Fish Fry at the Scottish Rite, in the basement. So plan to attend.

Thought for the month: Use what talents you possess: The wood would be very silent if no bird sang there except those that sang the best.

Mrs. Apple: "How do you keep your children out of the cookie jar?"  
Mrs. Orange: "I lock the pants door and hide the key under the soap dish in the bathroom."

"Oidn't Mrs. Jones look pleased when I told her she didn't look a day older than her daughter?"

"I didn't notice. I was too busy looking at the expression on her daughter's face."

COPY DEADLINE IS THE 15TH OF EACH MONTH.

## Senior Masons Club

The next meeting of the Senior Masons will be on June 4, the first Monday of June. As always, we will meet at 11:45-ish for lunch, with the meeting following lunch. Once again, the attendance picked up a little in May with 56 present, a gain of 2 over April. We were glad to have our President, Vince Westfall, back with us after his R & R at Parkview Hospital.

Our speaker for this next meeting, June 4, is to be John A. Inches. John is a Past Master of South Gate Lodge, a G.E. retiree, a member of York Rite, Scottish Rite, and Mizpah Shrine. He spends a great amount of time as a Volunteer at the Red Cross. Brother John will be telling us of his work at the Red Cross. It should be interesting. Why not make plans to be at the meeting to hear him?

The speaker at the May meeting was Jim Groseclose, a retired member of the Air Force. He told us his many experiences during his years in the service. It was very interesting.

While you are marking your calendar for the June 4 meeting, you might want to mark the July meeting also. We decided to have it on the Second Monday, which will be the 9th, to get a little further away from the Holiday on the 4th.

Why not plan to be at our meetings? We always have a good lunch, and everyone enjoys the great fellowship. We always try to have interesting speakers. So, why not mark your calendar now so that you do not forget to do it. That will be June 4; July 9, and you might as well mark August 6. Bring along a Brother Mason so they can enjoy the meeting with you.

This will be the last Square & Compass until the September issue, so mark your calendar now for the summer months: June 4, July 9, August 6.

Don't disappoint us. We shall be looking for you.

Be there - HERITAGE HOUSE, LIMA ROAD.

## Brethren,

We now have three new Master Masons at Waynedale Lodge No. 739. In April, Brothers Joseph J. DiGregory, Steven R. Fisher and Michael L. Dennis were raised to the sublime degree of a Master Mason. Thanks to the many visitors, members and officers who took part in the degree work. You did a great job.

As Master of Waynedale Lodge, I attended the Annual Communication May 15 and 16 in Indianapolis. Come to Lodge for a report on that meeting.

May 23 we had a clean-up day inside the Temple. Now I notice the grass is growing too fast for one man to keep trimmed. I am asking for members that will be able to cut the grass just once this summer to contact our Secretary Harry G. MacDonald and work up a schedule so our Temple will look nice on the outside.

For those of you who are not coming to our meetings, you are missing a great chance of good fellowship.

We wish to welcome our Brother Tom Utley who was raised to the sublime degree of a Master Mason.

## Greetings Brethren,

How time flies. May has come and gone. June is here - the sixth month of the year as Worshipful Master of your lodge. It has been a full year so far and I hope it will continue. As of the end of June, our lodge will have raised five brethren to the Sublime Degree of a Master Mason.

## FORT WAYNE SYMBOLIC LODGES

Ed and our newest Master Mason, Mark Lane, all received the degrees of the Scottish Rite during the April convocation. Brothers Larry and Ed Stange also crossed the "hot sands" of the Mystic Shrine on May 5. Congratulations Brothers.

Brothers, next time you are at the temple, make a point to stop on the second floor and see our display case. We have 2 rather unique Masonic gavels on display.

I would like to thank WM Ed Teeters of Waynedale Lodge No. 739 for affording me the opportunity to do some of the degree work in April. An old friend of mine was receiving the degrees and I had the honor of raising Brother Joe O. Gregory to the Sublime degree on May 24.

The SW, Howard Mendoza, SW John Lefell and myself will be in Indianapolis May 15-16 for the annual Grand Lodge communication. More on that at our June stated meeting.

This is the last article for Square &amp; Compass for the summer. Brothers, if you have questions about our Fall schedule or any lodge activity, please call. If you are traveling this summer, hope your vacation is safe and fun filled.

Please come to lodge when you can and don't forget the baseball trip August 4.

This will be a short article due to the clumsiness of your Worshipful Master falling down while ice skating and dislocating and fracturing his shoulder.

Our work schedule for June will be as follows:  
June 8, MM Oegree, Open Lodge 5:30, Supper 6:30  
June 12, Stated MeetingJune 19, MM Degree, Open Lodge 5:30, Supper 6:30  
June 26, MM Degree, Open Lodge 5:30, Supper 6:30

Greetings to the Brothers who are on the sick list. Hope for a speedy recovery. Greetings to our Brothers out of town.

## Brethren:

The month of June marks the half way point in a Master's year of office. The officers of your lodge set certain goals for this year. After serious reflection of the past six months, I believe all those goals have been met and the labors of other goals for the next six months are on schedule. The only regret I have at this moment is one of not being able to convey my heartfelt "Thanks" to those officers, Past Masters and members who have got caught in the spirit of masonry and helped me with all the tasks that abound when so many goals were set for this year. Once again, thank you Brothers for your support and help so far this

October 6, 1984 and our Annual Past Masters and Awards Banquet on December 8, 1984. More information will be forthcoming at a later date. I mentioned earlier that our Lodge set many goals for this year. One of those goals was to make our School House and Masonic Home visit on a one day trip to a two day trip. With the help of Brother Keith Perkins, J.W. and his wife Judy, myself and my wife Sue, we all traveled to Southern Indiana on April 28 and 29 to scout the area so we could have the perfect mini-vacation. Southern Indiana is most beautiful the Fall of the year, so we chose

the date as October 13 and 14. We have chartered two Indiana Motor Buses for traveling. Our itinerary will not only include a visit to the School House in Madison, Indiana and the Masonic Home in Franklin, Indiana but will also include the following:

1. A picnic at a Park Shelter at the head of beautiful Clifty Falls in Clifty Falls State Park.

2. A chartered paddlewheel riverboat excursion of the Ohio River at Jeffersonville, Indiana complete with Ragtime Band and Buffet Dinner on the boat. We will be on the Ohio River for three hours, including sunset on the Ohio River.

3. Overnight lodging at Clifty Falls Inn in Clifty Falls State Park overlooking the Ohio River.

4. Buffet breakfast at Clifty Falls Inn on Sunday.

5. Bus tour of Historic Madison, Indiana.

6. Shopping and dinner in beautiful Nashville, Indiana on Sunday.

Each brother will receive complete information this month on this super trip. We have enough transportation and overnight lodging for only 100 people. We will be taking reservations and deposits on a first come basis, so if you want to go, get your reservations in early. We're going to have a great time as you can see and at the most beautiful time of the year.

See you in lodge.

In the mail you should have received a LETTER FROM HOME along with a calendar for the upcoming Lodge events. If you did not receive your copy, please send a note to Home Lodge and I will see that these are sent to you.

The sensation and unforgettable experience of becoming a Master Mason on April 25, 1984 was shared by Brothers Steven Hand, Barry Horman, Oon Nelson and Glen Pettit. Our sincere congratulations and best wishes for a long, active and rewarding Masonic life. It is our desire that each of you newly "raised" Brothers apply the principles of Masonry that were taught you, to your everyday life and become a true and faithful Brother among us.

PM Bob Hobbs, Brothers Ralph Conrad and Bill Houser, members of the Masonic Education Committee, enlightened us with a fantastic presentation at the May 2, 1984 stated meeting. We learned about "What are Masons", various "symbols" within the Lodge and what they stand for, and how the word "OeMday" originated. Those who attended left with a broader sense of Masonic knowledge and a deeper commitment to our fraternity. Thank you Brothers for your effort. For those of you who missed out you will want to mark your calendar for the stated meeting on Wednesday, September 5, 1984 when the committee will make its next presentation. BE

#### THERE!

While you are marking dates on your calendar, make certain to mark TUESDAY, JULY 3, 1984 at 7:30 p.m. as the July stated meeting night. The 4th being a holiday, the Temple will be closed. Also Maumee's annual "Ladies Night" will be Wednesday, October 10, 1984.

Brothers Jim Creech, Fred Cutlers and Richard Junk are asking for you to share your time and talent by giving the "work lectures". The degree of your choice is available. What better way for you to express your devotion to the Lodge than by contacting any one of the three. You can even set the date and choose your own partner.

Brother Howard High with his handy work has completed the repair of the "instrument" used in the Master Mason degree. We are the only Lodge in the world with a blue suede covering. Thanks Howard for a professional job.

The annual "Past Master and Charter Member Night" was a huge success with 192 persons attending. The honoring of the new twenty-five (25) year members was the highlight of the evening. The presenting of the "silver" to the 14 Brothers was indeed a milestone to remember and another historic accomplishment for our Lodge. The musical program by the Plymouth Boys Choir was outstanding. SW John Howard, Brothers Carl Lommatzsch, Bill Houser and Oon Outton deserve all the credit for a well organized evening of good food and fellowship. Thank you Brothers for a job well done.

JO Jack Suter has a limited number of tickets left for the "Maumee Gold Outing Dinner" at Ted's Restaurant, 3311 North Anthony Blvd. on Saturday, June 16, 1984. Brother Oon Potts has the golfers organized with a tee off time starting at 10:00 a.m. at the Maumee Valley Golf Course in New Haven. Brother Bob Beach is busy getting prizes and surprises ready for presentation after dinner. Even if you do not golf, plan on attending the evening festivities. The ladies are also included.

Recent articles in the Journal Gazette and News Sentinel described the activities of the "Make a Wish of Northeast Indiana, Inc.". Founded by Brother Gary Brown who became a Master Mason in Maumee Lodge on January 28, 1984, this program served terminally ill children in Northeast Indiana. This is another excellent example of a Master Mason serving his fellowman. Keep up the good work Gary; we are proud of you.

In our busy everyday life we tend to forget our responsibilities as a Master Mason. A simple definition of "responsibility" is the state of being responsible, duty, charge, or commitment. Volumes have been written on the subject of responsibility. The Indiana Monitor has a section devoted

to "A Master Masons Conduct and Responsibility". The Old Charges cite the medieval law that "in Ancient Times no Master or Fellow could be absent from his Lodge, especially when warned to appear at it".

Modern Speculative Freemasonry has no minimum attendance requirements; offers no attendance prizes; prescribes no penalty for absence. But, certainly a Master Mason is morally obligated to be loyal to the Lodge which permits him to enjoy the benefits of Freemasonry, and this includes at least occasional attendance at the meeting and gatherings of the Lodge. How disappointing it is to hear the all too common confession "this is the first time in twenty years I have been in Lodge". No matter how small or how modest it may be: no matter how many additional degrees he may have received, a Mason never outgrows his Lodge and should never imagine that he has.

Greetings Brothers,

May turned out to be a month for candidates at Summit City. Ouring May, four candidates took degree work, keeping our Officers, Past Masters, and Craft busy. And that's just the beginning - June looks like it will have its share of candidates too. Plan to come downtown for the work. Look in the Wednesday newspapers classifieds (item 12) for the times or call me if you don't get the paper.

Congratulations to two newly raised Master Masons. Brothers Joe Luben and Billy Gay completed their work during April. Glad to have you with us, brothers!

An old friend has left town to accept employment. Past Master Jerry Oleon will be working at Springfield, OH with International Harvester. Jerry, we're glad that you have the opportunity to continue working with your company, but we'll surely miss you around the Lodge. Your smiles, sparkling personality, and commitment to Summit City have left their mark on us.

Wilbur, Adolph, and I leave tomorrow morning for the annual Grand Lodge Communication. Next month we'll report the news from Indianapolis.

As you read last month, the Fellowship Club is sponsoring a trip to Madison (with a stop at Franklin). For those of you who want to know more about the background of Madison, the following words come from the pen of our Secretary, Lawrence A. Baker. The Fellowship Club Tour highlights the Schofield House at Madison, Indiana. However, Madison is also one of the few historical cities in Indiana that has retained its originality. This little town, in the first half of the 19th century, was Indiana's most important city, its major port, and a commercial metropolis. It was the starting point for the state's first railroad. Beginning in the later part of the century, when the steamboat river traffic began to decline and Indianapolis became the capitol, Madison experienced a long period of no growth or progress. This contributed to the preservation of her fine homes and buildings. Several hundred of these residences, many restored to their original 1800's appearance, line the shady avenues. One hundred thirty-three blocks of Madison are included on the National Register of Historic Places. Come, friends, renew old acquaintances and enjoy the day. Remember, this is a FAMILY tour. Mark Saturday, June 16 on your calendar and call Lawrence at 485-8210 or Tom Richardville at 422-8923 to reserve your seats.

To the family and friends of Brother Willis B. Ormes we extend our deepest sympathy. Brother Ormes was called to the Celestial Lodge above on April 12, 1984.

Best wishes for a safe and pleasant summer as this will be the last article until the September issue. See you in Lodge.

As my term as Honored Queen comes to an end, I reflect on my experiences during the past six months and during my membership in Job's Daughters. The daughters in the Fort Wayne Bethel are so special, so valuable. Together, we have shared in the fulfillment of our goals. We have increased our membership and are continuing the process of preparing the installation of our Mary Ross as Grand Guardian of Indiana!

Serving as the presiding officer has been a great honor and one of the most important accomplishments of my life. I have been taught how to organize activities and plan events, how to accept failure and recognize unrealistic goals, how to dream and strive for success, and, especially, how to "laugh and love and lift." I have also learned to take the responsibility of managing time between Job's, friends, homework, school activities, and band. (Thanks, King). I would like to thank Holly and Jenny for always listening (and everyone else at school) and the council for being so supportive.

Well, Mom, after all our planning together and panicking together, it looks like we've passed Mother-Daughter or Guardian-Honored Queen. Now, we are the very closest of friends.

This Is My Wish

This is my wish — through all my life  
That I be always like the sky  
Which never tires of serving God  
Though days and nights may bloom and die.

This is my hope — that every day I may be cheery as the spring  
Whose waters dance and to the tongues  
of fawn and flow'r their fulgence fling.

This is my dream — to live as land  
Wherein the seeds grow tall and gold,  
Like fields of wheat and heathered hills  
Which bear His fruit a hundredfold.

This is my prayer — to know my chore  
And do what God expects of me  
Just half so well as all these things  
Which fill the earth with cheerfulness!

June is one of the choicest months of the year. The beginning of summer, the beauty of all the beautiful flowers blooming, welcome of students from school, and relaxing vacation time and travel for many. A personal reason why June is a favorite month we observe Father's Day.

Father

Who worked so hard and saved so long  
For what we have today?

And anytime will sacrifice  
His chance to rest or play?

Who always sees his children have  
The things he did without?  
And gives so much, unselfishly,  
For that's what love's about.

Who thinks and plans and struggles, too,  
As nobly as he can

To set a good example, and  
Be a respected man?

Who seeks no honors, no rewards  
For all that he has done?

Except to raise a family,  
The very finest one.

Though we cannot evaluate  
Our dad, his love, his worth,  
To us he'll always be "Just Dad,"  
The greatest guy on earth.

Our first meeting June 1, we will honor Father's and the second meeting, June 15 will be the District Deputy Instructional visit.

All Past Matrons and Past Patrons of Star of the East Chapter will be honored on June 26, 1984. The festivities will begin with a dinner at 6:00 p.m. in the ballroom. The cost of the dinner will be \$4.25. Make your reservations with W.M. Geneva Dicks telephone 749-0549. This meeting is one of the highlights of our chapter year, so come join us for a steak dinner and beautiful Chapter meeting.

Our May B. meeting was hosted by the Madonna Club. It is traditional that the "Mothers Club" host the May meeting as we pay a tribute to all Mothers. The Worthy Matron introduced the club president, Edna Mathews, and all members present were given a "heartly welcome". Geneva Dicks, W.M., presented pink roses to the oldest Mother present. Sister Helen LeFever was the recipient of that pink rose. The youngest mother was Sister Susan Knuckles and there was a tie for the mother having the most children. Sister Wanda Fox and Sister Elizabeth Robinson were presented these roses as each had ten (10) children. Worthy Matron Geneva then presented the conductress and associate conductress each a rose for helping her entertain during the month of April and said that since

she had no daughters they were "special" to her. The choir sang "My Madonna, My Mother, My Madonna" to all Mothers present.

We were pleased to install Sister Wanda Fox as our Adah Point. Past Matron Lois McNaughton was the installing officer and Past Matron Gladys Coe was the installing Marshal. Past Matron Joan Flohr assisted in the Star Point ceremony.

We are happy to offer congratulations to Sister Carol Davis who came to our chapter by affiliation. Refreshments were served on the mezzanine by the Madonna Club.

The Program Committee gave a beautiful Memorial Service at the May 22 chapter meeting as we paid tribute to our members that died during the past year. Gladys Lambert, chairman, coordinated the "Garden of Roses" program. Eight (8) pink roses were placed at the foot of a large cross, by Sister Mildred Reid, as the names of our deceased members were read by the secretary. The choir sang "Abide With Me" as the roses were placed at the cross.

Please note that the Ways and Means Committee plans to participate in the "Craft Show" at Glenbrook Shopping Center in September. They would appreciate the cooperation of all members. If you have an article to donate, please call Edna Mathews or Geneva Dicks.

We wish you all a restful, healthful, and happy summer. See you in September.

#### TO ALL FATHERS

We wish you a day

That you'll remember -

For the special joy it brings,

For the chances that it gives you

To enjoy your favorite things.

A day that you'll remember

With much pleasure all year through.

Just as many people

All year long remember you.

"Happy Father's Day"

Sisters and Brothers.

Today, our world is so full of a

multitude of choices that it has

become almost a daily thing to ask,

"What does the Work of our Order

do?" Indeed this is a sober question

and one which will give even mem-

bers of long standing some cause to

consider before an answer is given.

For me, it seems that the Work of

our Order helps us with the all

important task of interpreting and

living our daily lives. The Work of our

Order centers around experiences

which individual members have had.

The experiences recounted are hap-

penings which have given the indi-

vidual an insight into the true meaning

and direction of life.

The Work of our Order helps us by

integrating its principles with our

daily lives and provides us with the

fellowship of others.

Since my installation, I have been

eager to greet all our members and

share with them their experiences

and join with them in fellowship. To

those who have been absent, my

cheery "how-do-you-do" remains

unsaid. Please remember that the

second and fourth Thursdays of each

month (except July and August) is

the time that you can give me this

opportunity. Can you imagine how

you would feel at the top of very

steep stairs if you realized there was

no railing on the side? You, the side-

line members, are the railing that

supports the officers. We need you

very much. If an officer is absent, we

find a pro-tem, but there are no pro-

tems for you. When you are absent,

we find a vacant chair. It will make

me very happy if you keep a date

with your chapter for one or both of

our June meetings.

The winter is far behind us

And springtime will shortly end

And happy hearts will find

Summer is just around the bend.

The time has come for us to say

Farewell for a little while.

Have a leisurely filled vacation

And return this fall with a smile.

Fraternally,

Beckie Partin, W.M.

Our Easter meeting is well past, but

we would be remiss if we did not

The officers came into Chapter

truly was a labor of love. The song

When joy comes into your heart,

Pass it along!

A smile's a gem you should impart;

Pass it along!

Someone should share your joy

with you;

Someone should smile because

you do;

Someone should be as cheerful,

too —

Pass it along!

When some stray sunbeam lights

your lane,

Pass it along!

Some other soul is bowed in pain;

Pass it along!

Your smile will cheer a soul downcast,

Your word will cheer and hold him

fast,

Your song will echo to the last —

Pass it along!

On May 17, Sister Thelma honored Mothers and all her Stars and presented them with lovely monies. Complete report of Grand Chapters' 'Dover the Rainbow Session' were heard. May 21 a Memorial service was held to remember our stars gone before us in death.

May 26, Waynedale Chapter hosted a reception honoring our own Ethel Sklenar, Grand Representative of Michigan Grand Chapter in Indiana.

With the touch of spring upon us we greeted our special friend in a garden gazebo. Sister Ethel was resplendent in a red gown perfect for the occasion.

A white trellis archway covered with ivy and pink and red roses graced our host, with the background of live tropical plants and hanging baskets.

The front of the trellis was flanked by two large white wagon wheels, each with silk flower arrangements in the center of pinks and red roses with silver bows.

The foreground will be fresh pots of spring flowers all around to finish off the garden gazebo effect.

The reception table had an arrangement of silk flowers in red and pink colors, placed in a beautiful crystal basket that belongs to Ethel, and three tiered crystal candleabra on each side of the arrangement.

A special interest corner was set up with pictures of Ethel's family and hobby interests; also O.E.S. travelings of Ethel.

Special thanks to the committee for all of the effort and hard work involved in making Sister Ethel's day a success.

June 4 is Obligation night and on June 18 we will honor Fathers and Master Masons.

## Depends On The Individual

With some people there is considerable prejudice against the reading of manuscripts before an audience. They argue that reading is not as effective as extemporaneous speaking. We read recently that a noted Masonic writer gave his opinion that while it is a very good thing to be able to speak without reference to manuscript or notes, it is much better to read on the printed page what they said in speeches. When they have completed their extemporaneous talks, they are more apt to remember what they thought they said than what was actually spoken by them.

Good speeches and well prepared papers both have a beneficial effect upon those who are listening, but the windy speaker who talks without having prepared anything worthwhile to say, does them no good at all.

A man with a good speech on paper need not be ashamed to read it, if by doing so he may be the better enabled to get his message across to his audience.

In our ever continuing study of the beauties and basic roots of Masonry, we find that although the Council Degrees are not as anciently established as those of the other two bodies which together establish the York Rite, still, they do serve to round out this old and honorable rite and to add a most important and impressive segment.

The allegorical basis for Cryptic symbolism does indeed extend backwards in time to the early Biblical period to the days of the Patriarch Enoch who, according to legend, did cause to be excavated nine vaults, one below the other, in which to preserve valuable secrets. The Temple of King Solomon was constructed on Mount Moriah (which was the legendary site where Enoch had constructed those vaults). The famed Blue Mosque which serves as one of the most important religious points of Moslem faith is now built on that exact spot in Jerusalem. Despite the fact that the Jews did occupy all of that city after the War of 1967, there is a constant guard made and maintained on that spot by Moslems so that the Jews cannot remove this Mosque and attempt to rebuild the Temple.

While Lodges, Chapters and Commanderies do indeed predate the 19th century, Councils were not formed until the early 1800's and then only in the United States. However, the degrees now accepted as Council Degrees, have themselves been conferred in many Lodges and Royal Arch Chapters prior to the organization of the Actual Councils. As late as 1978, the Royal and Select Degrees were still being conferred in Royal Arch Chapters in both Virginia as well as West Virginia.

On a more modern note however, Fort Wayne Commandery No. 4 was bestowed at least three most high honors in connection with the 130th Annual Conclave of the Grand Commandery, Knights Templar of Indiana. First, Sir Knight Kenneth E. Gibson, Eminent Grant Commander, Grand Commandery Knights Templar of Indiana, who is also a member of your local commandery, did in fact preside at that conclave. Second, our commandery did serve with distinction as the host of that Conclave. Last, but certainly not least, one of the Fort Wayne Commandery's outstanding Sir Knights, Past Grand Prelate Bernard L. Smith was nominated and did receive the Knights Templar Cross of Honor. We all wish to join together in our congratulations to Sir Knight Smith. Certainly if any Sir Knight deserved this award, it must be our good friend and companion Barney. Again, our congratulations and best wishes.

As your Commander, I personally wish to thank each and every Sir Knight and their Ladies that helped to make the 130th Conclave certainly one that all will remember, it

would be impossible to name each one personally, but I do feel that we should extend personal thanks to Sir Knights Winkler, Hoffman, Shater, Johnston, Hartsing, Herrick, Parrot, Wilson, Swinehart and Squires. Our heartfelt thanks to each of you.

Our joy and sense of well being was marred however by the sudden illness of Grand Prelate James C. Farrar. We are however, pleased to report that "Big Jim" is now out of the hospital at the time this is being written and is feeling much better. I know that we all pray that the forever healing powers of our Blessed Savior may continue to bless him and restore him soon to full health.

## Brethren:

On May 3 we celebrated our 125th anniversary. Those who attended enjoyed a very delicious meal and a lot of good fellowship for the evening. On May 15 and 16 your W.M. and S.W. attended Grand Lodge at Indianapolis. We will be returning with many new things to bring before the Lodge. We will be giving our report at our stated meeting on June 7 at 7:30 p.m.

Our prayers go out to the family of Brother Thomas Ostermeir who passed on to the Grand Architect the last of April. Also our prayers to Brother Bruce Masters who is in Parkview Hospital undergoing heart surgery. Brother, we wish you a speedy recovery.

Some food for thought: The Lodge is all things to me and since I am not brave and strong, give me thy hand. The night is dark and this is such a foreign land; and since I stumble often, Lest I lose my way, walk with me till the night becomes another day. Though knowest of my need for love, since thou art love, let me lay my weary head against Thy heart. And being nothing without Thee, for the Lodge is my bond and all things to me.

## Brethren:

Our April 26, 1984 chili dinner was a success with 30 people in attendance. There was a tie vote for best chili and both teams helped with the dishes.

Fifty year emblems were presented to Fred Andrews, Russell Gresley, Russell Neireiter and Homer Kiner on Saturday, May 19, 1984. We now have 10 fifty year members in our lodge and we are thankful for their fellowship over the years. In May of this year, John E. Beck completed his 66th year as a Mason.

Your Worshipful Master attended Grand Lodge on May 15 and 16. I will be giving a report on the convocation at our June meeting.

Please mark your calendars and plan to attend our 125th anniversary celebration on September 22, 1984 at 5:30 p.m. We are planning a special dinner prepared by members. This will be a public meeting.

See you in Lodge.

## The Indiana Masonic Home Admission Policy

When the Indiana Masonic Home first opened in 1916 it was for our needy brethren, their wives, widows, children, and female members of the Order of the Eastern Star who were financially destitute. Through the years people began to live longer, and they were financially capable of taking care of most of their responsibilities. One parent can receive financial help from government agencies for children; thus we do not have any children living at the Masonic Home now.

Financial security is not the only necessity in our present society. In advanced age the security of being taken care of when one cannot care for oneself is also a necessity. That is why we have dropped the word destitute from our admission requirements. Destitution is not a prerequisite for qualification for admission. Master Masons, their Wives or Widows, and Female members of the Order of Eastern Star in the State of Indiana are eligible for admission if the required number of membership years have been fulfilled and they are in good standing when applying.

We have facilities for persons who are ambulatory and also for hospital patients. The total census is approximately 550. Our hospital is licensed by the State of Indiana as a Special Medical and Geriatric Hospital with a 268-bed capacity. Residential living is provided in five buildings. Each resident has a private room. Couples have two rooms. Duplexes, cottages, and efficiency apartments are also available for independent living.

Since we have expanded our Admission Policy to include guests who can pay for total cost of care, we refer to the different plans as follows:

Regular Admission  
Pay Plan Admission  
Efficiency Apartments  
Independent Housing

## M.S.A. Distributes Its Latest Film Nationally

The Masonic Service Association of the United States has produced a 23 minute film that tells the heartwarming story of the great national charity of the care and concern for the hospitalized veteran patients in the V.A. Medical Centers, State Veterans Homes, and Nursing Care Facilities across the nation.

The film is titled "When The Band Stops Playing." It has an introduction by Brother Danny Thomas and features a speech in an open meeting by M.W. Thomas R. Dougherty, P.G.M. and National Director of Hospital Visitation for M.S.A.

The film shows Masonic Volunteers

actually working in the V.A. Hospital helping, aiding, and assisting the patients just as they do everyday of the year.

Copies of the film have been distributed to every Grand Secretaries office in the country. Arrangements to show it can be made through the Grand Secretary. Copies are also available through the M.S.A. Film Library for showing at a cost of \$10.00 to cover the cost of mailing. Write to:

M. S. A.  
8120 Fenton St.  
Silver Spring, MO 20910

This film should be seen by Masons, their families, and members of every community in the United States.

It gives our Fraternity a good image and tells the world that we are our Brothers keeper.

Paying no attention to the red traffic light, the speeding cars or the policeman's blast on a whistle, the little old lady marched primly across the street.

The policeman strode angrily up to her. "Say lady," he growled, "Oidin't you see my hand raised? Don't you know what that means?"

"Well, I should hope I do, young man," snapped the lady. "I've been teaching school for 40 years."

## Greetings from the East:

With the passing of the summer months comes time to renew our labors in Lodge. Wayne Lodge already has a busy schedule of activities for the enrichment and enlightenment of the Craft this fall. We will kick-off the fall season with our annual Ham and Bean Supper at 6:30 p.m. on September 6 prior to the September stated meeting at 7:30. All Brethren who were raised during the months of July, August and September are urged to attend as they will be our special guests that evening. Degree work will be held during the month of September beginning with the Entered Apprentice degree at 7:30 p.m. on September 13.

Grand Lodge of Instruction will be held jointly with Home Lodge No. 342 and New Light Lodge No. 754 at 7:30 p.m. on the evening of Wednesday, September 26, in our Lodge Hall. Instruction will be given on the Fellow Craft degree. All Lodge Officers are hereby notified that their attendance is required at this Lodge for Instruction. All local Lodge members are likewise notified and invited to attend. Current installed officers must occupy the officer stations and places, and will be graded on performance on a scale of "0" to "10". If other than installed officers are in the offices, that office will be given a rating of "0". The grade for degree presentation will be based on the average of the officers' ratings based on the above scale. It is imperative that all officers be present and be proficient in the work of their respective offices as well as their work in the Fellow Craft degree.

Wayne Lodge is sponsoring a tour on Sunday, October 14, 1984, for its members and their wives or guests. We plan to leave the Temple approximately 7:00 a.m., stop for breakfast en route, then proceed to the Schofield House in Madison, Indiana, for a visitation and tour.

Following a buffet luncheon at the Pines Restaurant in Madison, we will continue our pilgrimage to the Indiana Masonic Home in Franklin, Indiana. After touring the Home, dinner will be furnished by the Home, then we will return to Fort Wayne. This is an excellent opportunity for those of you who have never been to the Schofield House or the Masonic Home to do so and also for those Brethren who have visited before to once again see these inspiring Indiana Masonic institutions all in one day. For further details and reservations, contact Terry R. Webb, Worshipful Master.

Masonic memorial services were held for Brothers George Homer Reuter, who departed this life June 6, 1984, and Robert Paul Jennings, who was called to the Celestial Lodge above on July 7, 1984. The sympathies of the Lodge are extended to their families in their time of sorrow.

The Master's trestle board is full of activities for the Craft this fall season, so come and be a part of the work of your Lodge. Remember that Masonic education never ends; it continues as you grow in Masonic knowledge and wisdom.

## Welcome Back, Brethren!

I hope everyone has had a pleasant summer, enjoyed the sunshine, caught a few big fish, took that great trip, and just generally enjoyed the easy feeling of summertime. Our Lodge work begins again this month, and we will have work in September. Look in Wednesday's papers for the times or call me.

Our THANKS, THANKS, and more THANKS go out to Lawrence A. Baker, P.M., who has served Summit City as Secretary for many years! Lawrence has decided to step down from his position as Secretary as of September 1 of this year. Lawrence, you are due untold thanks, congratulations, and pats on the back for all your fine work! On behalf of myself, Summit City's Past Masters, and all members of the Craft, I want you to know that you will be missed. Brethren, at the September Stated Meeting, we will elect our next Secretary. Please come to this meeting and make your vote count.

Summit City will host a Grand Lodge of Instruction at the Temple on Monday, October 1 at 7:30 p.m. Three Rivers and OeMolay will join us. The Lodge of Instruction will be on the Master Mason degree, and you are all encouraged to attend. Mark it on the calendar.

On November 2, the Grand Master will hold a regional conference at the Temple, and Summit City will be the host Lodge. Our officers will bring back some new ideas from the conference and pass them on to you during our November meetings.

Since the last article appeared, a bus load of Summit City members and family made a trip to the Schofield House in Madison with a stop at the Indiana Masonic Home at Franklin. The trip was very enjoyable, the Schofield House not only demonstrated old architecture but let us visit the birthplace of Indiana Masonry, and at the Indiana Masonic Home we got to see the two new hospital rooms just donated by Summit City as part of our tour. The time on the bus was fun (Wayne Lockwood and John Hind taught me how to play cribbage - that is I learned enough to know how much better they are at it), and we enjoyed good meals too. Thanks to Lawrence and to Tom Richardville for their planning - it paid off, fellows.

Tom also planned the baseball trip to Chicago. Since I didn't attend, I can only assume that it was a very enjoyable day. Thanks again to Tom for his work.

Remember - We have degree work this September. Come on down to the Temple. I'll see you there.

## Greetings Brethren:

I hope your summer has been an enjoyable one. At this writing, I am beginning to tire of the fall weather and looking forward to the fall weather.

Soon we will be back in the swing of our fall schedule of events. We should be having some degree work

in September. September 11 is annual Lodge of Instruction, and are host lodge this year. Wayne Lodge will participate with us. Dinner will be at 6:30 and lodge open at 7:30 p.m.

To bring you up to date since last issue, I have jotted down following: Brother Robert Lien was called to the Celestial Lodge above in May; Brothers Peter Mellers and Harry Frykberg in July. Their families we extend our sympathy.

Our annual pancake and sausage breakfast was held June 9. Brother Chris Fensler was raised to the Slime Degree. We had a good turnout for the occasion which was very proud day for the candidate well as his father-in-law, PM Bob Roddy. We also entered, passed a raised Brother Dick McCutcheon June 18, June 25 and July 2. Congratulations to both our Brethren.

was our annual ballgame trip. We had a full bus of 47 brethren and friends and I believe everyone had a good day. For all who attended, thanks for your support. A special thanks to our chaplain Hubert Steinbaker and J.W. John Lettel for all their efforts and hard work. A special, special thanks to Janet Lettel (the sandwiches were great Janet.)

Due to the expense and the poor turn out in the past, our ladies night banquet in October has been cancelled.

Brethren, lodge work will resume a normal fall schedule soon and I would again ask each of you, to try and attend at least one meeting each month. We would love to see you in lodge and 12 meetings a year isn't too much to ask. Our next stated meeting is September 10.

Greetings Brethren  
Vacation time is over and it is time to resume our labors. I hope that everyone had a fruitful summer and fine vacations. But now it is time to go to work in the Lodge. We had two candidates held over this Summer. We will have Fellow Craft work Sept. 4 for two candidates. Lodge will open 7:00 p.m. On Sept. 18, we will have Past Masters night with lodge opening at 5:30 p.m. on M.M. degree work. A dinner will be served at 6:30 p.m. and second section of M.M. degree at 7:30 p.m. Come and see your Past Masters part on the degree work.

Our hearts are saddened and our sympathies to out to the families of three brothers who were called to lay down their working tools and be with the Great Architect of the Universe. Owigth Black, June 3, 1984, Robert L. Barrett, July 14, 1984 and Clarence M. Christopher, June 24, 1984.

Our lodge will have a Lodge for Instruction on Monday, Oct. 1 on the M.M. degree. All officers are required to be there. Lodge will open at 7:30 p.m.

I am planning to have a Homecoming Dinner and Ladies Night in October. Further details will be sent to you in a letter with reservation slips. I hope this event will be successful and your attendance will assure this.

To our brethren who are ill my hope for a speedy recovery.

To our brethren out of town, greetings from the lodge. Orop us a line from time to time and let the lodge know how you are.

Gates to remember and plan to attend:

Sept. 4 - Fellow Craft Oegree 7:00 p.m.

Sept. 11 - Stated Meeting 7:30 p.m.

Sept. 18 - Past Master Night - M.M. degree work 5:30 p.m.

Oct. 1 - Lodge for Instruction 7:30 p.m.

cussed is a donation for a window for the Temple.

Brethren:  
With your lodge now back to light, I hope all my Brothers have had a most restful and fulfilling summer, good health and have missed the brotherly love we have not shared when our lodge goes dark for July and August.

June and July saw Brothers Bruce Exner, Dave Exner (father and son), Edwin Steinacker, and Leslie Fogle advance through the last and highest degree of Ancient Craft Masonry, the raising to the sublime degree of a Master Mason. Congratulations brothers on your attainment of a Master Mason.

We had the distinct pleasure in July of moving our charter to Kendallville Lodge No. 276 where some S3 Master Masons met to put on the Master Mason Oegree for two of the above mentioned brothers. A most excellent dinner was prepared and served by the Eastern Star ladies of Kendallville. My most sincere thanks to Brother Harold Charles, P.M. of Kendallville Lodge for his efforts and services in creating this most memorable evening for us and our two new brothers. Brother Charles has always gone out of his way to help our lodge and members over the last several years and we will always be eternally grateful. Thank you Brother Charles.

Brothers Virgil Marquardt and Orville Coleman have been called from our midst to the celestial lodge above. To their families and friends we extend our deepest sympathy as we also mourn the loss of our brothers.

September will be a busy month for your lodge with the following activities:

Sunday, Sept. 9 - 37th Annual Masonic Home Pilgrimage at Franklin, Indiana.

Monday, Sept. 10 - Stated meeting at 7:30 p.m. with a presentation of Award of Gold by Robert H. Miller, P.G.M. Homemade ice cream for refreshments to follow.

Monday, Sept. 17 - Entered

Apprentice Degree at 7:00 p.m. with refreshments to follow.

Monday, Sept. 24 - Educational meeting at 7:30 p.m. with a dinner at 6:30 p.m.

At this time don't fail to mark your calendar with our fall banquet on October 6, 1984 at 6:00 p.m. The entertainment for this evening will include the following three performers:

Charlie Willer, a self taught musician, has been writing and performing his music since he was 17. One of his many entertaining aspects is his performance of Chuckles the Juggling Clown.

Stephen Riedel is as famous in Fort Wayne as Marcel Marceau is in the world. Many have seen him mime, but few know his name. For this show he will team up with Charlie Willer to bring the delightful "Lighter Side of Groucho Marx."

Lucy Hagen has been composing and performing her music since she was 12. She has received many songwriting awards in this area and she has been performing professionally for several years.

More information will be sent to you at a later date on how to make your reservations for this most enjoyable evening.

Till then - See you in lodge.

Brethren:  
Summer is fast approaching its end and it is again time for each of us to pick up our Masonic working tools for our Masonic labors. For many of us the summer has went quickly by leaving us with the great ideas and projects not yet completed. As ask ourselves what has happened to the summer?

Summer is now over (so suddenly), school has started again, vacations are a thing to remember and all those jobs you wanted to accomplish are still in a holding pattern. However, Lodge is back to its normal routine, with candidates waiting to start their career in Masonry, so we have a lot to accomplish in the next four months. Even though the Lodge was "dark" during July and August there were those persons who were active doing planning and scheduling for various coming events.

We have received permission from the Grand Lodge to take our Charter to Bristol, Indiana, to the outdoor "Lodge of the Pines" to confer the Entered Apprentice Degree on one of our candidates, on Saturday, September 15, 1984. We are planning to charter a bus of 46 persons for the trip. You will be hearing the

final details at the September stated meeting. J.S. Bill McNaughton is in charge of this event. We are still trying to work out the details with Webb Lodge in Richmond, Indiana, to exchange Master Mason Degree candidates in October.

Maumee Lodge's annual "Ladies Night" will be Wednesday, October 10, 1984. Dinner will be served at 6:30 p.m. Tickets will be available from any Lodge Officer at \$4.00 per person. If you have a liking for pretty ladies, cherry pie and the U.S.A., then you better get your reservation made now. The theme "First In Our Hearts" will set the stage for a fine meal, fantastic entertainment, warm fellowship, exciting surprises and recognition of our ladies. You will be sorry if you miss it.

Congratulations are in order for Brothers Dr. Bill Clark and Jerry Mann who were raised to the Sublime Degree of a Master Mason on June 27, 1984. We welcome you both into the greatest fraternity of all and sincerely hope you will return often to help others who will go the same way you did. Brothers William Clark Sr. and Bob Beach (father-in-law of Jerry) were very proud of this memorable event.

Our deepest sympathy goes to the family and friends of brothers William P. Vunora and George E. Hayden who were called out of our midst to join the great brotherhood beyond. They will be missed. Memorial services for Brother George Hayden were held at the McComb Funeral Home on Lake Avenue.

At the August stated meeting, P.M. and Trustee Jim Farrar presented to the Lodge a report from the House Committee regarding a proposal for an increase in the annual assessment for all organizations that use the Temple. The tremendous increases in heating, electricity and the general maintenance of the building justify this request. The Lodge recommended an increase not to exceed \$6.50. We will discuss at the proper time (after the Trustees have taken action) how much, if any of the increase the Lodge will absorb and how much will be passed on to the membership. There is no question as to the beauty of the building and how well it is maintained, but for continuous maintenance it has become quite costly. Action was also taken to present to the Trustees \$500.00 for the purchase of one storm window assembly for one of the front windows as a heat saving effort.

Remember, the Masonic Education Committee will be making another presentation at the stated meeting on September 5, 1984. It is something you as a Mason will want to share. Thanks again to J.D. Jack Suter, Brothers Don Potts and Bob Beach for a well-organized enjoyable golf outing. The golfing was wet, the meal was excellent and prizes were super. What more could you ask - well, maybe a little sunshine.

Grand Lodge of Instruction will be Thursday, Oct. 4 at 7:30 p.m. Sol D. Bayless will be host lodge for Master Mason Degree. Maumee

Lodge will be responsible for second section.

It is indeed exciting to be a part of the Masonic community with the awesome and challenging responsibilities involved. For example, as Masons we are part of thousands of members all over the world. When we work together and support one another, we multiply our effectiveness as ambassadors of Masonry. But let's not make the mistake of believing that the ceremony of

initiation makes a man a Mason. True, this ceremony is vital and necessary but, unless the lessons of the ceremony and the spirit of the ritual is understood, it is nothing.

Let us learn a lesson from a page in history: the ceremonies of the three degrees are of no value unless they are understood by the candidate and are grafted into his everyday life. An informed and enlightened membership is a better and more successful one. So as to

accomplish this, the Craft should be put to work. To abandon the newly-made Mason to his own devices is a failure on our part. The effort we all put forth now will determine the future course of our Lodge. If we all work together the Craft will profit thereby. Become a part of being a well-informed active Mason and teach the lessons that should be taught so that someone else will experience the life lasting intense sensation of being a Mason.

BEST KIDS MAGICIAN IN THE BUSINESS

On September 25 we are pleased to have our District Deputy visit our chapter for her instructional visit. We look forward to receiving instructions from her and all the officers will study hard and try to do very good work. Please come and support the officers. Your presence on the sidelines offers encouragement and pleasure to the Worthy Matron and her officers.

On August 19, the officers enjoyed a Lake Party at Big Cedar Lake at the home of Wes and Donna Adams and hosted by their daughter, Susan, our Associate Conductress. We enjoyed a delicious potluck dinner, followed by boating, skiing (for those brave enough) and just relaxing. We all thank you for your hospitality!

The Ways and Means Committee has been working very hard on two projects. We have secured a booth at Glenbrook Mall for the Craft Show and Bazaar on Wednesday and Thursday, Sept. 5 and 6. We will be located in Area No. 6 in Center Court, near the D.G. Wilson entrance. This is a total chapter project and we urge everyone to participate by donating either baked goods or craft items. If you need someone to pick up your items, you may call Edna Mathews, 493-1808; Anna Kesler, 447-9990; Isabelle

Helton, 447-4800; or Worthy Matron, Geneva, at 749-0549; or take donations to Glenbrook Mall on the above dates. The hours are 10:00 a.m. to 9:00 p.m.

Our second project is the Bus Trip to Beef and Boards in Indianapolis, on October 20, to see the evening performance of "My Fair Lady". We still have a few seats available. The cost is \$38.00 for the complete trip and payment is due by September 11. Please contact Edna Mathews or Worthy Matron Geneva Dicks to confirm your reservation.

Worthy Matron wishes to thank all the members who worked so hard to make the Rummage Sale successful, and to all who donated rummage. Bouquets of pink roses to the Ways and Means girls for their "untiring" efforts!

At our June 26 chapter meeting, Star of the East was very pleased and honored to pay tribute to all the Past Matrons and Past Patrons for the many years of dedicated service given to our chapter. Both the Dining Room and the Chapter Room were beautifully decorated in the colors of our Worthy Matron's Fraternal Mom, Past Matron Margie Bienz. The Past Matrons and Past Patrons filled the stations for the inspiring initiation. Worthy Matron Geneva wishes to thank the Past Matrons and Past Patrons for continuing the tradition of doing the initiatory work on this night and for the love and support they lend to her. On behalf of all the Past Matrons and Past Patrons, Margie expressed pleasure to Geneva and George for their fine leadership and thanked them for a most beautiful evening. Our Worthy Matron also wishes to extend her thanks to the men who graciously helped to serve "Sloppy Jo's" on Mason Night.

We welcome Sister Nancy Boitet, our new member. Her mother, Sister Mary Lou Banks and her grandmother, Sister Lucinda Pettit, are also members of our chapter.

Star of the East extends hearty congratulations to Past Matron Gladys Coe and Past Patron Russell Coe. Their 50th wedding anniversary was June 24.

All members are urged to come join us for a "Fun Filled Fall".

Committee and Cal Calendar:  
Sept. 4, Allah Signet, to be announced.

This is a story about four people: EVERYBODY, SOMEBODY, ANYBODY and NOBODY.

There was an important job to be done and EVERYBODY was sure that SOMEBODY would do it. ANYBODY could have done it, but NOBODY did it. SOMEBODY got angry about that, because it was EVERYBODY'S job. EVERYBODY thought that ANYBODY could do it, but NOBODY realized that EVERYBODY couldn't do it. It ended up that EVERYBODY blamed SOMEBODY when NOBODY did what EVERY-

BDDY could have done.

We hope everybody has had a nice summer. We know some have been ill or had sorrow in their families, but we pray that with God's support and love, you are all back in the swing of things.

Dur all calendar promises many interesting events. We open the season with a "Welcome Back" potluck dinner. We are looking forward to greeting many of you and exchanging experiences with you of your summer activities. Our Worthy Matron, Becky, and Worthy Patron, Jack, are endeavoring to provide interesting meetings and promote warm fellowship. Let's all attend and give them your support.

June 14th we honored our fathers and Master Masons. Our Worthy Matron was pleased to honor her father, Bob Cunningham, as her special guest along with the many other fathers and Masons attending. On June 28th we renewed our obligation, reminding us of our obligation to our chapter, our sisters and brothers and our family and friends. As we begin this fall season, we are reminded of the Fall Card Party and Bazaar to be held on Nov. 7. I'm sure that many have already started working on projects for this event. This is a money making project, so broadcast it to your friends so they will save that date. Tickets will be available from the Committee members in September.

We are in the process of compiling a new roster. If you have had a name or address change, would you please contact either Gwen Mains, 447-7904, or Becky Partin, 484-3605, with this information.

Just a few weeks ago lake cottage owners were sweeping out the cobwebs, preparing for the summer season. Summer fun means barbecued chicken, corn on the cob, front lawn croquet, just sitting on the porch swing, a nice trip, or endless yard work. Now we are almost ready to put those good summer times behind us and look forward to supporting our chapter by faithful attendance. The officers, and the many supporting committees, are going to be looking for each one of us on Thursday, September 6. Let us welcome our District Deputy Arlene Walker.

September 20 will be a very informative program, "Inspiration of the Labyrinth" especially beneficial to our new brothers and sisters, and most interesting to the 'side liners'.

Our Chapter has been busy this summer. We had a 70th anniversary party for our Chapter in June and after a delicious dinner and short meeting were entertained by the Sing 21 group from District 21. Our Deputy visit and inspection were held in July. Our August meeting was Friends night. The theme of the evening was Friendship Fair. We were shocked at the attendance and would like to apologize for the scant refreshment table as we were not expecting the many friends who attended.

Over the summer months we have lost 2 members, Louise Markey and

Juanita Cook. Wayne Surface, the husband of Edith Surface and father of Don Surface also passed away.

Myrtle Kell observed her 92nd birthday in July. She is a resident of the Byron Health Center.

Our September 11 meeting will be our Past Matrons and Patrons Night. We are looking forward to seeing our members home for the summer before they return to their winter homes in the South.

Labor Day  
Labor Day was instituted  
To give the laboring man a rest;  
And it is observed today  
From North, South, East and West.  
The final picnic of the year  
is often held on Labor Day,  
As free from all the work and cares  
With joy and mirth their lives  
display.

What is Faith?  
It's seeing a rainbow through the rain and knowing its beauty will remain.

It's seeing beyond a stormy glen and knowing the sun will shine again.

It's seeing a tree that's gray and bare and knowing the leaves will soon be there.

It's planting a garden in a little plot, knowing it won't be a forget-me-not.

It's seeing a star in the darkest night and seeing your pathway clear and bright.

Faith is believing what we cannot see, with confidence and expectancy  
Knowing there's nothing we can't achieve, if we have faith and if we believe.

Hello Again:  
We will begin our fall session with a family potluck supper at 6:00 p.m., September 4, on the Mezzanine floor. Bring a covered dish and your own table service. September is a warm month, so the officers will be more comfortable wearing street length dresses.

I want to thank the Past Presidents and all who worked on our rummage sale in June. We wish to thank Mr. and Mrs. Francis Studer for the use of their garage and all who contributed articles to be sold.  
On July 6, Bill and I visited the Veteran's Hospital church service.

Our sympathy to Thelma Jones whose husband, Sir Knight Richard Jones, passed away July 20. Thelma is a Charter Member.

It's hard to believe this is the first article for this term and the term is already one-third over, but summer has delayed our news. June 9 we had our installation of officers and the following girls assumed office at that time: Jennifer Woods, Honored Queen; Cindy Ferneau, Sr. Princess; Beth Ann Wyatt, Jr. Princess; Andrea DeLeon, Guide; Shannon Jones, Marshal; Linda Wyatt, Chaplain; Lois Lindsay, Treasurer; Angie Gross, Recorder; Julianna Rinne, Librarian; Darlynn Dearing, Musician; Mollie McComb, First Messenger; Amy Morgan, Second Messenger; Monica Hart, Third Messenger; Amber Garver, Fourth Messenger; Shauna Barnhill, Fifth Messenger; Erin Cecil, Senior Custodian; Tracy Tackett, Junior Custodian; Dawn Bosch, Inner Guard; Trina Tackett, Outer Guard; Julie Dyermyer, Flag Bearer, and Tanya Graham, pro-tem and member of the choir.

This term I'm going to use the lighted candle as my emblem, pink rosebuds as my flower and my scrip-

ture will be Matthew 5:16, "Let your light shine in such a way that men may see your good works and glorify your Father who is in Heaven." Balloons will be my fun emblem and my watchwords will be Faith, Peace and Love.

Twelve daughters, Mrs. Kilgore, Mrs. Woods and Mrs. Mowery journeyed to DePauw University at Greencastle to attend the Grand Council session June 14-17. It was a busy session for all of us as Mrs. Mary Ross was installed as Grand Guardian of the State of Indiana. Mrs. Ross is a past Guardian of Bethel No. 8 and has asked us to serve as her home Bethel along with Bethel No. 129 of Leo. We assisted in her installation and reception on June 16. The "Penguin Pals" made their debut that night. Mrs. Ross's fun emblem is the penguin and we're all going to be her pals and help her this year.

While at Grand Council some of our daughters were given special recognition. Shari Wyatt, PHQ, was recognized for her participation in the Grand Council patriotism contest; Mollie McComb and Jennifer Woods received arts and crafts awards and Linda Lentz, PHQ, was named an alternate for a Grand Council Scholarship. Shari Wyatt and Jennifer Woods were named Grand Bethel Representatives to the states of Wyoming and Oregon, respectively.

An all-day School of Instruction was hosted by our Bethel for the Grand Council on Saturday, June 23. Not as many girls were there as we would have liked, but maybe the rest can attend the next School of Instruction in January.

Our summer has been busy, busy. We've washed chairs at the Temple, assisted at the Shrine Horse Show, held two stated meetings (a first this year) and had an ice cream party at the Honored Queen's house and played Putt Putt golf after our meetings. The National Federated Craft No. 81 hosted us at a picnic in August and the Region B picnic was held at Lentz's home in August, also.

A busy September is also on the agenda. Our first meeting will be September 5 at 7:00 p.m. We will be honoring our Past Honored Queens and Majority Members that night. We've been trying to reach all those for whom we have addresses, but we hope any Past Honored Queens or Majority Members we have missed will come on that night and help us update our records and join the fun.

Sunday, September 9, will be the annual Pilgrimage to the Masonic Home in Franklin. We're planning to take part in the Job's Daughters' cross that afternoon. All of the Daughters and their families are urged to attend this very impressive

outing. It's fun, too!

September 19 the Bethel will be honoring Members of Honor and are planning a proficiency ceremony. Several of our members are working with Sr. Princess, Cindy Ferneau, to be ready to take part in this ceremony. If you would like to take part, call Cindy.

Job-A-Rama is September 21-23. What's Job-A-Rama? It's best described as a slumber party camp out. We hope everyone will take this opportunity to go and have fun with other Bethels as well as our own. It's a full week-end of nothing but fun - no ritualistic work, no meetings - just fun.

Welcome, Mrs. DeLeon, to our Executive Guardian Council. Mrs. DeLeon is our newly installed Guardian Treasurer. Mrs. Ferneau became our Guardian Secretary, and Mrs. Woods retired????

Mark your calendars - many activities are planned for this term and as we've so often heard - the more you become involved, the more you get out of Job's Daughters. Let's all get involved - let's get our families involved - let's get our friends involved - let's let our light so shine.

## Answers for Freemasons

What should we tell our non-Masonic friends when they ask questions about Freemasonry?

When these questions arise, and they often do, our response will undoubtedly influence the mental attitude of our friends toward ourselves and the Craft in general.

We should not take a timid approach to our answers. We should not indicate a desire to "change the subject." We should not reflect a "mum's-the-word" attitude.

Instead, we should be prepared to speak with ease, pride and authority.

Make it known that Freemasonry is a way of life.

Freemasonry is fraternal in organization, religious in character, based on the belief in the Fatherhood of God, Brotherhood of Man and the Immortality of the Soul.

Be prompt to make it known that

Freemasonry is not a "secret society" as many surmise. Freemasonry is a voluntary association wherein the interested one comes of his own free will and accord.

Indicate also that Freemasonry is not a religion as many claim it is.

Discussions on religion or politics have no place in our proceedings.

Proclaim that Freemasonry, in its every effort and purpose strives to do charitable work within its membership and for society, and through its teachings, seeks to make good men better men. You can proudly state that the basic ethical principles as exemplified in our Ritual and Lodge Work, are such as are most acceptable to all good men; they are lessons based on the golden rule, tolerance toward men, respect for one's family, charity towards all and being true to God for His gracious and numerous blessings.

Be proud to proclaim that Freemasonry is a band of men bound together in the bonds of Brotherly Love and Affection that extends throughout the World.

And to sum it all up Freemasonry in kindness in the home, honesty in business, courtesy in society, fairness in work, pity and concern for the unfortunate, resistance toward the wicked, help for the weak, trust in the strong, forgiveness for the penitent, love for one another and, above all reverence and love for God.

These and many other answers can be applied to the questions your friends will ask.

Speak up. What do we have to hide - save that which pertains to our esoteric Work?

Freemasonry is a Way of Life!

### THE KNIFE & FORK DEGREE

I do not attend the meetings,  
For I've not the time to spare,  
But every time they have a feast,  
You will surely find me there.

I cannot help with the degrees,  
For I do not know the work,  
But I can applaud the speakers,  
And handle the knife and fork.

I'm so rusty in the ritual,  
That it seems like Greek to me,  
But practice has made me perfect,  
In the Knife and Fork degree.

## Brethren:

Olive Branch will celebrate its 125th anniversary at our Lodge Hall on Saturday, September 22, 1984. A social hour will begin at 5:30 p.m. and a spaghetti dinner will be served at 6:30 p.m. We have asked John Snarr, P.M., to serve as Master of Ceremonies and we are extending an invitation to all area lodge members to join in the celebration. Please contact secretary Bill Jesse or myself if you plan to attend. Brother Junior Warden Jerry Buchan has done a fine job of making plans for this celebration.

A brother was passed to the degree of fellowcraft on August 23, 1984. We expect to raise that brother to the Master Mason Degree prior to September 22.

Brother Fred Andrews was recently hospitalized. We are happy to hear that brother Andrews is now home.

The Lodge extends its thanks to brothers Clarence Lybarger, Bill North, Lloyd Yvonne and Lloyd Brown for mowing the grass this summer. See you in Lodge.

## Dear Brethren,

Welcome back from summer. Our schedule for September is: Sept. 5 at 7:30 p.m. Stated Meeting; Sept. 12, 19 and 26, practices at 7 p.m.

All officers and brother M.M. are asked to attend Lodge for Instruction to be held Sept. 27 at 7:30 p.m. at Monroeville Lodge 293. All officers are required to attend this. The Lodge of Instruction will be on the E.A. degree/Remember as you stood

on the threshold of Masonry and the first impression of the E.A. degree. The perfection of this degree is then very important due to this fact.

We have completed plans on the roof and should start construction soon. We need donations to reimburse the Eastern Stars who so graciously backed this project.

As we begin our fall session, several unfinished business items are before our lodge and need your attention. You can only participate if you attend; bring a brother and stay active in the oldest living fraternity in the world. Also, if you know a worthy brother, contact your Master or Secretary. May God bless all.

Greetings, Brethren All, from your Lodge:

Hope you had a fun filled summer vacation, whether you took a trip or stayed at home.

We welcome to our lodge Brother Terry J. Stabler by affiliation.

Our annual "all you can eat" fish fry will be on Friday, September 14 from 5:00 - 7:30 p.m. at our lodge. Donations are \$3.50 Adults and \$1.50 for Children (3-10). Fish prepared by Richard Fritz. This annual event this year is co-chaired by Brothers James McGuire and Clovis Grimes. This takes plenty of time and effort by these two brethren. My thanks goes to them for this fine undertaking.

Lodge of Instruction will be held with Churubusco Lodge S15 on Wednesday, September 12, at 7:30 p.m. on the Master Mason Degree. Churubusco Lodge will be the host lodge.

At our July stated meeting we discussed having a meal and social hour before a stated meeting without any degree work. So on Sept. 6 at 6:15 p.m. our 1st Annual Non-Degree Meal and Social Hour will feature PM Brother Rodney Lansaw as Chief Cook. His menu for the night will include cornbread, ham and beans and all the trimmings.

On Friday, August 3, one of our 50 year members, Brother Wayne H. Surfus, passed to his eternal reward. Our sympathy goes to the family. A masonic service was performed by PM Brother John Lare on Sunday, August 5.

Calendar of Events: Sept. 6, 6:15 p.m., Non-Degree Meal.

Sept. 6, 7:30 p.m., Stated Meeting.  
Sept. 12, 7:30 p.m., Lodge of Instruction, host lodge Churubusco.  
Sept. 14, 8:00 - 7:30 p.m. Fish Fry.

## Brethren:

Summer is coming to a close and it is time for us to return to lodge with new vigor, ready to work. Our first meeting is on Sept. 6, at 7:30 p.m. So come join us and share in good fellowship and good refreshments.

I received a letter from the Grand Lecturer on July 24, that stated our lodge for instruction will be on Sept. 25, at Harlan Lodge 296, at 7:30 p.m. on the Entered Apprentice degree. He also directed me to notify all the lodge officers and inform them that their attendance is required at this lodge of instruction.

Some Food for thought: I love to look at the stars, but on a cloudy night, we only have our faith that they are shining out of sight. I love to look at candles, so softly luminous, but sometimes all the light we have is what we have within us. Our loveliest of lights is one we can always see, when we visit our lodge, for they are the three great lights of masonry.

May God Bless; see you in lodge.

## Senior Masons Club

Do you ever get the feeling that time is slipping by pretty fast? When I sent in my last article for the June issue of the Square & Compass, I thought that gosh, there will not be another one due for a couple of months. And, with just a flick of an eyelash, this article should have been in the mail today. The sands of time never stop.

Once again, our first meeting of the fall season will be on September 10, the SECOND Monday of the month, due to Labor Day. We will as always, meet at 12:00 o'clock noon for lunch, with the meeting following lunch. Our attendance held up very good over the two summer months. At the July meeting we had a total of 47 percent, and at the August meeting, there were 51 present. Our July speaker was Major Paul Fuqua of the Salvation Army. He gave a very interesting talk on the workings of the Salvation Army, plus a slide presentation. For our August meeting, we had Tom Rody from our Allen County Civil Defense. If you

missed either one of these meetings, you missed fine presentations.

Our September 10 program will be presented by Lillian Embeck. She is involved with programs concerning our Senior Citizens. It should be very interesting.

So before you forget, mark that date on your calendar - Monday, September 10. Come out to the Heritage House, enjoy a great lunch, a great program, and most of all the great fellowship. Bring along a Brother, and let him in on the fellowship.

MONDAY, SEPTEMBER 10, 12:00 O'CLOCK NOON. BE THERE.

## SENIOR MASONS

I did it again. I sat at my desk thinking of what I wanted to put in the October article. The due date is tomorrow, and I am still wondering what to include in the article.

One thing sure, our next meeting is on Monday, October 1. As always, we will meet at 12:00 o'clock noon for lunch with the meeting following lunch.

We had a nice turnout at the September meeting, with 64 members and guests present. Everyone enjoyed the presentation given by Lillian Embick, the Executive Director of Audiences Unlimited. This group of people work for and on behalf of disadvantaged, disabled and institutionalized people, enabling them to enjoy in a small way the beauty of life. A very worthy program for people that have very little else to look forward to.

For the October meeting, Presi-

dent Westfall has arranged for a speaker from the Diabetes Association. This should be of interest to many of our group. Do not miss it.

Spread the word around to your retired Masonic friends. Invite them to come to our meetings. I'm sure that they will enjoy all the lunches and programs that we have.

So — before you forget it, mark your calendar for the next meeting — October 1. You will not want to miss it. See you at the Heritage House on Lima Road — just north of the suburban parking lot. See you there.

## Wrong Guess

The conductor of a passenger train in Illinois came through the cars announcing, "Arcola next, Arcola." A short time later he re-appeared and announced, "Tuscola next, Tuscola." After the train pulled away from that station, a passenger turned to his companion and said, "What's next, Coca Cola?" Whereupon the conductor opened the door and shouted, "Champaign next, Champaign!"

## AN APPEAL

The Associated Masonic Trustees are striving to make your Temple more "Energy Efficient," thereby reducing the costs of utilities, which have become astronomical in recent years.

One project being undertaken is to replace the 60 year old wooden frame single glass windows and their wood casings, with double glass, thermal barrier windows set in aluminum "energy saving" frames and casings.

Inflation and increased maintenance costs have sorely depleted Temple funds over the past five years. But, recognizing the need to replace the windows to save energy and reduce fuel costs, the trustees are asking the Lodges and Appendant Bodies to underwrite this project by sponsoring one or more of the windows at \$500 each. (The window frames and casings must be custom made due to size).

At this time, the windows on the fifth floor have been sponsored and installed, and those on the third floor have been sponsored. However this does not represent 50 percent of the windows involved. Your organization, club, group or you as an individual is requested to make a commitment to this necessary project. A plate with the donors name or that of a memorial will be placed on the window.

If you feel unable to sponsor a window, your contribution of \$5, \$10, \$25, \$50, or \$100 will be appreciated by your Associated Masonic Trustees.

A tired-looking man dragged himself through his front door and slumped into a chair. His wife came out of the kitchen and looked at him with misgivings.

"Busy day at the office, dear?" she asked sympathetically.

"Terrible," he answered with a heavy sigh. "The computer broke down in the middle of the afternoon, and we all had to think!"

Wayne Lodge was well represented by our Worshipful Master, Senior Warden, and Junior Warden at the annual Masonic Home pilgrimage on Sunday, Sept. 9. The highlight of this event for Wayne Lodge was the presentation by Worshipful Master Terry R. Webb of a check from the estate of our late Brother P.M. Joseph M. McCowell to P.G.M. Richard E. Hickam, Chairman of the Board of Directors of The Indiana Masonic Home.

Our annual Ham and Bean Supper held last September 6 was a huge success as those who were present will remember. The Stated Meeting for October will begin at 7:30 p.m. on October 4. It, of course, will be preceded by dinner in the kitchen at 6:30 honoring those Brethren who were raised during the month of October.

Belated congratulations are in order for the newest member of Wayne Lodge, Steven M. Mosure, whose name was inadvertently omitted from last month's column. Congratulations, Steve, on becoming united with us in our great and good work.

Wayne Lodge is sponsoring a tour on Sunday, October 14, for its members and their wives or guests. We plan to leave the Temple at approximately 7:00 a.m., stop for breakfast en route, then proceed to the Schofield House in Madison, Indiana, for a visitation and tour. Following a buffet luncheon at the Pines Restaurant in Madison, we will continue our pilgrimage to the Indiana Masonic Home in Franklin, Indiana. After touring the Home, dinner will be furnished by the Home, then we will return to Fort Wayne. This is an excellent opportunity for those of you who have never been to the Schofield House or the Masonic Home to do so and also for those Brethren who have visited before to once again see these inspiring Indiana Masonic

Institutions all in one day. For further details and reservations, contact Terry R. Webb, Worshipful Master.

Oegree work will be held during the month of October. Attend the stated meeting on October 4 for further details.  
See you in Lodge.

## Brethren:

September has been a busy month for Home Lodge, 25 and 50 year member night on the 25th followed on the 26th by our Lodge of Instruction, and that followed on the 29th and 30th by the Tri State travelers trip to Chicago for the Tri State Reunion. I know from other Tri State trips, the travelers will enjoy a trip full of good Masonic fellowship, renewing old friendships and seeing the Chicago sites.

Even as we speak of the enjoyable times let us not forget those who are ill or shut in. Please keep in your prayers P.M.s James Farrar and Art Vonderau for speed in their recovery.

Looking to October Home Lodge will be having its Ladies'-Widows' night on October 23. This is a special night for Home Lodge Ladies' and Widows'. I am working on a special program for that night which will be of interest to all who attend. Be sure to contact Home Lodge Jr. Warden, J. Krider (483-1003) if you can attend so we will know how many to arrange for.

## Brethren:

How the time flies, September is gone and we have another Master Mason in our midst. Brother David L. Frazier was raised to the Sublime degree of a Master Mason on Sept. 18 by the Past Masters. This was

also our lodge's Past Masters Night Banquet. And as always the Past Masters performed the work very well.

In my article for September I mentioned that we were planning a Homecoming and Ladies night. The date is finalized and it will be on Friday, Oct. 19. Dinner will be served at 6:30 p.m. with entertainment to follow. A donation of three dollars per person will be charged. So get your reservations in by Oct. 12 so we can plan for the food.

Monday, Oct. 1 is our Lodge for Instruction. We will be inspected on the Master Mason Oegree so mark it on your calendar and plan to come and help us.

I would like to send greetings to our out of town brothers from the lodge and hope every thing is well with you.

To any of our brothers who are on the sick list we send our hopes for a speedy recovery.

I hope to see more of you on the sidelines. Come and be an active part of your lodge.

Brethren:

The beautiful season of autumn is upon us. Now is the time for all Masons to return to their lodges or visit a lodge to renew their obligations.

We have four new candidates for degree work during the month of September.

Come to lodge and see what the building trustees have accomplished to conserve energy and make lodge more enjoyable for everyone.

Our lodge of instruction is October 1, 1984 at 7:30 p.m.; please plan to attend this night, as it will be on the Master Mason degree.

We have made progress in many ways this year and hope to continue this trend.

We will be looking forward to seeing all our brothers in lodge.

Greetings from the East:

Since the last issue of Square and Compass, South Gate has been called from darkness to light! With our Fall schedule now under way I hope each of you brothers can find time to join us in lodge.

The past month has also brought much sadness to South Gate. On August 20 we held a Masonic funeral service for P.M. Joe Clevenger, on Aug. 27 for Brother Charlie Shirey, Sept. 6 for Brother Robert

Brosius and on Sept. 7 for Brother Irving Dornacher. To the families of these departed brethren we extend our deepest sympathy and our prayers. If there is anything we at lodge can do to help, please contact me.

This past weekend was the 37th annual Masonic Home pilgrimage at Franklin, Ind. My wife (Lynn), kids and I attended the festivities on Sunday, Sept. 9. If you have never visited the Indiana Masonic Home it is a very rewarding and enjoyable trip. During the annual pilgrimage is an especially delightful time to visit. Many of the buildings are open for tours and visitation with the residents. Murat Shrine provided a band concert, antique car display, clowns and balloons for the kids. It was a fun day and something for all of you to consider next year!

I will let you know in the next issue how we, your line officers, did at our annual Lodge of Instruction, which was held Sept. 11.

Our first Master Mason degree which was scheduled for Oct. 1 has been delayed. One of the other lodges needs our room that night for their Lodge of Instruction. I will have a new schedule of degree work for October very soon. Please contact me or any of your officers for the dates.

Brethren,

Fall is here and Summit City is back in action. We not only have degree work planned for the following months, but activities as well. Here's a rundown of our calendar.

Oct. 1, Grand Lodge of Instruction, 7:30 p.m.

Oct. 5, Stated Meeting, 7:00 p.m.  
Oct. 12, EA Odegree (see newspaper for time).

Oct. 19, FC Odegree (see newspaper for time).

Oct. 26, Homecoming, 7:00 p.m.

Oct. 27, MM Odegree (see newspaper for time).

Nov. 2, Stated Meeting, 7:00 p.m.

Nov. 9, EA Degree (see newspaper for time).

Nov. 16, Ham and Bean Dinner and FC Odegree, 5:00-7:00 p.m.

Nov. 23, MM Odegree (see newspaper for time).

Be prepared to spend an enjoyable evening at the Temple at 7:00 on Friday, October 26 when we hold our annual Homecoming Banquet. The evening will feature an excellent dinner, presentation of 25 and 50 year awards, and an entertaining and informative talk by Marvin Isley, Administrator of the Indiana Masonic Home. Please return the registration card you will receive in the mail so that we can estimate attendance.

Our annual Fellowcraft Club's Ham and Bean Dinner will be held from 5:00 to 7:00 on Friday, November 16. Plan to attend along with the family and friends. Also plan to stay for the Fellowcraft Degree which we will hold immediately following the dinner.

Last month I mentioned that our long-time Secretary, Lawrence A.

Baker, has resigned from that position. Brothers, you should know that this was not an easy decision for Lawrence, but one that was made under advice from his physician to take things a bit easier. Lawrence's remarks at the September Stated Meeting only pointed out more clearly the important role he served for Summit City for much of its history. Brothers, we sometimes take devoted service for granted, especially when it's been provided year in and year out. The next time you see Lawrence, give him a big thank you for his role in making Summit City a smoothly-run successful lodge. He is more than deserving of the thanks of all of us.

I am pleased to report that we have elected a successor to the Secretary's position. Past Master Ronald Stabler was elected to that position at the September Stated Meeting. Ron, we applaud your willingness to step in and accept that large responsibility. Ron was installed as Secretary after our Entered Apprentice degree on September 14. The installation ceremony was performed by Bob Miller, PGM, Murray Petty, PM, and Cal Bauman, PM.

Brothers, I recently visited with my uncle, Bill Franks, a Past Master from Acme Lodge in Michigan City. Before I left, he presented me with a set of our Working Tools. He asked me to display them where I would see them daily and be reminded of their uses. His thought is too good to keep for myself. We all receive from our Masonic membership the gift of a set of principles we can apply daily to our lives. The Working Tools and the Holy Bible point out the path a Mason can personally take to structure his life and happiness. If we remind ourselves of this path, we concentrate on "fitting our bodies as living stones, for that spiritual building, that house not made with hands, eternal in the heavens". I urge you to remind yourself of this noble and glorious purpose. Remind yourself in your own way, and remember that a great way to do so is to come and enjoy the fellowship and work of your Lodge.

Brethren:

September 11, 1984 Waynedale Lodge No. 739 was the guest of South Gate Lodge No. 731 for a Lodge of Instruction, presided over by W. Brother Keith Purcell of Wayne Guthrie Lodge No. 753. Many thanks to South Gate Lodge for a fine evening to W. Brother Purcell for his guidance and council on the various degrees, and to the officers and members of Waynedale Lodge who helped perform the work. October and November we anticipi-

cate candidates for the degrees, so we can put W. Brother Purcell's instructions to good use.

September 26 and October 24, 1984 have been set aside to get acquainted nights. I strongly encourage everyone that can help the lodge in one of the following ways, to attend these meetings.

1. Attendance for fellowship.
2. Ritualistic work
3. Participation as line officers.
4. Formation of Fellowcraft Club or group.

It seems like balloting on changes to our By-Laws is a monthly item at our stated meetings. In September we changed our dues structure, October there are two items to vote on, and in November we anticipate having a full revision of the by-laws for ease of reading with more detailed definitions.

Best wishes to S.W. Frank Morton and Lesia Von Zile, who will be married October 6, 1984.

Our prayers and thoughts go to the Fred and Thelma Bledsoe family and grandson.

The Masonic Education Committee did it again. Chairman, P.M. Bob Hobbs informed us about the Masonic background of the "Statue of Liberty" and how Masonry played such an important role in the design and construction of the "lady." Brother Bill Houser gave us good food for thought when he clarified what Free Masonry is and what Free Masonry is not! The committee deserves a great deal of credit for another job well done. The next presentation will be on Wednesday, November 7, 1984, at the stated meeting.

Our deepest sympathy goes to the families and friends of Richard E. Cain and Darrell S. Cash who were called out of our midst to join the great brotherhood beyond. They both will be missed. Memorial services for Brother Cain were conducted by Richmond Webb Lodge in Richmond, Indiana. Services for Brother Cash were held at the Klehn Funeral Home.

The Lodge for Instruction will be held on Tuesday, October 2, 1984 at 7:30 p.m. on the Master Mason Odegree. Sol D. Bayless is the host lodge. Maumee Lodge will be responsible for the second session including all lectures. All Master Masons are encouraged to attend and support the Officers of both lodges.

There are three petitions out for investigation for reporting at the October 3, 1984 Stated Meeting. If you are appointed as one of the Investigation Committee Members, don't fail to uphold your responsibility. A thorough and accurate report is to be completed, and then a summary of the investigation (report) is to be made by you at the

The first fall meeting was a potluck and we enjoyed delicious food and lively fellowship and conversation. This was Obligation Night and what an appropriate time to renew the obligation that we took at the altar during our initiation. Worthy Patron, George, led us in this impressive ceremony. One of the highlights of the evening was the report given by the Ways and Means Committee on the craft booth that we had at Glenbrook Shopping Mall. We did great!

We were pleased to welcome our District Opeuty to our September 25th meeting. The officers were very impressive and did excellent work under the direction of Worthy Matron, Geneva.

On October 9, we will welcome our "Friends" from other chapters in our district. The theme for "Friends Night" will be, "Let's Go Traveling". All members are invited to attend and join in an evening of

Autumn's Here  
When cool days come  
And school days start,  
Leaves begin to fall.  
Autumn's here;  
Summer has gone;  
Winter will soon call.

At last a chance  
To play in leaves  
Makes raking lots of fun,  
But we have  
To clean it up —  
Sooner said than done.

Oh, it's lovely  
To remember  
The autumn when it comes;  
Voices fill the crisp air,  
And branches start to hum.

To our officers you did beautiful work at the inspection and we are very proud of you. What a beautiful sight to see so many Past Esther's and Past Martha's when they were honored at the September 7 meeting.

Now it is October and autumn days are upon us. October 5 is honor night for the Past Matrons and Past Petrons with a dinner at 6:00 p.m. Your presence will be a small way to show our appreciation for their years of service.

Plan to attend the October 19 meeting as it will be Honor night for Sister Lillian Anders who served as Grand Page at the "Over the Rainbow Session" of Grand Chapter.

A smile is cheer to you and me  
The cost is nothing, it's given free  
It comforts the weary, gladdens the sad  
Consoles those in trouble, good or bad

To rich and poor, beggar or thief  
It's free to all of any belief  
A natural gesture of young and old

It is time to say "Good Morning,"

It is great to say "Hello."

But it's better still to grasp the hands of the loyal friends you know; For the look may be forgotten, The words misunderstood, But just the touch of a friendly hand in a pledge of brotherhood.

It has been my joy this year to find, at every turning of the road, the strong arm of a comrad kind to help me onward with my load. And, since I have no gold to give — and love alone must make amends my only prayer is, while I live, God, make me worthy of my friends.

It's been said that time really flies when you're having a good time. Well, September surely has flown by; guess it's been because we've been having a good time being busy. Can you believe it's been almost a month since school started?

Bethel No. 8 started with a meeting honoring our Past Honored Queens and Majority Members. The theme for the evening was "You Have Shone A Light Upon Our Path." We were so pleased at the nice turn out of PHQ's and Majority members. They truly have lit the path for us to follow. Let our light shine that others may find the path easy to follow.

Our Pilgrimage to Franklin on Sunday, September 9, was a rather "dampening" experience, but only because it rained. The fun and fellowship we had were worth the efforts. Thanks to Mr. Kilgore, Mrs. Creager and Mr. Woods for driving. We had nine girls and five adults attend — eight girls from our Bethel and Tracy Thomas of Huntertown. I guess we shouldn't complain about the rain — after all, Penguin Pals should be used to a little water — a lot of water? We must have made a strange looking group when we visited the hospital though. Hope everyone will remember our shining faces and brights thoughts and forget the wet, stringy hair and soaked robes and capes.

The second meeting of the month honored our Members of Honor. Members of Honor are those individuals who have been recognized for outstanding service to the Order and most specifically to the Bethel. Such recognition is voted by the entire Bethel and is a coveted distinction. At this meeting we also discussed the proficiency of members and the requirements for such.

At this writing our flurry of activities for the month is winding down. Some of us will be assisting New Haven Bethel No. 123 for their official visit of the Grand Guardian on Saturday, September 29, in the afternoon. Leo will be having their official visit that evening also. Mrs. Jeanine Kemp, Grand First Messenger, and Laurie Ross Sipe, Grand Librarian, will be honored with receptions after these visits. We feel as if Mrs. Kemp and Laurie are "our own." Mrs. Kemp has been actively supporting us for some time and Laurie is a Past Honored Queen of Bethel No. 8. Our best wishes are always with them.

Sunday, September 30, is our Escort Sunday at the Veterans Medical Center. We periodically attend services there and assist in escorting patients to the Chapel for these services. Any girls that can attend are always appreciated.

October is a very special time for Job's Daughters. Our Order was

founded on October 20, 1920, in Omaha, Nebraska (the first Bethel in Indiana was instituted in 1923). This year, October 7-13 has been designated as Job's Daughters' Week in Indiana. Special plans will be announced at a later time.

Our Grand Guardian, Mary Ross, has chosen to emphasize during her year, the heritage of Job's Daughters. It is most appropriate that we remember who we are and our heritage and we are going to try to do this by honoring our Past Guardians and Past Associate Guardians at our first meeting, October 3. We will be presenting the epochs of Job's that evening also and at present have six pilgrims. You'll come!

Wednesday, October 17, 1984, has been designated Heritage Night for the Bethel. We are extending a special invitation to all Master Masons, Eastern Stars, members of White Shrine, Amaranth, Beauceant, and all other affiliated bodies to join us that evening. Also, all parents and grandparents of Job's Daughters (with or without Masonic affiliation) are invited to join us that evening. A special program is being planned. Meeting time is 7:00 p.m.

A special invitation is extended to everyone to attend worship services with the Honored Queen and her family on Sunday, October 14 at 10:15 a.m. Services will be at North Highlands Church of Christ, 1414 Archer Avenue. The Daughters will be performing their living cross at the close of the service. The church can be reached by turning west onto Archer from Sherman Blvd. (1800 block) or turning south on Poinsett Avenue from West State Blvd. (at Char King corner).

Welcome to Tom Kemp as our Director of Epochs and Francie McComb, Custodian of Paraphernalia. These two adults were installed as members of the Guardian Council in September. We appreciate all the guidance and assistance we receive from the adults.

Have you seen the Job's Daughter display case on the second floor? Thanks to the House Committee for making this space available to us. We plan to add and or change the display from time to time. Keep watching.

A busy month has passed — a busy month is just ahead for us, but remember to let your light so shine that others may see your good works and glorify your Father who is in heaven.

Greetings Companions and Sir Knights:

Although the calendar does not show it at the time of this writing, the long lazy days of Summer are almost over and thus it is time for us to call our Brethren from the time of refreshment to labor.

This year, your York Rite is attempting something new: An all evening degree class! In the past several years, we have had many requests from our Masonic Brethren who have been held from joining York Rite due to not having any Saturdays free to do so. Thus, this year's Fall Class will be all presented the work on weekdays during the evening hours.

The work will start with the Oe-gree of Mark Master and Chapter Inspection on Monday, November 12, 1984. The degrees of Past Master and Most Excellent Master will be conferred on Monday, November 19 with the Royal Arch Degree being given on Tuesday, November 20th. The Council Degrees will be presented on Wednesday, November 21, 1984. The Fall Class will find their degrees completed in the following week with the Illustrious Order of the Red Cross being given on Monday,

November 26th, the Order of Malta on Tuesday, November 27, and finishing with the Order of the Temple on Wednesday, November 28, 1984. All degree work will start promptly at 7:30 p.m. Candidates and cast are requested to be there not later than 7:00 p.m. Brothers, this can be a golden opportunity for all of us to extend further Light in Masonry to deserving Brothers.

Speaking of Brothers, we are sorry to report that we have two Brother Sir Knights that need our most earnest prayers and support. Past Grand Prelate James C. Farrar was finally discharged from the hospital after a long stay. He is now in room 105 of the Parnell Nursing Home. Sir Knight Farrar is making progress. However it is very slow and we are sorry to report that he still has a long way to go before he can attain his full health again. Our prayers likewise go to his lovely wife, Sister Pauline Farrar. No man could ever ask for a more loving wife than one like Pauline has proven to be. Sir Knight Arthur H. Vonderau is likewise making good progress after his bout in the hospital. With Sister Kay Vonderau watching carefully over him, we have every reason to believe that he soon will be with us restored to his full strength and vigor.

When we ask for prayers to be given for the recovery of our Companions and invoke the Blessings of Deity upon them, it is completely within the character of any Knight Templar. One only needs to look to the symbols of our Order to discover our very roots of faith. The Greek Cross is one of the oldest crosses in history. Ancient Hebrews revered it as a representation of the Almighty GOO. The Maltese Cross, with its deeply notched spread arms has always been associated with the

Knights of St. John, or the Knights of Malta. The eight points of those arms are emblematic of the Beatitudes as well as the languages into which the Order was divided. The Latin (or Passion) Cross is generally considered to be the form of the cross upon which the Savior of the World was crucified. This Cross, together with the Crown of Victory are, conjointly, the emblems of our order.

Companions, again we must repeat: York Rite is your Order. Without your support and presence, it could easily become as fragile as a house of cards. We need each of you with us. In the words of the Cajun Humorist, Justin Wilson: "It is good for you to see me, I guarantee!"

### The Mark Of A Mason

From time immemorial, Masons have left their marks; this has been proven time and again, by finding these marks in ancient ruins which have been dug up.

When Masonry was strictly operative, the individual workman placed his private mark on all work which he presented to the Inspector; first, that he might receive wages, and secondly to make that work so good as to cause the head man to notice it and take him with him when he went to the next job.

He therefore took great pains and pride to make it the very best, as he wanted the Inspector and Head man to know that he took pride in producing GOOD WORK. This was more so before the advent of the unions and hiring halls.

We today as Speculative Masons, should be equally as careful to see that all of our work, our thoughts,

and actions are of that quality and beauty that we will be proud to have our private mark placed thereon; for being individuals, and whether we like it or not, our every thought, word, or action bears our OWN PRIVATE MARK. This applied not only to the ritualistic work but on every thing we think, do, or say.

If ten or more men were to witness the same episode at the same time and then each one, without consulting the others, were to go into another room separately and make a recording of that episode, no two would be exactly alike; for no one thinks, says or does just exactly alike, because each of us are individuals, and whether our work be good or bad it bears our own private mark. The Holy Bible says, as a man thinketh so he is and, by their fruits shall they be known," etc.

— Exchange

### Improving Ourselves

Most of us are not content with ourselves. This is as it should be, because self-content is a form of stagnation. We all have aspirations to become something more than we are. We have ideals before us that we have not yet realized. We have aspirations for nobler characters, desires for better understanding of our own possibilities, cravings for knowledge that have thus far been hidden from our perception.

And most of us are striving for what we have before us. Many of us keep these strivings from the prying eyes of our associates because we fear to permit our aspirations to become the cause of ridicule or misunderstanding. We keep to ourselves those fine thoughts and inspiring intuitions that flash through our consciousness because we do not think our associates would understand us if we gave them expression.

By practicing this habit we are cultivating something that keeps us from making further progress. It is only by expression that we grow. It is only as we use what comes to us that we make it our very own. This is only saying in another way, "It is more blessed to give than to receive," because only as we give do we have the capacity to take into

our consciousness the greater things that are always surrounding us.

We cannot grow in Masonry unless we are ready to use what we have, and thus fit ourselves for the use of what we may receive. It is only as we make right use of what opportunities we have that the larger opportunities are opened to us.

— Ohio Mason

### Yesterday, Today And Tomorrow

There are two days in every week about which we should not worry, two days which should be kept free from fear and apprehension.

One of these days is YESTERDAY with its mistakes and cares, its faults and blunders, its aches and pains. YESTERDAY has passed forever beyond our control.

All the money in the world cannot bring back YESTERDAY. We cannot do a single act we performed, we cannot erase a single word we said. YESTERDAY is gone.

The other day we should not worry about is tomorrow with its possible adversities, its burdens, its large promise and poor performance. Tomorrow is also beyond our immediate control.

Tomorrow's sun will rise, either in splendor or behind a mask of clouds — but it will rise. Until it does, we have no stake in tomorrow, for it is as yet unborn.

This leaves only one day — today. Any man can fight the battles of just one day. It is only when you and I add the burdens of those two awful eternities — yesterday and tomorrow — that we break down.

It is not the experience of today that drives men mad — it is remorse or bitterness of something which happened yesterday and the dread of what tomorrow may bring.

Let us, therefore, live but one day at a time.

— Ohio Mason

At the age of 20 we don't care what the world thinks of us; at 40 we worry what it is thinking of us; at 60 we discover that it wasn't thinking of us at all.

## Brethren:

Our next stated meeting will be on October 4th at 7:30 p.m. We are looking forward to seeing each of you and enjoying good fellowship and refreshment.

Brethren, it any of you are planning to join the York Rite or Scottish Rite this fall please contact Dennis Worman or myself, so we can get your petition in the October meeting which is the deadline for petitions.

Each month I put in a little food for thought as a bond to our fraternity. I hope you enjoy these as I enjoy writing them. I would like your thoughts and ideas for future articles.

Some food for thought: In a world with so many beautiful things and so many turns that I can make, how do I know which turn to take? How do I know which of them brings me out to where I want to go? If there are waymarks, they seem hidden and hardly anything seems for-bidden. On such a multicolored earth. How do I learn what has true worth? How shall I ever find my way? By attending your lodge each month and practicing life the Grand Architects way.

May God Bless! See You in Lodge.

## Masonic Tolerance

Masonry leaves the individual free to adopt such political, theological and social views as he may deem best and it impresses upon his mind those great truths which find a ready response in the hearts of all good persons. Bringing together under such an influence men of every country, sect and opinion, it causes them to mingle as brothers. Masonry towers above all that is awful and ruinable in nature's realm and stands unmoved as the mountain's rock. She has passed through the dark ages of superstition and bigotry, when wars and commotion convulsed the world to its centre and when change seemed to sway a sceptre of universal empire. The end, the moral and the purport of Masonry is to subdue our passions, to make daily progress in a laudable art, to promote morality, charity, good fellowship, good nature and humanity.

## My Lodge

What kind of a Lodge would my Lodge be  
If all the members were just like me?  
You can thoughtfully ask yourself that question  
it not, perhaps it's a swell suggestion.

You can sit by the fireside, smoking your pipe,  
Find fault with the officers, censure and gripe,  
Or you can be one who is always on call,  
Both ready and willing to carry the ball.

To your fellow members you soon will be known,  
As a true loyal worker, or else as a drone

You can pass on new members, or you can refuse,  
To take any part beyond paying your dues.

You can stand on the sidelines, or jump in and play,  
Attend every meeting, or just stay away.

You can visit his home when a brother is ill,  
Or leave all the calling to Joe and Bill.

Whatever your talents, some job you can do,  
So say to yourself, as the past you review,

What kind of a Lodge would my Lodge be,  
If all the members were just like me?

— Ohio Mason

## Just Beginning

A speaker said recently: "When I graduated from college with a law degree, I had studied all the legal theories in the books. As a matter of practice, however, I did not know how to file a simple \$5.00 lawsuit. I had only begun to study law."

The same is true of Masonry. No matter how many degrees you "take", you don't know Masonry until you study what it means and try to live it. Then only do you begin to fully appreciate the wisdom of the ages which is packed into the Masonic ritual and the Masonic lectures.

— The Ohio Mason

## Masonry The Oldest

In this country are more than 700 different fraternal organizations. Masonry is not just one of them. Masonry is the oldest and has the largest membership. Membership selection is the first basic difference. It is the only one that seeks no members, never asking anyone to join. Secondly, Masonry is based upon the Fatherhood of God and the brotherhood of man. This is endeavors to plant in the hearts and lives of its members.

It should be borne in mind that Freemasonry builds its temples in the hearts of men. Its ancient rituals and ceremonies, in Symbolic Lodges and the Scottish and York Rites, dwell upon these truths, and any man who petitions for the degrees of Masonry should do it only with a desire to aid his fellow men.

"I'm worried about your being at the bottom of your class," contided the father to his teenager.

"Stop tussing, Oad. They teach the same things at both ends."

## SENIOR MASONS

As I sit here at my desk, trying to gather my thoughts about what to include in this article, looking out the window and seeing the leaves turning to their beautiful fall colors, I am reminded that a good number of our brothers will be headed for some warmer climates for the next few months. To those of us who will be staying here enjoying (?) the snow and what have you, our next meeting will be on the first Monday of November, the fifth. Mark your calendar now — 12:00 noon — Heritage House.

At the October meeting we had 56 members present. Dr. George Tritton was the speaker, and he had as his subject - Diabetes. His presentation was followed by a question and answer session. We want to thank him once again for his program.

At the next meeting — November — our speaker will be Past Grand Master William Hufford. I have been told that P.G.M. Robert Miller will also be there. Why not be present to see and hear these two brothers, and enjoy the fellowship of all the brothers.

So — why not become a member of the group. Come — eat — and enjoy. Invite a brother, and let him enjoy all the things that we do.

Mark your calendar now, and we will see you at the next meeting, Monday, November 5.

To our brothers on the sick list, we hope and pray for a speedy recovery.

## APPEAL PROGRESS REPORT

Your Associated Masonic Trustees indeed appreciate the support given to its appeal for financial assistance in replacing the windows and casings throughout our Temple. However, this response only covered a portion of the windows.

We remind you again that the windows which require replacing are single glass, wood sash, double hung, set in wood casings which are sixty (60) years old. Not being standard size, requires the metal, double pane replacements to be custom made to fit the stone openings, thus making them more costly.

Installation is under way and will continue as funds from this appeal become available. If your organization has not considered sponsoring one or more windows at \$500 each, please do so. Your contribution, as an individual, of \$5, \$10, \$25, \$50, \$100 or more will greatly aid this necessary project. Upon request sponsors of a window may have a plate attached naming the donor or indicating a memorial.

We take pride in having one of the finest Temples in Indiana and are working to maintain it as such. We know you have this same feeling of pride and therefore request you give serious consideration to this appeal for contributions to improve the Temple and make it more energy efficient.

## Common Sense

Freemasonry and democracy have a common source, a common purpose and a common destiny in the world.

They, in common, inculcate and exemplify, and rest upon, fundamental precepts and principles which are abhorrent to the dictator in particular and to his radical system of government in general.

Each teaches Equality, Justice and Fraternity. Both subscribe to the tenets of Individual Liberty and Freedom, Truth, Temperance, Prudence and Fortitude characterize each, and in common they proclaim a philosophy contrary to the doctrine of brute force, irreverence, cruelty and insatiable savagery universally and uniformly used and employed by dictators.

## Teach Masonry

The prosperous and strong lodge is the one in which Masonry is being constantly taught. Such teachings must go beyond the catechism and ritual.

Young men are coming into Masonry. They may not know a great deal about the method that Masonry employs to teach its great lessons, but they come with the knowledge that Masonry is a profound undertaking.

We will hold the interest of our young Masons if we point out to them the necessity for Masonic study and contemplation.

Our young Masons want to discuss Masonry with those who have been Masons for many years. They want to know about Masonic books. They want to attend meetings at which Masonic subjects are discussed, and they want to hear lectures on Masonry by competent students.

Many of our so-called problems will be solved if we establish a plan that will encourage young Masons to acquire sound Masonic education.

The strength of Masonry is determined by the constituent lodge and how well it communicates the teachings of Masonry to its members.

## A Vanished Friend

Around the corner I have a friend,  
In this great city that has no end;  
Yet days go by, and weeks rush on,  
And before I know it, a year is gone.  
And I never see my old friend's face,  
For life is a swift end terrible race;  
He knows I like him just as well,  
As in the days when I rang his bell.  
And he rang mine — we were younger then,  
And now we are busy, tired men;  
Tired with playing a foolish game,  
Tired with trying to make a name.

"Tomorrow," I say, "I will call on Jim,  
Just to show that I'm thinking of him."

But tomorrow comes and tomorrow goes,  
And the distance between us grows and grows.

Around the corner! — yet miles away...

"Here's a telegram, sir..."  
"JIM DIED TODAY."

And that's what we get, and deserve in the end;  
Around the corner, a vanished friend.

## 4,000 Years Ago

About 4,000 years ago the Chinese people had a symbolism identical with the Masonic Cratt. An altar in the form of a perfect cube was used to typify the earth. The N.E. and S.E. were relatively used to imply beginning and end of an object in view. Aprons were worn which bore emblems denoting religious office.

One of the oldest words in the Chinese language is literally "Square and Compasses" and signifies right conduct.

Confucius (471 B.C.) said: "A Master Mason in teaching his apprentices makes use of the Square and compasses; ye who are engaged in the pursuit of wisdom must also make use of the compasses and square."

Our annual Fellowcraft Ham and Bean Dinner is coming up soon. If you have not yet received a ticket for the dinner, contact Tom Richardville at 422-8923 or phone me. Remember that this dinner, besides being tasty, is open to your family and friends. Ask Tom for enough tickets for all your friends. We will be holding a Fellowcraft Degree at 7:15 p.m. following the dinner.

On October 1, Summit City was host to the Assistant Grand Lecturer, W. Brother Keith Purcell and the officers of DeMolay end Three Rivers Lodges for a Grand Lodge of Instruction. I would like to congratulate ALL of our officers for a fine job — your 100 percent officer attendance and proficiency in the work helped make this evening enjoyable for all! Also thanks to Tom Richardville for fielding a Fellowcraft team that evening. Brethren, you can be very proud of the preparation and proficiency of your line officers and Fellowcraft team!

Brothers, it's that time of year again. Soon, you will be receiving a little envelope with a dues notice inside. Let's help Ron, our new

Secretary, by making sure that our dues are sent in right away. Be looking for the notice to come and plan to write that check as soon as it arrives.

Like most large organizations, we have a group of members that attend Lodge regularly, a group whom we see from time to time, and a group we haven't seen in a long time. Is this the month when we'll get to see you again? Is November the month that you get to shake hands with some old friends and make some new friends? Is this the month where you mark your calendar to visit Summit City some Friday night? Reserve one night this month to spend some time with your friends at Summit City — you'll enjoy it!

## Brethren,

Here is it November, the month to give thanks for all that we have. We have a lot to Masonically give thanks for. The month of October has been a busy one. October 1 was our Lodge for Instruction. Brethren, you have done a fine job and I'm pleased to say we received a very good report and the youthfulness of Lodge impressed Most Worshipful Keith Purcell, our Grand Lodge Instructor.

Our lodge has also raised two brothers this past month. My congratulations to the brothers and to the lodge for a job well done.

For those who could not attend our October stated meeting, a new communications committee was formed headed by Bros. Charles Taner and John Tuttle. Newly raised brother Peter Balsamo is in charge of printing and myself as W.M. as this column, prepared by the W.M. is considered an important part of the communications system between the lodge and its members.

Brothers, I have saved the best for last. If you were in lodge at October Stated Meeting, then you already know about our annual ladies nite. Our first annual will be held this year on November 30, 1984 at the Heritage House on North Lima Road. The cost per person will be \$7.00. We hope you will attend so we might be able to use this as a springboard for future events of this caliber to be presented by DeMolay Lodge. We must have your reservation by November 15. You can RSVP to Charles Taner, phone 489-5706 or John Tuttle, phone 485-7909, evenings.

Finally, Brethren, we need your presence in lodge. We need your input into our regular business. The major decisions of this, your Lodge, are being made by only a few. We need your ideas, your thoughts and your actions so we may present a lodge that is best for our entire membership.

See you in Lodge.

The ultimate goal of becoming a Master Mason was achieved by Brothers Justin Pops and Richard Zimmerman on September 29, 1984. We welcome you both into the great fraternity of character builders. It is our desire that you experience a rich and active life as a Mason. Congratulations on your accomplishments.

The annual "Lodge for Instruction" was held Tuesday, October 2, 1984. Asst. Grand Lecturer, Brother Keith Purcell provided all Master Masons present, excellent instructions and recommendations for Lodge conduct and proper procedures for degree work. We are grateful for his sense of humor and guidance. We all will profit by his patience and expertise. Our thanks to W.M. Jon Greim and the officers of Sol D. Bayless Lodge for the excellent meal and hospitality.

At the October 3, 1984 stated meeting, an amendment to the By-Laws of our Lodge was submitted and approved by vote. The amendment will require the initiation fee to be \$100.00 beginning January 1, 1985. This will be an increase of \$20.00. The amendment was submitted by several Past Masters. It will be presented to the membership for final approval on Wednesday, November 7, 1984 at the stated meeting. All members have been notified by mail as required.

"Ladies Night" October 10, 1984 was a huge success. The food was

outstanding, the Philharmonic Chorus was fantastic, the decorations were beautiful and all 2 persons who attended displayed spirit and enthusiasm throughout the evening. Our congratulations Brothers Walt Cook, Jim Cree, Howard High, Richard Junk, Har Longworth and Grover Scott were presented "Certificates of Appreciation" in recognition of faithful service. I would like to thank members of the committee for the planning and work. S.D. Jim Al and his wife, Roxanne; S.S. Walter Sterling and his wife, Pat; Chaplain Conrad and his wife, Char, and wife, Phyllis. Your faithful service and effort made all of the pie come together at the right time.

The Masonic Education Committee will make another in a series of presentations at the stated meeting Wednesday, November 7. Supp. P.M. Bob Hobbs and the members of his committee by attending. We have four petitions out for investigation. Members of the Lodge have been assigned to investigate. Members are required to make their report before the Lodge in person. The election of officers for the coming year of 1985 will be held Wednesday, December 5. Mark that date on your calendar and pledge to support your lodge officers by voting.

The word "love" in the English language has many meanings and is used to describe a variety of feelings. The comprehensive meaning of the word "love" can be illustrated by other related words such as "respect", "kindness", "affection", and "devotion". Sometimes we use these words very loosely and without true

association. Love exists everywhere if you take time to look for it. It is spread throughout all human activities from personal relationships to everyday work, and even to social and recreational activities. You can even buy some "love" when you purchase a new dog or cat. Even the world of sports has not escaped the word "love". Tennis players use it when expressing the score at the beginning of the game.

Love knows no age. Each person regardless of his wealth or his station in life needs to be loved. Before you can love others you must first love yourself and that love involves responsibility. We as Masons continually express "Brotherly Love". You can exhibit an unbounded enthusiasm which can become contagious as you reach out and touch someone who is just beginning a new life as a Mason. The respect, kindness, affection and devotion that is shown by the members of our Lodge each time we gather in the Lodge room is not only contagious but it is unbeatable. Why not come and "catch" it?

5:30 p.m.; Nov. 3 and 10, Scottish Rite; Nov. 12, York Rite; Dec. 1, Shrine Ceremonial; Dec. 7, South Gate Christmas party.

I recently received a letter from our Senior Grand Warden, Brother J. Paxton, concerning our Lodge of Instruction. South Gate Lodge received an excellent rating for our degree work and special mention was made of our Treasurer, PM Bob Roddy and Secretary, PM Bob Marshall for the great job they are doing in their respective jobs. I would like to extend a very warm thanks to all of the South Gate officers for the outstanding job you have done this year. It has certainly made my year a pleasant and rewarding one, to have such dedicated and hard working associates.

Brother Wilfred Beake is ill and still in the Lutheran Hospital at this writing. Brother Milt Liechty is still under the weather but now home from the hospital. To these brethren we wish a speedy recovery.

By now many of you have heard that the Grand Master, C. C. Faulkner Jr. issued an order on Sept. 21 withdrawing Masonic recognition of the Grand Lodge of Illinois. The reason for this action being the refusal of the Grand Master of Illinois to honor Indiana's jurisdictional sovereignty over one of our suspended members. A lodge in Illinois accepted the petition and raised a candidate who had been a member in Indiana, but suspended for un-Masonic conduct. Until further notice all members of Indiana lodges are not to have any fraternal relations with any member of a lodge under the jurisdiction of the Grand Lodge of Illinois.

Your officers and myself will be attending a Regional Conference on Nov. 22, sponsored by the Grand Lodge. The conference is an educational meeting concerning ritual work, Past Masters degree and many topics important to the lodge. We will have a report on this at our November stated meeting.

It is with great pleasure that I pass on this next announcement. Past Master and Secretary Emeritus Franklin I. Bryan has been nominated to receive the 33rd degree of the Ancient Accepted Scottish Rite. I can't think of a more deserving and dedicated Mason. I speak for all of South Gate in extending a very warm congratulations to you Frank and to Marge for her support all of these years.

Masonic Degrees by initiation. They received the Entered Apprentice Degree on Wednesday, October 10 and will work on their proficiency so they can receive the Fellowcraft Degree Wednesday, November 14.

Other October business was the dues issue. We voted to leave our dues at \$50.00 a year. We also voted to table the motion requiring written notification prior to balloting on changes to our By Laws. This motion will be voted on at the December stated meeting, along with other motions which will be read at the November meeting. These motions will list committees and the duties of such committees as required by Grand Lodge. November we will again vote on two petitions for the Degrees of Masonry, and we anticipate Fellowcraft Degree work on Wednesday, Nov. 14 and then Entered Apprentice Degree work on Wednesday, Nov. 21.

Other lodge news — the parking lot has been resurfaced and the dining hall floor has been striped and waxed. Come take a look.

I hope everyone has a nice Thanksgiving Day holiday.

Degree work at 7:00 p.m.

Nov. 19 — Fellow Craft Degree work at 7:30 p.m.

Nov. 22 — Master Mason Degree and breakfast at Hicksville, Ohio. Further information will be provided by mailer.

Nov. 29 — Master Mason Degree. Open Lodge at 5:00 p.m. Dinner at 6:00, second section at 7:00 p.m.

Also at this time, mark your calendar for December 8th for our annual Past Masters and Awards Banquet.

I also report that on September 19, our Brother Robert E. Smith was called to the Celestial Lodge above and our prayers go out to his family and friends in their time of need.

By now you should have received your 1985 dues notice with a letter enclosed from me for a special project for the Indiana Masonic Home at Franklin, Indiana. Your 1985 dues are payable in advance and due no later than January 1, 1985. Please be considerate to our ever faithful Secretary, Dave Simon, and send your dues in today.

Come November 22, Thanksgiving Day, a day of thanks, for all our Supreme Architect has bestowed us with, I will be thankful for the fine brothers that he has blessed me with. To each of you I thank you for the love you have shown to me as Master of your lodge. See you in Lodge.

Brethren,

Sept. 26 we had a nice social evening. Just a get acquainted type evening. Eighteen brothers got together to talk about the Lodge and their affiliation with the lodge and the community. The response from everyone seems to be the same. They enjoyed the evening and plan to return October 24, with a friend, to share the fellowship and enjoy a short program that Ron Harfiff has promised will be a surprise.

At the October 3 stated meeting we elected two friends to receive the

ACRDS FROM HISTORIC FORT

present received a rating of "EXCELLENT" for his ritualistic performance. The report noted that nine of our installed officers were present for this very important meeting. Our Treasurer and Secretary also received an "EXCELLENT" rating for their records. This is a fine report and reflects very favorably upon Wayne Lodge.

Our pilgrimage to the Schofield House and the Indiana Masonic Home made on October 14 was an enjoyable day for all those who attended. In spite of the fact that it was raining when we left Fort Wayne, the sun came out by the time we arrived in Madison, and it turned out to be a very pleasant day. We toured the Schofield House, and then enjoyed a delicious meal at The Pines restaurant. We then continued our trip to the Indiana Masonic Home in Franklin for a tour and light refreshments before returning to Fort Wayne. The attendance of the local officers and members of Wayne Lodge who made this trip possible is greatly appreciated.

Our November stated meeting will be held on November 1 at 7:30 p.m. Prior to the meeting, dinner will be served in the kitchen at 6:30 at which time those Brethren who were raised during the month of November will be our special guests.

The Grand Master has called a Regional Conference on Friday, November 2, at 7:30 p.m. in the ballroom of the Masonic Temple. It will contain discussion of topics that are of critical interest to our Lodge, followed by a question and answer period presided over by the Grand Master. In addition to that, there will be a brief instruction given on a portion of the Second Section of the Master Mason degree. Also, there will be a styled workshop for Past Masters on the correct method for conferring the Degree of Actual Past Master. All Past Masters of Wayne Lodge are invited to attend as well as those Lodge officers who have been personally contacted by the Worshipful Master.

Looking ahead, our Annual Meeting will be held on December 6 at 7:30 p.m. preceded by a dinner at 6:30.

See you in Lodge.

Greetings Brethren,  
It is hard to believe that November is here. But the beautiful autumn leaves let us know it is that time of the year. And I know many of our snowbird members will be migrating to the warmer climate of the south, so I wish those brethren a safe trip, and an enjoyable winter.

The lodge had its homecoming and ladies night Oct. 19 and everyone had an enjoyable evening. My only

wish was that more of you could have attended. But maybe another time.

The new officers jewels have been ordered and we are awaiting their arrival.

Lodge dues notices will be coming this month and your prompt payment will be appreciated.

I received a very nice letter from one of our out of town brothers and was very pleased to receive it. It is good to hear from our brothers who live out of town and can't be with us. Let the lodge hear from more of you. But until we do I send greetings from the lodge and hope you are well. Also I wish all of you a good Thanksgiving.

To any of the brothers who are ill my hope is for your speedy recovery. Well I have rambled on enough so I will close with wishing all a happy Thanksgiving.

Again time is rushing by and soon another year in Home Lodge will be history. Our next event will be the Fellowship Recognition Dinner on December 11. This is the one night each year we have set aside to recognize the members of Home Lodge Fellowship Club.

Brothers James Farrar and Art Vondera who are both recovering from their illness would appreciate a visit or card to make their day a little brighter.

Please put a note on your calendar that November 6 is election day. This is the day we all can express our choice of government by voting in the election. Also mark December 4, as this is also the December stated meeting and will be the election of Home Lodge officers.

Life is made sweet because of friends we have made, And the things in common we share. We want to live on, not because of ourselves, But because of the people who care. It's in giving and doing for somebody else —

On that all life's splendor depends, And the joys of this life, when you've summed it all up.

Are found in the making of friends. This is just what Shiloh members find in the month of October. At our first meeting, we honored our Past Matrons and Past Patrons for all the time and effort they have given our chapter. Many, many hours have been spent in their endeavors and the present officers really appreciate it. We were also privileged to watch them during the initiation of a new Sister, Marilyn Dale, daughter of Past Patron, Eugene, and Velma Roush. Welcome, Marilyn. As you enter into our activities, we know you will enjoy the fellowship of our members and benefit from the teachings of our principles.

Our second meeting of October was a delightful one. We had the fun of entertaining many friends of Shiloh at our annual Friend's Night. It is always one of the highlights of our year, when we renew old acquaintances and make new friends. We hope each of you will return in the future.

We have only one meeting in November due to the Thanksgiving holiday, but it promises to be a nice one. Becky, our Worthy Matron, has planned well for a lovely program. This is a special time of the year when we are especially thankful for all the blessings of good health and happiness and for the good friends which we've made. Let's take just a few minutes to remember all these blessings and thank God for His love and comfort.

I'm thankful for each separate day, For every moment in it; To chance to work, to learn, to play, To set a goal and win it.

I'm thankful for the common things We often take for granted; The sun, the rain, the birds, the trees, Each flower that's planted. I'm thankful for the wintertime, Spring, summer, and the fall; And for a wise and generous God Who watches over all. And for this land, America, Wherein tree men are living With right to worship as they please, I render my thanksgiving.

The Call of Autumn  
Have you notices all about you  
Suddenly autumn came to view,  
Rivalling June with its skies of blue?

A hush is creeping o'er the land-  
scape; Summer bids us now adieu.  
The fervor of the teeming summer  
Will lay dormant for a season anew.  
Verdant trees their leaves are  
staining; Brilliant hues for us to  
share.

Goldenrod is splashing color  
In the misty, gauzy autumn air.

Along the highway grows the sumac,  
Strewing flamboyant red along the  
trail.

Each turn of the road burst with  
color,  
With bittersweet showing o'er the hill  
and dale.

List to the haunting, requiem call  
Of wild geese honking to one and all  
The time of year has changed to fall.  
There is delight to be found anew  
As autumn fingers beckon you.

It was indeed an honor and privi-  
lege to have our fraternal mom and  
pop, Sister Lois Onelson and Bro-  
ther Gene Linn share the east with  
us as we honored 35 Past Matrons  
and Past Patron's on October 5.

To those who worked so hard and  
for all the delicious pies donated by  
the ladies for the spaghetti dinner A  
BIG THANK YOU.

The time has arrived again to  
start making peanut brittle on Sat-  
urdays. Bring pans, wooden spoons  
and get your stirring arm in shape.  
We need all your help.

Your Worthy Matron and Worthy Patron, wish for you a blessed and "thankful" Thanksgiving.

Thanksgiving  
 They had no far-flung highways, no bright wings, To bear them swiftly to this promised land.

The sea was wide and rough, and bleak the strand to which at length they came, and void of things they left us, safety, ease, gifts they had earned.

Through cold and hunger and the bitter toil that came of wrestling with the stubborn soil of virgin wilderness.

But, oh, there burned within their spirits a consuming flame,

A living flame that would not be denied, for which they labored, hungered, fought, and died

To bring us freedom who might bear their name.

Dh, let us not, for which all this was wrought of loneliness and fire and drought and flood,

Of infinite sacrifice of brawn and blood, Esteem the gift as less than dearly bought,

Nor hold with careless hands their dream come true, This mighty commonwealth, this very sod.

Their warm veins nourished and their brave feet trod, This torch whose flame they fed with living those.

O God of that small band of noble strain, Give to their children clearer eyes to see and cherish, as they did, this legacy;

As for each fruitful hill and field and plain, Each shimmering lake and every stream whose banks stretch verdantly from sea to thundering sea.

For all that makes us joyful, strong, and free, we bow once more to give Thee grateful thanks.

A word of thanks can mean so much

When people tell me "Thanks" it always makes me glad inside, And makes me feel as though it really matters that I tried.

And then I feel inspired to look for other ways to share, To give a little happiness, to show someone I care.

I find new purpose in my heart to guide me all day through — When people tell me "Thanks,"

It somehow makes me thankful too. It's time to put the rake away before it's covered with snow. The beautiful leaves on the ground will wait until Spring.

This is the month we give thanks for living in the United States of America, Happy Thanksgiving to all, especially the shut-ins.

I wish to thank Julia Whyte and Dorothy White for cleaning and organizing 4B, the storage room. This was done on October 11 at 1:00 p.m.

At our October 2 meeting Mrs. Charles Masel was escorted to the Station of Salute and congratulated on her appointment to the Supreme Worthy President's Report Committee.

Isabelle is a Past President and our Color Bearer and Floor Works Director. Congratulations Isabelle!

We will have practice on November 13. It's very important that all officers be at this practice.

Congratulations to Mr. and Mrs. John Weyer — they have a new great-grandchild.

Did you see our Florence Palmer on channel 21 on October 7 for the American Cancer Society? Florence has worked many hours for the American Cancer Society for several years. I admired a pin she had on and she told me the American Cancer Society had presented it to her. Florence is a charter member of

our Assembly, Past President and our recorder. Florence walks and rides the bus and friends share their rides with her. We love you, Florence.

Listen! Do you hear the sound of rustling leaves upon the ground? And the lonely whistle of the wind as the autumn season now begins. Have you noticed the sky's more blue and each morning the grass is wet with dew? The sun shines brighter, but goes down soon and is replaced by the Harvest moon. Somehow the stars all seem so bright in the velvet blackness of the night. The moon shines bright, yet you get a chill — Yes, the autumn season will give you a thrill.

A very lovely meeting was held Oct. 8 for Friends Night. Friends from such places as Muncie, South Bend, Logansport, Indianapolis helped make the night truly a Friends Night and shared friendship over a salad bar after the meeting.

Remember Ways and Means projects are the paper drive, bakeless bake sale, sales of knives, dishcloths, and pickles and serving. Remember also that convocation is coming up and Amaranth is short of servers. If you are available please give your name to Doris Thiebold who does the calling for servers.

Hoping to see you all at the Court meetings.

How should we respond to the many good gifts God gives us every day of our lives — gifts, we, perhaps too often, take for granted except at Thanksgiving time? The answer is — "With praise and thanksgiving." Thanksgiving is a continuous attitude of gratitude. And with good reason, His gifts keep on coming, and so does His love.

Thanksgiving — a time of Thanks a time of Love.

Until next month — Peace — Love and God Bless.

## It's Later Than You Think

Everything is further away than it used to be. It is twice as far to the corner and, I've noticed, they've added a hill.

I have given up running for the bus; it leaves faster than it used to. It seems to me they are making

stairs steeper than in the old day — and did you notice the small print they are using in the new papers?

There is no sense in asking anyone to read aloud; everyone speaks in such a low voice that I can hardly hear them.

The material in trousers and coats is so skimpy now, especially around the waist, and it is all but impossible to reach my shoe laces.

Even people are changing — They are so much younger than they used to be when I was their age. On the other hand, people my own age are so much older than I am.

I ran into an old classmate the other day and he had aged so much he didn't recognize me. I got to thinking about the poor devil while combing my hair this morning and in so doing I glanced at my reflection. Confound it! They don't make good mirrors like they used to either.

## Masonic Research

One grand peculiarity about Freemasonry is that it will stand investigation; the deeper the research, the more extensive the knowledge of its hidden art and secret mysteries, the more highly it is appreciated. A man who merely takes his degrees in a listless, careless sort of manner who remains a mere spectator at a lodge meetings, and considers the customary refreshment of the close as the best part of the proceeding may think that Masonry differs little from other societies. But the man who dives deeply into Masonic literature, takes a lively interest in every part of the ceremony, and learns the origin, meaning and moral bearing of its symbols, cannot possibly fall into such an error. To him Masonry is a refining and elevating influence not to be found in the ordinary run of Societies. To bring this influence to bear on every member of the Craft, and to direct them to the systematic study of Freemasonry should be the great aim of every true Mason who has the welfare of the Craft and his Brethren at heart. — Exchange

Fellow Companions and Sir Knights:

It is an extreme pleasure for us to announce that your officers have the highest expectation for a very successful fall class in your York Rite. There have already been several petitions acted upon and we have promises of many more before the start of the scheduled Festival. This series of degrees will start with our Annual Inspection which this year will be on the Mark Master Degree. This degree will start promptly at 7:30 p.m. on Monday, Nov. 12, 1984. The Past Master Degree and The Most Excellent Master Degrees will be held at the same hour on Monday, November 19. Tuesday, November 20, we will enter into the Crypt and see the Royal Arch Degree conferred. Wednesday, you will see both the Royal Master and Select Master Oegrees presented when the Council holds its degrees. Due to this being the week of Thanksgiving, the Commandery

Oegrees will be presented in the week following. The Order Of The Red Cross will be given on Monday, November 26. The Order Of Malta on Tuesday, November 27 and we shall conclude with The Order Of The Temple on Wednesday, November 28. Again, ALL degrees will be presented starting at 7:30 p.m. and the candidates and cast are asked to be there at the Temple not later than 7:00 p.m.

In presenting these degrees during the several listed evenings, we feel that York Rite, in answer to many requests from our Masonic Brethren, are giving them a chance to receive further light in Masonry without being required to assume further expense if they are scheduled to work on Saturdays and thus be required to lay off in order to obtain these degrees.

In advancing thru the three distinctly different organizations who together compose York Rite, one must first enter into the Chapter of Royal Arch Masons. This order is further divided into four separate degrees. The last of these is the Royal Arch Oegree. This degree is recorded to be over 200 years old. The first reference of this degree dates back to England in the early 1730's which was even prior to the establishment of the Ancient Grand Lodge. The Royal Arch Oegree, as practiced today in a major part of the world, is a refinement of a number of degrees, legends and traditions that existed under that, or a similar name, in the very early 18th century throughout the British Isles.

The symbolic emblem of the Royal Arch Chapter (the Tau Cross, Triangle and Circle) have all appeared in various religious rites since the dawn of recorded history. With such an important significance and background, it is understandable that in Britain, it is the accepted practice among its Symbolic Lodges to confer the Royal Arch Degree on its candidates as the fourth degree of Masonry.

Last, but certainly not least, we would ask that each of our Companions to continue our prayers on behalf of our sick and ailing brothers. We would ask that you say a special prayer in behalf of Sir Knight James C. Farrar who remains in a very serious condition in room 105 of the Parnell Park Nursing Home. My Brothers, the power of honest prayer has no limitations. I know that I speak for each and every Companion and Sir Knight when I say that it is our most earnest desire to see Brother Jim restored to full health and strength and we all pray that in His tender mercy that our Blessed Savior will watch over Jim and lead him back to health. Amen.

Has anyone noticed anything different about Bethel No. 8 recently? We've grown! We're bigger and better than ever before (we'd like to think). At our first meeting in October our family gained six daughters. Welcome to "O.D." Kiess, Coni Kiess, Mindi Kiess, Tara Bruggner, Michele Groves and Tanya Creager. We're so glad you joined us. We had a nice turn out of the "apples of our eyes" that evening too. The Past Guardians and Past Associate Guardians were honored that evening and what better way than to see our initiatory work. We were glad they all joined us — even Mary Ross, the Grand Guardian! We really did want you there, Mrs. Ross, although having the Grand Guardian

in our midst made us a little more nervous and our greeting appeared otherwise.

Am I proud! Sunday, October 14, was Church Sunday. The weatherman didn't cooperate, but the sun was shining inside that day. Twenty four daughters and parents represented the Bethel as we formed the Living Cross at the end of the morning worship hour. Thanks to the gals and parents from Hometown and New Haven who joined us and to everyone who came because they knew it was a special day for us.

It seems we've been busy, but the schedule looks even busier for the next few meetings. We're looking forward to our Royalty Night honoring our Master Masons, Eastern Stars and all the other groups who stand behind us when we need them. As we write this we're looking for a large crowd. We hope as you read it you won't have missed this special meeting.

Region No. B will be having a Halloween Party at Jim and Mary Ross's on Sunday, October 28. There will also be a meeting of the Third Guardian Council that afternoon. Maps and full details are available from Mrs. Kilgore.

Friends' Night is November 7. We know some of the Bethels meet on the same evening we do and since it's a school night the amount of homework will enter in, but we hope many of our friends — new and old — will be able to join us. Meeting time is 7:00 p.m.

The official visit of the Grand Guardian for inspection of our Bethel is scheduled for November 21. Leo Bethel No. 129 will be joining us. There will be a dinner prior to the meeting. Plans are tentative now, but you will be called about time, price, etc. It you can't make the dinner, please try to make the meeting. We hope to have more candidates to initiate that evening and having sideliners helps us do our best.

As the leaves turn to red and gold, let us remember to be thankful giving. We have so much for which to be thankful for we are truly the fairest in all the land and our Father has given us an inheritance among our brethren.

## Puppies For Sale

The man had no sooner put up the sign in his yard "Puppies For Sale," when a small boy appeared and wanted to know how much they were going to cost. A look of disappointment came over the boy's face when he was told "\$25.00," but he asked the man if he could see them.

The man whistled, and from behind the house came the mother dog, with five little balls of fur trailing along behind — one lagged considerably.

The boy spotted the lagging and asked, "What's wrong with him?" The man told him that the dog had a bad hip but: "The Vet says he will live, but he will never be much of a dog."

"That's the one I want to buy," replied the youngster. "All I have is \$29.3, I will pay you the rest 50 cents a month."

The men smiled, but shook his head, "No, we can make a deal alright, but you don't want that dog. He will never be able to run, jump, and play with you. Pick one of the others."

The youngster very slowly pulled up the leg of his trousers — there was a brace running up both sides of a badly twisted little leg. The boy said, "You know, I don't run so well myself, and he will need somebody that understands him."

He got the dog.

Mother: "How did you get Tommy to mow the grass?"

Father: "I told him I lost the car keys somewhere in the yard."

Brethren:  
We have been busy at Olive Branch this past month.

On September 22, 1984, Olive Branch celebrated its 125th anniversary. We enjoyed a spaghetti dinner and homemade pie prepared by the members. Several 50 year members attended and spoke of their memories of the lodge. We were particularly pleased that Charles Alsmann, a member since 1929, traveled from Indianapolis, Indiana to attend the dinner.

On October 22, 1984, lodge of instruction was held in conjunction with Decatur Lodge No. 571. The brethren from Decatur invited our officers to a delicious dinner at Back Forty Restaurant which was thoroughly enjoyed by all brethren. Brother Keith Purcell of Grand Lodge was very helpful in instructing us on the Fellowcraft degree.

On Saturday, October 6, at 7:30 a.m., we enjoyed a pancake breakfast, after which Brother Kenneth L. Emlick was raised to the sublime

degree of a Master Mason. We extend our appreciation to Brother I.B. Marquart of Monroeville Lodge and Brothers Hudger, Mills and Roubush of Ocatour Lodge for assisting us in the degree work.

We are pleased that Brother Charles A. Ramel is now a member of our lodge. We also thank Brothers Charles Alsmann and Herb Jesse for their gifts to the lodge.

Remember our ham and bean dinner on Thursday, December 13, 1984 at 6:30 p.m., after which election of officers will take place. We would like to see you in lodge on November 8 for our stated meeting to discuss the odious property perceived by our senses in the lodge hall. We will attempt to locate and remove the property.

Oear Brethren,  
Last month's issue was missed because your Worshipful Master was moving. My new address is 6150 St. Joe Rd., Fort Wayne, IN. Mailing address is P.O. 5306, Fort Wayne, IN 46895-5306. New phone 485-4435.  
September was Lodge of Instruction and Brother Keith Purcell, Asst. Grand Lecturer, was present. He was very kind and shows excellent knowledge of the ritual work we should be producing.

As we plan for Oct. 17, a dinner for 25 year members and Past Masters. We find Brother Fred Lantz was among those to be honored. I and Al Reed J.S. just returned from an evening of learning what Masonry can do and mean to a Brother. I ask you do we have 175 Masonic members in our lodge or do we have 175 Masons? Looking back on our obligations, E.A. F.C. and M.M., we find many things mentioned. Brotherly Love, Truth, Relief, Friendship and God in whom we all place our trust.

Brothers I now charge each of you to take the time to promote Masonry by doing something for someone else by extending one of our beliefs to them. Thanks Brother Fred for the reminder.

Brethren may God bless and keep all of you in days to come.  
See you in Lodge.

Brethren:  
I have received the report on our Lodge of Instruction. The letter was from the Senior Grand Oeason and as follows (each of your officers participating in the presentation of the Entered Apprentice Degree received a rating of "Excellent". However, since two of your officers did not fill their post, your overall rating was reduced to "above average" instead of "excellent". This is why it is so important for all the officers to be present for this or any function of the lodge.

Our next stated meeting will be on November 1 at 7:30 p.m. We have several items of interest to be brought before the lodge, so come join us and enjoy in good fellowship and some very good refreshments too.

It has been requested by our Grand Master that the officers and Past Masters attend the Grand Masters Regional Conference on Nov. 2 at 7:30 p.m. at the Masonic Temple, 216 East Washington Blvd., Fort Wayne, IN. So any Past Masters who are planning to attend please contact me for your reservations by Oct. 28.

Some food for thought: The years have taught me many things but none so sure as this: that shelter, solace, and strength are always where God is. So now when hope and courage fail, and only fear is strong, my heart will sing as in the past an unforgetten song. For God is my refuge and my strength. I will not be afraid, and though the night be wild and dark I'll meet it undismayed. For I go to lodge to renew my bond, while always remembering that the lodge is where brotherhood and friendship is made.

May God Bless, See You In Lodge!

## Courtesy Is Contagious

Courtesy is a gentle armor which gracious people wear without even knowing it. It is a friendly letter of introduction to strangers. As the nursery rhyme puts it, "hearts, like doors, will open with ease, to very little keys." And best of all, courtesy helps to keep friends friends.

According to Tennyson, courtesy is an intangible hallmark of great character. Did you ever hear of a person of great character who was discourteous? Courtesy is an acquired attribute; nobody is born courteous. Anybody can have it. That is required is the sincere desire — and the patience — "to do as you say the kindest thing, in the kindest way."

The most astonishing thing about courtesy is the way it rubs off on others — the way it eases unpleasant situations where it takes two to ease them. Somehow the "little keys" you use have a way of starting other people to jingle keys of the own.

## CHRISTMAS GREETINGS

### SENIOR MASONS

Our next meeting will be on Monday, December 3, 1984. As always, we will meet at 12:00 o'clock noon for lunch, with the meeting following lunch. If you will recall, at the September and October meetings, we discussed, and agreed to have the Ladies join us for lunch and the program. So fellows, do not hesitate. Right now before you forget it, invite your lady to come with you, or ask her to bring you, or whatever. We do not want to hear that you forgot to invite her.

The speaker at the December meeting will again be Lillian Embick, Executive Director of Audiences Unlimited. If you fellows will recall, Mrs. Embick was the speaker at our September meeting. Every one enjoyed her presentation, so the officers decided that perhaps the Ladies would be interested in hearing her. She will have a different program fellows, so it will not be boring to you.

At the November meeting, Past Grand Master William Hufford was our speaker, and he brought along his Chiet Kibitzer, Past Grand Master Robert H. Miller. We enjoyed the presentation of Brother Hufford,

in which he told of his experiences while working through the Grand Lodge line. At the November meeting, we had a total of 59 members and guests present.

As we look at the calendar, we see that it has been pretty well used. The December 3rd meeting will be the last for this year. As this will be our Annual Meeting, the nominating committee has a slate of officers prepared for your approval. The President will be stepping down, and the three Vice Presidents will all move up. Therefore, we will have one new Vice President to elect. We want to congratulate Brother Westfall for having a successful year, and offer him a well done handshake.

As this is the last article before Christmas, I do hope that each and everyone of you will have a nice holiday, and that the days in the New Year will bring you good health and happiness.

Once again, mark your calendar, December 3, and invite your best Lady friend, (or ur wife), whichever. See you at the Heritage House — Lima Road — 12:00 o'clock noon.

Franklin I. Bryan, Secretary

### After the Lodge Is Closed

Masonry teaches us how to live, how to die, and our duty towards our fellow men. Oo we all realize the significance of the word "fellow men?" It means more than fellow-Masons. We naturally have a special tendency to safeguard our Brethren of the Mystic Tie, but actually our duty lies beyond the fold as well. In these difficult times when the kindly courtesies of bygone days seem to be fading away in the struggle for existence, the Mason often finds himself presented with opportunities for rendering kindly help. Not necessarily the giving of alms, that of friendly counsel, loving sympathy, and a willingness at all times to render aid when properly called upon. The giving of a kindly hand of help to a mother with young children on an escalator, the call at a neighbor's when serious illness has occurred, and other small acts of courtesy and kindness in daily life, are factors which should distinguish the Mason from others. Let thought for others be the motive in daily life, and then the Mason reflects the teachings and tenets of his Craft.

### Make It Live

The ritual of Masonry is beautiful in expression and in meaning.

However, we must bear in mind that the most beautiful language is dwarfed into insignificance unless the words are made to live.

One who confers in a degree or has any part in the ritualistic ceremonies should be keenly aware of the fact that the candidate is hearing the words for the first time.

The candidate is in a responsive and receptive attitude. It is necessary then for those who participate in "the work" to be words of the ritual with a sincere consciousness of their import.

There is nothing ordinary or commonplace about the ceremonies of Masonry. They are of the highest antiquity.

The thought is often expressed that it is better to live Masonry than to learn the ritual. That is true. But, why is it not possible to do both? The ritual is the pattern of Masonry.

First impressions are of great import; we communicate more than words. We have the opportunity to clothe words with the spirit of love and understanding.

It is hard to believe that 1984 is almost history. For a small Lodge, we have been busy.

It is time to elect and install new officers for the coming year. Your attendance for this meeting is very important. Your vote is important.

New Light No. 754 will become just what the membership wants it to be.

I want to thank those lodges who have been so faithful in helping with the degree work.

M.M. degree work is scheduled for Saturday, Dec. 1 at 9:00 a.m. Come and help make it a great day for our new brother.

There will be a light lunch and fellowship following the degree.

My thanks go especially to those officers who have been faithful in their attendance and work this year. See you in Lodge.

Brethren:

The time has come for my last article as Master of your lodge. It seems it was just a short time ago that I was writing my first. I wish to express my gratitude for your faith in letting me serve as your Worshipful Master. It has been an honor and a pleasure to serve in that capacity. And an experience I will treasure. I wish to thank all of the brothers for

their guidance and help in making the task a very pleasant experience. I know that the new Master will receive the same help.

Remember at the stated meeting Dec. 11 will be election of officers, so plan to attend and vote for your officers for the next year. The installation of new officers is to be December 29, 6:00 p.m. Let's give the new Worshipful Master a rousing send off with a large attendance that night.

The new officers jewels were received in November and were used at the stated meeting for the first time.

For Masonic education at the November meeting W.B. Albert White presented a slide show about George Washington home and surrounding area.

I am happy to report that several of our brothers who have been on the sick list are progressing very well.

To our out of town brothers, hello again and I hope every thing is well with you, and you have a happy holiday. Again let us hear from you.

Well the time has come to close this letter. Just let me say again it has been an honor and a privilege to have been your Worshipful Master for the past year.

Dear Brethren:

Christmas is one of those times when family and friends gather together, to share their love and warmth, fond memories of the past and without exception, good food and cheer. In the same spirit, I extend to each of you my personal invitation to attend your Lodge's annual Past Masters and Awards Banquet on December 8, 1984. Where else on earth could you find all the love and warmth a person could want for, all the memories we have shared at our being raised to the Sublime Degree and of course, food so good that you know it has to be mom's cooking! Only at this Banquet and so much more. Come share it with your Masonic family.

This Banquet will be quite different from any you will have ever attended before. Some of the highlights are as follows:

The Ballroom will be transformed into a Christmas scene.

Appetizers and Christmas Punch will be served from 6 to 6:30 p.m.

Candlelight dinner will be of steak, baked potato, cheese broccoli, salad and dessert.

Music by the Paul Harding High School swing choir.

Presentation of 25 Year Award of Silver, 50 Year Award of Gold, Certificates of Appreciation, Meritorious Service Awards and Master Mason of the Year.

Presentations to our Brothers who

have been raised to Master Masons this year.

Presentation to the Indiana Masonic Home of your gifts to the Master's Mattress Fund.

Ceremonial of Remembrance by your Officers for our beloved Brothers who have been called to the Celestial Lodge Above this last year. Ceremony by your Officers to honor the faithful service our Past Masters have given us all.

Additional highlights which only those present will be able to partake and enjoy.

I now report that last month, the working tools of life have forever dropped from the nerveless grasp of our Past Master Harold W. Houser. To his family and friends we express our deepest sympathy.

Last month Brother David B. Nelson was raised to the Sublime Degree of a Master Mason. Congratulations Brother Dave on your admission into the age old fraternity of Free and Accepted Masters.

Your Lodge will confer the Master Mason Degree in full on December 10, 1984 with the first section to begin at 5 p.m., dinner at 6 p.m., and the second section at 7 p.m.

At this time, please remember that your dues are now due and must be paid in full by December 31, 1984 for the year 1985. After this date you may be subject to suspension for non-payment of these dues. If you are unable to pay your dues, please contact your Secretary today.

Looking forward to January, your Lodge has two candidates for the degrees of Masonry. Please consider attending your Lodge more regular if it is not your present habit. How about making it one of your New Years Resolutions?

To each and every one of my Brothers and their families, my family and I wish you the very merriest of Christmas and a very happy New Year.

I had a great year serving as

As the Worshipful Master of

brother along with my best wishes  
for the New Year.

already. The point is that we all can  
set goals or commitments for our-  
selves which point out the plans for  
our future. And we can all take the  
responsibility to make those com-  
mitments reality. Who better to take  
responsibility for your own goals and  
actions than you, yourself? I urge  
you, from this point on, to set the  
goals that will get you where you  
want — and act upon them to make  
them happen! It took me 33 years of  
my life to learn that one of the most  
important things each of us can do is  
take responsibility for our own lives  
and actions. You all have a set of  
working tools and a rule and guide of  
faith which are unsurpassed in their  
wisdom. But by themselves, they do  
nothing. Combine them with your  
own commitment to use them to set  
your life on the course you choose,  
and you will experience the great joy  
of making the world work for you!

I again extend congratulations to  
the following brothers: Larry Krayner,  
Albert Ensley Jr., and Nelson Guard  
who have joined us in our labors.  
In addition I wish to say thank you  
to all who made the family nights,  
ladies and widow night the success-  
ful event they were.  
To the new Master of Home Lodge  
I pledge to assist him in what ever  
way I can.  
To each of the brethren of Home  
Lodge I wish to say I have enjoyed  
being Master of Home Lodge and it  
is with mixed emotions that I must  
say this year is coming to its end.

Greetings from the East:  
It is a pleasure to welcome two  
new members to Wayne Lodge.  
Brother Paul F. Clark became the  
first member to join Wayne Lodge  
under the dual membership pro-  
gram. Brother David S. Corderman  
was raised to the Sublime Degree of  
a Master Mason on October 25,  
1984. Congratulations to both of  
these men on choosing Wayne Lodge  
for their Masonic home.

Our Annual Meeting will be held  
on December 6 at 7:30 p.m. pre-  
ceded by dinner at 6:30. Since  
election of officers for 1985 will be  
held at this meeting, all members are  
urged to attend. It is the desire of

Brothers, I've just come home  
from our Annual Fellowcraft Ham  
and Bean Supper. We served nearly  
200 people this year full to the gills  
with Willie Witmer's terrific ham and  
beans, cole slaw, and the best corn-  
bread anywhere. Thanks, Willie and  
all your helpers, for such a fine meal!  
And thank you Wayne Lockwood for  
picking up the pies for dessert — its  
always fun to watch people walking  
back and forth along the pie table  
trying to decide which of the pieces  
to take back to their table. Tom  
Richardville, you did a great job  
coordinating the Supper! Thanks to  
Ed, Paul, John H., and all of the  
Fellowcraft Club who donated a  
kitchen apron to prepare the Beans  
and room and serve the hungry mob.  
And, thanks to the hungry mob for  
giving us empty coffee cups and  
plates to serve! See you all at next  
year's Supper.

ATTENTION! Friday, December 7  
at 7:00 p.m. Summit City will hold its  
annual meeting. We will elect officers  
for 1985. AND, we have a Special  
Event planned for that night. I can  
only tell you that it has to do with  
Summit City's history. Plan to attend  
the December meeting!

Our condolences go out to Eleanor  
and the family of J. J. Rippe, who  
passed this month to the hands of  
the Grand Architect of the Universe.

Please remember, Brothers, the  
dues notice you just received needs  
your attention. They are due as of  
the first of the year. Ron, our  
Secretary, would like to thank all  
those who have already paid their  
dues. And I would urge everyone to  
send in a check right away!

As I write this article, I am taking a  
break from packing to move to a new  
home. I am moving to 1302 Home  
Avenue, and my new phone number  
will be 456-2710. A special thanks to  
Jim and Kris Conner, our Junior  
Deacon and his wife, for all their help  
with my move! If I may take the  
liberty, I'd like to turn the conver-  
sation toward the philosophical.  
Moving on this time has a particular  
significance for me. In March of 1984  
I made a commitment to own a  
home within one year. I've met that  
commitment, and it made me feel  
very good to do so. It seems rather  
simple — a lot of you have done that

Brethren:  
My year as Master of Home Lodge  
is coming to an end and I would like  
to take a minute and look back at the  
year. Let me say this year was not  
the result of one person. It is the  
result of everyone working together.  
I had a great amount of help from  
the line officers and trustees. To  
these brothers, Herman Grabler,  
John Kreider, David Ball, Quentin  
Prange, Gerald Daran, Lawrence  
Grabler, Dean McCord, Larry  
Weclutz, Gerald Walker, Robert Hat-  
field, Hollice Breece, Bud Woods, and  
all of the Past Masters I say a very  
sincere thank you.

It is sad that we note the passing  
of the following brothers: Fred  
Alexander, William Massman, Earl  
Summers, Roscoe Dtt, William Scott,  
Robert Chevalier, Paul Ellison, John  
Goehring, Edward Sanday, James  
Farrar, P.M., Paul Jones, Elvadere  
Mansfield and Howard Bahoff. To the  
family of each of these brothers, I  
extend to each family member my  
deep sympathy. I also wish to extend  
to each an invitation to come and  
join with Home Lodge in all of the  
social functions.

Greetings Brethren,  
First on my list of notes is a con-  
gratulations and warm welcome to  
our new member, Herman Davis.  
Herm was entered on Sept. 17,  
passed Oct. 22 and raised to the  
Sublime Degree on Oct. 29.

Your officers and myself attended  
the annual Grand Lodge regional  
conference on Nov. 2 at the Temple.  
It proved to be a very informative  
and interesting evening. Information  
concerning ritual work, Past Masters  
degree, Masonic education and the  
committee on the family was pre-  
sented. As I mentioned last month  
this meeting was reviewed at the  
November stated meeting.

Brothers, by now most of you have  
received your 1985 dues statement  
and many have already taken care of  
this matter (thanks). Please don't  
forget about your lodge dues.

Our annual family night and  
Christmas party will be held Dec. 7  
so mark your calendar for that night.  
You will receive a bulletin in the mail  
soon.

At our Nov. 2 stated meeting we  
had the honor of presenting one of  
our brothers with the Grand Lodge  
award of gold. Brother Carl R. Smith,

Our labor at South Gate continues with degree work in November and most likely the first week in December. Please attend as often as you can Brothers. It's important to your lodge and especially the candidate.

In the last issue of Square and Compass I passed along the order of the Grand Master which withdrew recognition of the Grand Lodge of Illinois. As of Oct. 21 the order has been temporarily suspended pending action by the Grand Lodge of Illinois. Hopefully this matter will be completely resolved soon.

Brother Wilfred Bleeker is now home from the hospital and improving. I recently spoke with Mrs. Bleeker and she has ask for our help brothers. Those of you who can spare a few hours of your time for a "Brother in need" should contact me as soon as possible, 422-6673.

Our sincere sympathy is extended to the Guterthum family in the loss of their mother and grandmother.

Brethren this is the last opportunity for me to write to you this year. I would like to take a few lines to express my gratitude for all of the support I have received from the brethren, officers, and Past Masters of South Gate. A few lines surely isn't enough space to convey my feelings accurately.

Almost as long as I have been a Mason I have been an officer at South Gate. It's not a pleasant feeling realizing that is about to end. I have truly enjoyed serving as your Worshipful Master this year. Hope I have done a job, that meets your approval. Again thank you brethren for the opportunity you have afforded me and a special thanks to the line officers for their support and dedication.

Yours in faith,

Dear Brothers,

Waynedale Lodge has seen many changes during 1984, and we are about to have another, for Dec. 5 we vote on the leadership of the Lodge for 1985. I feel certain that Waynedale Lodge will become even more interesting and pleasing with the planned activities for next year. This no doubt will increase our membership and the percentage of active members that help the Lodge in so many ways.

At the Dec. Stated meeting we will also vote on changes to the By-Laws that would define the minimum number of committees needed each year along with their responsibilities. There is also a proposed amendment requiring written notification prior to balloting on changes of our By-Laws.

Thursday, December 27, 1984

Waynedale will celebrate the Feast of St. John the Evangelist. Check the "Waynedale Cabetow" for further information.

Friday, Nov. 2, 1984 seven members of Waynedale Lodge attended the special Regional Conference called by Grand Lodge. We met many of the Grand Lodge Officers and received good instruction on various degree work and general operation of the Lodge.

Friday, October 19, 1984 our Lodge lost a good friend and Brother when John C. Conahan was called to that Celestial Lodge above. Our prayers and best wishes go to his family and friends.

My year as Master is rapidly drawing to a close, and I wish to thank the many friends and brothers who helped me and the Lodge this year. I would like to list each of you by name, but that would take a lot of space. The important thing is that you know deep in your own heart that you did help this year.

Thank you, and God Bless you.

First Wednesday

Walter Stout W.M.

Our sincere congratulations to Brothers Stephen Heath and Earl Ware who were raised to the Sublime Degree of a Master Mason on Wednesday, October 31. We are proud of the effort that was displayed by both Brothers in preparing themselves for that historic experience of becoming a Master Mason.

Brothers Ralph Conrad, Walt Cook and Richard Junk comprise "The Committee of the Family". Their responsibilities are to maintain an accurate location tile of each members widow and orphans. They will maintain contact at least once a year and then inform the Lodge of their well-being as the occasion may require.

PM and Trustee, Jim Farrar reports that a total of \$2,000.00 has been given to the House Committee by members of Maumee Lodge (who wish to remain anonymous) for the purchase of storm windows for the Temple. Any member who desires to participate in this energy saving program can do so by contacting either Secretary, Charles Taylor, or Trustee, Jim Farrar. This is an excellent way to express our appreciation for having such a beautiful and well maintained building available for our Lodge needs.

The Grand Lodge Regional Conference was held at the Temple on Friday, November 2. Maumee Lodge was represented by the Wards, Deacons, Secretary, PM Dan Morgan and yours truly. There was a great deal of emphasis given regarding the importance of the duties of the "Investigating Committee" and their responsibility in making a thorough investigation of a petitioner and then the obligation they have in presenting to the Lodge in person at the

stated meeting the complete facts. It was pointed out the importance of not letting "quantity" over-ride "quality" when considering new members. The character of the candidate is vitally important. There were also special instructions given on a certain portion of the Second Section of the Master Mason Degree. The Grand Master ordered all Lodges to present the degree exactly word for word as the ritual states and to keep in mind the solemn purpose of the degree is not to entertain those persons setting on the side line, but to present a beautiful and meaningful event in a new Master Masons life, one that will be cherished by him forever. No deviation by words added or expressions are to be used during the presentation. A typed workshop for Past Masters on the correct method for conferring the Degree of Actual Past Master was also held. The meeting was very beneficial to those attending. Those persons who participate in the Second Section of the Master Mason Degree will follow the ritual to the "T" at all times.

There are two important dates to reserve on your Lodge calendar. The first one is Wednesday, December 5. This will be the stated meeting at which time the officers for 1985 will be elected. You will elect the Worshipful Master, the Senior and Junior Wardens, the Secretary, the Treas-

urer, and Trustees. The second important date is Friday, December 21. This will be the installation of your Lodge officers for 1985. All officers are to be present in the Lodge room at 6:30 p.m. for the taking of the group picture. The Lodge will open at 7:00 p.m. After the installation ceremony a reception will be held in the Ball Room. All Master Masons, their families, and prospective members are encouraged to attend the installation and reception. The installation is a public event and is the only time your family, friends or a prospective member may set in Lodge and witness a historic Masonic ceremony.

It hardly seems possible that 1984 is about to come to an end. To sum up the past twelve months is impossible as I search for the right words that I can't seem to find to express my sincere appreciation to all of the Brothers who have contributed to a very successful year. Just twelve short months ago the officers of the Lodge pledged themselves to "get more members involved" in Lodge, not just by attending but by participating. We did just that. We strived to continue the outstanding reputation of the Lodge. We had success in getting new members involved, and also bringing back old members by giving them responsibilities. We were fortunate in adding twenty nine (29) new Master

Masons to our membership. Five (5) Master Masons transferred the their membership to Maumee Lodge and Three (3) Brothers were re-instated. We had over one hundred (100) Master Masons from other lodges visit our Lodge through out the year. There were thirty four (34) different members that gave the work lectures. This proves but one thing, Maumee Lodge is blessed with loyal and dedicated members who continue to express their interest in Masonry and share their time and talent with others. I want to thank all of you who came and gave to the Lodge in what ever capacity, so we may might continue to share brotherly love and friendship.

The experience of being your Worshipful Master was a thrilling and rewarding episode in my life that I shall cherish forever. For this, I humbly thank all of you who time after time supported the Lodge with attending, kind words of encouragement and cooperation. This type of attitude is what makes the ordinary men great and good Masons. My special thanks to all the officers and especially to the Secretary who was always there in a time of need.

In summary, on behalf of the officers of Maumee Lodge we would wish all of you and your family nothing but the best during the coming new year. Good health, prosperity and happiness. Merry Christmas and may God Bless.

Seasons Greetings,  
There is a special feeling that stirs in every heart as the Christmas season draws near. It's the Inspiration of the Christ Child, to bring happiness to those we hold dear.

What a glorious and wonderful season is Christmas time. Hearts are inspired by renewed faith. Hope

in His promise fills our hearts with love and joy. And lastly, we are at peace with each other and the world, if only for the season.

As we share the blessings of Christmas, may we remember the blessings each of us share in being members of our beautiful Order. Through our Eastern Star work, and programs and the social enjoyments we share, we are able to bear witness for Him, and to grow with our Order through His service.

LOVE makes our friends a little dearer,

JDY makes our hearts a little lighter,

FAITH makes our paths a little clearer,

HDPE makes our lives a little brighter,

PEACE brings us all a little nearer  
We wish each of you a Happy Holiday season and wish only good and special things for you in the coming New Year - May we all "live in the Sunshine of His love".

those who have lost loved ones. May God send you comfort and peace and uphold you with His power.

We have only 24 days from the first of December till the birthday of the Christ Child. May His teachings and guidance be a reminder that we too have an obligation to help our fellow men, not only through our support, but through sincere prayers and actions which will make their Christmas a happier, healthier time. May God who sent His Son to us at this Christmas time, be with you all and bless and keep you in the coming years.

Another month is fast drawing to a close, and here we are about to enter the joyous holiday season. Joyous, because it will bring the Christmas carols, and it is time for renewing old friendships both at home and afar.

**CHRISTMAS**

Christmas is your faith in all that is good in the world.

Christmas is the selfless spirit of doing for others

Christmas is laughter and friendship, and the spreading of cheer

And it is the guileless wonder of childhood

Christmas is the sweet joy of families united

It is the tender knowledge that you're loved by someone

And that you have someone to love

Christmas is believing in prayer, and the Power that answers it

Plus the right to sing of your belief in the way of your choice

Christmas is all the things free men fight for

Let us keep it shining for all the world.

We have been busy making peanut brittle again on Saturdays. The work may be tedious, but the fellowship shared by all more than makes up for it. The words "Just stir a little longer" will bring chuckles for a long time to all those who heard them. Not to overlook anyone who has been working on the peanut brittle production line, I wish to say a BIG THANK YOU. Your Worthy Matron and Patron. I understand Norm Anders has been

breaking records again this year.

Oh, what a lovely evening we had on Friday, Dec. 19 with all our Friends when we honored Sister Lillian Anders, who served as page at the spring Grand Chapter session. Sister Lillian was escorted to the East and warmly welcomed. Brother Lyle Cotton, P.G.P., Sister Mary Ann Frederick, P.G.M., Sister Markie Edwards, Grand Conductress, Sister Arlene Welker, D.D. of No. 14 were among the distinguished guests present.

During good of the order, a fun program was enjoyed. We wish to thank Brother Dick Rabbitt for being the postman. Congratulations Lillian - we all love you.

The Birthday Of A King  
In the little village of Bethlehem,  
There lay a Child one day,  
And the sky was bright with a holy  
light, D'er the place where Jesus

'Twas a humble birthplace, but oh!  
how much God gave to us that day!  
From the manger bed, what a path

#### Greetings:

It has been some time since you  
have heard from your Chapter. At  
our October 9 meeting we honored  
our 25 year members and presented  
pins. Of the 12 who were eligible, 6  
were there to receive their pins. The  
others were forwarded in the mail.  
Sister Carrie Russell, who was the  
presiding Worthy Matron 25 years  
ago, presented the pins. We had 11  
officers in attendance.

Our Thanksgiving meeting was  
held November 13. We had the  
minimum of 7 in attendance.

Sister Helen Grimes is in room  
747 at Parkview Hospital. She had a  
stroke but is getting along fine.

Our Officers Christmas party will  
be held prior to our December 11  
meeting. It will be a dinner party at  
6:30.

Hope to see you in December.

No. 139  
SOCIAL ORDER  
OF THE  
BEAUCANT

Stated Meeting  
1st & 3rd  
Tuesday

Mrs. William Black ..... W.P.  
2536 Lincolnale Ave. 482-2857  
Mrs. Carter Palmer ..... Recorder  
2625 Wells St. .... 483-7382

Are you a person that is orderly  
and precise, by December 15 all  
gifts are wrapped tied so nice?  
Dr are you like others and wait until  
the day before,  
And have ribbons and paper all over  
the floor,  
Each year I make a vow to wrap as I  
buy,  
But that never happens although I  
try.

My cards are in the mail at the right  
date,  
Parcels sent to relatives so not to  
be late,

But last minute wrapping is a part  
of Christmas Cheer,  
That only happens once in the year.  
I hurry, wrap, fasten bows and make  
tags,  
Than place each family's gifts in  
separate bags.  
Then I sit and meditate in the quiet  
of the night  
Everything seems still, peaceful and  
right.

At midnight the church bells begin  
to ring.

It seems a person can hear the  
angels sing.

The true meaning of Christmas rings  
out loud and clear,  
Saying "Peace On Earth" for the  
coming year.

So pray for peace and understand-  
ing, Freedom from war,  
Happiness for all both near and far.  
by Joy Herr

The year of 1984 is coming to an  
end and my term as President of  
the Social Order of the Beaucant. I  
want to thank the officers and all  
committees. Being President was a  
new experience for me and you gave  
me support and inspiration. Please  
give the next President your  
support.

On November 20 Mrs. Roger  
Shafer will be presented a card for  
being a 25 year member of our  
Assembly. Congratulations Mary.

We will welcome our Supreme  
Worthy President, Mrs. Paul E. Mikal  
on December 4. Mrs. Mikal lives in  
Glendale, California but we have  
learned she was born in Indiana and  
has relatives in South Bend. She has  
chosen the "Snowflake" as the  
symbol for this year. No two snow-  
flakes are alike, neither are two  
people alike. She will leave here on  
December 5 to fly to Milwaukee,  
Wisconsin. I'm sure she will see a lot  
of snowflakes. We wish her safety on  
her reign throughout the year.

Mrs. Paul Hendrickson reports  
Inez Thrasher is doing nicely and  
looks good. They had been to see  
her at South Bend.

We want Carolyn Parrot, Mildred  
Houser and Hortense Stevenson to  
know we are thinking of them and  
wish them well.

Bill and I have a new grandson,  
Kyle Loren George, born October  
27. Parents are Tina and Tony  
George.

In memory of Sir Knight James C.  
Farrar.

"Do not stand at my grave and  
weep, I am not there, I do not sleep.  
I am a thousand winds that blow;  
I am the diamond glints on snow;  
I am sunlight on ripened grain;  
I am the gentle autumn's rain.

When you awaken in the morning's  
hush, I am the swift uplifting rush of  
quiet birds in circled flight.  
I am the soft star that shines at  
night.

Down the years of memory,  
The pageant of Decembers,  
Christmas is the miracle  
That every heart remembers.

Above the dreaming little town  
The fields of drifted snow  
There falls the benediction  
Of the Christmas star's warm glow

And heavy hearts grow lighter,  
And joyful voices ring,  
To celebrate His birthday  
And worship Christ, the King.

As we approach this beautiful  
season let us all remember the true  
and true meaning of the season, a  
give thanks to Him and whom we  
know to be the Saviour of the World.

No matter how you celebrate your

### Companions and Sir Knights:

It is my sad duty to inform the Craft that one of the Giant Oaks growing in the vast Masonic Forest has fallen! Alas, the Great Architect of the Universe has seen fit to call our dear Friend and Brother, Sir Knight James Clinton Farrar home to his eternal reward. But how does one say goodbye to a Brother who's friendship dates back at least thirty-seven years ago when we first met at the Third Gate of the Temple? How does one say goodbye to a friend and companion that has marched side by side with you year after year both through competitive drills as well as helping other Brothers to receive further Light in Masonry? To be sure, all one can say in perfect faith and conviction is that we are sure that "Big Jim" has already heard those words: "Well done, good and faithful servant. Enter into the Joy Of Thy Lord." May we that remain behind for a little while, be deemed worthy to hear those same wonderful words when it comes our time to meet our Creator.

The year that we have been privileged to serve our Companions and Sir Knights is nearly over. It is amazing how quickly that time has passed. It seems like it was only yesterday that we stood before our brethren and assumed the duties to which we were elected. Speaking for both of us, we deem it a true honor having been privileged to serve our Craft. Our earnest hope is that at least in a small way that we were able to bring Honor to the Fraternity. Our 1984 Fall Festival is now his-

tory. We wish to congratulate each and every new Companion and Sir Knight and trust that our new relationship will prove to be both long and rewarding. As each of you well know, Masonry is a continuing education and each of us have a lot to learn. Now, together we can continue that walk towards further enlightenment.

In our further study into the various segments that together comprise York Rite Masonry, we learn that many historians credit the beginnings of the Council of Cryptic Rite Masonry as being unattached or side degrees of the Rite of Perfection established in France about the middle of the 18th century. Early records indicate that the Select Master Oegree was brought to America in 1762 while the Royal Master Oegree was not exemplified until later. The earliest Grand Council of Royal and Select Masters was not formed until 1819 in the state of Connecticut. Growing in size, there were 47 Grand Councils in the United States as of 1974. Of these, 42 of the United States Grand Councils and three others: Philippines, Germany and Western Canada are affiliated into a General Grand Council that was formed in Detroit, Michigan in 1880. Other areas such as Alaska, Mexico, Canal Zone, Hawaii and Japan have Subordinate Councils which come directly under the General Grand Council. Nine jurisdictions not affiliated with the General Grand Council are Eastern Canada and Ontario, Connecticut, Texas, England and Wales, Ohio, Scotland, Pennsylvania and Rhode Island.

Among all the benevolent activities supported by the various Masonic Bodies, the philanthropic program sponsored by Cryptic Rite Masonry is one of the most important. In 1978 at the Thirty-Third Triennial Assembly, it was decided that we would form and support a Foundation whose charity was to be Research In The Prevention of Arteriosclerosis (commonly called hardening of the arteries). Although all the secrets of this dreaded disease have not yet been discovered, constant research conducted at Indiana University have opened new areas in the treatment of this illness.

### It Could Happen

"You haven't returned your report card yet, Johnny," admonished the teacher, "and it's three weeks overdue."

"I know," admitted the pupil, "but I can't get it back."

"What do you mean, 'can't get it back'?" demanded the teacher.

"Well, you see, you gave me an A on something and they are still passing it around to the relatives."

Christmas is more than a day at the end of the year. More than a season of joy and good cheer. Christmas is really God's pattern for living. To be followed all year. By unselfish giving; For in giving to others and being kind. Man finds true joy and peace of mind. And Peace on Earth. Will come to stay. When we Live Christmas - Every Day.

(Helen Steiner Rice)

December - the month of parties, rushing, programs, rushing, snow, rushing, shopping, rushing, meetings, rushing, and the celebration of the birth of our Lord, when all the world stops rushing, slows down and enjoys family and friends while turning their thoughts to Peace on Earth, Goodwill to Men.

Like everyone else, Bethel No. 8 will be busy during the month of December. We're just "recuperating" from our official visit of the Grand Guardian, Mary Ross, and the Grand Associate Guardian, Joe Scott. What a night to remember! A lovely dinner was served by Willie Witmer and her staff and we thank them for their continued efforts in our behalf. Did you ever see any cuter babies than those that were dedicated to the principles of our order that night - and how about

those proud grandparents! It was nice to see all those Past Honored Queen Mammias, too. Our inspection went just as we anticipated - we were all a bundle of nerves, but we made it. Welcome to Mandy George, our newest sister, so glad you've joined us.

I must apologize at this time to Cassie Ferrell and Bethel No. 71, Huntertown. Guess this Penguin Pal just slipped on the ice when I mentioned in last month's Square and Compass that we would be having a joint inspection with Leo's Bethel. Can you imagine their surprise? We loved working with your Bethel, Huntertown, and didn't mean to slight you.

Special thanks to Mrs. Mowery. Not only are you up and feeling better, but you even opened your home to us for a slumber party at the last minute. We had a great time, Grandma M. - well, all of us except Tanya. Hope you're feeling better Tanya.

Our plans for a "Snowball Oance" had to be changed a little. We won't be having it December 1 as we originally announced. More details will be announced later.

December 5 is our regular stated meeting. It's going to be a lun night and we want all the gals to bring their favorite stuffed friend. We don't mean those Thanksgiving overeaters, we mean your favorite stuffed animal friend. We'll be "honoring" them that evening, so come and join in the festivities. We hope to make it an early evening.

Thursday, December 6, is our Bethel Christmas party. This is one for all of your family. It will be at the Heritage House, Lima Road, at 6:30 p.m. Cost will be \$7.00 per person. Reservations should be made with Andrea OeLeon, 489-4972 by December 2. There will be a home-made gift exchange for anyone that wishes to participate. Oress is to be casual.

Star of the East Chapter O.E.S. has asked us to be guests at their meeting on Tuesday, December 11. More information about this will be announced at our December 6 meeting and our calling committee will call the gals too.

December 19 will be a big meeting - not only will it be our Christmas meeting, but it will be ELECTION. Be thinking about the election, but remember our rules and regulations state we cannot discuss this with each other and we cannot questioneer. If you have any questions, contact Mrs. Kilgore or anyone on the Council.

As special things come up during the month - and we always seem to have some - we'll be as close as the telephone. We'll keep you posted as best we can but be sure to come to the meetings and keep up-to-date.

My wish for all of you at this happy season is that you and yours may have a blessed Christmas and most joyous New Year. Let your light so shine.

## Brethren:

December 6 at 7:30 p.m. is a very important date for your lodge; election of officers for 1985. These are the brethren who will provide leadership for your lodge under the direction of your elected Worshipful Master. You have a fine group of brethren as appointed and elected officers. So come on out and support your lodge.

If any brother needs transportation to lodge, contact Brother Chester Rennecker, Phone number 432-4779.

If any brother knows of a sick or hospitalized brother please contact the Secretary, Brother Roy Peters, Jr., phone number 483-4809.

During my term of office, your lodge has accomplished many things. A complete list will be in my Installation of Officers address in December.

Coming events for December: Stated Meeting, Installation of Officers and Feast of St. John.

Your lodge has a 25 - 65 year dinner in November with Brother Willard (25) and Brother Walter Arick (65) speaking of some of their memories of lodge.

Two quotes - Do it right - Do it all or Don't even begin. What kind of lodge would my lodge be if all the members were just like me?

How many members and guests were present for last year's installation? See you in lodge.

## Brethren:

Dn Nov. 2 we had eight brethren attend the Grand Masters Regional Conference at Ft. Wayne. This was a very good turnout for our Lodge. Thank you for attending with me.

Our next stated meeting is on Dec. 6, which is the annual Past Masters night and dinner. We will have dinner starting at 6:30 p.m. We also have three brethren to receive their 25 yr. pin award, plus we have election of Officers. So brethren, we have a full evening of honors and business to take care of so plan to attend and share in good fellowship.

Some food for thought: I walked beside a shallow creek, and through the silence heard him speak, and once important things to me, seemed smaller than they used to be. I sat beneath a shady oak, where dreams of long ago awoke, and here within this quiet place, I met my maker face to face. Through Forest trail and underbrush, I heard the plaintive hermit thrush, departing from the beaten track, I got my lost perspective back. Returning then from whence I came, I knew my life was not the same, since I have walked through the three degrees of the Lodge, I find myself in closer touch with God.

May God Bless. See you in Lodge.

Brethren: Calendar for December, 84. Dec. 5, Stated Meeting, election of officers; Dec. 20, Past Master degree at Monroeville; Dec. 21, Installation of F.&A.M. 740 officers; Dec. 22, installation of Jobs Daughters officers, and Dec. 27, Feast of St. John.

Brethren as my year grows to a close I would like to thank all officers for their support and guidance, also to all brethren for their participation thru out the year. The roof and stair projects are about done for winter and our lodge is preparing for the Christmas holidays. Remember as we prepare to celebrate the birth of Christ, to look around and extend a hand to a brother as our Fraternity continues to give birth to more men each year. I charge the brethren of 740 to continue in the excellent ritual work and practice of the principals of Masonry as I have seen them do through out the year since my birth as a Mason.

Congratulations to Brother Davis on receiving his MM degree. Good luck to all newly elective officers and may 1985 be as enjoyable for them as 1984 has been for me. May God bless all and Happy New Year.

## Symbolism Of Masonic Altar

The altar is one of the most ancient symbols of mankind. It has had great significance for all ages since the red dawn of history, and the candidate might profitably devote hours to the study of this one subject.

In Masonry the altar, among other things, is a symbol of faith. Dn it rest the Three Great Lights, and to it comes the candidate in search of light and to offer himself, symbolically, to the service of his fellow man and the Grand Architect of the Universe. Here he takes his obligations, traditionally considered more solemn and binding when taken at an altar than under any other circumstances. In every activity of the lodge the altar is the focal point

for all the brethren, that the cepts for which it stands and Lights that rest thereon may give their every thought and action.

## Now You Know!

Several farmers were passing rainy day at the feed and store, arguing the merits of various religions. The eldest said nothing but just listened. Finally, he asked, "Well, what do you think of this?"

"I'm thinking there are three ways from here to get to the big elevator. When you get there they're not going to ask which you came. They'll just want to know how good is your grain."

Parking places aren't hard to find — look how many people find them before you do.
